WHEREAS, the Board of County Commissioners has recognized the Lincoln County Law Enforcement Association as a bargaining unit under Chapter 288 of the Nevada Revised Statutes, and

WHEREAS, matters relating to certain wages, benefits, and working conditions have been fully discussed and ratified by members of the Lincoln County Law Enforcement Association and the Board of County Commissioners of Lincoln County, Nevada.

NOW, THEREFORE, it is agreed by and between the **BOARD OF COUNTY COMMISSIONERS OF LINCOLN COUNTY, NEVADA** and the **LINCOLN COUNTY LAW ENFORCEMENT ASSOCIATION** and those who are not members thereof, but are eligible for membership and are in the employ of Lincoln County, Nevada, shall receive monetary compensation for their services as hereinafter set forth and shall receive benefits from such employment as also hereinafter set forth.

ARTICLE 1 – RECOGNITION AND CLASSIFICATIONS

Section 1: Pursuant to and in conjunction with the provisions of the Local Government Officer Management Relations Act (NRS288), Lincoln County (County) recognizes the Lincoln County Law Enforcement Association (LEA) as the exclusive bargaining representative of those officers in the bargaining unit which is made up of the following classifications (correctional and patrol):

Officer
Corporal
Sergeant

For the purposes of this Agreement, the term Officer shall mean all full-time law enforcement officers in the above classifications and law enforcement positions added during the term of the agreement.

For purposes of this Agreement, the full-time officer shall mean an officer regularly scheduled to work forty (40) hours or more per week. A full-time officer shall be paid on an hourly basis.

All officers are subject to a 12-month probationary period during the first 12 months of employment. Probationary officers may be discharged “at will.” Only regular, non-probationary officers may grieve their discharge or discipline on the grounds they were discharged or disciplined without just cause.

The provisions of this Agreement shall take precedence over the most current provisions of NRS 289, Rights of Peace Officers, when the two are in conflict.

ARTICLE 2 – PROHIBITIVE PRACTICE

Section 1: Both parties agree not to:

- A. Interfere, restrain, or coerce any officer covered by this Agreement in the exercise of any right guaranteed under Chapter 288, Nevada Revised Statutes.
- B. Dominate, interfere, or assist in the formation or administration of the LEA.
- C. Discharge or otherwise discriminate against any officer because she/he has signed or filed an affidavit, petition, or complaint, or given any information or testimony in Chapter 288, or because she/he has formed, joined, or chosen to be represented by officer organization.

ARTICLE 3 – LEA RIGHTS

Section 1: Association Business

Officers shall receive pay for scheduled work time in which the officers engage in LEA business. If an officer is not on shift, that officer shall not receive pay for time engaged in LEA business. The County shall provide transportation to officers attending meetings for LEA business.

Section 2: LEA Dues and Initiation Fees

The County agrees to deduct LEA dues and initiation fees from the paycheck of each officer within the bargaining unit who has signed an authorized payroll deduction card for the amount certified, in writing, to the County by the LEA at the current rate of membership dues. The County will be notified of any change in the rate of membership dues thirty (30) days prior to the effective date of such change.

Section 3: Fund Remittance

Such funds shall be remitted by the County to the Secretary-Treasurer of the LEA within fifteen (15) days after such deductions. The officer’s authorization for such deduction is revocable,

subject to the conditions outlined on the check-off authorization or upon termination of employment.

Section 4: Deduction Controversy

Should any controversy arise regarding deductions, the LEA will hold the County harmless from any and all claims demands, suits, and all other forms of liability which shall arise out of or be reason of action taken by the county at the request of the LEA under the provisions of this Article.

ARTICLE 4 – MANAGEMENT RIGHTS

Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the County without negotiations include:

- A. The right to hire, direct, assign or transfer an officer, but excluding the right to assign or transfer an officer as a form of discipline. This includes the right to hire a lateral transfer at the step on the pay scale that management deems necessary to recruit a lateral transfer.
- B. The right to reduce in force or lay off an officer because of lack of work or lack of money, subject to Article 22.
- C. The right to determine:
 - 1. Appropriate staffing levels and work performance standards, except for safety considerations;
 - 2. The content of the work day, including without limitation work load factors, except for safety considerations;
 - 3. The quality and quantity of services to be offered to the public; and
 - 4. The means and methods of offering those services.
- D. Safety of the public.

ARTICLE 5 – STRIKES AND LOCKOUTS

Section 1: There shall be no lockouts by the County, or strikes or suspension of work, slow-downs, or sick-outs, excluding bona fide illness, by the LEA or by the officers. This Agreement is a guaranty by the parties that for its duration there will be no lockouts, strikes, suspension of

work, slow-downs, or sick-outs and that all complaints, grievances or disputes arising out of the interpretation or application of this Agreement will be settled pursuant to the grievance process as outlined in Article 21 of the Agreement.

Nothing contained herein is intended to require performance of duties under circumstances in which there is a reasonable likelihood of injury to the officer.

ARTICLE 6 – ACKNOWLEDGEMENT OF CORRESPONDENCE

Section 1: The County and the LEA each agree to acknowledge, in writing, within fifteen (15) days (exclusive of Saturdays, Sundays and legal holidays), all written correspondence from either party to the other party. All correspondence to the Board of County Commissioners shall be addressed to the District Attorney.

All correspondence to the LEA shall be addressed to the Secretary-Treasurer of the LEA.

ARTICLE 7 – WORK HOURS

Section 1: The normal work week of full-time officers covered by this Agreement shall consist of five (5) days at eight (8) hours each, four (4) days at ten (10) hours each or a two week work schedule that consists of six (6) days at twelve (12) hours each and one (1) day of eight (8) hours. The Lincoln County Sheriff shall determine work schedules at his or her sole discretion.

- A. Except during emergency situations, all officers shall be permitted to take one (1) (15) minute rest period in the morning and in the afternoon, along with a thirty (30) minute meal time during their shift.
- B. Rest periods will not fall within one (1) hour of starting time or quitting time.
- C. Specific rest periods may be scheduled by the Sheriff to ensure the most efficient application of personnel and equipment.

Section 2: Overtime

Overtime is any period of time worked in excess of:

- A. Ten (10) hours in a twenty-four (24) hour work day for those officers on a schedule of four (4) of ten (10) hours each.
- B. Eight (8) hours in a twenty-four (24) hour work day for those officers on a schedule of five (5) days of eight (8) hours each.

- C. Twelve (12) hours in a twenty-four (24) hour work day and eight (8) hours in a twenty-four hour (24) work day for those officers on a schedule of four (4) days of twelve (12) hours and one (1) day of eight (8) hours, respectively, in a single pay period.
- D. Forty (40) hours in a calendar week.

Any officer who works overtime shall be compensated at the rate of one and one-half (1 1/2) times the regular hourly rate of pay.

Section 3: Compensatory Time (Comp Time)

- A. Because the work load of some functions fluctuates both within and beyond the payroll periods, officers shall be able to accumulate Comp Time rather than be paid overtime. The purpose of Comp Time is to allow officers to take paid time off in conjunction with work load lows rather than be paid at the overtime rate during workload peaks.
- B. To accumulate Comp Time, the Sheriff may allow the officer to accept time off rather than overtime pay. This Comp Time will be accumulated at the contractual rate earned. (If the payment for overtime is at the one and one-half time rate then the officer shall get one and one-half times of Comp Time for each hour of overtime worked.) No officer will be required to accumulate Comp Time rather than be paid at the overtime rate.
- C. To use Comp Time officers must schedule their absence from work with the Sheriff five working days in advance of the absence. Such absences will normally be scheduled when, based on the workload, manpower, or other recognizable needs, it will not place a hardship on the County or the Sheriff.
- D. Comp Time off may accumulate to a maximum of one-hundred twenty (120) hours. No officer may have an accumulated balance of Comp Time exceeding one-hundred twenty (120) hours at the end of any pay period. Officers may not have a deficit Comp Time balance. Whenever an officer requests Comp Time in lieu of overtime and such Comp Time accrual would exceed one-hundred twenty (120) hours the officer must be paid at the applicable overtime rate for all hours above one-hundred twenty (120) that would otherwise be in the officer's Comp Time accrual balance.
- E. Whenever an officer separates from County employment any unused Comp Time will be paid at a straight time hourly salary rate.

Section 4: Call Back

Call Back is defined as any officer who is off duty for any period of time and requested to return to duty with less than 12 hours' notice. The officer shall receive a minimum of two (2) hours pay at 1.5 times the regular hourly rate for call back. Time worked in addition to the initial two (2) hours of call back shall be compensated at 1.5 times the regular rate of pay for all time actually worked.

Officers enrolled in PERS on or before June 30, 2008 will receive call back pay at the rate indicated above. Officers enrolled in PERS after June 30, 2008 will not receive call back pay unless an emergency is declared by the governing board, but will otherwise be paid overtime at the rate indicated above.

Section 5: Standby Pay

The Sheriff, through his or her shift supervisor, may require an officer to restrict his or her off-duty activities in such a manner that the officer might be available for duty within thirty (30) minutes. Such restriction places the officer on “stand by”.

Officers on standby have the following duties:

1. To provide the Sheriff or shift supervisor with a way to contact the officer immediately if a need for work arises.
2. To restrict his or her off-duty activities in such a way that the officer could report for duty within thirty (30) minutes of contact.

An officer on standby shall receive two dollars (\$2.00) for each hour he or she is on standby. If the Sheriff or shift supervisor calls a standby officer into work, then upon reporting for duty the officer shall cease to receive standby pay and shall receive call-back pay pursuant to section 4 above.

ARTICLE 8 – ANNUAL LEAVE

Section 1: Accrual

1. Each officer, after six (6) consecutive months of service, shall be entitled to accrue annual leave at the rate of ten (10) hours for each month of service based upon a forty (40) hour work week. Officers must be on paid status ten (10) or more work days each month to be eligible to accrue leave.

Said officer shall be compensated for the unused leave at the beginning of the next calendar year in the amount equal to the hourly wage times the number of unused hours.

All annual leaves shall be taken for and at such time as approved by the Sheriff.

Section 4: Termination

A person about to resign, about to retire, or who is laid off, who has earned annual leave time prior to the effective date of his/her termination of employment, may take such annual leave time prior to termination or, at his/her option, be paid for such earned annual leave time.

Section 3: Family and Medical Leave Act:

- A. Family and medical leave for officers shall be governed by the provisions of the Federal Family and Medical Leave Act (FMLA), as may be amended from time to time. Nothing in this section is intended to extend the County officer's rights or benefits not extended in this law. Where there is a conflict between this section and the FMLA, the FMLA governs.

While each officer may accrue unlimited sick leave, sick leave will be capped at 800 hours for calculating a payout for separation in accordance with this section.

In the event of an officer's death, the County shall pay his or her beneficiary(s) the full amount (100%) of the officer's unused sick leave.

Should the County initiate an investigation of alleged officer misconduct; the investigation will be completed along with any disciplinary recommendation, within fourteen (14) calendar days of the initial officer interview. Should circumstances preclude compliance with this timeframe, the elected official will notify the LEA and provide an estimate for completing the investigation. - iv. Inefficiency;
- v. Neglect of duties.

B. Types of Discipline: An officer whose conduct, attendance or performance is considered unsatisfactory shall be subject to discipline. Depending on the nature and severity of the offense or performance problem, any one of, or combination of, the following types of discipline may apply: counseling, written reprimand, suspension, decision-making leave, demotion, probation, and/or termination.

1. **Informal Discipline:** The identification of an officer's unsatisfactory behavior, and the opportunity given to the officer for correction. Informal discipline consists of counseling and oral warning.
 - a. **Counseling:** Sheriff counsels the officer regarding their unsatisfactory behavior.
 - b. **Oral Warning:** Sheriff provides clear warning that continued unsatisfactory behavior will lead to formal discipline.
 - c. **Personal Improvement Plans:** Officers may be subject to Personal Improvement Plans designed to address specific performance issues without formal discipline.

2. **Formal Discipline:** Continued unsatisfactory behaviors, or committing offenses of such serious nature that requires immediate expulsion from work, are subject to the formal discipline process. Formal discipline may consist of anyone or combination of the following:
 - a. **Written Reprimand:** An officer receives official written notice to correct continued unsatisfactory behaviors.
 - b. **Personal Improvement Plans:** Officers may be subject to Personal Improvement Plans designed to address specific performance, conduct or attendance issues and such Plans will specifically identify formal discipline that may result from non-compliance.
 - c. **Suspension:** An officer may be suspended with or without pay as a disciplinary measure. Suspension without pay requires a pre-disciplinary hearing approved by the County Commissioner responsible for officer contracts and relations, or designee.

An officer may be suspended without pay for an indefinite period of time as a result of a criminal complaint in a court of law.
 - d. **Demotion:** An officer may be demoted as a result of a disciplinary action. Demotion requires a pre-disciplinary hearing approved by the County Commissioner responsible for officer contracts and relations or designee.
 - e. **Decision-Making Leave:** Paid or unpaid time away from work is provided so that the officer may decide on whether employment with the County is in their best interest.
 - f. **Probation:** An officer may be placed back into a probationary period not to exceed six (6) months in an effort to further evaluate and rehabilitate the officer. Same infraction during a probationary period may be subject to

termination without recourse to the grievance and arbitration provisions of this Agreement.

- g. Termination: An officer may be terminated as a result of disciplinary action. Any termination under this Article shall be in writing and shall set forth the reasons for such termination. Prior to termination, excluding temporary or probationary officers, the officer shall receive a pre-disciplinary hearing approved by the County Commissioner responsible for officer contracts and relations or designee.
3. Discipline Records: An officer shall be notified in writing of any formal disciplinary action that could lead to suspension, demotion, decision making leave, probation or termination. The officer shall have the opportunity to meet with the County Commissioner responsible for officer contracts and relations, or designee, prior to the proposed formal discipline, and may also respond to the proposed formal discipline in writing.
- a. Records of disciplinary actions, excluding informal discipline or oral warnings, will be retained in the officer's official personnel file for a one (1) year period.
 - i. If one year has passed without any further disciplinary action and the document is not the subject of a pending investigation, the disciplinary record will be removed from the personnel file upon written request of the officer to the County Commissioner responsible for officer contracts and relations.
 - ii. The County Commissioner responsible for officer contracts and relations will respond to the officer's request to remove the discipline record within thirty (30) days.
 - iii. Performance evaluations are exempt from this Article.
 - iv. The officer shall have access to their personnel file, along with the officer's representative. An officer may insert into their personnel file a rebuttal statement in response to written reprimands or negative commentary in the file.
 - v. Any written record of discipline not previously provided to the officer will not be used as a basis for subsequent progressive discipline.

ARTICLE 21 - GRIEVANCE PROCEDURE

Section 1: The purpose of the Grievance Procedure shall be to settle all grievances between the LEA and the County as quickly as possible to insure efficiency and promote officer morale. Should any officer, group of officers, or the County feel aggrieved as a result of the interpretation or application of this Agreement, including the claim of unjust discrimination or any matter or condition affecting health and safety beyond those normally encountered in all phases of normal work requirements, adjustment shall be sought as follows:

Section 2: In order to promote harmony, the LEA and the County agree that the officer is encouraged to discuss matters in dispute with the Sheriff first.

Section 3: All grievances must be filed in writing, within ten (10) calendar days after the matter in dispute or disagreement is alleged to have occurred; provided, however, a grievance concerning rates of pay covered by this Agreement shall be presented within fifteen (15) calendar days of the date the officer could reasonably be expected to discover the alleged improper payment.

Step 1: The grievance shall first be discussed among an LEA representative, the officer, the Sheriff and the County Commissioner responsible for officer contracts and relations within ten (10) calendar days of its filing. If the grievance is not settled during this informal discussion, it may be processed to Step 2. In the issue of suspension or termination, the LEA may immediately proceed to Step 3.

Step 2: Within seven (7) calendar days from the date of the informal discussions with the Sheriff and County Commissioner responsible for officer contracts and relations, but not later than fourteen (14) calendar days after the act or omission giving rise to the grievance, the LEA Representative shall present the grievance, in writing, to the Sheriff. The Sheriff shall arrange for such meetings with the LEA and make such investigations as are necessary. The Sheriff shall respond in writing to the aggrieved within seven (7) calendar days of their receipt of said grievance. If the response does not resolve the grievance, it may proceed to Step 3.

Step 3: Within seven (7) calendar days from receipt of the written response from the Sheriff, the LEA Representative shall present the grievance, in writing, to the County Commissioner responsible for officer contracts and relations, accompanied by all correspondence and existing evidence on the matter. The County Commissioner responsible for officer contracts and relations, or designee, after consultation with the aggrieved officer and/or LEA Representative, will then make a determination, within seven (7) calendar days from the date of submission.

Step 4: If a mutually satisfactory settlement cannot be reached between the County Commissioner responsible for officer contracts and relations, or designee and the LEA, the parties may mutually agree to request alternate dispute resolution through Federal Mediation and Conciliation Service (FMCS).

Step 5: If a mutually satisfactory settlement cannot be reached through Step 4, the LEA or the County shall have the right to refer the matter to an arbitrator for final determination. The party seeking such final determination must notify the other of its decision in writing within ten (10) calendar days of the Step 3 response or the date of the Step 4 mediation with the FMCS. Should the ten (10) days elapse without written notification, the grievance shall be deemed withdrawn with prejudice. In the event that the LEA chooses not to pursue a grievance involving a termination, the officer filing a grievance may pursue the matter, without the assistance of the LEA, in accordance with the remainder of this article. Any individual utilizing this option will be required to sign a waiver releasing the LEA from any additional responsibility and/or liability related to this employment action.

All costs incurred by the officer, including but not limited to those outlined in Step 8 of this article, will be the responsibility of the officer. Should the former officer choose to arbitrate their dispute, both the County and the former officer will be required to place ten thousand dollars (\$10,000) into an escrow account to ensure the payment of the arbitrator as detailed in Step 8 of this procedure. Should the grieving individual fail to comply with this requirement within twenty-one (21) calendar days of notification of the escrow account details, they will forfeit their ability to arbitrate the issue and the matter will be considered withdrawn.

Step 6: In the event the County and the LEA proceed to arbitration, the parties shall jointly request from the Federal Mediation and Conciliation Service the names of five (5) arbitrators.

One arbitrator shall be selected by alternately striking names from the list, the party filing for the dispute resolution shall have the first strike, and the dispute shall be submitted to the arbitrator then remaining. Such arbitration shall be conducted under the rules of the Federal Mediation and Conciliation Service, or the American Arbitration Association as prescribed by the arbitrator selected.

Step 7: The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or to rule on any matter after this Agreement terminates.

Step 8: The arbitrator's decision shall be final and binding, and the cost for arbitration shall be born equally between the LEA and County. The parties shall bear their own expenses for attorneys, court reporters and other related arbitration expenses.

Section 4: Grievances not filed, processed or responded to within the time limits set forth above and not extended by agreement in writing, shall be deemed waived or admitted, and the grievance shall be irrefutably presumed denied or sustained, as the case may be.

ARTICLE 22 – LAYOFF PROCEDURE

Section 1: Positions to be eliminated

If the County determines the need for a reduction in its work force for lack of work or lack of funds, written notice of not less than thirty (30) calendar days shall be provided to officers to be laid off. The County will determine the number of positions to be eliminated in each job class and the officers to be laid off within each affected job class. For purposes of this Article, a job class shall be one of those listed in Article 1 of this Agreement.

Section 2: Order of Layoff

- A. Reduction of the work force shall be based on seniority in classification as determined by the County. Starting with the persons in the highest classification in which the reduction in force is taking place, persons in each classification shall compete on the basis of seniority in the classification, with the layoff of the least senior. Seniority in classification shall commence on the most recent date of appointment to such classification and shall be uninterrupted.
- B. An officer designated for demotion or layoff shall have the right to bump an officer in the lower class if she/he has more seniority in the lower class.
- C. Upon demotion to the next lower classification, the officer shall be placed at the salary step at the lower classification commensurate with her/his length of service with that department.

Section 3: Recall and Return Rights

Officers that are laid off or returning from an honorable termination will have a right to return to a vacancy in the same class from which they left. Recall shall be in inverse order of layoff or termination.

Section 4: Recall List

Officers shall remain on the recall list for one (1) year following the date of layoff or honorable termination. However, such officers shall be removed from the recall list if:

- A. They decline appointment to a position in the same class at the same salary step as the position from which their layoff occurred; or
- B. They fail to report for duty within fifteen (15) calendar days of the mailing of notice of recall to County employment.

Section 5: Recall Notice

Notice of recall or available position may be made in person or by U.S. mail, return receipt requested. It is the responsibility of each laid off officer to notify the County of his/her current address.

Section 7: Layoff Procedure Limited by Funding Source

Layoff procedures outlined in this section will be limited by funding source. This means that a lack of funds in the Detention Center Enterprise Fund will not require the County to layoff members paid from the General County Fund and vice versa. This further means that officers subject to layoffs are not entitled to demand a transfer to a position paid from a different fund.

ARTICLE 23 – SAFETY, HEALTH AND UNIFORMS

Section 1: It is the policy of the County to provide a place of employment which is free from recognized hazards that are causing or are likely to cause harm to its officers. The County will do everything reasonably necessary to protect the lives, safety, and health of its officers.

Section 2: Uniforms

- A. The Sheriff may require officers to wear uniforms as he or she may deem necessary.
- B. Each officer shall receive a uniform/equipment allowance of one-thousand two-hundred dollars (\$1,200) in two separate checks: \$600 with the second July payroll and one payment of \$600 with the first January payroll in the fiscal year. Each officer shall receive a check or electronic payment separate from and not included with a regular payroll check.
- C. Members in their first year of employment will receive \$1300 for a uniform allowance, \$600 for a vest, and will receive a Taser, but the County will retain ownership of all items purchased in the first year and the first year member must request reimbursement through the County voucher system with receipts of the items purchased.

Section 3: Officers who, in the course of their duties, fail to observe or correctly apply established safety protocol or do not use appropriate safety equipment or uniforms as directed by the Sheriff shall be subject to disciplinary action.

Section 4: Replacement of Damaged Items

The Parties acknowledge that all officers may wear and use personal items to facilitate their law enforcement duties. Such items include, but are not limited to, wristwatches, cameras, tape recorders, knives, eyeglasses, etc.

The Parties agree that if a personal item is damaged or lost while an officer is on duty or in the performance of his or her official duties through no negligence of the officer, the County will reimburse the officer for the item at its replacement value. Such replacement value shall not exceed one hundred and fifty dollars (\$150) for a single item.

The Sheriff shall have the authority to make the preliminary factual determinations as to whether or not the loss or damage occurred while the officer was on duty and whether or not the officer's negligence contributed to the loss or damage. Any officer that disputes the Sheriff's factual determinations may submit a grievance through the procedures provided in this Agreement.

Any officer suffering a loss or damage in excess of the single-item limitation may submit a request for additional reimbursement to the County Commission. The decision of the County Commission shall be discretionary and not subject to the grievance procedures provided in this Agreement.

ARTICLE 24 – AMENDING PROCEDURE

Section 1: If either party desires to modify or change this Agreement, it shall give written notice to the party of the amendment, except that no amendments or modifications to this Agreement shall be made except by mutual agreement of the parties or through the provisions of Article 25 – Savings Clause. Any amendment whether a proposed amendment or alternative to a proposed amendment that may be mutually agreed upon pursuant to the provisions of Chapter 288 of NRS shall become and be part of this Agreement.

Section 2: Financial Emergency

The County and the LEA agree that if Lincoln County's revenues suffer a significant decrease, ie a revenue projection for a fiscal year that is 105% of the previous fiscal year, then Lincoln County shall notify the LEA of the projected shortfall before reducing the workforce through the budget process. The LEA promises to negotiate in good faith if such financial emergency occurs.

Section 3: Any amendments that may be agreed upon or awarded shall become and be part of this Agreement without modifying or changing any of the other terms of this Agreement.

ARTICLE 25 - SAVINGS CLAUSE

Section 1: This Agreement is the entire agreement of the parties, terminating all prior arrangements and concluding all negotiations during the term of this Agreement. The County shall, from time to time, meet with the LEA to discuss its view relative to the administration of this Agreement. The LEA may also request discussion, if it wishes.

Section 2: Should any provisions of this Agreement be found to be contravention of any federal or state law, or by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain full force and effect until otherwise cancelled or amended.

Section 3: In the event that sub-section 2 above is affected or NRS 288 is amended, the County and the LEA negotiating teams will meet within thirty (30) days of such decision or passage to discuss its ramifications on the current negotiated Agreement and amendments made, if necessary.

ARTICLE 26 – USE OF COUNTY FACILITIES

Section 1: The County recognizes the necessity of the LEA to hold meetings. It is mutually agreed that the LEA shall be permitted to meet in the County facilities or buildings if such facilities or buildings are available under the following conditions:

- A. Any such meeting held in or on County property shall be without cost to the LEA.
- B. No such meeting shall be allowed to interfere with normal County activities.
- C. This provision is not a guarantee to the LEA that County facilities or buildings will be available to them at any specific time, and such meetings will be scheduled at the convenience of the County, except that the County will not deny access to facilities or buildings merely for the purpose of harassment of the LEA. Use of County facilities for political activities is specifically prohibited.

ARTICLE 27 – DURATION OF AGREEMENT

Except as otherwise specifically provided herein, this Agreement shall have full force and effect from and after July 1, 2021, through June 30, 2023. This Agreement shall supersede any and all previous agreements made between the parties hereto. After the expiration of this

Agreement, its provisions shall remain in effect until a new agreement is reached or the Parties reach an impasse in negotiations.
