If the grievance has not been resolved within the ten (10) business days (Monday-Friday excluding holidays listed in Article 12), the immediate supervisor shall notify the employee and the ASSOCIATION of that fact in writing and the grievance shall proceed to the committee stage.

STEP 2 – The Committee Stage

If the grievance is not resolved in the informal stage, the employee shall deliver the grievance in written form to an ASSOCIATION officer within ten (10) business days (Monday-Friday excluding holidays listed in Article 12) after delivery of the written notice provided for in Step 1. The grievance committee shall have ten (10) business days (Monday-Friday excluding holidays listed in Article 12) from the receipt of the grievance in which to assemble, discuss, and render a decision on going forward with the grievance. 1. The written form of the grievance shall consist of:
 - a. The employee's name.

 - h. The date the grievance arose, the date the employee delivered the grievance to the ASSOCIATION officer as required by this step, and the date the grievance committee made the decision to go forward with the grievance.

STEP 3 – The Management Stage

After the Lieutenant of the employee's division and/or the Sheriff's designee has received the grievance, the Lieutenant or the Sheriff's designee shall make every attempt to reach an acceptable solution to the grievance within ten (10) business days (Monday-Friday excluding holidays listed in Article 12) after it has been submitted to him/her. If the grievance is not resolved within that time period, the grievance shall be forwarded to the Sheriff or his designee and it shall proceed to the administrative stage.

STEP 4 - The Administrative Stage

The Sheriff and/or his designee shall receive the grievance, and the Sheriff and/or their designee shall attempt to reach an acceptable solution to the grievance within ten (10) business days (Monday-Friday excluding holidays listed in Article 12) after it has been

submitted to him/her. The disposition of the grievance shall be made in writing.

1. For reprimands, sub-standard evaluations, and other discipline not specified in subsection 2 below, the decision of the Sheriff in Step 4 shall be final and binding.

2. The arbitrator's decision must:
 - a. Be in writing; and
 - b. Be consistent with Nevada law;
 - c. Set forth findings of fact, reasoning, and the arbitrator's conclusions on the issues submitted.
3. The fees and expenses of the arbitrator shall be borne equally by the parties. A party requesting the use of a court reporter shall pay all fees and costs associated therewith; however, if the other party requests a copy of the transcript, all such fees and costs shall be shared equally.
4. All grievance settlements shall be approved in writing by the Sheriff.
5. The time limits set forth in this article may be extended by mutual agreement of the parties in writing.
6. The time limits set forth in this article shall be strictly construed. If the ASSOCIATION fails to file and/or process the grievance in a timely manner, it shall be conclusively presumed that the grievance is withdrawn with prejudice or

satisfied. If the COUNTY fails to respond to the grievance in the time limits set forth, the matter automatically moves to the next step.

ARTICLE 14 – SICK LEAVE

- A. Employees shall be entitled to sick and disability leave with pay of 1 1/4 working days for each month of service, which shall be cumulative from year to year not to exceed 150 working days/maximum 1200 hours effective the first full pay period following ratification and approval.
- B. After an employee has accumulated 150 working days/maximum 1200 hours of sick leave credit, the amount of additional unused sick leave which the employee is entitled to carry forward from one year to the next is limited to 1/2 of the regular sick leave accrual during the year. The remaining 1/2 sick leave accrual over 150 days/maximum 1200 hours shall be placed in a separate account to be used by the employee under the following conditions effective the first full pay period following ratification and approval:
 - 1. The employee is suffering, from a long term or chronic illness.  - 2. The employee has used all sick leave otherwise available to him/her; and
 - 3. Approval of the Board of County Commissioners is obtained; and
 - 4. The request is accompanied by a certification from a physician or other suitably qualified person as to the relative seriousness of the illness, and a projection of the probable length of time the illness will continue; and
 - 5. Sick leave accumulations in excess of 150 working days/maximum 1200 hours shall not be subject to the sick leave buyout provisions contained in paragraph G of this article effective the first full pay period following ratification and approval.
- C. An employee separated from service shall earn sick leave only through the last working day for which the employee is entitled to pay. If this date is earlier than the last day of the month, the sick leave with pay shall be prorated.
- D. An employee is entitled to use sick leave only when incapacitated to perform the duties of his or her position due to sickness or injury, when quarantined, when receiving required medical or dental service or examination, or when there is an illness or death in his/her immediate family.
 - 1. In the event of a serious illness in an employee's immediate family which requires his/her attendance, he/she may use sick leave not to exceed ten (10) days for

sickness (five (5) days for bereavement) in any one calendar year. As used in this article, immediate family is defined as the employees spouse, parent, child, sibling, grandparent, grandchild, or immediate in-law. With approval of the Board of County Commissioners, use of additional sick leave for this purpose may be granted.

2. The Board of County Commissioners may approve an exception to this limitation where an employee's attendance is required to provide, participate in, or arrange for intensive care and/or treatment or to receive extensive training in the proper utilization of equipment, techniques and supplies essential for continued maintenance of good health. In this case, the employee submits his request for an exception of the limitation to the Board of County Commissioners. The request must be accompanied by an individual certification from a physician or other suitably qualified person as to the actual need for the employee's participation. The certificate of need must identify the immediate family member's illness and contain an explanation as to:
 - a. Relative seriousness of the illness and a projection of the probable length of time the employee's attendance will be required; and
 - b. The exact role of the employee while in attendance.
 - c. The Sheriff or Board of County Commissioners may request the submittal of supplemental information.
- E. In the event of a death in the employee's immediate family, he/she may use sick leave not to exceed five (5) working days for each death.
- F. An employee is entitled to use a maximum of six (6) weeks accumulated sick leave for adoption or maternity leave purposes, regardless of the type of delivery or results of pregnancy. After six (6) weeks of accumulated sick leave has been exhausted, or the total amount of accumulated sick leave is less than six (6) weeks, the employee is entitled to use accumulated vacation leave for adoption or maternity leave purposes. If after sick leave and annual leave is exhausted as provided for herein, the employee is entitled to be placed on leave without pay status for a total adoption or maternity leave period not to exceed twelve (12) weeks. The following provisions must be fully complied with:
 1. A maternity leave may be taken prior to the expected birth of the child.
 2. Maternity leave days taken shall be consecutive, and non-consecutive or less than full maternity leave days shall be allowed only upon a physician's written recommendation and approval.
 3. Pregnancy shall not jeopardize an employee's job or merit status except for leave without pay limitations. The employee shall be responsible for reporting the

pregnancy as soon as it is an established fact so that steps may be taken to protect the employee's health or modify her working conditions, and so that any necessary staffing adjustments may be planned.

- G.** Upon separation of an employee from the COUNTY for any reason, the employee shall be entitled to payment for his/her unused sick leave in excess of 30 days (240 hours), according to his/her number of years of Elko County public service, effective the first full pay period following ratification and approval, as follows:
1. For 10 years of service or more, but less than 15 years, not more than \$3,000.00.
 2. For 15 years of service or more, but less than 20 years, not more than \$4,000.00.
 3. For 20 years of service or more, not more than \$5,000.00.
- H.** An employee who uses five (5) days or less of sick leave during any calendar year may by written request elect to be paid at the employees current hourly rate for the unused sick leave that has accumulated during that calendar year in the ratio of one (1) hour paid for every two (2) hours of sick leave accrued. The sick leave buy out applies only to sick leave accumulated during the applicable calendar year (ie. a maximum of 3 weeks), and does not apply to prior accumulations. The employee's sick leave account shall be reduced by two (2) hours of accrued sick leave for every one (1) hour of sick leave paid. The written request must be received by the Sheriff's Department Office Manager immediately following the last payroll of the year.
- I.** An employee who is eligible for purchase of service credits under the Nevada Public Employee's Retirement System ("PERS) and applicable law, may at his or her option convert unused sick leave into service credit PERS at the rate of one (1) hour of service credit for two (2) hours of sick leave, subject to the following conditions and limitations:
1. Employees must have a cumulative total of at least six hundred (600) hours of unused sick leave to be eligible for conversion. An employee who has reached a minimum of six hundred (600) hours of sick leave accrual, who uses five (5) days or less of sick leave during the calendar year may, by written request, elect to purchase service credit in PERS for the unused sick leave that has accumulated during that calendar year in the ratio of one (1) hour of service credit for every two (2) hours of sick leave accrued. The PERS service credit buyout only applies to sick leave accumulated during the applicable calendar year (i.e. a maximum of 3 weeks), and does not apply to prior accumulations. The employee's sick leave account shall be reduced by two (2) hours of accrued sick leave for every one (1) hour of service credit paid.
 2. Employees desiring to convert unused accrued sick leave into retirement service credit shall submit a written request, on a county-approved form, to the County Manager immediately following the last pay period of the calendar year but no

later than January 31 of the following year. If the employee meets all of the conditions set forth in the subsection, then the COUNTY shall deduct the designated amount of accrued sick leave from the employee's account and proceed to purchase retirement service credit from PERS in an amount equal to the number of hours elected to be converted by the employee. Sick leave traded for PERS service credit shall be in minimum increments of forty (40) hours.

3. Upon retirement under PERS while employed by the COUNTY, an employee may elect in writing to convert up to a maximum of four hundred (400) hours. Conversion is calculated as hourly rate multiplied by sick leave hours converted equals total dollars available ($400 \times \$28.00 = \$11,200.00$) to purchase a PERS service agreement.
4. Conversion of sick leave into retirement credits is limited by NRS to a maximum of five years of service credits.
