Participation in any medical procedures, such as vaccination and testing, shall be at the discretion of the employee and the Employer shall not be held responsible for any consequences to the employee as a result of the employee having or not having received any vaccinations or tests or his refusal to use BSI. 2. Grievant:
 - (a) A District employee who is covered by the provisions of this Agreement and who is adversely affected by the matter being grieved, or the Association on behalf of an employee(s).
 - (b) The Association may file a grievance alleging a violation of the provisions of this Agreement on matters impacting the bargaining unit, as a whole, such as conflicting interpretations of contractual provisions.
 - (c) An employee covered by the terms of this Agreement is not precluded from acting for himself with respect to any condition of his employment, but any action taken on a request or in adjustment of a grievance shall be consistent with the terms of this Agreement.
3. Day: For purposes of this procedure, a day is defined as a calendar day.

II. PROCEDURE

A. Informal: The aggrieved employee shall take up the grievance with the Fire Chief within fourteen (14) days of its occurrence. The Fire Chief shall attempt to adjust the matter at the time.

B. If the decision of the Fire Chief does not resolve the grievance, the Association shall proceed as follows:

Step 1: Within fourteen (14) days of knowledge of the occurrence, the Association may submit a signed written grievance to the Fire Chief. Within five (5) days from the date the written grievance is received, the Fire Chief shall schedule a meeting with the Association to review and discuss the grievance for attempted resolution. The above may occur with or without the presence of the grievant. If the grievance is not settled, the Fire Chief shall respond in writing to the grievance within five (5) days of the date the meeting was conducted.

Step 2: Within ten (10) days following failure to settle the grievance under Step 1, the Association may submit it to the Washoe County Labor Relations Manager. Within five (5) days from the date the written grievance is received, the Washoe County Labor Relations Manager or his designee shall schedule a meeting with the Association to review and discuss the grievance for attempted resolution. If the grievance is not resolved, the Labor Relations Manager shall provide a written response to the grievance.

Step 3: Within ten (10) days following failure to settle the grievance under Step 2, the Association may submit it to arbitration.

C. The Arbitrator shall be selected in the manner prescribed by the Voluntary Labor Arbitration rule of the American Arbitration Association. The arbitration shall be conducted under the rules of the American Arbitration Association. The list of arbitrators, seven (7) names, may be obtained from the American Arbitration Association Fresno office. The parties shall select the arbitrator from the list by alternately striking one name until the name of only one arbitrator remains, which will be the arbitrator to hear the dispute. For the first grievance hearing the Association shall strike the first name. From that point forward, the parties shall alternate striking first. With the mutual consent of the parties, expedited arbitration may be used.

D. The findings of this Arbitrator shall be final and binding on all parties concerned.

E. The costs of arbitration shall be borne as follows:

1. The expenses, wages, and other compensation of any witness called before the arbitrator shall be borne by the party calling such witness. Other expenses incurred such as professional services, consultations, preparation of briefs, and data to be presented to the Arbitrator shall be borne separately by the respective parties.

2. The Arbitrator's fees and expenses, and the cost of any hearing room, shall be borne equally by both parties to the arbitration.

3. If either party requests a court reporter, the requesting party will pay the costs of the reporter. If the record is transcribed, the requesting party will pay the transcription costs unless mutually agreed to share the cost. Any other party desiring a copy will pay for the copy. If the Arbitrator requires a reporter and transcript, the parties will share the cost equally.

F. Failure to Act: If the management response to a grievant at any level of the procedure is not appealed within the prescribed time limits, said grievance shall be considered settled on the basis of the last answer provided and there shall be no further appeal, review, or re-submission of said grievance. Should management not respond within the prescribed time limits, the grievance shall proceed to the next level.

G. Waiver of Time Limits: Any of the time limits contained in this procedure may be waived upon the mutual written agreement of both parties, except that the waiver of any of the time limits contained in Step 1 of this procedure can only be agreed to on the part of the District by the Fire Chief or his designee.

H. Settlement of Grievance Outside of Arbitration: The District shall accept no grievance settled by an employee in a classification represented by the Chief Officers Association, unless said employee has received the concurrence of the Fire Chief or his designee on the settlement.

ARTICLE 36 – DISCIPLINARY PROCEDURES

A. The District shall not reprimand, demote, suspend, or discharge an employee without just cause. The term "just cause" includes the concept of progressive discipline, where appropriate. Progressive and corrective disciplinary action is designed to provide a fair and structured way for Employees to improve their job performance and/or behavior which do not meet the standards or demands of their position and to provide a system for fair

and equitable treatment of those Employees who will not or cannot bring their performance up to expected standards.

1. It is the policy of the District, through a progressive and corrective discipline system, to give Employees an opportunity to improve their job performance and/or behavior which does not meet the standards or demands of their position. An Employee may be summarily dismissed only in the event of gross misconduct. The goal of the progressive and corrective discipline system is to correct or improve unsatisfactory performance/behavior and the measures utilized will be commensurate with the deficiency to be corrected.

2. Progressive and corrective disciplinary action may begin at any of the steps defined below, depending on the seriousness of the offense committed, the frequency of occurrence, or the cumulative effect of multiple minor infractions. Verbal warnings or written reprimands may be administered by the employee's immediate supervisor, or the Fire Chief. A demotion, suspension or discharge shall be administered by the Fire Chief.

a. Verbal Warning/Reprimand - A verbal warning or reprimand is given to the Employee for the first occurrence of a minor offense.

b. Written Warning/Reprimand - A written or formal warning is given to the Employee in the first instance of more serious offenses or after repeated instances of minor offenses. The warning states the nature of the offense and specifies any future disciplinary action which may be taken against the Employee if the offense is repeated. A copy of the written warning is placed in the Employee's personnel file, but it is removed eighteen (18) months following the date on which it was given if the intervening service has been satisfactory. The Employee is required to read and sign the formal warning and has the right to appeal if the Employee thinks the warning is unjustified.

c. Suspension Without pay –

i. If, despite previous warnings, an Employee fails to reach the required standards in the specified time frame, the Employee may be suspended without pay. An employee may be suspended without pay without prior infractions for serious offenses. Under suspension, the Employee is barred from working for a period of time and his/her salary is docked accordingly. Suspension without pay actions could range from one (1) to five (5) shifts for line personnel and one (1) to ten (10) work days for eight (8) or ten (10) hour personnel.

ii. An Employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the discharge and is generally utilized when the Employee is suspected of gross misconduct or when his/her continued presence during the investigation period would be a disruption to normal District business.

iii. If the Employee is found to have been suspended inappropriately, pay and benefits for the period of suspension will be reinstated (except

that if insurance has lapsed, coverage for time passed cannot be reinstated).

d. Discharge - An Employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive discipline procedure will be discharged. In the case of a serious infraction (gross misconduct), an Employee may be summarily discharged without benefit of the progressive and corrective discipline's sequence of lesser actions.

e. Notice of Intent - Before taking action to discharge, demote or suspend an Employee having permanent status, i.e., Employees who have successfully completed an initial probationary period of twelve months, the District shall serve on the Employee and the Union, (unless the Employee requests in writing that the Union not be notified), either personally or by certified mail, a "Notice of Intent" which shall contain the following:

1. A statement of the District's intention.
2. A statement of the cause or causes upon which the action is based.
3. A statement that the Employee may review and shall receive upon request, copies of material upon which the action is based.
4. A statement that the Employee has seven (7) calendar days to respond to the charges, either orally or in writing.

The Employee or the Union, upon whom "Notice of Intent" has been served, shall have seven (7) calendar days to respond or protest to the District either orally or in writing before the proposed action may be taken.

B. Protest of Action:

1. The Union may protest any disciplinary action taken under this article which shall be an appeal considered and processed in accordance with Article 35 (Grievance Procedure), of this Agreement.
2. A rejection of an Employee during a probationary period is not considered disciplinary action. Probationary Employees who are rejected during their initial probationary period, as provided for under Washoe County Code Section 5.221, are not subject to the grievance procedure.
3. An Employee who is promoted and subsequently rejected during his promotional probationary period shall be returned to the lower classification from which he was promoted.

C. The parties recognize for the purpose of progressive discipline, nothing shall be used against an employee in a demotion, suspension or discharge action unless the employee has been notified in writing. In the event that there has been such notification, written reprimands shall not be used against an employee if it has been in the employee's file for a period of eighteen (18) months, discounting periods of leaves of absence, provided that there has been no notification for the same or similar conduct during that eighteen (18) month period. This eighteen (18) month limitation does not apply 1) to any discipline rising to the level of a suspension or demotion, or 2) to any

disciplinary action taken against an employee arising out of a matter covered under Title VII of the Civil Rights Act of 1964. The purpose of the second exception is to allow consideration of both the seriousness of the employee's proven offense and the record of the employee with the County in determining the degree of discipline administered, given the County's specific legal obligations under Title VII.

Upon written request of an employee to the Fire Chief, disciplinary material that has been in the employee's file for a period of eighteen months may be removed from the employee's personnel file at the discretion of the Chief, excluding those materials relating to Title VII referred to in Section D above.

D. Disciplinary materials removed from an employee's personnel file shall be maintained by the Human Resources Department as historical records of discipline imposed and for the purpose of providing a defense in any future employment litigation involving the District.

ARTICLE 37 – WORK HOURS

A. 56-Hour Personnel:

The District's obligation is only to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. *For example*, an employee on October 1st requests to use 48 hours annual leave for the 2 workdays preceding Christmas. (e) Upon illness in the employee's immediate family where such illness requires his attendance. For this purpose 'immediate family' means the employee's spouse, parents (including step), children (including step), and, if living in the employee's household, includes corresponding relations by affinity to the above, foster children, foster parents, brothers or sisters.

Upon the death of the employee's spouse, child (including adopted child, stepchild, or foster child), parents, brother, sister, grandchildren, grandparents, or corresponding relation by affinity. For this purpose, bereavement leave shall not exceed 40 continuous working hours per death for a 40-hour employee and 48 continuous working hours per death for a 56-hour employee. Additional time using sick leave, vacation, and/or compensatory leave may be granted upon approval of the Fire Chief or his designee.

A. Accrual Rates

1. Each employee working a fifty-six (56) hour week shall accrue sick leave benefits at a rate of (7.0) hours per bi-weekly pay period, which is cumulative from year to year.

2. Each employee working a forty (40) hour week shall accrue sick leave benefits at the rate of (5) hours per bi-weekly pay period, which is cumulative from year to year.

B. An employee requiring sick leave must, if required, provide the Fire Chief with evidence of such need. For absences in excess of three (3) days, or in cases where there is reasonable suspicion of abuse, the Fire Chief may require the employee to submit substantiating evidence, including, but not limited to, a physician's certificate.

C. If any employee does not have adequate accrued sick leave time, the Fire Chief may grant the use of accrued vacation time, compensatory leave, and/or personal leave in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

D. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during a sick leave period shall not be counted as sick leave time. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

E. Payment On Separation

An employee separated from the service shall earn sick leave only through the last working day for which he is entitled to pay. Upon death, retirement, permanent disability, or termination of an employee for reasons other than discharge for just cause, after ten (10) years of full-time employment or its equivalent if the employee has not served as a full-time employee, an employee shall be compensated for total accrued sick leave at the rate of one (1) hour's pay at his regular hourly rate for every three (3) hours of sick leave accrued to a maximum payment of one thousand one hundred and twenty (1,120) hours.

An employee who is eligible for purchase of service credits under the Nevada Public Employee's Retirement System (PERS), and who elects to convert unused sick leave ($\frac{1}{3}$ x sick leave, up to the cap maximum) and/or vacation into retirement service credit shall submit a written request, on a District approved form, sixty (60) days in advance of their anticipated retirement date. The District shall calculate the amounts owed the employee, minus applicable taxes and deductions, to determine the net amount the employee will

have to purchase retirement credit. The employee shall be advised of the amount that may be used to purchase retirement credit and shall complete the application process with PERS. The District shall then proceed to pay the employee the amount designated as of their termination of employment (provided their leave banks have not been reduced since the estimate was determined).

F. As long as an employee is in a paid status, he shall earn sick and vacation leave during the time he is on such leave. If the employee is on leave without pay, he shall not earn sick or vacation leave during the time he is on such leave.

G. 56-hour employees who use 0 to 48 hours of sick leave as of the end of the twenty-sixth (26th) pay period, or in the event of a 27th payroll period, in a calendar year shall receive 24 hours of Personal Leave credit at the end of the first full pay period the following January. Employees working a 56-hour workweek who use 49 to 56 hours of sick leave as of the end of the twenty-sixth (26th) pay period, or in the event of a 27th payroll period, in a calendar year shall receive twelve (12) hours of Personal Leave credit at the end of the first full pay period the following January.

H. 40-hour employees who use 0 to 32 hours of sick leave as of the end of the twenty-sixth (26th) pay period, or in the event of a 27th payroll period, in a calendar year shall receive 16 hours of Personal Leave credit at the end of the first full pay period the following January. Employees working a 40-hour workweek who use 33 to 40 hours of sick leave as of the end of the twenty-sixth (26th) pay period, or in the event of a 27th payroll period, in a calendar year shall receive eight (8) or ten (10) hours, based on the employee's normal work shift, of Personal Leave credit at the end of the first full pay period the following January.

I. Personal leave must be used by the end of pay period #26, or in the event of a 27th payroll period by pay period #27, and if not used will be forfeited. Under no circumstance, will there be any cash payment for Personal Leave credit that is not used. In order to receive this Personal Leave benefit, an employee must be in a pay status (either working or on paid leave) for all of the pay periods within a calendar year.

J. Employees shall be allowed to voluntarily transfer up to a maximum of one hundred and twelve (112) hours of their accumulated vacation leave or compensatory leave during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. Donated leave must be converted into money at the hourly rate of the donor and the money must be converted into sick leave at the hourly rate of the recipient. The maximum amount of accumulated leave transferred to any employee under the terms of this article shall be six hundred and seventy-two (672) hours per calendar year. Once leave has been donated and transferred, such leave hours shall not be refundable to the donor making the transfer.

K. Workweek Conversion

1. If an employee is reassigned from a 56-hour workweek schedule to a 40-hour workweek schedule, any sick leave balance shall be converted to an equivalent amount for a 40-hour workweek by dividing the number of sick leave hours by a factor of 1.4.

2. If an employee is reassigned from a 40-hour workweek schedule to a 56-hour workweek schedule, any sick leave balance shall be converted to an equivalent amount for a 56-hour workweek by multiplying the number of hours by a factor of 1.4.

ARTICLE 43 – EMERGENCY PERSONAL LEAVE

The Fire Chief, or his designee, may approve a twenty-four (24) hour leave to an employee for emergency leave, to be used in increments of no less than one (1) hour. If approved, such leave shall be charged to either the employees accrued vacation leave, compensatory leave, or personal leave, whichever the employee chooses.

ARTICLE 44 – SHIFT TRADES

Within this Agreement, shift trades shall be considered to be ‘trade time’ as reflected in the F.L.S.A. Employees may exchange or trade work hours or shifts provided it does not interfere with the operation of the District, subject to prior approval of the immediate supervisor. Any employee(s) who agree(s) to such trading shall hold the employer harmless for the failure of the other employee(s) to pay back traded time.

ARTICLE 45 – COURT/JURY DUTY LEAVE

A. Any employee who is required by law to appear and/or serve as a witness or juror for the Federal Government, the State of Nevada, or a political subdivision thereof, shall be granted administrative leave and shall remain in full-pay status during such leave.

B. The employee shall claim any fees to which he may be entitled by reason of appearance and pay the same over to the Fire District for those days they were scheduled to be on duty, except that the employee shall retain any and all mileage allowance.

C. Employees shall report back to work immediately upon being excused.

ARTICLE 46 – MILITARY LEAVE

Military leave is an administrative leave type as recognized by both Federal and State statutes. Approval for military leave shall be granted upon receipt by the District of a validated copy of orders to report for military duty. Any employee of the District who is required to report for military duty with one of the military services of the United States or the State of Nevada shall be relieved of his District duties, upon his request, to meet his military service obligations without loss in regular compensation for a period not to exceed fifteen (15) working days in any one (1) calendar year. Employees on military leave, for these fifteen (15) working days shall remain in full-pay status.

ARTICLE 47 – LEAVE OF ABSENCE

A. A leave of absence without pay may be granted to any permanent employee provided the employee desires to return to the District and who at the time the leave is requested has a satisfactory service record.

B. Leaves of absence for thirty (30) calendar days or less in any calendar year may be granted upon the approval of the Fire Chief. Leaves for a longer period may be granted upon the recommendation of the Fire Chief and the approval of the Board of Fire Commissioners.

C. A leave of absence may be granted to an employee who desires to attend school or college or to enter training to improve the quality of his service, who is temporarily incapacitated by illness, injury, pregnancy or childbirth, who is loaned to another governmental agency for the performance of a specific assignment, or for some other equally satisfactory reason. A leave of absence shall not be granted to an employee who is leaving the District service to accept other employment, except as provided in this subsection.

D. The period of time an employee is on leave without pay for thirty (30) calendar days or less in any twelve (12) consecutive month period shall not cause any adjustment to the employee's anniversary date for determining eligibility for longevity pay, vacation, sick leave and any other benefit that is based upon years of service with the District. If an employee is on leave without pay in excess of thirty (30) calendar days in any twelve (12) consecutive month period, the employee's anniversary date for earning benefits shall be adjusted by the amount of days in excess of thirty (30) calendar days.

E. The Chief or his designee may place an employee on administrative leave with or without pay during an investigation of a complaint or incident relating to his employment with the District.

F. When an employee returns from an out of district assignment on his regularly scheduled workday, upon request, an employee will be considered for release of the remainder of the shift on administrative leave with pay. The employee must be deployed for a minimum of 14-days for the District to consider administrative leave with pay.

ARTICLE 48 – JOB CONNECTED INJURIES

A. In the event an employee is absent due to a temporary total service-connected disability which has been approved by the District's Claims Administrator, and which disability is the result of the employee performing activities which are unique to firefighters, the employee shall receive compensation as determined by the District's Claims Administrator plus that amount from the District which would cause the total amount received by the employee from both the District's Claims Administrator and the District to equal his salary at the time of his disability until such time as there is a medical determination made as to whether the employee can be returned to duty or is permanently disabled. During this period, the employee shall not be charged with the use of any accrued sick leave, annual leave, or other forms of leave. This provision shall not apply to a service-connected disability, which occurs while the employee is carrying out incidental duties to his firefighter duties.

B. Activities unique to firefighters include extinguishing fires, vehicle extinguishment/victim extraction, climbing ladders for firefighting/rescue purposes, pulling hose, ventilating roofs, entering confined spaces, climbing terrain in wildland fire incidents, handling hazardous materials, dealing with sick/injured patients and associated biohazards, and carrying of patients and/or victims, or training in the similar activities. Activities that are incidental to firefighter duties are those which can reasonably be expected to be performed by non-firefighters, such as writing reports, entering and exiting vehicles, walking and climbing stairs with the exception of those injuries incurred on incidents. The activities listed above are not all-inclusive. The initial determination whether a disability is the result of the employee performing activities which are unique to firefighters shall be made by the District, and any dispute shall be resolved through the grievance process.

C. It is the intent of the District to pay the on-the-job injured employee who meets the conditions set forth above the difference between his full bi-weekly base salary and that provided by the District's Claims Administrator. Therefore, the employee shall return to the District Treasurer all temporary total disability payments made by the District's Claims Administrator covering the period enumerated in Section A of this Article. No supplemental benefit provided for in Section A shall be given until after the employee has deposited his lost time benefit check with the Treasurer.

D. In the event an employee is absent due to a service-connected disability which has been approved by the District's Claims Administrator, and which disability is the result of the employee carrying out incidental duties to his firefighter duties, the employee may elect to utilize accrued sick leave during which period the employee shall receive compensation from the District as provided in the Nevada Revised Statutes. When accrued sick leave has expired, if the employee is still out on leave, because of disability, unable to work he will be permitted to use his accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided the employee has so elected to use his sick and vacation leave, the employee shall be entitled to use any donations of vacation or compensatory leave from other employees. After exhausting all available leave, the employee shall receive compensation checks directly from the District's Claims Administrator and he shall be considered on a leave of absence without pay from the District.

E. The District will make the final determination whether or not light duty is offered to employees based on the financial impact and bona fide need. The Fire Chief and/or his designee and the Association will meet by mutual agreement, for the purpose of consulting on light duty policies for firefighters injured on or off duty.

F. Should an employee be rated by the Worker's Compensation carrier with a permanent partial disability or a permanent total disability that leaves the employee unable to perform all of the essential functions of his current position, the employee shall immediately file all necessary paperwork to initiate the retirement process. The employee, employer, and Association shall work to expedite the retirement process.

2. Satisfactory completion shall be interpreted to mean a minimum final grade of "C" or its equivalent.

C. In order to be eligible for educational reimbursement under this Article, an employee must be certified as a permanent employee. Eligible employees shall be considered on a first-come first-serve basis, except that: continuing students shall be given priority over beginning students.

D. Textbooks, if purchased by the District under part B of this Article for courses taken, shall become the property of the District and utilized by the District as a reference library available to the employees of the District.

The employee shall pay all of the above costs in advance. Upon completion of the seminar or training program, the employee shall submit proof of satisfactory completion of the seminar or training or other evidence of attendance and

detailed receipts of all costs incurred. Upon approval of the Fire Chief, the employee shall be reimbursed for costs up to one thousand (\$1000.00) dollars, unless otherwise approved by the Fire Chief or his designee.
