- D. The County and the Association recognize that this agreement is not intended to modify any of the discretionary authority vested in the County or the Churchill County Sheriff by the statutes of the State of Nevada; and,
- E. The parties have reached an understanding concerning certain matters and have caused this understanding to be set out in this Collective Bargaining Agreement.

NOW, THEREFORE, the parties agree as follows:

ARTICLE 1

RECOGNITION AND PROBATIONARY PERIOD

- A. Deputies Bargaining Unit. In accordance with the provisions of Chapter 288 of the Nevada Revised Statutes, the County recognizes the Association as the exclusive bargaining representative of those employees in the Deputies Bargaining Unit.
-

The Deputies Bargaining Unit shall consist of all employees assigned to the following classifications, excluding temporary, seasonal, and part-time employees and confidential, supervisory, and administrative employees as defined in NRS 288.170.6, NRS 288.075, and NRS 288.025 which shall be excluded from the unit:

- 1) Corporal
- 2) Deputy Sheriff, Detention
- 3) Deputy Sheriff, Patrol
- 4) Investigator

As used in this Agreement the term "employee" refers to employees in the Deputies bargaining unit.

B. Probationary Period. The first twelve (12) months of employment of any employee shall be regarded as a probationary period to be utilized for observing the employee's work, for securing the most effective adjustment of the employee to his/her position and for removing any employee whose performance does not meet the required work standards. During the probationary period, employees may be dismissed without cause or right of appeal. Probationary employees shall be a part of the bargaining unit during their period of employment and the provisions of this agreement shall apply to probationary employees subject to the following conditions and limitations. The discharge and disciplinary procedures set forth in Article 11 of this agreement shall not apply to probationary employees. Upon expiration of a probationary period of any employee, the Sheriff shall give the County Board a statement concerning the employee's performance during the probationary period and the Sheriff's recommendations concerning continued employment of the employee. An employee not recommended for continued employment at the end of the probationary period may be immediately terminated without recourse to the discharge and disciplinary procedures or the grievance procedures set forth in Articles 11 and 12 of this agreement.

Annual leave and sick leave shall accrue to the employee during the probationary period. Sick leave may be used during the first six (6) month period and thereafter. Annual leave shall not be used until after six (6) months of continuous employment. If employment is terminated during any employee's probationary period, no unused sick leave, annual leave, or other benefits shall be due them. Probationary employees shall not be entitled to leaves of absence or other leave except in the case of an emergency with the approval of the Sheriff.

An employee who is promoted to a new position within the bargaining units covered by this agreement shall be on probation for a period of twelve (12) months for evaluation, during which time the Sheriff, at the Sheriff's sole discretion, may retain the employee in the new position or demote the employee to the employee's former position if the Sheriff determines the employee does not meet the required work standards. During the probationary period, an employee may be demoted without cause or right to appeal.

ARTICLE 2

NO STRIKE CLAUSE

The Association agrees not to and will not promote, sponsor, or engage in, against County, any strike, slow down, interruption of operation, stoppage, absence from work upon any pretext or excuse not

founded in fact, or any intentional interruption of the business of the Sheriff's Department or the County, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this agreement to comply with this pledge.

ARTICLE 3

NONDISCRIMINATION

The parties will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this agreement because of membership in or refusal to join the Association.

ARTICLE 4

COMPENSATION

A. Salary Schedule. Commencing July 10, 2023, through July 7, 2024, the gross compensation to employees covered by this agreement shall be in accordance with the salary schedule attached hereto as Exhibit A and incorporated herein by this reference, representing a 6.0% increase in the first step of the range over the prior year. Commencing July 8, 2024, through July 6, 2025, the gross compensation to employees covered by this agreement shall be in accordance with the salary schedule attached hereto as Exhibit B and incorporated herein by this reference, representing a 6.0% increase in the first step of the range over the prior year. Employees will be placed on the same step in the new range as they occupied in the range for the previous fiscal year.

1. Upon entering service, an employee shall receive compensation at the minimum salary range of the job classification for which the employee was hired; provided, however, when economic conditions, unusual employment conditions, or exceptional qualifications of a candidate for employment indicate that a higher rate would be in the best interests of the County, the County may authorize hiring at a rate above the minimum for the job classification for which the employee is being hired.

2. When an employee is reclassified to a higher pay range the employee will be placed on the lowest step that provides at least a five percent (5%) increase over the salary last received. When an employee is reclassified to a position on a lower pay range, the employee shall be placed on the same step in the new pay range s/he held prior to reclassification. In the event that the new range has fewer steps than the old range, the employee cannot receive a salary greater than the top of the new pay range to which the employee is assigned. The reassignment of an employee from Deputy Sheriff, Detention to Deputy Sheriff, Patrol, shall not be considered a reclassification entitling employee to at least a five percent (5%) increase pursuant to this subparagraph. An employee moving from the jail to patrol shall remain on the same step in the new pay range, without a minimum five percent (5%) increase.

3. Employees assigned to the detention center who possess a Category 1 POST Certificate and who have completed their initial one-year probationary period shall be paid as a "Deputy" under the salary schedule. Employees assigned to the detention center who do not possess a Category 1 POST Certificate or who have not completed their initial one-year probationary period shall be paid as a "Detention Deputy" under the salary schedule. The Association acknowledges and agrees that the County

has a reserved management right to freely assign its employees pursuant to NRS 288.150.3. Employees may be freely assigned to patrol, detention or other duties as deemed necessary or appropriate by the Sheriff or designees. The temporary assignment to patrol duties shall not entitle employees to any additional compensation nor shall it be considered a reclassification requiring extra pay pursuant to Article 4 A.1. of the agreement.

a. Effective July 1, 2019, employees regularly assigned to the detention center shall be paid at the Detention Deputy rate of pay, whether they have achieved a higher-level POST certification or not. Employees regularly assigned to patrol shall be required to have Category 1 POST certification and shall be paid at the Patrol Deputy rate. If an employee is transferred back to the detention center for his/her regular assignment (whether voluntarily or involuntarily), said employee shall be placed on the same step in the lower (Detention Deputy) pay range. This provision shall not apply to employees with Category 1 POST certification who were regularly assigned to the detention center prior to July 1, 2019. If the "grandfathered" employees are regularly reassigned to patrol after July 1, 2019 and are subsequently regularly reassigned back to detention, they would then be paid at the Detention Deputy rate of pay.

b. Paragraph a. does not apply to employees who are temporarily assigned to the detention center.

4. Deputies who are assigned to the Department's Investigations Unit and are not advanced to the position of Corporal or higher shall be paid at the Investigator/Corporal pay range for the duration of the assignment to Investigations. Placement on the Investigator/Corporal pay range will be on the lowest step that provides at least a 5% increase over the salary previously received. If the Deputy transfers out of Investigations, the employee will return to the Deputy pay range, at the highest step that provides at least a 5% decrease below the salary previously received.

5. The salary schedules set forth in Exhibit A represent a compensation plan for each classification governed by this agreement, which provides for a range of compensation for each such classification and for annual merit step increases based upon a combination of years of service and satisfactory or better job performance. If, due to budgetary constraints, the County deems it necessary to delay implementation of merit step increases for all employees of Churchill County, merit step increases for Association employees will be delayed for the same time period as the rest of Churchill County employees.

B. Overtime Pay. An employee shall be entitled to overtime pay for overtime work at the rate of one and one-half (1 1/2) times the employee's straight time rate of pay. Straight time rate of pay shall include shift differential, for those overtime hours worked during the shift differential time periods as outlined in Article 4, Paragraph D of this Agreement. The overtime shift differential pay percentage will be based on the actual time of day and shift the employee worked the overtime. Such employee shall have secured prior approval for overtime work from the employee's immediate supervisor. If properly authorized, the following shall be considered overtime work.

1. For those employees assigned a normal work week (40 hours in a week), the following shall apply:

a. Time actually worked by an employee in excess of eight (8) to ten (10) consecutive hours (depending on an employee's regularly scheduled hours of work) at the employee's straight time rate of pay in a calendar work day, unless otherwise agreed by County and employee; or,

b. Time actually worked by an employee in excess of forty (40) hours at the employee's straight time rate of pay in a calendar week.

c. Paid time off due to holidays, vacation, sick or other paid leaves is to be included as "time actually worked" in computing the eight (8) to ten (10) hours per day or forty (40) hours per week requirement.

2. For those employees assigned a 12/80 work period (12-hour shifts and 80 hours in a 14-day period), the following shall apply:

a. Time actually worked by an employee in excess of eighty (80) hours at the employee's straight time rate of pay in a 14-day biweekly period. (There shall be no daily overtime pay.)

b. Paid time off due to holidays, vacation, sick or other paid leaves is to be included as "time actually worked" in computing the eighty (80) hours per 14-day biweekly period requirement.

C. Holidays Defined and Holiday Pay.

1. As used in this agreement the term "holidays" shall include all legal holidays defined in the Nevada Revised Statutes and any day that may be appointed by the President of the United States or the Governor of the State of Nevada for public feast, mourning, thanksgiving or holiday.

2. When a holiday falls within an employee's vacation period, when he would otherwise normally have received a day off, that person shall receive another day off in its place.

3. If a holiday falls upon a Sunday, the Monday following shall be observed as a legal holiday. If the holiday falls on a Saturday, the Friday proceeding shall be observed as the legal holiday.

4. Employee's must either be on a paid leave status or work the entire working day before and the entire working day after the holiday in order to receive payment for that holiday.

5. Holiday pay will be paid on the date of the actual holiday, not when the County observes the holiday, except in the case where the County observes the holiday on the date of the actual holiday. Pay for the actual holiday will be limited to New Year's Day (January 1), Independence Day (July 4), Veterans' Day (November 11), and Christmas Day (December 25).

6. A full-time qualified employee not working on a holiday (as defined above) shall receive eight hours of regular straight time pay if the employee is on paid leave status or works all of his/her last scheduled shift preceding the holiday and is on paid leave status or works all of his/her first scheduled shift following the holiday.

a. An employee is "qualified" for holiday payment when the holiday is observed on a day which is part of the employee's five day work week.

b. An employee who is scheduled to work on the holiday but fails to report for work and is unexcused shall receive no payment for the holiday.

c. Holiday pay shall not be given for holidays which occur during a leave of absence; however, compensatory time off will be given on a one to one ratio for holidays which occur on a regular day off, but will not be given for holidays which occur during a leave of absence. Said compensatory time off shall be set at the discretion of the Sheriff. If an employee is unable to take the compensatory time off within the pay period in which the holiday falls, then employees shall be entitled to convert the compensatory time off into annual leave subject to the terms and conditions of Section 8 of this Agreement.

d. In no case shall holiday payment and any other premium or overtime payment be made for the same time period worked.

e. If an employee works on an authorized holiday, the employee shall be paid one and one-half times the employee's basic straight time rate of pay for time worked on authorized holidays, in addition to the employee's straight time holiday pay.

D. Shift Differentials. Employees who work a shift other than the day shift as defined in Article 5 below shall receive the following shift differentials:

1. Employees who work swing shift as defined in Article 5 below shall receive a shift differential equal to five percent (5%) of base pay for such applicable shift.

2. Employees who work relief shift as defined in Article 5 below shall receive a shift differential equal to seven percent (7%) of base pay for such applicable shift.

3. Employees who work graveyard shift as defined in Article 5 below shall receive a shift differential equal to nine percent (9%) of base pay for such applicable shift.

E. Standby Time. Standby time is defined as any time other than when the employee is actually working, which has been specifically scheduled and directed by the Sheriff or designee, during which the employee is restricted in order to be immediately available for call to duty. Standby does not include any time where an employee carries a pager to respond to calls when available. Employees on scheduled standby shall be compensated at the rate of Two Dollars (\$2.00) per hour.

F. Training Expenses. The Sheriff, in the Sheriff's discretion, may authorize employees to attend additional training programs relevant to their work. The County agrees to pay up to One Thousand, Two Hundred Dollars (\$1,200) per employee, per fiscal year, to be utilized for expenses occasioned by additional training approved by the Sheriff. Upon an employee's request, said employee shall be notified of the remaining amount of money available to him/her in the current fiscal year. An employee terminating his/her employment within one hundred eighty (180) calendar days after attending a training program for which any reimbursement was received shall have the total amount of such reimbursement deducted from his/her final pay check.

G. Incentive Pay

1. Training Officer. Training Officer duty shall be performed by Deputies designated in writing as temporary FTOs and/or by employees of the rank of corporal. Those Deputies who are designated, in writing, as a Field Training Officer (FTO) will receive a five percent (5%) pay increase for the hours actually worked while acting in the capacity of FTO. Said FTO pay is paid only when providing training to full-time employees of the department and does not apply to reserves, volunteers, or other non-full-time employees of the department.

2. Acting Pay. An employee who is assigned in an acting capacity to work in a higher job classification than the employee's permanent classification for at least two full hours in a shift or longer shall be paid an additional five percent (5%) for the hours actually worked in the higher job classification.

3. Educational Incentive.

a. Intermediate Level. Employees who possess a Nevada P.O.S.T. Intermediate Certificate or a Certificate equal to 30 credits from an accredited institution shall be compensated with an annual bonus in the amount of Three Hundred Dollars (\$300).

The qualified instructor positions are as follows: Range Master/Less Lethal, FACTS (First Aid, CPR, BB Pathogens, AED), Defensive Tactics/Impact Weapons, Radar, E.V.O.C. The incentive is limited to one One Hundred Sixty Dollar (\$160.00) payment per employee, regardless of the number of classes or positions taught by that employee. The Sheriff makes the final determination on individual incentive payments, which shall not be subject to appeal or grievable.

5. Bilingual Incentive – Employees who are bilingual in Spanish and English and whose skills are actively utilized by the Department shall be compensated with an annual bonus payable on the last payday preceding December 1 of each year in which they are qualified in the amount of Three Hundred Dollars (\$300.00). Employees must pass an American Council on the Teaching of Foreign Languages (ACTFL) speaking test –at the Intermediate – High Level in order to qualify for the Bilingual

H. Ballistic Vests

1. Initial Hire. Upon initial employment, to each employee who wants and will wear a ballistic protective vest ("Vest"), the County will provide reimbursement for said Vest, up to the IIIA threat level, up to \$500. Employees must obtain their Vest from a reputable vendor selected by the employee. If an employee chooses a Vest with a cost in excess of the County's contribution of \$500, the additional cost will be paid by the employee.

2. Replacement Vest. The County will reimburse an employee to replace an employee's Vest by no later than the expiration date of the Vest's warranty according to the manufacturer's specifications, up to the IIIA threat level. Proof that the Vest's warranty has expired must be presented to the Sheriff. Employees must obtain their replacement Vest from a reputable vendor selected by the employee. If an employee chooses a Vest with a cost in excess of the County's contribution of \$500, the additional cost will be paid by the employee. The purchase of replacement Vests pursuant to this section applies to twenty-five percent (25%) of the covered Employees each year of this Agreement. The Association shall provide to the department a list of those employees eligible during each year of this Agreement. A replacement vest will not be issued because of a change in the size needed.

3. Standards. The County and Association mutually agree that the recognized guideline for Vests is the U.S. Department of Justice/NIC Selection and Application Guide to Personal Body Armor (NIJ Guide 100-01, as amended) and that the current rating standard for threat level protection for the term of this Agreement is NIJ Standard – 0101.06.

4. Duty of Care. Each employee is solely responsible for the inspection, care and maintenance of his or her Vest. If any employee reasonably believes his or her Vest should be replaced sooner than the warranty date indicated by the Vest's manufacturer, the employee will surrender the Vest to the Sheriff or his/her designee for inspection. If the Sheriff or his/her designee or the manufacturer's inspection determines that the employee did not properly care and maintain the Vest according to the manufacturer's specifications, the employee will be responsible for the full replacement cost of the Vest.

5. Vest Threat Level. It is the sole responsibility of each employee to review the applicable standards and manufacturer's specifications to determine which threat level of Vest will be appropriate for the employee's specific work duties and circumstances and to replace worn or failed Vests.

6. If an employee terminates from County employment voluntarily or involuntarily, the employee will reimburse the County, by way of deduction from the employee's final paycheck, an amount in accordance with the following schedule. An employee with:

A. Less than one year of service since purchasing the vest, shall reimburse the County for 80% of the amount originally paid by the County.

B. One to two years of service since purchasing the vest, shall reimburse the County for 60% of the amount originally paid by the County.

C. Two to three years of service since purchasing the vest, shall reimburse the County for 40% of the amount originally paid by the County.

D. More than three years of service, shall not be required to reimburse the County.

7. If an employee obtains a Vest in accordance with this provision and does not wear the Vest while on duty (as determined by the Sheriff or designee), said employee shall reimburse the County for 100% of the amount originally paid by the County by payroll deduction.

8. Body Armor Advance. The County will advance up to One Thousand Dollars (\$1,000.00) to reimburse employees for the cost of purchasing body armor, and/or related accessory, that they intend to wear while on duty. The amount advanced by the County will be deducted in equal installments, without interest, from the employee's paychecks over the 18 months following the advance of funds by the County. If the employee is terminated from employment for any reason before the full amount of the advance is repaid, then the unpaid balance shall be deducted from the employee's last pay check. The County may establish policies to effectuate this reimbursement plan. Once the employee has repaid the full amount of the advance to the County, s/he shall be immediately eligible to apply for a new advance of funds (i.e. Body Armor, Firearms, Computer, etc.). Employees will only be eligible for one advance at a time.

I. Firearms. The County will advance up to One Thousand, Five Hundred Dollars (\$1,500.00) to reimburse employees for the cost of purchasing any weapon and/or related accessory that is approved for use by the Sheriff's Office. The amount advanced by the County will be deducted in equal installments, without interest, from the employee's paychecks over the 18 months following the advance of funds by the County. The amount advanced will be similar to the Body Armor program, where the County advances the whole amount first and then the deductions will take place. The employee must present receipts to the Comptroller's Office within thirty (30) calendar days after the advance as proof of the purchase of the weapon and/or accessory. Failure to present the receipt within thirty (30) calendar days will result in the County deducting the loan amount from the employee's next scheduled paycheck. If the employee is terminated from employment for any reason before the full amount of the advance is repaid, then the unpaid balance shall be deducted from the employee's last pay check. The County may establish policies to effectuate this reimbursement plan. Once the employee has repaid the full amount of the advance to the County, s/he shall be immediately eligible to apply for a new advance of funds (i.e. Body Armor, Firearms, Computer, etc.). Employees will only be eligible for one advance (i.e. Body Armor, Firearms, Computer, etc.) at a time.

Said payment will be made to the employee within the employee's first 30 calendar days of employment. The payment will be made separate from the employee's regular paycheck.

B. All employees are expected to report for work in a clean and neat uniform. Failure to be so attired shall result in the individual being directed to return home to change uniform. The time required for such change of uniform shall be excluded in the calculation of the individual shift time.

C. All uniforms, service weapon, flashlights, badges, and other equipment provided by the County are deemed to be County property and shall be returned to the Sheriff's Department upon termination of employment.

The Sheriff or Undersheriff may refuse to replace the item if the Sheriff or Undersheriff determines that the damage occurred as a result of the employee's own negligence.

G. If an employee's watch or eye glasses are damaged in the line of duty, he or she shall immediately notify the shift supervisor. Unless the Sheriff or Undersheriff determines that the damage occurred as a result of the employee's own negligence, and upon presentation of a receipt showing the replacement cost, reimbursement shall be as follows:

1. Watches. The amount of the reimbursement for damaged watches shall be equal to the face amount of the receipt or Sixty Dollars (\$60.00) whichever is less.

2. Glasses. The amount of the reimbursement for nonprescription glasses shall be equal to the face amount of the receipt or One Hundred Dollars (\$100.00), whichever is less. Employees must present the actual receipt for the replacement glasses within 30 days of receiving the reimbursement. Failure to do so will result in employee having the reimbursement deducted from his/her paycheck.

H. Donning and Doffing of Uniforms. The Association and the County agree that the donning and doffing of uniforms is not required to be done at work and is considered to be de minimis time, thus there is no compensation for said donning and doffing.

ARTICLE 7

B. Time When Annual Leave Shall be Taken; Limit on Accrual.

1. The time when annual leave shall be taken shall be determined by the Sheriff after considering the needs of the department, seniority and wishes of the employee. The Sheriff shall establish work and annual leave schedules with first consideration to be given to the efficient operation of the department. Senior employees in terms of continuous service shall be given annual leave schedule preference.

2. Annual leave may be taken as accrued or accumulated. Unused annual leave not exceeding the above-maximum yearly carryover may be carried over into the following calendar year. Unused annual leave not exceeding the above-maximum yearly carryover may be carried over into the next calendar year. Anything in excess of the above-listed maximum yearly carryover on December 31 of each calendar year shall be forfeited. Annual leave shall not be granted in excess of the annual leave credits previously earned.

3. Appointed officers or employees who have at least six (6) months eligible service who subsequently leave the employment of the County, in good standing, after proper notice, are laid off or retire, shall be paid for all accumulated annual leave at the appropriate prorata amount per month based upon the length of service or as provided in subsection A. above. Employees with less than six (6) months eligible service shall not be paid for accrued leave.

4. Annual leave is granted for the purpose of employee recreation and no employee shall be permitted to waive annual leave for the purpose of receiving double pay. When an employee is not working because of illness or injury and has exhausted his/her sick leave, the employee may, at the discretion of the Sheriff, be permitted to draw annual leave in lieu of sick leave.

5. Annual leave may be accrued, but may not be taken during the first six (6) months of eligible service.

C. Annual Leave Conversion Policy.

1. The purpose of the Annual Leave Conversion Program is to allow employees covered by this Agreement to elect to convert Annual Leave hours to the County upon meeting certain criteria. The program should facilitate employees to work additional hours for the general county without losing annual leave in excess of the maximum carryover at calendar year end. The cost of the Conversion program would be less than the additional cost of contract labor or consultants to perform the work while the employees are off on annual leave.

2. Eligibility Requirements under Annual Leave Conversion Program:

a. Employees may elect to participate in the County's annual leave accrual conversion program if they meet the criteria established within this policy.

b. The employee must have five years of service with Churchill County.

c. Employee must have a satisfactory or above performance evaluation within the last twelve months.

d. Employee must have accrued as of the first pay period in November in excess of 200 hours of annual leave.

e. The employee must use at least 50% of the current year accrued annual leave as of the end of the year of the buyback to be eligible.

f. The amount of the conversion is limited to 50% of the current year accrual subject to conversion in 20 hour increments. Ie.. 20, 40, 60...

g. The conversion must be approved by the Sheriff before submittal to the Comptroller's Office. The Sheriff has the authority to disapprove the conversion if he/she feels the circumstances warrant disapproval.

h. The conversion will be in the form of purchase of retirement service credit with PERS or contribution into the employee's 457 Deferred Compensation account.

i. The total number of Association employees approved for this plan in a given year will be limited to 20% of the total number of Unit members enrolled in the Public Employees Retirement System. In the event that the number of applicants within the Unit exceeds 20% in any year, the County will order the applicants by seniority of County employment to determine eligibility. Any applicant denied on the basis of seniority will have priority in the subsequent year.

3. Procedures:

a. On or before November 15th of each calendar year, each eligible employee shall submit a conversion request to the Comptroller's Office on the designated form.

b. The request will be reviewed by the Comptroller's Office and Human Resources to ensure compliance with eligibility requirements, and the employee shall be notified in writing as to the status of the request.

c. The calculation date shall be the ending date of the first pay period in November.

d. In calculating the incentive conversion amount, the Comptroller shall use the following factors:

i. Employee's current rate of pay

ii. Number of hours eligible for buy-back in 20 hour increments (The wage rate multiplied by the number of eligible hours will be the total compensation used for the selected payment election.)

iii. Employee's payment election method: PERS or Deferred Compensation election.

iv. Any other factors the Comptroller deems necessary to make the calculation.

v. If approved, payments for eligible hours shall be made on behalf of the employees by December 31st.

vi. Employees who are eligible for this program must submit the request by November 15th of each calendar year. Payment for the hours requested shall be processed and paid by December 31. This scheduled time frame will be the only opportunity for eligible employees to participate in this program

each year. Compensation for the hours shall be made at the employee's current rate of pay.

4. Review and Other Provisions:

a. This program is voluntary and subject to periodic review by the Board of County Commissioners. Each application is subject to review to determine the financial advantage to the County. The Board of County Commissioners retains the option to reject any or all requests to participate if it is not determined to be advantageous to the County.

b. The Board of County Commissioners retains the option to waive any of the requirements under this policy if, in the opinion of the board, there are extenuating circumstances.

ARTICLE 8

SICK LEAVE

A. Accrual and Use of Sick Leave.

1. Employees shall be entitled to accrue sick leave benefits at the rate of one and one fourth (1 1/4) working days from the start of employment for each full-time equivalency month of service, which shall be accumulated from year to year.

2. Sick leave with pay can only be granted upon a recommendation of the Sheriff in case of bona fide illness of an employee, or of the employee's immediate family defined as husband, wife, child, parent, regardless of where that relative resides, or other relative residing in the employee's household. Sick leave may be used for employee's optical, medical and dental appointments or care. Verification from a doctor of the employee's illness or disability, or verification of his fitness to return to work, may be required in order to charge the absence to sick leave. The use of the employee's sick leave for family illness is limited to five (5) days per occurrence. Under circumstances causing an unusual hardship, at the sole discretion of the department head, sick leave may be extended beyond the five (5) day maximum.

3. In the event that an employee is aware in advance that sick leave benefits will be needed, it shall be the duty of the employee to notify the supervisor as far in advance as possible, in writing, of the anticipated time and duration of such sick leave, the reason for requesting such sick leave, and medical certification that the employee will be unable to perform his normal work function. Employees will be required to begin using sick leave on the date their doctor certifies that they are unable to perform their normal duties. An employee on sick leave is required to notify the supervisor, at the earliest possible time, of the anticipated date on which employee will be able to resume normal duties. The supervisor may require a certificate from a physician of the County's choosing that an employee on sick leave is medically unable to perform his normal duties, and the supervisor may require such medical certification from time to time until the employee returns to normal duties. In the event that an employee on sick leave fails to return to work as soon as the employee is medically able to perform his/her assigned duties, the employee may be deemed to have resigned his/her position with the County and to have waived

all employment rights. Sick leave benefits under this provision shall be paid to the employee on sick leave only for the actual work days missed due to medical inability to perform normal duties.

4. In the event that an employee exhausts accumulated sick leave and is not medically able to resume normal duties, the employee will be placed on unpaid leave of absence for a period not to exceed six (6) months. Thereafter, the County will consider and may renew such unpaid leave of absence at its sole discretion if the employee requests in writing that the County renew such unpaid leave and can show that s/he will be able to resume his normal duties within a reasonable period of time.

5. Any employee who is receiving worker's compensation may, at the employee's option, take sufficient sick leave to make up for the difference between the worker's compensation payment and the regular wage. When the sick leave account is exhausted, the employee will receive worker's compensation payments only.

6. Claiming sick leave when physically fit or when not otherwise eligible for sick leave within the provisions of this section may result in disciplinary action including cancellation of sick leave benefits, suspension, demotion or termination. In appropriate case, if an employee fails to make a diligent effort to give advance notice when sick leave is needed, payroll deduction for the time taken may result.

7. Catastrophic Leave

(1) Definitions:

a. The employee is unable to perform the duties of their position because of a serious illness or accident which is life threatening or which will require a lengthy convalescence.

c. An employee may not transfer to the catastrophic leave account any hours of sick leave, if the balance in his/her account after the transfer is less than 400 hours. Sick leave will be transferred at the rate of one hour for one hour credit donated.

d. The maximum number of hours which may be transferred in any one calendar year from any employee is 40. The minimum number of hours which may be transferred in any 1 calendar year is 8 hours annual and 24 hours sick. Leave will be placed in a pool, however, the employee may transfer hours to the catastrophic leave account for use by a particular employee, who has been determined to be eligible to receive the leave.

e. Any hours of annual or sick leave which are transferred from any employee's account to the catastrophic leave account may not be returned or restored to that employee. This subsection does not prevent the employee from receiving leave pursuant to Section 4 of this Article.

(3) Request for Catastrophic Leave

a. An employee who is himself/herself affected by a catastrophe as defined in Section 1, may request, in writing, that a specified number of hours of leave be transferred from the catastrophic leave account to his/her account. The maximum number of hours that may be transferred to an employee pursuant to this section is 240 per catastrophe. Catastrophic leave may be used when the subject of the catastrophe is a member of the employee's immediate family, defined as husband, wife, child, parent, regardless of where that relative resides, or other relative residing in the employee's household. Catastrophic leave will be deducted from the Catastrophic Leave Account based upon the dollar value and the rate of pay of the employee receiving the catastrophic leave.

(5) Review of Status of Catastrophe; Termination of Leave; Disposition of Hours Not Used.

a. The County Manager or designee shall review the status of the catastrophe of the employee and determine when the catastrophe no longer exists. This determination is final and not subject to grievance procedure, judicial review, or review by the Board of County Commissioners.

b. The County Manager or designee shall not grant any hours of leave from the catastrophic leave account after:

1. The catastrophe ceases to exist; or
2. The employee who is receiving the leave resigns or his/her employment with the County is terminated.

c. Any leave which is received from the catastrophic leave account which was not used at the time the catastrophe ceases to exist or upon the resignation or termination of the employment of the employee must be returned to the catastrophic leave account.

(6) Maintenance of Records on Catastrophic Leave

a. Personnel shall maintain the records and report to the County Manager any information concerning the use of a catastrophic leave account to evaluate the effectiveness, feasibility and the cost of carrying out this provision.

(7) Employee; Definition

a. The term "employee" as used in this policy includes only those individuals employed by the Churchill County Sheriff's Department who belong to the Deputies' Association, the Sergeants' Association, and the Dispatchers' Union. The application of this definition is no way an effort to bargain with other Associations or Unions outside this Agreement and is contingent on each Association or Union having a similar provision.

(8) Substantiation of Catastrophic Condition

a. The County Manager or designee may require written substantiation of the catastrophic condition which is life threatening or which will result in a lengthy illness by a physician of his choosing. The cost of such written substantiation shall be borne by the County.

B. Method of Compensation for Unused Sick Leave

1. If any employee dies and was entitled to payment for accumulated vacation time or sick leave under the provisions of this agreement, the heirs of such deceased employee who are given priority to succeed to that employee's assets under the laws of intestate succession of this state, or the executor or administrator of that employee's estate, upon submission of satisfactory proof to the County of their entitlement, shall be paid such amount.

<u>Years of Employment With the County</u>	<u>Percent of Accrued Unused Sick Leave for Payment</u>
5-10	35%
10-20	50%

(d) Upon retirement under PERS while employed by the County, an employee may elect in writing to convert their unused accrued sick leave into retirement service credits up to a maximum of 680 hours.

3. ARTICLE 10

DISCHARGE AND DISCIPLINARY PROCEDURES

A. Basis for Disciplinary Action. The tenure and status of every unit employee is conditioned on reasonable standards of personal conduct and job performance. Failure to meet such standards shall be grounds for appropriate disciplinary action. Disciplinary action shall be for just cause and may, in addition to the cause set forth in the personnel code, be based upon any of the following grounds: failure to fully perform required duties, disability, insubordination, abuse of employer policies or rules, unexcused absences, misuse or abuse of County property or equipment, substandard job performance, commission of a felony or other crime involving moral turpitude, and commission of other acts which are incompatible with service to the public.

B. Procedure for Disciplinary Action. Upon receiving a credible report of employee conduct for which disciplinary action may be taken, the Sheriff shall designate a management representative to oversee the disciplinary process. The management representative shall:

1. Gather and review the facts of the alleged misconduct;
2. Determine whether conduct for which disciplinary action may be taken has occurred;
3. Determine whether disciplinary action is appropriate given the totality of the circumstances;
4. Determine the type of discipline to be issued; and
5. Notify the employee of the discipline as outlined herein.

C. Types of Discipline. Three types of discipline are recognized for purposes of applying one of the procedures under this article, they are:

1. Written reprimands. A reprimand, the details of which are committed to writing and placed in the employee's personnel file.
2. Short suspensions. Suspensions without pay for periods up to and including three (3) working days.
3. Severe disciplinary action. Suspensions without pay for four (4) days or longer, demotion, or discharge.

D. Notice of Intended Discipline. The management representative shall issue a written notice of intended discipline in person or by certified mail to the employee's address on file. The written statement shall contain:

1. A description of the events which necessitated the proposed disciplinary action;
 2. A statement of the charges;
 3. A statement of the proposed disciplinary action and an effective date of the proposed disciplinary action.
 4. Notification that the employee may review or make copies of available materials leading to the proposed disciplinary action;
 5. The right of the employee to a Discipline Review Conference with the Sheriff or to submit in writing a response to the proposed action at a given time and place; and,
-

6. A statement that should the employee not exercise the right to the Discipline Review Conference or submit in writing their response, the proposed disciplinary action will be implemented with no further right of appeal.

7. A statement of the employee's right to representation.

Nothing shall prevent the county from instituting the proposed discipline prior to the Discipline Review Conference. If the discipline is overturned or reduced, the employee shall be made whole for any time actually suspended beyond that which is approved by the Sheriff or hearing officer.

E. Discipline Review Conference. A Disciplinary Review Conference to respond to the proposed disciplinary action shall be provided between seven (7) and fourteen (14) days from the date of the Notice of Intended Discipline. The Discipline Review Conference is not intended to be an adversarial hearing. However, the employee may present witnesses in support of any opposition to the proposed disciplinary action. The limited nature of this response does not obviate management's authority to initiate further investigation of the employee's version of the facts as to the accuracy of the supervisor's information leading to the proposed discipline. The employee may be accompanied and represented by a person of their choice during this procedure.

F. Sheriff's Decision. Following a review of a proposed disciplinary action by the Sheriff, the latter shall cause to be served on the employee affected, by certified mail or personal delivery, a statement signed by him/her indicating, if applicable, the Sheriff's decision based on the Disciplinary Review Conference or employee's written response and, if the proposed action is to be implemented, the specific charges/violations against the employee and the effective date of the action. The Sheriff shall issue this final decision within fourteen (14) days of the Discipline Review Conference or the employee's written response. If the proposed action is a Severe Disciplinary Action, the final decision shall further inform the employee that they, through the Association, have the right within fourteen (14) calendar days after receipt of this decision to request in writing an appeal hearing before a hearing officer to contest the action of the County.

G. Appeal from a Severe Disciplinary Action. An employee receiving a proposed suspension of four (4) working days or longer, demotion to an established classification with a lower maximum salary range, or discharge shall have the opportunity to appeal, through the Association, as described below.

1. The Association shall have fourteen (14) calendar days from the mailing or delivery of the Sheriff's decision to the employee to request in writing an appeal hearing before a hearing officer to contest the action of the county. The request must be filed by the Association with the Director of Human Resources. The Hearing Officer shall be chosen in the same manner as the EHO is chosen for grievances under Article 12. The right to appeal, and its prosecution, is a right of the Association in its sole discretion.

2. If, within the fourteen (14) calendar day appeal period the Association does not file said appeal, the action of the county shall be considered conclusive.

3. If, within the fourteen (14) calendar day appeal period, the Association files such notice of appeal by giving to the director of the personnel department written notice of appeal, then a time

for an appeal hearing before a hearing officer shall be established which shall not be less than fourteen (14) calendar days, nor more than ninety (90) calendar days from the date of the filing of the appeal. The Parties and the employee shall be notified in writing of the date, time, and place of hearing at least seven (7) calendar days prior to the hearing.

4. All hearings shall be private; provided, however, that the Association may request a hearing be open to the public.

5. The hearing shall be conducted in a manner most conducive to determinations of the facts and NRS 233B.123 shall be used by the hearing officer as a guide in writing on evidentiary matters.

6. Each party shall have these rights: to be represented by legal counsel or other person of their choice; to call and examine witnesses on any matter relevant to the issues; or introduce exhibits, to cross-examine opposing witnesses on any matter relevant to the issues even though such matter was not covered on direct examinations; to impeach any witness regardless of which party first called him/her to testify; and to rebut the evidence against him/her. The employee may be called and examined as if under cross-examination. Every witness shall declare by oath or affirmation that s/he will testify truthfully.

7. During the examination of a witness, all other witnesses, except the parties, shall be excluded from the hearing upon motion of either party.

8. The hearing officer shall determine whether to sustain, reject, or modify the action demoting, suspending or discharging the employee utilizing a just cause standard; such determination shall be final.

9. Mutually incurred costs for the hearing officer procedure shall be divided equally between the County and the Association.

H. Reduction in Pay. An employee faced with a disciplinary suspension may, upon mutual agreement between the employee and the Department, agree to continue working during the period of suspension. The County, Association and the employee shall agree to reduce the employee's base pay a fixed percentage amount for a period not to exceed twelve (12) months or until the wage reduction reflects the loss of pay the employee would have realized by serving the suspensions, whichever is sooner.

I. Retention Schedule. Written reprimands shall be maintained in the employee's personnel file for a period of at least one (1) year. Disciplinary documents relating to short suspensions (three days or less) shall be retained in the employee's personnel file for a period of at least three (3) years. Disciplinary documents relating to severe suspension (4 days or more) shall be retained in the employee's personnel file for at least five (5) years. After the expiration of the retention periods set forth above, an employee may request in writing that the disciplinary documents regarding a written reprimand or suspension be removed from their personnel file. The County shall remove the disciplinary documents from the employee's personnel file upon the employee's written request if the employee has (1) met the County's expected standards during the retention period, and (2) has received no subsequent disciplinary action during the applicable retention period. An employee shall not be entitled to have the disciplinary

documents removed from their personnel file if they do not meet the County's expected standards or have subsequent disciplinary action during the applicable retention period. The County may maintain records beyond the retention periods with a written explanation of the purpose for maintaining the records, notwithstanding anything to the contrary set forth in this paragraph J.

J. Access to Personnel Files. No one, except the employee, Sergeants within the employee's division who supervise the employee and/or have input regarding the employee's job performance, and management rank of Captain or above, shall have access to an employee's personnel files, unless written permission is granted by the employee. The employee and division Sergeant may access a log sheet listing the date the personnel file was accessed, the person accessing the file, and the reason the file was accessed. Said log sheet will be kept in the cover of the file and must be filled in for each access.

K. If an employee is the subject of an investigation, the employee may request an update to the status of the investigation every 28 days.

D. External Hearing Officer.

1. Designation. The parties will attempt to agree upon a professional neutral to serve as an External Hearing Officer (EHO). In the event agreement cannot be reached to select an EHO, the parties agree to solicit a list of five (5) professional neutrals from the FMCS or the AAA and alternately strike names from such list until one name remains. That remaining person so selected shall serve as EHO. The party to strike first shall be determined by lot.

2. Costs. The fees and expenses of the External Hearing Officer and of a court reporter, if used, shall be shared equally by the employee organization and the County. Each party, however, shall bear the cost of its own presentation including preparation and post-hearing briefs, if any. 3. Effect of Decision. Decisions of an External Hearing Officer on matters properly before him/her shall be advisory to the County Board of Commissioners. Within sixty (60) days of receipt of the EHO's recommendation, the Board shall make the final decision which in its discretion it deems proper after review of the hearing officer's report or conducting further investigation as it sees fit.

The External Hearing Officer's authority shall be limited only to the application and interpretation of the provisions of this negotiated agreement.

5. Matters Subject to EHO Procedure. Proposals to create, add to, or change this written agreement or addenda supplementary hereto shall not be grievable nor submitted to an External Hearing Officer and no proposal to modify, amend, or terminate a negotiated agreement, nor any matter or subject arising out of or in connection with such proposal, may be referred to this process.

6. Rules of Evidence. Strict rules of evidence shall not apply. However, rules of evidence and procedures for conduct of hearings shall be guided by the standards in the American Arbitration Association voluntary arbitration rules.
