ARTICLE XXIII-WORK DAY (BUS DRIVERS)

23-1

The hours in the work day for Bus Drivers will be that of their regularly scheduled run as bid at the beginning of the school year or whenever the route may be rebid.

Should the regular report time of a Driver or Aide be adjusted to accommodate scheduled parent/teacher conferences (up to four (4) per school year), which causes the requirement for the Driver or Aide to have a three (3) tier (AM-Mid-PM) in lieu of the "normal" two (2) tier (AM-PM) report time schedule, the employee will be compensated an additional one (1) hour of regular pay (with overtime if applicable) in addition to their regularly scheduled hours for that day. Any additional work day adjustments that create a three (3) tier report time day (adding a MID report time) will be considered "call back" pursuant to Article #16-2. If the employee does not work all three segments, then they will be compensated for the actual time worked for the day.

23-2

A procedure for bidding on bus runs, that has a bus aide assigned, will be established based on seniority by attendance area, with the most senior bus aide bidding first. This is to occur prior to the opening of each school year. The bidding is to reoccur if:

- (1) A new run is to be added where an aide is assigned,
- (2) The length of any run, where an aide is assigned, changes more than one hour,
- (3) The number of days in a run changes where an aide is assigned.

Additionally, Nye County School District reserves the right to reassign bus aides, within their attendance area, if hours are equal. This reassignment shall not be for disciplinary purposes.

23-3

Bus Drivers will be paid , one (1) hour per week, up to two (2) times per pay period, at their regular hourly rate for sweeping out the inside of the bus, keeping front windshield and back windows clean, keeping mirrors clean, and fueling the bus. Bus Drivers who are required (due to fuel tank capacity and miles driven) to fuel their regular assigned bus more than prescribed above will be compensated at their regular hourly rate for ½ hour for each fueling requirement.

This Article will be effective on the date of signing

23-4

It will be the duty of the Employees to observe the rules and policies of the District, including, but not limited to, the School Bus Drivers Training Manual of the Nevada Department of Education, and the Nye County School Bus Drivers Handbook.

23-5

A procedure for bidding on bus runs will be established based on seniority by attendance area, with the most senior Driver bidding first. This is to occur prior to the opening of each school year. The Bus Drivers in each attendance area will be advised as to the hours of each run prior to the beginning of the bidding procedure. Except in cases of emergency, Drivers must attend the bidding meeting. Should a Driver not attend the meeting, at the conclusion of the bidding process the District has the authority to assign routes to Drivers who failed to attend. In said cases it is the responsibility of the Driver to inform the Transportation Director or his designee of their route preference and the reason for the emergency. Drivers who fail to attend bidding or inform the Transportation Director of their preference shall be RIF'd, with no displacement rights pursuant to Appendix E, should there be no open routes available. Additionally, Nye County School District reserves the right to reassign Drivers, within their attendance area, if hours are equal. This reassignment shall not be done for disciplinary purposes.

For the Pahrump Transportation Area Employees hired prior to July 1, 2003, the seniority list as posted for the Pahrump Transportation Employees as of July 1, 2003 will be used for all Pahrump Transportation issues (bidding/rebidding etc.).

23-6

There shall be re-bidding if:

- a. A new run is added;
- b. The length of a run changes one (1) hour or more;
- c. The number of days of a run changes;
- d. The position is opened by a resignation;
- e. The time of a run increases resulting in the awarding of benefits.

DEFINITION

When re-bidding is done for any of the aforementioned reasons the run/runs that shall be re-bid are only the one/ones that have been changed or added. All Drivers in the attendance area shall receive a seventy-two (72) hour written notice of the re-bidding.

If no current regular Driver in the attendance area takes an open route, that job will be posted county wide for ten (10) workdays for transfer.

The notice shall consist of:

- (1) the time and place where the re-bidding will take place;
- (2) the affected route/routes;
- (3) the reason for the re-bidding;
- (4) the number of hours in the affected route/routes.

The re-bidding will start with the most senior Driver and continue down the seniority list until the new or changed route/routes have been accepted by a Driver.

If a Driver that currently has a route takes the new or changed route/routes, then his/her route shall be re-bid in the same manner before any other bidding can be done. Any necessary subsequent re-bidding will occur during the same meeting.

23-7

When an Employee elects to give up his or her regular run for a scheduled trip run and that trip run is canceled, with less than 24 hours notice, the Employee will receive pay for his or her regular run. If the trip is canceled with at least 24 hours notice the Employee will be expected to drive the regular route to receive that pay.

23-8

23-11

For the 2007-2008 and 2008-2009 school years the Nye County School District is adding and reconfiguring "regular" bus routes to the Pahrump attendance area. To operate the bus transportation system in the most efficient manner (per Article 17-1 and 17-2), the existing 2006-2007 routes will be modified. It is anticipated that for 2007-2008 this will impact the daily hours of many of the routes, six (6) routes will reduce their time to below six (6) hours per day. Six (6) "regular" bus Drivers (per seniority) whose bid route for the 2007-2008 is less than six (6) hours per day, will be offered additional work on a daily or weekly basis to bring them to a thirty hour (30) weekly work status. These routes will be "time" tracked during the third (3rd) week of school to determine if the projected run time is correct. Any adjustment (increase or decrease) in hours will modify or eliminate the additional work assignment for the affected Driver.

For the 2008-2009 school year, in the Pahrump attendance area the “School District” and “Organization” agree that no less than ten (10) regular routes (non special education or early childhood) will be designated as thirty (30) hour or more per week (same number as 2007-2008 school year). The routes that have actual run times of less than thirty (30) hours per week will be posted for bid as “Routes with Additional Duties”.

Additional duties will be determined by the District, they may include but not be limited to cleaning windows, sweeping, vacuuming or fueling of any District vehicle (other than their regularly assigned bus). Additional duties will not include any time spent on “Activity, Sports or Field” trips, or any duties normally included in a driver’s daily tasks. Any non-scheduled, additional time required for a driver to complete their normal daily run and duties will be handled according to past practice and be accounted for separately from this provision.

Drivers who bid one of the “Routes with Additional Duties” must perform the duties with no exception. Additional daily work time will be accumulated on a weekly basis (5days x.25 = 1.25 hours per week). The District will be as flexible as possible in creating a schedule that is acceptable to the Driver, Organization and the District.

APPENDIX D

FIELD TRIP / SPORT and ACTIVITY RUNS

Regular Bus Drivers of the bargaining unit shall have the first right of refusal for all field trips, sport, and activity runs, based on a rotation list established by seniority in their attendance area, at the beginning of each new school year at bidding.

- 1) These lists will be created and segregated by the following areas. Amargosa/Beatty, Duckwater, Gabbs, Pahrump, Round Mountain and Tonopah.
- 2) There will be one (1) list for field trips and one (1) combined list for sports and activity runs in each attendance area.
- 3) Pahrump will have three (3) lists for field trips (in-town and out of town) and sports/activity runs. All other attendance areas will have one (1) combined list for all trips.
- 4) These lists will be created at the beginning of each school year at bidding.
- 5) These lists will be accessed in rotation (not starting at the top of the list each time it is accessed).
- 6) Only qualified Employees may be added to the lists during the year without mutual consent of the NCSO and NCSD. Those Employees qualified to drive bus being added to the list will be placed on the bottom of the list and will be skipped for their first trip.
- 7) Provisions to remove an Employee from the rotation list are listed in Article 20-5 and Article 20-6.

If a field trip/sports or activity run trip cannot be filled by the above methods then the District may assign a non-bargaining unit member qualified to drive bus for that attendance area until which time the list is no longer exhausted.

Exception to article 20-5 and 20-6:

When it is proven that accepting a field trip, sports or activity run, will cause loss of wages to an Employee, the Employee in rotation by list, may refuse without consequence.

APPENDIX E
REDUCTION IN FORCE PROCEDURES

1. Attrition by resignation and retirement shall be utilized as the first means of staff reduction within each affected job classification.
2. Reduction in force of current staff members shall be by seniority within a recognized job family, with least senior Employee(s) reduced first at the affected attendance area and location.
3. Determine the seniority of the Employee(s) in the affected locations in the affected attendance areas.
4. Identify the individual Employee(s) with the least seniority in each location in the affected attendance areas where position(s) are being eliminated.
5. This/these Employee(s) have the right to displace an Employee with less seniority in the affected attendance area in their job classification or (as identified by the employee) least senior within the District. The subsequently displaced Employee will then have the right to displace the least senior Employee within their job classification within their attendance area or (as identified by Employee) the least senior within the District.
6. If the Employee(s) whose position(s) is/are being eliminated refuses their right to displace, they will be placed on the recall list in their job classification as noted in Article 9-9.
8. Rif'd and or displaced bargaining unit members shall have three (3) business days, from the time they are notified by e-mail or phone of their displacement options, to notify the district of their intent to either accept or decline positions offered.

APPENDIX G

4-Day School Week Program

- I. The District has negotiated over the impacts and effects of the decision to implement a 4-day school week at school sites.
 - a. No Employee or position of the recognized bargaining unit, employed in work sites implementing a 4-day school week, loses salary, hours of work, benefits or any other rights provided by the Master Contract solely due to the change to a 4-day school week.
 - b. An Employee working more than 40 hours in any normal work week shall be compensated at the rate of 1 and ½ times the Employee's current rate of pay.

- II. The hours in the workday for any returning bus driver as long as the 4-day school week is in place, will be determined by the needs of the routes. The total number of hours per week will be no less than the final approved PAR (Personnel Action Request) for the school year ending prior to the 4-day conversion.

The drivers will make up the difference between the four (4) day regular workday total of hours and the referenced previous weekly hours by one or both of the following methods:

- a. If they take a field/activity trip on a Friday or Saturday of any week they may be paid for the standby hours on the trip at their regular rate of pay in lieu of the standby rate listed in 20-4BD, up to the number of hours they are short. They may accumulate these un-worked hours on a calendar month basis. All hours must be worked by the last day of the current school year.
 - b. Drivers will perform other duties at the school site per the Principal's direction. These duties may include but not be limited to cleaning windows, sweeping, vacuuming, or fueling any District vehicle (not including their regularly assigned bus). This and any other assigned work will be done contiguously at the end of the morning route or contiguously prior to the afternoon route.
-
- III. For the purposes of a 4-day school week, all references in the Master Contract to calendar days shall not change. All other references to work days, leave days, and benefit related items in the Master Contract shall be converted from days to hours.
 - a. The normal workweek shall be Monday through Thursday. Employees working more than four (4) hours per day will be granted one (1) thirty (30) minute duty-free break, upon request.

- b. Eligible Employees shall be paid eight (8) hours for each recognized Holiday. These Employees will have the option to use Personal or Annual Leave for the balance of the ten (10) hour day, or they must make up the two (2) hours of lost time, within the same workweek of the Holiday.
- c. The District and the Organization will negotiate as soon as reasonably possible any oversights arising from the 4-day school week implementation in any school or attendance area.
- d. It will remain the sole discretion of the District for the length of the 4-day program in any school or attendance area.
- e. The language in this section supersedes any conflicting language in the Master Contract negotiated between the Organization and the District.

APPENDIX H

ANNUAL LEAVE

Annual leave is granted to qualifying employees, who work 260 days per year, eight hours per day. Annual leave is earned at the rate of 6.66 hours per month for the first year of employment. Thereafter, employees earn at the rate of 10 hours per month. Central office administrators accrue 13.33 hours per month. Employees must be in pay status two weeks before accruing annual leave. Employees in non-pay status do not earn leave. Annual leave will not be advanced to any individual or classification of employee.

Employees are encouraged to use their annual leave for rest, relaxation and personal pursuits. It is in both the employee's and the District's best interests for the employee to take time off occasionally. Except in case of emergency, leave requests should be submitted to the employee's direct supervisor at least seven calendar days prior to the requested leave time if at all possible. Supervisors have the right to deny vacation requests not submitted in a timely fashion or when the vacation time falls at a time that would be inconvenient due to work demands or limited staffing.

In order to encourage the use of annual leave, the District will cap accrual at 240 hours (30 days). Employees who currently exceed this cap will be given until June 30, 2008 to bring their balance below the cap either through using their leave or selling their excess leave. Beginning June 30, 2008, employees must use annual leave above the cap or they will lose any hours accrued above 240 hours.

Bargaining unit members will be governed by provisions in this negotiated contract.
