REGULATORY MATTERS

3. Public Hearing on Proposed Regulation R010-15

Commissioner Snyder briefly reviewed the proposed regulation, which is similar to the current temporary regulation. He noted that it does several things: (1) allows for the electronic filing of documents; (2) reduces the number of copies to be filed from five to one for those not electronically filing documents; (3) clarifies the items to be included in the annual reports from the local governments and employee organizations; and (4) allows the Commissioner to sign certain stipulations to extend time. Commissioner Snyder also stated that the proposed regulation has one additional change as compared to the temporary regulation; namely the repeal of the regulations pertaining to parties drafting the findings of fact and conclusions of law. There were no comments from the public on the proposed regulation.

4. Consideration of Comments on Proposed Regulation R010-15

There were no comments from the Board members.

5. Possible Final Adoption of Proposed Regulation R010-15
