Case No. A1-045365

O R D E R

On July 12, 1982, Respondent filed a Motion to Strike the Complaint of Washoe County in its entirety or alternatively Paragraphs 2, 3, 4, and 5 of the Complaint in that the occurrences therein are untimely pursuant to NRS 288.110(4).

In response to Respondent's Motion, the County apparently concedes that Paragraphs 2, 3, 4, and 5 are not substantive parts of its pleading, but historical.

The Board finds no circumstances warrant striking the Complaint in its entirety or in the alternative those portions alluded to in the motion.

Therefore, it is,

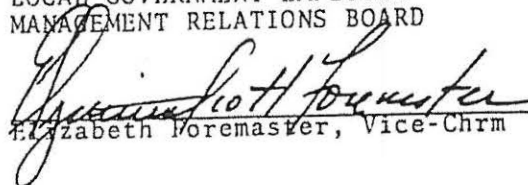

ORDERED that the Motion to Strike is denied and it is,

FURTHER ORDERED that Washoe County amend its original

Complaint to reflect only those substantive issues which rightfully should be brought in the Complaint.

Dated this 13th day of September, 1982.
