RE: Nevada arbitrator, mediator and fact finder list

Dear Mr. Snyder:

I am in receipt of your letter dated January 23, 2020 requesting information regarding my willingness to serve as a mediator, arbitrator or fact finder. I would be interested and willing to serve as any of the above and have attached my current arbitration resume for your review. This lists the fees charged for arbitration and mediation and fact finding as well as travel expense policy. Please let me know if your office has any questions about any of the information or my fee and expense policy.

As the resume shows, I am currently on the AAA labor panel, FMCS panel as well as a number of other state panels and permanent panels in both the private and public sectors.

Let me know if the parties have any additional questions or concerns. I look forward to working with you.

Very truly yours,

Jeffrey W. Jacobs
