Members of the Association employed by the City are covered by this Contract and will hereinafter be referred to as "employees".

It is the intent and purpose of the Contract to assure sound and mutually beneficial working and economic relationships between the parties hereto, and to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise.

It is recognized by both the City and the Association and its member employees that the City is engaged in rendering public services to the general public and that there is an obligation on each party for the continuous rendition and availability of such services. It is further recognized by both the City and the Association that each party has a mutual obligation for executing the provisions of this Contract.

All employees shall perform loyal and efficient work and service, shall use their influence and best efforts to protect the properties of the City and its service to the public, and shall cooperate in promoting and advancing the welfare of the City and in preserving the continuity of its service to the public at all times.

This Contract will be deemed adopted and of binding effect, terminating negotiations during its term, upon approval and subscription of the Association and the City.

Article C: AMENDING PROCEDURES

If either the Association or the City desires to modify or change this Contract during its term, it shall serve written notice on the other party setting forth the nature of the modifications or changes. Failure of the other party to give written approval of the modifications or changes proposed within 30 days of the required written notice shall be deemed a rejection of the proposal.

Any amendment, whether a proposed amendment or an alternative to a proposed amendment, that may be mutually agreed upon shall become part of this Contract, effective on the agreed date.

The City will post and maintain the current Contract on the City's intranet site.

Article D: DURATION OF CONTRACT

This Contract shall take effect the first full pay period following July 1, 2015 and shall continue in force until June 30, 2017. The pay and benefits Articles of this Contract are intended to apply to all employees under this Contract who were employed with the City upon ratification of this contract and forward, unless otherwise stated.

Article E: RECOGNITION AND APPLICATION

The terms and conditions of this Contract shall apply to those employees of the positions described in Appendix A, regardless of membership in the Association.

The City, subject to Chapter 288 of Nevada Revised Statutes, recognizes the Association as the exclusive negotiating agent for purposes of establishing salaries, wages, hours, and other conditions of employment for the law enforcement positions employees listed in Appendix A excluding all other law enforcement officer employees.

Article F: STRIKES AND LOCKOUTS

1. The Association will not promote, sponsor, or engage in against the City any strike, slowdown, interruption of operation, stoppage of work, absences from work upon any pretext or excuse not founded in fact, or by other intentional interruption of the City, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Contract to comply with this pledge.
2. The City will not lock out any employees during the term of this Contract as a result of a labor dispute with the Association.

Article G: RIGHTS OF MANAGEMENT

The City is entitled, without negotiation or reference to any Contract resulting from negotiation:

1. To direct its employees;
2. To hire, promote, classify, transfer, assign, retain, suspend, demote, discharge, or take disciplinary action against any employee;
3. To relieve any employee from duty because of lack of work or for any other legitimate reason;
4. To maintain the efficiency of its governmental operations;
5. To determine the methods, means, and personnel by which its operations are to be conducted;
6. To take whatever action may be necessary to carry out its responsibilities in situations of emergency;

Article H: NON-DISCRIMINATION

1. The City will not interfere with or discriminate in respect to any term or condition of employment against any employee because of membership in the Association, or because of any legitimate activity pursuant to this Contract by the individual employee or the Association on behalf of its members, nor will the City encourage membership in any other employee employment bargaining organization.
2. The Association recognizes its responsibilities as the exclusive negotiating agent and agrees to represent all employees in the Association without discrimination, interference, restraint, or coercion.

The Association agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.
5. The employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriated Association dues. When a member in good standing with the Association is in a non-pay status for an entire pay period, no withholding will be made to cover that pay period from future earnings. In the case of an employee who is in a non-pay status during only part of the pay period and the wages are not sufficient to cover the full withholding, no deductions shall be made. 2. **Working Days:** For purposes of this grievance procedure, "working days" shall be defined as Monday through and including Friday, except legal holidays specified in this Contract. In the event the City's time frames have not been met in this procedure, the grievance shall be automatically moved to the next step as if the grievance was denied by the City. However, the City will provide a response to the grievance within fifteen (15) working days after the missed deadline. In the event the employee fails to comply with the time frames, the grievance is deemed to be closed, and not advanced further. Both parties may mutually agree to extend the time at any stage of the grievance proceeding.
3. **Procedure:** The aggrieved employee shall file the grievance in writing with the Police Chief within ten (10) working days from its occurrence. The written grievance shall clearly specify the alleged contractual violation, supporting facts, and requested remedy. During this time, the Police Chief will examine all relevant evidence and consult with the aggrieved employee. The employee may be accompanied by a representative of his or her choosing at this stage of the grievance proceeding. The Police Chief may investigate the grievance or may delegate the investigation of the grievance with a report back to the Police Chief so as to allow timely response to the grievance.

1. The normal work period of employees covered by this Contract shall consist of eighty (80) hours in a fourteen (14) day work period, including allowable meal periods except as provided in paragraph two (2).
2. It is recognized that in order to implement scheduled shift assignments, personnel may be required to work less than or more than the above enumerated hours. In such cases, the affected person or persons are not subject to a pay decrease for any fewer hours worked than above enumerated (i.e. daylight savings time).
3. It is also recognized that the City may flex any employee's hours of work with consent of the employee without incurring additional overtime liability except as mandated by the Fair Labor Standards Act (FLSA) for hours worked in excess of eighty (80) hours in a fourteen (14) day work period. The scheduling of work shifts and work weeks shall be directed by the Police Chief or designee.

Pursuant to Section 1, Article G, the Police Chief or designee may in their sole discretion schedule and assign employees covered by the Contract to work any combination of four (4) ten (10) hour shifts; three (3) twelve (12) hour shifts and one (1) eight (8) hour shift; or eight (8) nine (9) hour shifts and one (1) eight (8) hour shift for a total of eighty (80) assigned hours in a fourteen (14) day work period without incurring overtime liability under the Contract or the FLSA.

Periods of absence for personal reasons are not credited toward duty hours and must be charged to annual leave time, leave of absence without pay, or, if resulting from legitimate illness or physical injury, to sick leave. Unworked holidays, annual leave, administrative leave with pay, sick leave, and compensatory time off pursuant to Section 4, Article J shall be counted as hours actually worked for purposes of computing FLSA and Contractual overtime. Other unpaid leave such as leave without pay shall continue to be excluded from the computation of hours actually worked for the purposes of computing FLSA and contractual overtime.
6. **Breaks:** Except during emergency situations, employees covered by this Contract shall be permitted one fifteen (15) minute break or rest period for each four (4) hour term of assigned duty, not to exceed two (2) such break periods in any nine (9), ten (10), or twelve (12) hour shift. Breaks may not be combined or taken during the first or last hour of the shift.
7. This Article is intended only as a basis for computing overtime and is not intended as a guarantee of hours of work per day or per week.
8. The choice of shift assignments and days off shall be granted whenever practical, but the operating requirements of the City, as determined by the Police Chief or designee, shall prevail. Where more employees than can be accommodated request a particular shift or day off, preference will be in order of seniority in position, provided the remaining employees are qualified to do the work for the prior three (3) months. The choice of shift assignments in the Detective Section and K9 unit, shall be granted whenever practical, and preference will be in order of seniority in date of assignment to the special assignment (not position), and shall only prevail while the employee holds that assignment.
