ITEM NO. 661

CASE NO. A1-045909

ORDER

For Complainant: Karen Banks, In Proper Person

For Respondents: Roger K. Grandgenett II, Esq.
Litler Mendelson Attorneys at Law

This matter came on for discussion and deliberations by the Local Government Employee-Management Relations Board ("Board") on September 20, 2007, noticed pursuant to NRS and NAC chapters 288, NRS chapter 233B, and Nevada's open meeting laws; and the Board finds, concludes, and orders as follows:

On May 15, 2007, Karen Banks ("Banks") filed a Complaint with the Board against her employer, the Clark County Department of Aviation ("Aviation Department") alleging discrimination based on her race and retaliation for filing a worker's compensation claim. Although not all dates for occurrences were identified, Banks alleged discrimination in the filling of a vacant position in November 2006 and cited to prior examples in February 2005, March 2005, September 2006, and May 2007. The Aviation Department filed a Motion to Dismiss based upon NRS 288.110(4) (the six month statute of limitation), because Banks has not established a prima facie claim of race discrimination, and the Board's lack of subject matter jurisdiction over NRS chapter 284 claims. The Aviation Department filed a "Reply in Support" of its motion based upon Banks' failure to timely oppose the Motion (NAC 288.240). On August 2, 2007, Banks' "Reply" was filed with the Board alleging that she "did not receive any certified

1 notice by mail." On August 6, 2007, the Department of Aviation filed a supplemental
2 "Response" that certified mail was not required.

3 Order

4 BASED upon the above mentioned pleadings and documents filed by the parties through
5 their respective attorneys of record, and good cause appearing therefore,

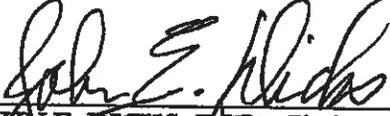

6 IT IS HEREBY ORDERED that the portions of Banks' complaint concerning alleged
7 NRS chapters 613 and 284 violations are beyond this Board's jurisdiction and are dismissed.

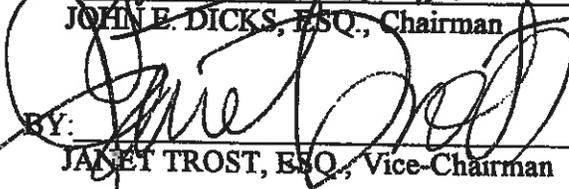

8 IT IS FURTHER ORDERED that the portions of Banks' complaint pertaining to events
9 beyond this Board's six-month statute of limitation are dismissed pursuant to NRS 288.110(4),
10 i.e., any event occurring beyond six months prior to the filing of the complaint with this Board.

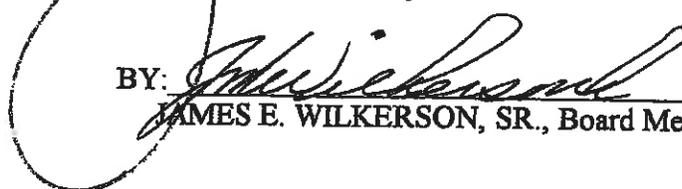

11 Allegations of discrimination based upon race is a proper cause of action pursuant to
12 NRS 288.270(f) for this Board to consider, therefore, Banks' complaint pertaining to such
13 allegations will not be dismissed. Banks is admonished, however, that any further filings with
14 this Board shall contain the appropriate cites to the statutes found in NRS chapter 288 and
15 regulations found in NAC chapter 288.

16 DATED this 20th day of September, 2007.
