16 On May 18, 1994, the Board issued an Order (Item No.
17 334), granting Respondents' Motions to Dismiss the Petition
18 For A Declaratory Order in the above-captioned case.

19 On June 14, 1994, Petitioner filed the instant "MOTION
20 FOR RECONSIDERATION AND MOTION FOR HEARING" on "the grounds"
21 that Petitioner believes the Board made conclusions concerning
22 issues of fact without proper evidence before it, that the
23 Board is required to hold a hearing before determining such
24 issues of fact, and that the facts determined by the Board are
25 erroneous. These Motions are also made on the grounds that
26 the Decision declaring Petitioner employees exempt from
27 Chapter 288 is clearly erroneous as a matter of law."
