Effective July 1, 2005, any earned hours in excess of the twenty-four (24) month maximum accrual shall be paid directly to the employee at the employee's discretion at his regular hourly rate.

An employee shall be paid at his regular hourly rate for each hour of vacation time taken. With approval of the Fire Chief or his designee, the above one (1) year minimum accrual may be waived.

(d) An employee may combine the use of vacation leave with accrued holiday/C.O.T. when absenting themselves from work.

Requests for vacation and holiday/C.O.T. must be submitted more than twelve (12) hours in advance of the time being requested off. When an employee provides his qualified relief, the above required notice is waived.

ARTICLE 6. SICK LEAVE:

(a) Each line employee shall be entitled to earn sick leave benefits at the rate of seven (7) hours per biweekly pay period. Earned sick leave may accumulate after deducting sick leave used by the employee during that period. An employee must be in full pay status a major portion of his regularly scheduled biweekly hours to be credited with sick leave for that period.

(b) Each non-line employee shall be entitled to earn sick leave benefits at the rate of four (4) hours per biweekly pay period. Earned sick leave may accumulate after deducting sick leave used by the employee during that period. An employee must be in full pay status a major portion of his regularly scheduled biweekly hours to be credited with sick leave for that period.

(c) Sick leave shall be an absence from work by reason of illness, injury or death under the following circumstances:

- (1) Sick leave may be granted only as the result of illness or injury of the employee or illness, injury or death of any relative within the third degree of consanguinity or affinity (consanguinity is defined as kinship to include blood relationship; whereas affinity is the connection existing in consequence of marriage) to wit: parent, child, grandparent, brother or sister or grandchild.
- (2) Provided, however, that the employee requiring sick leave must provide the City's Fire Chief with evidence of such need. Thereupon, the City's Fire Chief shall guarantee his personal knowledge of the necessity by certifying to the payroll clerk the granting of sick leave. To insure such knowledge, he may require the employee to provide a written doctor's statement before granting sick leave.
- (3) Provided further, if any employee does not have adequate accrued sick leave time, the employee shall be granted the use of other accrued leave time (i.e., department-owed time, vacation time, holiday time, comp time, etc.) in lieu thereof. In no case, however, will sick leave time be granted in lieu of vacation time.

(d) Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during sick leave periods shall not be counted as sick leave time. Sick leave taken during a biweekly pay period will be charged before sick leave earned that pay period is credited.

(e) Upon termination of employment each employee shall be compensated at a rate of one hundred percent (100%) for accrued sick leave hours. All funds shall be included in the employee's post employment health plan account. If an employee is terminated for cause, the employee shall be compensated for fifty percent (50%) of accrued sick leave hours.

- (1) If an employee transfers from forty (40) hours to fifty-six (56) hours, or vice versa, the limit will be in proportion to the number of hours worked, such as line personnel on fifty-six (56) hours transferring to a forty (40) hour position would be limited to 40/56 of the hours allowed under the fifty-six (56) hour rate, or if a person transfers from the forty (40) hour rate to the fifty-six (56) hour rate, the reverse would apply.

(f) No limit of accrual is placed on sick leave required for use by the employee as set forth in subparagraphs (a) and (b).

(g) For each pay period wherein an employee does not use any sick leave, the City shall credit twenty-five dollars (\$25.00) into said employee's post employment

health plan account. Said credit will be accumulated and paid the first pay period following the last full pay period of the quarter.

It is further agreed that, for purpose of this sick leave credit program, use of the Worker's Compensation disability leave provided in Article 17, paragraph (a) will not be considered sick leave usage.

ARTICLE 7. HOLIDAYS:

Said payment shall be made with the regular paycheck for the pay period within which the holiday occurs. Holiday Time shall be banked in a Holiday Time Bank. Holiday Time may be accumulated; provided that no employee may accumulate earned Holiday Time in excess of the number of Holiday Time hours accrued in twenty-four (24) months.

(c) Should any non-line employee be required by order of his department head to work on any of the above-named holidays, if eligible for holiday pay, in addition to this holiday pay, he shall receive one and one-half (1-1/2) times his regular hourly

rate of pay for each hour or major fraction thereof worked, up to a maximum number of hours equal to the number of hours he is regularly scheduled for a normal workday.

(d) When qualified line relief personnel is used to provide an employee with his holiday time off, the relief employee shall receive the compensation that the employee taking time off would have been entitled to receive had he not taken his holiday time off.

(e) The use of shift trades shall be limited to no more than twelve (12) trades per contract year, per employee, for the periods between 0800 and 1700 hours, Monday through Friday excluding holidays.

- (c) Effective March 20, 2015, the salary schedules will reflect an increase of 2.00% salary, a reinstatement of the 2.00% reduction of salary that was effective from July 1, 2011.

ARTICLE 9. OVERTIME COMPENSATION:

(a) Employees may be required to remain on duty beyond their regular shift or to work hours in addition to regularly scheduled hours. Employees may be called back to work at multiple alarms or other emergencies.

- (1) Employees (line and non-line) called back for non-emergency purposes shall be compensated at the rate of one and one-half (1 1/2) times the employee's straight time hourly rate. In no case shall an employee called back for non-emergency

On or about one hundred forty (140) days after the compensatory time is earned, the City will notify the employee. If the affected employee is unable to take the accumulated compensatory time off before the end of the one hundred eighty (180) day period, he shall be paid for all such time at the applicable rate of pay.

(c) Overtime will be added to the payroll for the period during which the overtime is performed. If time is lost during the regular workweek for unexcused absence then overtime pay shall not prevail until the overtime hours worked exceed the unexcused absence hours. ARTICLE 10. WORK RULES:

(a) The City may adopt rules and regulations and issue directives and bulletins, consistent with the Nevada Revised Statutes and this Agreement. In addition to any other legal requirements (including NRS 288), no rule, regulation, nor amendment or cancellation thereof shall become effective until notice thereof has been posted in each fire station for a period of nine (9) consecutive days. Said meetings shall be convened prior to the implementation of the rule, regulation, amendment or cancellation. The City and the Union agree that membership, non-membership, or lawful activities on behalf of the Union shall not be used as the reason or cause for transfer, denial of any promotion, or denial of other terms and conditions of employment. Nothing contained herein is intended to abrogate the City's right to manage and to consider the operational needs of the Department as set out in Article 2. Nothing contained herein is intended to abrogate the Union's right to hold meetings and engage in lawful functions.

ARTICLE 12. SAFETY AND HEALTH:

(a) The joint safety committee is composed of three (3) representatives of the Union and three (3) representatives of management. Each party shall also designate three (3) alternates.

in June. Said clothing or uniform allowance shall cover the full cost of original purchase, replacement, upkeep and maintenance of said clothing or uniform during the time of employment with the City of Reno. Upon termination from City employment, the Fire Chief may, at his discretion, require the employee to return to the City any clothing or uniforms or parts thereof in his possession at the time of termination.

(b) Each employee shall receive an additional uniform maintenance allowance of twelve dollars (\$12.00) biweekly.

(c) Employees shall receive a one-time clothing and uniform allowance in the amount of fifteen hundred dollars (\$1,500) as reinstatement of clothing and uniform allowance, payable in one lump sum in April 2015.

ARTICLE 16. PAYROLL DEDUCTIONS:

(a) The Employer agrees to deduct biweekly dues and assessments in the amount certified to be current by the Treasurer of the Union from the pay of those who individually request in writing either directly, or through a limited power of attorney, that such deductions be made. The City will not honor any blanket request by the Union for payroll deductions.

(b) The total amount of deductions shall be remitted by the employer to the Treasurer of the Union by the deposit of said deductions to the bank account of the Union, the bank to be designated by the Treasurer of the Union no later than seven (7) working days after the end of the pay period in question.

(c) This authorization for payroll deduction of dues and assessments shall remain in full force and effect during the term of this Agreement.

(d) Upon written authorization to the City's Human Resources Department from an employee, either directly, or through a limited power of attorney, the City agrees to deduct on a bi-weekly basis from the wages of said employee such sums as he may specify for United Way, City of Reno Credit Union, U.S. Savings Bonds, Western Insurance Specialties, Capitol American Cancer Insurance or such other purposes as the City may hereafter approve. Each employee shall have the right to terminate such payroll deductions at any time upon written request to the City's Human Resources Department.

(e) The Union will indemnify, defend, and hold the City harmless against any claims made and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Article. The Union agrees to refund the City any amounts paid to it in error on account of payroll deduction provisions upon presentation of proper evidence thereof.

(f) The employee's earnings must be regularly sufficient after other legal

and required deductions are made to cover the amount of the appropriate Union dues. When a member in good standing of the Union is in non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. In the case of an employee who is in non-pay status during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Union dues.

ARTICLE 17. ON-THE-JOB INJURY:

(a) Whenever an employee is injured while on duty with the City of Reno, and such injury prevents said employee from performing their normal full-time duties, the City of Reno shall pay full salary to the employee for a period of up to but not exceeding a cumulative of three calendar months for said injury not to exceed a period of one (1) year from date of said injury. During this one year period no member shall be ordered to work light duty. During this period, the employee shall not forfeit any accrued sick leave; and

(b) Upon the expiration of the cumulative three calendar months not to exceed a period of one (1) year subsequent to the on-the-job injury, if the employee is still unable to work, he may utilize his accumulated sick leave at the rate of one-quarter (1/4) the amount charged per shift or day, during which period the employee can elect to retain State mandated Workers Compensation Benefits payment and the City shall then pay him the difference between his normal pay and State mandated Worker's Compensation Benefits payment.

(c) If, because of conservative medical treatment, a surgical procedure is scheduled after a one (1) year period from the date of injury or the recovery period from surgery lasts past the one (1) year from date of injury, the benefits under paragraph (b) will be extended for a period not to exceed two (2) years from the date of injury.

(d) It is mutually understood that the employee's Workers Compensation status is protected during the initial determination period and cannot be retroactively changed to any other type of leave regardless of the employee's decision to appeal or not to appeal.

In the event that an employee's NRS 616 Workers Compensation Claim is denied and the denial is appealed, the City agrees to pay full salary while the NRS 616 Workers Compensation System appeal is pending at the request of the employee for an appeal period not to exceed one (1) calendar year. If the final determination is adverse to the employee or if the appeal period exceeds one (1) calendar year the employee must deduct from sick leave and, if the sick leave is exhausted, vacation leave to compensate the City for hours paid during the appeal period.

If the employee has neither sufficient sick leave nor vacation leave to compensate for hours paid by the City during pending of the claim which shall not exceed one (1) calendar year, the City may advance the employee sick leave to cover the balance of hours. If the employee terminates prior to accruing all sick leave

advanced, the employee is responsible for paying the balance of advanced sick leave hours in cash at the time of termination.

(e) When accrued sick leave has expired, if the employee is still unable to work, except for total accumulated vacation, he may utilize his accumulated vacation time pay at the rate of one-quarter (1/4) the amount charged per shift or day, during which period the employee can elect to retain the State mandated Workers Compensation Benefits payment, and the City shall then pay him the difference between his normal pay and State mandated Workers Compensation Benefits payment.

(f) INTENT: The intent of paragraphs (b) and (c) above is that the employee will continue to receive his full accumulated salary dollars so long as he is disabled and receiving State mandated Workers Compensation Benefits payment and until his sick leave and vacation hours are exhausted.

(g) Notwithstanding the provisions of Paragraph (a) of this Article, when, as the result of an on-the-job injury an employee is continually confined to a duly licensed hospital as a result of such injury, the City of Reno will pay full regular salary to the employee during the entire period of such confinement until the State mandated Workers Compensation Benefits payment ceases in connection with said injury. For compensation purposes, the requirements of continual confinement to a duly licensed hospital or confinement to the home (if so certified by a medical doctor assigned by the City) may be waived by action of the City Council if the City Council determines that special circumstances warrant such action. During this period the employee will not forfeit vacation benefits or sick leave benefits other than as provided in paragraphs (b) and (c) above.

(h) Any time within a maximum period of twelve (12) bi-weekly pay periods subsequent to the pay period within which the on-the-job injury occurred, an employee may elect to continue on State mandated Workers Compensation Benefits payment, without additional compensation from the City, and without refunding State mandated Workers Compensation Benefits salary continuance payments. During such a period of State mandated Workers Compensation Benefits payment, the employee will accrue vacation and sick leave, and earn time credit toward longevity and retirement pursuant to the applicable contract provisions.

(i) The City may elect to send a doctor of its choice at its expense to examine the employee.

(j) The City shall not diminish the current annual Heart/Lung physical without negotiations.

ARTICLE 18. HEALTH AND ACCIDENT INSURANCE:

(a) Each employee enrolled in the City's group health insurance program shall be provided term life insurance under a policy which offers coverage in an amount equal to one (1) times the employee's annual base wage. The City shall give the Union

notification of and the right to participate in all meetings pertaining to the health and accident insurance plan that the City may hold; the City shall give the Union notification of all meetings pertaining to said plan to which it is invited, and will request the holder of such meetings that the Union also be invited to said meeting and be permitted to present its views.

(b) In the group health and accident insurance plan, the City shall pay one hundred percent (100%) of the premium for the employee only coverage category and fifty five percent (55%) of the premium attributable to dependent coverage for each dependent coverage category.

(c) It is understood that plan costs, premiums or funding levels for employee dependent categories are determined by the providers, including the City.

(d) The City agrees to provide, at least annually, an open enrollment period. Such enrollment period and employee and dependent eligibility shall be in accordance with the policies and rules of the insurance carrier or carriers, including the City for self-funded plans. Prior to this period, the providers, including the City, shall establish the premium rates necessary to fund existing benefits. These new rates and existing benefits shall be called Plan "A".

Unless the parties otherwise agree, any negotiations to change benefits shall be concluded fourteen (14) days prior to the beginning of the open enrollment period. The providers, including the City, shall establish the premium rates necessary to fund any changed benefits negotiated between the parties. These new rates and changed benefits shall be called Plan "B". During the course of insurance negotiations, all proposals under Plan "B" shall be numbered sequentially (ex. B-1, B-2, etc.) The Union shall select Plan "A" or Plan "B" for its membership. If the parties are unable to agree upon benefits fourteen (14) days prior to the open enrollment period, Plan "A" shall be implemented as the new plan for open enrollment.

(e) As additional compensation for services rendered to the City, for any employee who is initially hired into the Reno Fire Department prior to July 1, 2015, and retires on or after June 20, 1977, the City shall pay sixty percent (60%) of the total health and accident and life insurance premiums under the group health and accident insurance plan for the same coverage that the employee had at the time of retirement until the employee reaches eligibility age for federal benefits under Medicare, or any successor program of Medicare. Thereafter, the City agrees to pay on behalf of City employees fifty percent (50%) of the employee only group health and accident and life insurance premium attributable to the employee for participation in the City Health and Accident Insurance Program.

For any employee initially hired into the Reno Fire Department after July 1, 2015, the City will contribute three and one-half percent (3.5%) of a top step firefighters bi-weekly pay into a Nationwide Retirement Solutions, or a mutually agreed successor, IRS 501(c)9 Voluntary Employee Beneficiary Association (VEBA) on the employees behalf. The city will deposit the funds earned in the account no less than bi-weekly. The

employee hired after July 1, 2015, shall remain eligible, in accordance with state and federal laws, to participate in the City's Health and Accident Insurance Program.

(f) The benefits for this group health and accident insurance plan shall be those as described in the booklet titled "The Reno Plan - Fire" dated March 1, 1992. Said booklet shall be the total and complete statement of all benefits in the plan and all subsequent amendments thereto. The benefit booklet shall be updated and made available every year unless mutually agreed upon by both parties.

(g) As an alternative to the group health and accident insurance plan, employees shall, where practicable, be offered the right to participate in a health maintenance organization (HMO). In such case, the premium rates and benefits and any changes therein shall be established by the HMO. The City shall pay one hundred percent (100%) of the cost for employee only coverage and the same dollar amount that it pays per coverage category for the cost of dependent coverage under the "The Reno Plan - Fire" as an offset toward premiums for dependent coverage under the HMO, not to exceed one hundred percent (100%) of actual cost.

(h) An employee on authorized leave of absence without pay from the City may continue to carry City group health insurance. In instances where the employee's absence extends to cover all scheduled work days during the full calendar month, the employee shall be responsible for making full premium payment(s) (including the City's portion) according to the City's established payment schedule.

(i) This Article constitutes the entire agreement of the parties on group health and accident insurance; all prior agreements are hereby terminated.

(j) Effective July 1, 2001, each employee enrolled in the City's group health insurance program shall be provided long term disability insurance under a policy which offers coverage of a standard policy of this type with income replacement based on sixty six and two thirds percent (66-2/3%) of the employee's pre-disability base salary up to age 65 after a one hundred eighty (180) day waiting period in accordance with the terms of the long term disability policy in effect between the City and the long term disability carrier.

(k) The City shall pay the entire premium for the City's health insurance benefits for the surviving spouse and any surviving child of an employee killed in the line of duty if the employee was a participant or would have been eligible to participate in the City's health insurance benefits on the date of death. Eligibility for said benefits for surviving spouse and/or child shall be consistent with the most current version of NRS 287.0477.

ARTICLE 19. LEAVE OF ABSENCE:

Leave of absence may be granted pursuant to the Rules and Regulations of the Reno Civil Service Commission.

ARTICLE 20. VACANCIES AND PROMOTIONS:

If any vacancy is to be filled or promotion to be made, then such action shall comply with the Reno City Charter and the Rules of the Reno Civil Service Commission in effect at the time of the filling of the vacancy or the promotion. Upon promotion, an employee shall receive the salary in accordance with the confirmed schedule of the class to which promoted.

ARTICLE 21. CONFIRMATION ELIGIBILITY:

(a) Subject to prior recommendation of the City's Fire Chief and the approval of the City's Department of Human Resources, a full time regular employee in an initial probationary status shall become eligible for confirmation into his respective classification upon completion of the appropriate period designated.

(b) Approved salary adjustments made pursuant to the above shall become effective at the start of the payroll period within which the date of eligibility falls; or, if approval is delayed for any reason, the effective date shall be that specified at the time of approval.

ARTICLE 22. RETIREMENT:

The City will pay one hundred percent (100%) of all retirement contributions for employees covered under this Contract as required by NRS 286. No provision of this Article shall be deemed to waive any provision of Chapter 286 of NRS in respect to "Early Retirement."

Future Public Employees Retirement System (PERS) rate increases/decreases on and after July 1, 2015 will be split equally between the City and the employee. The Salary Table and the salary of each employee shall be considered to be automatically decreased by one-half of any PERS increase and increased by one-half of any PERS rate decrease.

ARTICLE 23. CORRECTIVE ACTION AND PERSONNEL FILES:

(a) City administration shall provide for implementation of a personnel file review system in compliance with City of Reno Civil Service Rules and Regulations as promulgated. City administration shall establish the right of any employee to review his personnel file upon request in the Personnel Office. However, this right shall be limited to the individual employee to review his own personnel file. A City employee may, with proper release forms, permit his personnel file to be reviewed by a party so authorized upon presentation of properly executed forms to the Department of Human Resources. City employees are encouraged to place in their files any educational or

other accomplishment that serves to recognize an achievement bearing on both the employee and the City. Any employee under this policy, upon reviewing his personnel file, who feels certain information contained in the file is inaccurate or misleading, may prepare and present to the Department of Human Resources a clarifying statement pertaining to the document in question for inclusion in his personnel file.

(b) Corrective and Disciplinary Actions: City administration will establish a policy to provide for corrective and disciplinary actions in compliance with City of Reno Civil Service Rules and Regulations as promulgated. The policy will serve to supplement those procedures covered under Civil Service Rules and Regulations. The following procedures will be provided through the City policy governing corrective and disciplinary actions. The intent is not to punish, but to provide positive correction. The following principles of progressive corrective action will be followed with respect to minor offenses:

- (1) The first occurrence of a violation or infraction will result in an oral warning, and for subsequent offenses where such action is deemed appropriate. For a second occurrence of a violation or infraction, the employee will receive a written reprimand for the violation, which shall be placed in his personnel file. Upon a third occurrence of a violation of the same or similar minor nature, disciplinary action may be instituted, depending upon the violation and the severity of the violation. An occurrence of an infraction or violation of a serious nature may result in disciplinary action based upon the severity of the action.
- (2) City administration shall establish by policy for the retirement of corrective and/or progressive action in minor disciplinary actions from an employee's file once an appropriate time has passed and corrective action has succeeded. Minor corrective actions will cease to have any force and effect and will be removed from an employee's personnel file six (6) months after the effective date of the corrective action or reprimand. Minor violations or infractions which result in suspension from duty up to and including five (5) days under the City policy will be retired from the employee's record after a period of twelve (12) months. City policies pertaining to personnel files, corrective and disciplinary actions, and retirement of corrective action, reprimands, and minor suspensions shall be made available to City employees and posted on all bulletin boards throughout the City. Nothing herein shall prevent the City from presenting records of repeated violations in excess of the time limits in this Article.

Any employee filing an appeal of a disciplinary action shall elect to proceed through either the grievance and arbitration procedure outlined in this Agreement or through the appeals procedure under the Civil Service Commission. Within ten (10) calendar days of knowledge of the occurrence, present a signed, written grievance to the Fire Chief, who may act on the grievance himself or assign the grievance to a Battalion Chief or the Fire Marshal. The Chief or his designee shall, within ten (10) calendar days after receipt of the written grievance, meet jointly with the aggrieved employee, representatives of the Union and when appropriate, either the grievant's supervisor or a representative from the City's Human Resources Department or issue his decision. If a meeting is held, the Fire Chief or his designee shall have five (5) calendar days following such meeting to issue his decision. Failure to meet or issue a decision pursuant to the above guidelines will result in the grievance being automatically moved to the next step.

Step 2. In the event the recommendation of the Fire Chief or his designee is not accepted by the grievant, within five (5) calendar days following receipt of answer from Step 1, the grievant may submit the grievance to the City Manager. Within five (5) calendar days following receipt, the City Manager may either hold a meeting, including those parties identified in Step 1 or issue his decision. If a meeting is held, the City Manager shall have five (5) calendar days following such meeting to issue his decision. (c) An arbitrator shall be selected from a list of seven (7) names supplied by the American Arbitration Association by alternately striking names from the list with the Union striking the first name. The arbitration shall be conducted under the rules of the American Arbitration Association.

(d) The findings of the arbitrator shall be final and binding on all parties concerned.

(e) The costs of arbitration shall be borne as follows:

- (1) The expenses, wages and other compensation of any witness called before the arbitrator shall be borne by the party calling such witness. Other expenses incurred such as professional services, consultations, preparation of briefs and data to be presented to the arbitrator shall be borne separately by the respective parties.
- (2) The arbitrator's fees and expenses and the cost of any hearing room shall be borne by the losing party to the arbitration. The arbitrator will be requested to specify the payor of costs.
- (3) If a court reporter is requested by either party or the arbitrator, the arbitrator will determine payment of the costs of the reporter and transcripts.

(f) Nothing contained herein shall preclude an employee with or without representation from bringing a problem not covered herein through the chain of command to the Fire Chief and the City Manager on an informal and oral basis.

(g) For the purpose of this Article a "day" is defined as a calendar day except Saturdays, Sundays or holidays.

(h) If a dispute over the arbitration of a grievance exists after Step 3, such dispute shall be submitted to arbitration. The issues of arbitrability and merits shall be heard at a single hearing.

(i) Upon request of either party, a five (5) calendar days extension will automatically be granted. Additional extensions of time may be granted upon request of one party and acceptance of the other party.

(e) Union business leave must be requested by 0700 prior to the shift for which the leave is requested or at least twelve (12) hours in advance. In the event an emergency develops, the President or Vice President may request waiver of the notice. All requests must be approved by the Fire Chief or his designee. The Fire Chief, or his designee, may properly consider whether the granting of such leave creates an interference with the City's operations. Such requests will not be denied arbitrarily or capriciously.

(f) Effective July 1, 2005, the President/Vice President of Local 731, IAFF, shall have access to a combined "pool" of one thousand (1000) hours. These hours

shall be deposited into the "President's" bank of hours on July 1 of each calendar year. The President/Vice President shall be granted leave from duty with full pay for each hour used from the "President's" bank of hours. The City agrees to allow the President of IAFF, Local 731, unlimited qualified substitution opportunity with unlimited waivers by members so trading. In connection with shift repayments and waivers for the President's time, the Union hereby agrees to indemnify, defend and hold the City and its agents harmless for liability, suits, and costs incident to such replacement and waiver to the extent authorized by law. The President shall meet with the Fire Chief to reconcile the annual usage of hours used by members.

(g) Consistent with paragraphs (b) and (c) above, any Union official of Local 731 may visit any station or any facility at which represented personnel are assigned at any reasonable time to inspect working conditions and investigate grievances.

(h) Safety Committee or Labor Management meetings will not require use of "pool" hours.

(i) Attendance at Union Meetings at Station Eleven (11):

(1) One truck company and Engine Four can attend Union membership meetings at Station Eleven (11) or each may send a Local 731 member with a radio and Fire Department service vehicle. The individual will remain available for emergency response.

(2) Any Reno Fire Department station may send a Local 731 member with a radio and service vehicle. The individual will remain available for emergency response.

(3) For purposes of this Labor Agreement, all professional fire stations staffed by Local 731, IAFF bargaining unit members, shall be treated as Reno Fire Department stations.

(4) Companies and personnel attending Union meetings will keep their Battalion Chiefs and Reno Dispatch informed of their status.

(a) This Agreement shall remain in effect from July 1, 2014 through June 30, 2016, and shall be automatically renewed from year to year thereafter; provided, however, that amendment to any Article may be mutually agreed upon which would become effective on the first day of the biweekly pay period nearest July 1 following agreement.

(b) Amendments may be made through the following procedures: Either party may notify the other party in writing no later than February 1st of any year that it desires to modify this Agreement, setting forth in writing the Articles to be reviewed and

It is mutually agreed by both parties hereto that in the event of such notice, each Article in the Agreement not referred to in such notice shall remain in full force and effect throughout the subsequent contract years.

(c) Amendments to this Agreement may also be made through, and in compliance with, Article 54. Limited Reopeners.

ARTICLE 32. SAVINGS CLAUSE:

(a) This Agreement is the entire agreement of the parties terminating all prior agreements.

(b) Should any provision of this Agreement be found to be in contravention of any Federal or State Law or the Reno City Charter by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain in full force and effect until otherwise canceled or amended.

ARTICLE 33. DURATION OF AGREEMENT:

(a) This Agreement shall become effective on July 1, 2014, and shall remain in effect through June 30, 2016.

(b) This Agreement shall automatically be renewed from year to year.

(c) If either party desires to negotiate changes in any Article or section of this Agreement, it shall give written notice to the other party of the desired changes before February 1 of the year the Agreement expires.

(d) The parties shall promptly commence negotiations. If the parties have not reached agreement by April 10th, either party may submit the dispute to an impartial factfinder at any time for his findings. The factfinder shall make recommendations of the unresolved issues.

(e) If the parties have not reached an agreement within ten (10) days after the factfinder's report is submitted, all issues remaining in dispute shall be submitted to an arbitrator. The arbitrator shall, within ten (10) days after the final offers are submitted, accept one of the written statements, and shall report his decision to the parties. The decision of the arbitrator is final and binding on the parties. Any award of the arbitrator is retroactive to the expiration date of the last Agreement.

(f) The impartial factfinder and the binding arbitrator shall be from the American Arbitration Association and all hearings shall be conducted by A.A.A. rules.

ARTICLE 34. POLITICAL ACTIVITY:

(a) Employees may engage in political activity that is not prohibited by State laws.

(b) Employees will not engage in political activity while on duty.

(c) No bargaining unit member shall be required to participate in political activity of any fashion, or be present at any political meeting or event, either on or off duty.

ARTICLE 36. PARKING AT CENTRAL FIRE STATION:

The City will provide, at no cost to employees, twenty (20) parking spaces for the exclusive use of firefighter bargaining unit members at Central Fire Station.

ARTICLE 37. STATEMENT OF EARNINGS:

If negotiations result in fewer entries on the paycheck, then such available space will be used to itemize entries in greater detail. Social Security Numbers (SSN) shall be eliminated from all printed payroll documents distributed to bargaining unit members.

ARTICLE 38. STRIKES AND LOCKOUTS:

(a) Neither the Union nor any employee covered by this Agreement will promote, sponsor or engage in any strike against the City; slow down; or interruption of operation; concentrated stoppage of work; absence from work upon any pretext or excuse, such as illness, which is not founded in fact; or on any other intentional interruption of the operations of the City regardless of the reason for so doing.

(b) The City will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Union.

ARTICLE 39. EMERGENCY PERSONAL LEAVE:

The Fire Chief, or his designee, may approve twenty-four (24) hours of

leave to an employee for emergency leave.

ARTICLE 40. JURY DUTY:

Any bargaining unit member who is called to appear, and does appear, for jury duty, shall suffer no loss of pay on account of such appearance. The bargaining unit member shall report for scheduled work immediately upon completion of such jury duty, and, as a condition of receiving his regular pay, shall assign any jury duty fees to the City.

ARTICLE 41. LEGAL LIABILITY:

(a) If a member of the bargaining unit is a defendant in a civil action resulting from the performance of his duties, the City shall indemnify him for any losses incurred in such civil action.

(b) Such indemnification shall not apply if the employee has acted outside the scope of his employment and shall not apply to any claim or award of punitive damages.

ARTICLE 42. POLYGRAPH EXAMINATIONS:

No member shall be compelled to submit to a polygraph examination against his will. No disciplinary action or other recrimination shall be taken against a member for refusing to submit to polygraph examinations. This Article, however, does not apply to applicants in the hiring process.

ARTICLE 43. DEATH IN FAMILY:

In the event of a death in the immediate family of an employee or the immediate family of the employee's spouse, the employee shall be granted up to three (3) consecutive scheduled shifts off with pay per occurrence at the request of the employee without loss of any accrued time. Effective with the signing of this agreement by both parties, the employee shall be granted up to three (3) consecutive scheduled shifts (for line employees) or six (6) consecutive work days (for non-line employees) off with pay per occurrence at the request of the employee without loss of any accrued time. The immediate family shall be defined as the spouse; parent, sibling, child, grandchild, grandparent, aunt, uncle and step-parent of employee or spouse and step child, adopted child or any other person living in his/her home held in regard as a member of the immediate family. Extensions of leave time, chargeable to sick leave,

may be granted upon request to and approval by the Chief.

ARTICLE 44. PREVAILING RIGHTS:

(a) Benefits, including present working conditions, previously granted will not be diminished by any provision or failure of any provision of this Agreement.

(b) There will be no change in any matter covered by this Agreement without the mutual consent of the parties.

(c) There will be no change in any matter within the scope of representation without negotiations as required by NRS 288.

(d) Nothing in this Article shall abrogate or diminish the rights of the City under the Management Rights Article of this Agreement.

(a) Employees who voluntarily accept an assignment from a 56 hour work week to a 40 hour work week, or vice versa, shall accrue benefits at the rates appropriate for the work week to which they are assigned.

(b) A temporary assignment will not be cause for an employee to forfeit vacation hours accrued because of the temporary conversion of hours from 56 to 40, or vice versa.

(c) When an employee is temporarily assigned to a 40 hour work week and a holiday falls during such assignment, the affected employee will be granted the day off and will not be credited with additional holiday pay or time off.

(d) It is understood that, in the event an employee is involuntarily assigned to a duty that requires a change in work hours, such change in duty hours must receive the mutual acceptance of the parties.

(e) Employees may request light duty. Any light duty assignment must have the mutual agreement of the parties. The City shall determine if appropriate light duty work is available.

ARTICLE 46. STAFFING:

(a) The City of Reno will maintain the following company staffing program:

- (1) Four (4) persons per engine company
- (2) Four (4) persons per truck company
- (3) Two (2) persons on the rescue apparatus
- (4) The Chief of the Fire Department shall determine the number of companies in service at any given time.

(b) It is understood that the above company staffing will be maintained consistent with the following criteria:

- (1) Allowances made for a two (2) hour period within which an apparatus may be staffed below the standards as identified in Section (a) above, provided that recall for that apparatus has been instituted within that same two (2) hour period. This recall attempt must be documented, indicating the time and personnel that the Department attempted to recall.
- (2) An additional one (1) hour period, beyond the aforementioned two (2) hour period, shall be used to continue attempts to recall in accordance with paragraph (a) of this Section. Within this additional one (1) hour period, the Department shall make continuous attempts to recall to fill the vacancy/vacancies on the apparatus.
- (3) In no event shall any vacancy on an apparatus exist beyond the total three (3) hour period. Upon the end of the third hour, the apparatus shall be fully staffed or placed out of service.

This two (2) hour criteria shall not inhibit the utilization of personnel on special assignment as defined in Section (c)(3) when such personnel are not committed to other emergency assignments and are available to respond with their assigned apparatus.

(c) In addition, the City will continue the following practices:

- (1) The assignment and response of one (1) Fire Equipment Mechanic and Air Apparatus to working fires. A working fire is where all companies in a first-alarm fire are committed in fire combat operations.
- (2) The Fire Department Incident Commander will assign two (2) persons to a brush unit whenever a fire combat operation at a grass or brush fire requires the unit to be placed into operation. When Engine Companies are split to enable the response of an engine/brush unit to a grass/brush fire, two (2) persons are considered minimum to be used on any apparatus when responding to, and engaged in, such fire operations.

Fire equipment may be transported to the fire scene by one (1) person, but under no circumstances shall any brush unit be used in actual fire suppression without a minimum commitment of two (2) persons.

- (3) The Captain or Battalion Chief will have the discretion to assign personnel time away from the station for Departmental matters such as: to pick up and deliver supplies, buy food for the station, conduct special event and public assembly inspections, and perform other special assignment functions as determined by the Captain or Battalion Chief. The employee must receive an assignment prior to leaving.
- (4) To enable personnel to attend to personal matters, the Captain is permitted to grant up to one (1) hour off; the Battalion Chief is permitted to grant up to two (2) hours off. The Captain and/or Battalion Chief will not be unreasonable in the application of granting this leave. Such time off granted shall not exceed two (2) hours in a 24 hour period without the permission of the Battalion Chief. The employee must receive permission prior to leaving. Any notation of time granted will be recorded in the company log.
- (5) Effective July 1, 2005, on shift personnel attending assigned training within eight (8) air miles from the employee's assigned station and having Department transportation to respond to a working fire will not affect the recall staffing as outlined in Section (b).

The City will continue the practice of moving up personnel into acting positions during such training, and will continue the practice of assignment differential pay to those personnel assigned to "move-up" during training in accordance with Article 27. Detail Assignment of the Contract between the I.A.F.F. and the City.

- (d) (1) Detail assignment for vacancies in the rank of Operator/Captain which are not filled through the call-back procedure shall be made consistent with the provisions of the Contract and utilizing the following priorities when practicable.
 - 1. From the Company in which the vacancy occurs.
 - 2. From the Station from which the vacancy occurs.
 - 3. From the shift on which the vacancy occurs.
- (2) All issues presently covered under paragraph 5 of the 84-2 Settlement Agreement shall be removed to the Labor/Management forum and any changes thereto shall be

negotiated between the Union and the Fire Chief through such facility.

- (3) It is further understood and agreed by the parties that the forty percent (40%) requirement covered under paragraph 5 of the 84-2 Settlement Agreement is now removed.

(e) It is the intent of the parties that this Article replaces the previous agreements included in Grievance Resolution 84-2.

(f) For emergencies, if a staffed water tender is assigned or dispatched independently from its normal duty station/Engine Company, and its assignment is anticipated to last more than one (1) hour, recall will be initiated per Article 9 Overtime Compensation, Section (a)(2), to bring the affected Engine Company staffing back to four (4) professional firefighters.

ARTICLE 47. LABOR MANAGEMENT COOPERATION:

(a) The Fire Chief agrees to meet with labor representatives once monthly, or more often by mutual consent, for a two (2) hour session to discuss problems and objectives of mutual concern.

(b) A consolidation oversight committee shall be established to assist with the consolidation of Truckee Meadows Fire Protection District employees into the Reno Fire Department. It shall be comprised of an equal number of members from Local 731 and the City of Reno. Members from Local 731 shall be appointed by the President of Local 731.

The duties of the oversight committee shall include:

- (1) oversight of cross-training
- (2) standards determination
- (3) operational procedures
- (4) other matters related to consolidation as assigned by the Fire Chief.

ARTICLE 48. INOCULATIONS:

The City shall provide, at no cost to the employee, those infectious disease vaccinations that are identified as needed by the Joint Safety Committee after input from the EMS Committee to insure the safety and health of the employee. In addition, the City shall provide, at no cost to the employee, any disease screening procedures that may be indicated as needed by the Joint Safety Committee after input from the EMS Committee to insure the safety and health of the employee.

The City shall pay for the cost of diagnostic test(s) that are required by the City's Heart and Lung medical examiner pursuant to NRS 617.455 and 617.457. This provision is not intended for the purpose of paying the cost for the treatment of diseases related to the heart and lungs.

ARTICLE 49. EMERGENCY MEDICAL TECHNICIAN CERTIFICATION:

(a) The Union will encourage all employees holding a valid State of Nevada Emergency Medical Technician certification to maintain an Emergency Medical Technician certification. There will be a one (1) year grace period after expiration of certification for special circumstances if an employee fails to qualify for recertification. In addition, any employee hired on or after January 1, 1998 shall be required to maintain a valid State of Nevada Emergency Medical Technician certification as a condition of employment starting from the date of completion of probation.

(b) In recognition of their training, skills and the tasks performed when responding to an emergency medical incident, all bargaining unit members covered by this agreement who maintain a valid State of Nevada certification equal to or greater than Advanced Emergency Medical Technician shall receive incentive pay equal to five percent (5.0%) of a Captain's biweekly base wage per biweekly pay check.

(c) The City will maintain a minimum level of 99 Advanced Emergency Medical Technician qualified personnel based on eleven current companies. The minimum level of 99 Advanced Emergency Medical Technician qualified personnel shall increase by 6, for every additional company that is staffed and licensed with Advanced Emergency Medical Technician personnel. The Fire Chief shall determine the number of additional Advanced Emergency Medical Technician qualified personnel required (if any) in addition to those levels identified above. If the total number of Advanced Emergency Medical Technician qualified personnel drops below the minimum level listed above, then a new Advanced Emergency Medical Technician training class will be held to raise the total number of Advanced Emergency Medical Technician qualified personnel to the minimum.

(d) The minimum level of Paramedic qualified personnel shall be 5, for every company that is staffed and licensed with Paramedic Level personnel. The Fire Chief shall determine the number of additional Paramedic qualified personnel required (if any) in addition to the level identified above. If the total number of Paramedic qualified personnel drops below the minimum level listed above, then a new Paramedic training class will be held to raise the total number of Paramedic qualified personnel to the minimum.

(e) In recognition of their training, skills and the tasks performed when responding to an emergency medical incident, all bargaining unit members covered by this agreement who maintain a valid State of Nevada certification equal to or greater than Paramedic shall receive incentive pay equal to two percent (2%) of a Captain's biweekly base wage per biweekly pay check. The Paramedic incentive will be in

addition to the Advanced Emergency Medical Technician incentive.

(f) One position on each shift will be filled on each apparatus identified as an Intermediate Life Support designated apparatus by a qualified Advanced Emergency Medical Technician for the purpose of daily staffing and accommodating the bidding system, pursuant to Article 51 Seniority Bid System, and the Seniority Bid System Agreement, section (4).

(g) Initial Advanced Emergency Medical Technician training will be offered on duty if possible. If it becomes necessary to require employees to take the training off duty, then those employees will be paid at the 1.5 rate in accordance with provisions of Article 9 Overtime, for any overtime hours spent in training. All confirmed line employees covered by the Local 731 contract who hold current certification as an Emergency Medical Technician will be eligible for the Advanced Emergency Medical Technician training. Recertification training will be offered on duty. New employees who are hired and maintain Advanced Emergency Medical Technician certification or greater are eligible to receive the Advanced Emergency Medical Technician incentive after confirmation. New Advanced Emergency Medical Technician trainees shall be drawn pursuant to the Temporary and Special Assignment Agreement. The City will continue to offer all EMS Training to employees while on duty.

(h) Recertification Paramedic training will be offered on duty if possible. If it becomes necessary to require employees to take the training off duty, then those employees will be paid at the 1.5 rate in accordance with provisions of Article 9 Overtime, for any overtime hours spent in training. New employees who are hired and maintain Paramedic certification or greater are eligible to receive the EMT-Paramedic incentive. Paramedic trainees shall be drawn pursuant to the Temporary and Special Assignment Agreement. The City will continue to offer all EMS Training to employees while on duty.

(i) Joint Emergency Medical Services (EMS) Committee. A Joint EMS Committee composed of three (3) representatives of the Union and two (2) representatives of management shall be maintained. Each party may designate three (3) alternatives. The Joint EMS Committee shall make recommendations to the Fire Chief regarding operations of the Reno Fire Department EMS program. The Committee shall meet a minimum of every six (6) months and/or when a member notifies the Chairperson of the existence of an EMS concern.

ARTICLE 50. PARENTAL LEAVE:

Maternal and Paternal Leave without pay may be granted to a mother and/or father for up to ten (10) shifts for line employees and up to twenty-one work days for non-line employees. If approved, such leave must be taken within fourteen (14) calendar days prior to the expected delivery date, or within one hundred and twenty (120) days after the birth or adoption of a child. The granting of this leave shall be at the discretion of the Fire Chief.

ARTICLE 51. SENIORITY BID SYSTEM:

Station and company assignments shall be made pursuant to the Seniority Bid System Agreement. Any changes to the Seniority Bid System shall be negotiated between the Union and the Fire Chief through the Labor Management forum. The Union may develop the Seniority Bid System for those line classifications represented by the Union within the guidelines of the Seniority Bid System Agreement.

ARTICLE 52. CONSOLIDATION:

The City of Reno agrees to negotiate, including all provisions provided by NRS 288 and this contract within the scope of representation of Local 731, IAFF, with the Union over the impact and effects on represented employees of any decision to consolidate, merge, contract, subcontract, or any other form of transfer or placement to another entity, of any function which Local 731, IAFF, has a legal interest.

ARTICLE 53. SUCCESSORSHIP:

(a) The City agrees not to sell or convey or cause to sell or convey or otherwise transfer or cause to transfer its Fire Department operations, or any function associated with fire based services within the scope of representation of Local 731, IAFF, to a new employer without first fulfilling this contract, and securing the agreement of the successor employer to assume the City of Reno and/or Reno Fire Department's obligations under this contract.

(b) In the event a bargaining agent other than Local 731, IAFF, would assume the representation rights over Local 731, IAFF, or its members or former members, then the City of Reno shall not enter into any agreement with the successor employer regarding section (a) above until a new collective bargaining agreement between the new successor employer and succeeding bargaining agent has been completed. Such new bargaining agreement must demonstrate to Local 731's satisfaction, the successor employer's assumption of the City of Reno's contract obligations per section (a) above.

ARTICLE 54. LIMITED REOPENERS:

During the life of this contract, either party may request negotiations on three (3) Articles or new Articles having impact and effect on the Labor Agreement. If such request is made, negotiations shall commence promptly. Such negotiations shall be conducted in accordance with NRS 288 and this contract.
