**AGREEMENT BETWEEN THE COUNTY OF WASHOE
AND THE WASHOE COUNTY SHERIFF'S
SUPERVISORY DEPUTIES ASSOCIATION**

ARTICLE 1 - PREAMBLE

This Agreement is entered into as of July 1, 2014, between the County of Washoe, Nevada, hereinafter referred to as the "County", and the Washoe County Sheriff's Supervisory Deputies Association, hereinafter referred to as the "Association." It is the intent and purpose of this Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise, and to set forth herein, pursuant to the provisions of NRS 288, the basic and full agreement between the parties concerning rates of pay, wages, hours of employment and other conditions of employment.

ARTICLE 2 - RECOGNITION

In accordance with the provisions of NRS 288, the County has recognized and does recognize the Association as the exclusive bargaining representative of those employees in a Supervisory/Administrative Unit, consisting of the current classifications:

Sergeant Deputy Sheriff
Lieutenant Deputy Sheriff
Captain Deputy Sheriff/Commander Deputy Sheriff

The parties recognize that other classifications may be added to the unit during the terms of this Agreement.
(Revised 7-01-05)

ARTICLE 3 - STRIKES AND LOCKOUTS

The Association will not promote, sponsor, or engage in any strike against the County, slow-down, or interruption of operation, concentrated stoppage of work, absence from work upon any pretext or excuse such as illness, which is not founded in fact; or any other intentional interruption of the operations of the County, regardless of the reason for so doing, and will use its best efforts to induce all employees covered by this Agreement to comply with this pledge.

The County will not lock out any employees during the term of this Agreement as a result of a labor dispute with the Association.

ARTICLE 4 - RIGHTS OF MANAGEMENT

The County has the right and is entitled without negotiation to:

- (a) Direct its employees;
- (b) Hire, promote, classify, transfer, assign, retain, suspend, demote, discharge, or take disciplinary action against any employee, provided, however, that the County shall not transfer an employee as a form of discipline;
- (c) Relieve any employee from duty because of lack of work or lack of funds;
- (d) Maintain the efficiency of its governmental operations;
- (e) Determine the methods, means and personnel by which its operations are to be conducted, except for considerations of personal safety;

- (f) Take whatever actions may be necessary to carry out its responsibilities in situations of emergency;
- (g) Contract or subcontract matters relating to County operations, provided that such contracting or subcontracting shall not be entered into for the purpose of circumventing this Agreement;
- (h) Determine appropriate staffing levels and work performance standards, except for safety considerations; and
- (i) Determine the content of the workday, including without limitation workload factors, except for safety considerations.

Unless specifically modified by this Agreement, all rights and responsibilities of the County shall remain the functions of the County.

ARTICLE 5 - RIGHTS OF ASSOCIATION

A. The Association President shall be allowed six hundred (600) hours paid time per contract year to accomplish general Association business as defined in Paragraph (b) below. The President may delegate use of said time to other Association officers. Additional release time may be approved by the Sheriff on a case-by-case basis.

(Revised 7-1-08)

B.

1. The Association may designate five (5) local Association representatives in addition to the officers above. The Association shall notify the Sheriff's Office, in writing, of the name of the representative and his/her jurisdictional area thirty (30) calendar days prior to the effective date of any such designation.

2. The Sheriff's Office shall provide the Association representatives reasonable opportunity to utilize the above release time to serve in his/her capacity. The representative may utilize that time to participate in any of the duties arising within his/her jurisdictional area, those duties being defined as:

- (a) The investigation of a bargaining unit member's grievance or potential grievance;
- (b) Representation of a member/grievant at any step of the grievance procedure established herein;
- (c) Consultation with duly accredited representatives of the Association on matters involving the Association's relationship with the County; and
- (d) Attending County functions/meetings that have a direct impact on the Association.

3. The representative shall notify his/her immediate supervisor each time he/she wishes to conduct appropriate business and may be relieved of duty unless operational demands preclude permission to leave the work location being granted. Appropriate use of representative time, as provided herein, shall not be abused by the employee, and use of said time will not be unreasonably withheld by the responsible supervisor.

C. For each separate fiscal year covered by the term of this Agreement, the Association will use leave without pay, annual leave, or bonus leave for members to attend meetings, conferences, legislative sessions and conventions or to attend to other Association business, other than that covered in Section 2 of this provision. Per diem and/or travel shall not be provided by the Office. The scheduling of time off under this provision requires the advance approval of the Sheriff or his designated representative.

ARTICLE 6 - NON-DISCRIMINATION

A. The County will not interfere with or discriminate in respect to any term or condition of employment against any employee covered by this Agreement because of membership in or legitimate activity as required in this Agreement on behalf of the members of a negotiating unit, nor will the County encourage membership in another employee organization.

B. The Association recognizes its responsibility as the exclusive negotiating agent and agrees to represent all employees in the negotiating unit without discrimination, interference, restraint, or coercion.

C. The provisions of this Agreement shall be applied equally to all covered employees without discrimination as to age, sex, sexual orientation, marital status, race, color, creed, national origin, or political affiliation.

(Revised 1-01-01)

ARTICLE 7 - WORK HOURS

A. The normal workweek of employees covered by this Agreement shall consist of forty (40) hours, excluding meal periods. The scheduling of work shifts and workweeks shall be as directed by the Sheriff.

B. Duty hours shall be devoted fully to the performance of assigned duties. Periods of absence for personal matters shall not be credited toward duty hours and must be charged to vacation leave, compensatory leave, or other approved forms of leave, as contained in this Agreement or be recorded as an unexcused absence.

C. Except during emergency situations, employees shall be permitted to take two (2) fifteen (15) minute coffee breaks or rest periods during each work day.

D. In the event that the Sheriff of Washoe County determines a ten (10) hour day, forty (40) hour workweek or a nine (9) hour day, eighty (80) hour work period is more beneficial to the department, such hours shall constitute a normal work day/work period. The parties hereby recognize that review of twelve-hour shifts is ongoing, and agree to incorporate by reference any subsequent Memorandum of Agreement executed between the parties during the term of the labor agreement.

E. This Article is intended to be construed only as a basis for calculating overtime and shall not be construed as a guarantee of hours of work per day or per week.

(Revised 1-01-04)

ARTICLE 8 - SHIFT/DAYS OFF BIDDING AND EXCHANGE OF SHIFTS/DAYS OFF

A. Except as provided in paragraph c. below, employees, who are not on probation, shall be permitted to bid for shift/days off on the basis of seniority. Bidding shall take place consistent with the UNR schedule. The shift schedule shall be posted not less than fifteen (15) days prior to the effective date. The Sheriff may for reasonable and articulable operational needs reassign employees who hold bid shifts.

B. For purposes of this Article, seniority is defined as time in grade in service from the date of last continuous employment. Continuous service is defined, for purposes of this Article, as

continued employment without a break in service of more than thirty (30) days, other than for injuries, illness, layoff, or maternity leave. Ties in seniority shall be broken by position on the County Personnel Promotional List. If there is still a tie, seniority shall be determined by the drawing of lots.

C. This provision shall not apply to employees in the following assignments:

DETENTION

Courts Sergeant
Classification Sergeant

Administrative Services Unit Sergeant

Courts/Classification Lieutenant

PATROL

Motor Sergeant (Special Events)

ADMINISTRATION

Administrative Sergeant assigned to Training Section

Administrative/Academy Lieutenant

Research and Development Sergeant
OPI Lieutenant
OPI Sergeant

SPECIAL OPERATIONS DIVISION

S.O.D. Sergeants
S.O.D. Lieutenants

(Revised 7-01-14)

The above positions will only apply if a position is filled as a result of a competitive interview or test in which the supervisor voluntarily applied for the position. If a supervisor is administratively assigned to the position, he/she does not give up their right to bid for a shift.
(Revised 7-01-10)

D. Employees may, upon approval of the Sheriff or his designee, exchange shifts or days off. Such approval shall not be unreasonably denied.
(Revised 1-1-04)

ARTICLE 9 - HOLIDAYS AND HOLIDAY PAY

A. **Recognized Holidays:** The following official legal holidays will be observed by the County and its employees in accordance with NRS 236.015 and the Nevada PERS Official Policies (286.025).

1. January 1 (New Year's Day)
2. Third Monday in January (Martin Luther King, Jr.'s Birthday)

3. Third Monday in February (Washington's Birthday)
4. Last Monday in May (Memorial Day)
5. July 4 (Independence Day)
6. First Monday in September (Labor Day)
7. Last Friday in October (Nevada Day)
8. November 11 (Veterans' Day)
9. Fourth Thursday in November (Thanksgiving Day)
10. Day after Thanksgiving (Family Day)
11. December 25 (Christmas Day)

Any other day declared as a State holiday by the Governor of the State of Nevada, or by the President of the United States to be a legal national holiday or day of mourning when public offices are closed or added to NRS 236.015 shall also be recognized as a County holiday.

B. **Weekend Holidays:** If January 1, July 4, November 11, December 25 or any other day declared as a new recognized State or National holiday falls upon a Saturday, the Friday preceding must be observed as the legal holiday; if any of these same holidays fall upon a Sunday, the Monday following must be observed as the legal holiday.

C. **Holiday Eligibility:** In order to be eligible for holiday pay, an employee must be in a paid status both the scheduled work day before and the scheduled work day after the holiday. This provision shall not apply if the employee is forced to take unpaid time off due to disciplinary measures either preceding or following a holiday. Employees on leave without pay (LWOP) are not eligible for holiday pay benefits except for those employees called to military duty and on a military leave without pay. Employees who are off-duty on worker's compensation shall be considered on paid status and shall receive holiday pay. Employees hired on a holiday or hired on the day after a holiday are not eligible to be paid for that holiday. Employees leaving County service in a pay period that contains a holiday will not be paid for the holiday unless he/she is in a paid status both the scheduled work day before and the scheduled work day after the holiday.

D. **Holiday Pay:** For purposes of this Article, dependent on an employee's regularly assigned/bid work day, "holiday pay" shall be defined as an increment of pay equal to the work hours of the employee's regularly scheduled shift (i.e. eight (8), ten (10), or twelve (12) hours) at an employee's regular, straight time hourly pay rate except as provided herein:

Employees on a light-duty assignment during a week which contains a holiday shall receive holiday pay in accordance to his/her light duty work schedule. Employees temporarily re-assigned for a week or longer to an assignment that is less than his/her normal regularly scheduled hours (i.e. working five (5)/eight (8) hour days vs. a normal four (4)/ten (10) hour days to attend a week long training course) during a work week containing a holiday shall only be entitled to holiday pay at the lower temporary schedule (i.e. eight (8) hours vs. ten (10) hours). Employees temporarily re-assigned on a holiday by management to cover for a special assignment (i.e. grant-funded assignment such as a DUI sting or felon sweep) shall receive holiday pay at their normal regularly scheduled hours. Under no circumstances should work schedules be arbitrarily changed during a holiday week, unless assigned and approved by management.

1. **Holiday Not Worked:** If a holiday, as defined by this article, falls on the employee's regularly scheduled work day and the employee does not report to work

and instead has the day off then the employee shall receive holiday pay at their regular, straight time hourly pay rate for the amount of hours that the employee would have normally worked.

2. **Holiday Off (RDO):** If a holiday, as defined by this article, falls on the employee's regular day off (RDO), then the employee shall receive an additional payment of holiday "special" pay hours equal to the number of hours of the employees regularly scheduled shift, at their regular, straight time hourly pay rate. These holiday pay hours will not count towards the work week for overtime purposes as defined in Article 16 - Overtime.

3. **Holiday Worked:** If an employee works (required or otherwise) on a holiday, as defined by this article, he/she shall be compensated for working the holiday by receiving 1.5 times his/her regular, hourly pay rate for each hour or major fraction worked on that holiday up to a maximum of his/her regularly scheduled shift, in addition to receiving holiday pay.

4. **Holiday Overtime:** If an employee works over the maximum of his/her regularly scheduled shift on a holiday, as defined by this article, he/she shall be compensated by receiving 2.5 times his/her regular, hourly pay rate for each hour or major fraction worked on that holiday, in addition to receiving holiday worked pay and holiday pay,

5. **Holiday During Leave:** If a holiday occurs during an employee's vacation, sick, compensatory or personal leave, it shall not be charged as leave.

6. **Holiday Reporting:** The employee's shift schedule determines when and if an employee should report holiday hours on a recognized holiday. Day shift employees report all applicable hours on the day their shift begins. For night shift employees working a schedule that overlaps two consecutive calendar days (midnight), it is the practice of the Sheriff's Office to report all hours worked on the 2nd day (end of shift). Example: An employee reports to work at 7:00 p.m. on the last Monday in May (Memorial Day) and ends the shift on Tuesday. No holiday pay hours should be reported for that shift. On the other hand, if the employee begins working at 7:00 p.m. on the Sunday before Memorial Day and ends shift on Memorial Day (Monday) all applicable holiday pays and hours should be reported for the entire shift on Memorial Day (Monday).

Terminology:

- Interchangeable terms such as "Assigned Shift"; "Assigned Work Day"; "Normal Regularly Scheduled Hours"; "Regularly Scheduled Hours"; "Regularly Assigned Work Day"; and "Regularly Scheduled Shift" all refer to the employee's Shift Bid Schedule
- Management = Chain of Command

(Revised 07-01-13)

ARTICLE 10 - VACATION LEAVE

A. Vacation Accrual for Full-Time Employees: For those full-time employees hired after ratification and implementation of this Agreement, each employee shall be entitled to forty-eight (48) hours vacation leave credit following the completion of six (6) months continuous County service. Thereafter, employees shall accrue vacation leave credit at the biweekly equivalent of the rates established below.

Annual Vacation Earning Rate

<u>Years of Continuous Service</u>	<u>Hours Earned</u>
Less than three (3) years	96 hours
Three (3) but less than five (5)	136 hours
Five (5) but less than ten (10) years	152 hours
Ten (10) but less than fifteen (15) years	176 hours
Fifteen (15) but less than twenty (20) years	192 hours
Twenty (20) years or more	200 hours

For the purpose of computing credit for vacation, each employee shall be considered to work not more than forty (40) hours each week.

Total County service, even though interrupted, will be counted if a person returns to County service within three (3) years of his/her date of separation and has worked three (3) continuous years subsequent to reemployment.
(Revised 07-01-13)

B. Vacation Accrual for Part-Time Employees: Upon completion of six (6) months continuous service and thereafter, each part-time employee in the Sheriff's Office shall be allowed vacation leave credit prorated on the basis of the rates set forth above for full-time employees.
(Revised 07-01-13)

C. Vacation leave may be accumulated from year to year not to exceed two hundred forty (240) hours. Amounts in excess of two hundred forty (240) hours as of the end of the pay period encompassing December 31 shall be forfeited. Provided, if an employee, on or before October 15, requests permission to take annual leave, and the employee's request is denied, the employee is entitled to payment for any annual leave in excess of two hundred and forty (240) hours which the employee requested to take and which the employee would otherwise forfeit as a result of the denial of the employee's request. The Sheriff's obligation is only to afford the employee the ability to use their annual leave, which may not necessarily be the dates requested by the employee. *For example*, an employee on October 1 requests the use of forty (40) hours annual leave for the five (5) workdays preceding Christmas. The Sheriff may deny said time off, and still allow the employee to use their annual leave at a different time prior to the end of the year to avoid forfeiture of annual leave.

D. An employee shall be paid at his/her regular hourly rate for each hour of vacation leave time taken. Vacation leave shall be charged on the basis of one (1) hour for each full hour or major portion of an hour of vacation leave taken.

E. Vacation leave taken during a biweekly period shall be charged before vacation leave earned during that pay period is credited.

F. Choice of vacation leave dates shall be granted whenever practical but the operating requirements of the County, as determined by the Sheriff, shall prevail. When two or more

employees assigned to the same shift or two or more employees assigned to a substation/remote assignment request annual leave for the same period of time, approval shall be granted as follows: 1) in the order in which requests are received; or, 2) in the event two or more requests are received at the same time, leave requests shall be approved in order of seniority in grade, provided the remaining employees are qualified to do the work.

G. Vacation leave shall not be granted in excess of the vacation credit earned.

H. Upon separation from service for any cause, an employee shall be paid a lump sum payment for any unused or accumulated vacation leave earned through the last day worked. If this date is earlier than the last day of the pay period, the vacation credit shall be prorated for that pay period. Under no circumstances shall cash payment be made for accrued vacation while an employee is in regular employment status.

(Revised 1-01-04)

ARTICLE 11 - SICK LEAVE

A. Each employee in the service of the County for less than ten (10) years shall be credited with sick leave at the rate of one and one-fourth (1-1/4) working days for each month of full-time service, which is cumulative from year to year.

Each employee in the service of the County for ten (10) or more continuous years of service shall be credited with sick leave at the rate of one and one-half (1-1/2) working days for each month of full-time service, which is cumulative from year to year.

Total County service, even though interrupted, will be counted if a person returns to County service within three (3) years of his/her date of separation and has worked three (3) continuous years subsequent to reemployment.

B. An employee is entitled to use accrued sick leave only:

When incapacitated to perform the duties of his/her position due to sickness, injury, pregnancy or childbirth;

When quarantined;

When receiving required medical or dental service or examination;

For adoption of a child if the Welfare Division of the Department of Human Resources or any other appropriate public agency requires the employee to remain at home with the child; or

Upon illness in the employee's immediate family where such illness requires his/her attendance. For this purpose "immediate family" means the employee's spouse, parents, (including step), children (including step), and, if living in the employee's household, includes corresponding relations by affinity to the above, foster children, foster parents, brothers or sisters.

C. In the event of a death in the employee's immediate family, he/she may use accrued sick leave not to exceed five (5) days if the death occurs within a distance of 400 miles, or seven (7) days if the death occurs at a distance of more than 400 miles, for each death. For this purpose "immediate family" means the employee's spouse, parents (including step), children (including step), brothers, sisters, grandchildren, grandparents, aunts, uncles, nieces,

nephews, or corresponding relation by affinity and, if living in the employee's household, includes foster children and foster parents.

D. An employee requiring sick leave must, if required, provide the Sheriff with evidence of such need. For absences in excess of three (3) days, or cases of apparent abuse, the Sheriff may require the employee to submit substantiating evidence, including, but not limited to, a physician's certificate.

E. If any employee does not have adequate accrued sick leave time, the Sheriff may grant the use of accrued vacation time in lieu thereof. In no case, however, will sick leave be granted in lieu of vacation time.

F. Sick leave shall be charged on an hourly basis for each full hour or major portion of an hour of sick leave taken. Holidays occurring during a sick leave period shall not be counted as sick leave time. Sick leave taken during a biweekly pay period shall be charged before sick leave earned that pay period is credited.

G. An employee separated from the service shall earn sick leave only through the last working day for which he/she is entitled to pay. Upon death, retirement, permanent disability, or termination of an employee after ten (10) years of full-time employment or its equivalent if the employee has not served as a full-time employee for reasons other than discharge for just cause, an employee shall be compensated for total accrued sick leave at the rate of one (1) hour's pay at his/her regular hourly rate for every three (3) hours of sick leave accrued to a maximum payment of eight hundred (800) hours.

(Revised 7-01-05)

H. As long as an employee is in a paid status, he/she shall earn sick and vacation leave during the time he/she is on such leave. If the employee is on leave without pay, he/she shall not earn sick or vacation leave during the time he/she is on such leave.

I. Employees who use zero (0) to thirty-two (32) hours of sick leave from pay period #1 through pay period #26 (or pay period #27 for those years with 27 pay periods) each year shall receive twenty-four (24) hours of personal paid leave credit at the end of the first full pay period the following January. Employees who use thirty-three (33) to forty (40) hours of sick leave in the same period shall receive eight (8) hours of personal paid leave at the time specified above. Permanent part-time employees shall receive a prorated amount of personal paid leave at the same ratio as their regular work hours relate to a full-time work schedule. The personal leave must be used by the end of pay period #26, or #27 where applicable, and if not used will be forfeited. There will be no cash payment for personal leave that is not used. In order to receive this personal leave benefit an employee must be in a paid status (either working or on paid leave the entire calendar year).

(Ends 12-14-14)

J. Personal Leave will be earned on a semi-annual basis as described herein:

(a) Pay Period #01- #13: Personal Leave Credit – July

Employees who use between 0 – 16.00 hours of sick leave during the start of pay period #01 and as of the last day in pay period #13 in each calendar year shall receive twelve (12-hours) of Personal Leave credit at the end of the first full pay period in July of that calendar year. Employees who use between 16.01 – 20.00 hours of sick leave during the start of pay period #01 and as of the last day in pay

period #13, in each calendar year, shall receive four (4-hours) of Personal Leave credit at the time specified above.

(b) Pay Period #14 - #26 or #27: Personal Leave Credit - January

Employees who use between 0 – 16.00 hours of sick leave during the start of pay period #14 and as of the last day in pay period #26 (or in the event of a 27th pay period in a calendar year, pay period #27), shall receive twelve (12-hours) of Personal Leave credit at the end of the first full pay period in January of the next calendar year. Employees who use between 16.01 – 20.00 hours of sick leave during the start of pay period #14 and as of the last day in pay period #26 (or in the event of a 27th pay period in a calendar year, pay period #27), shall receive four (4-hours) of personal leave credit at the time specified above.

1. Personal Leave earned in July and January of each calendar year must be used by the end of pay period #26, or in the event of a 27th payroll paid in a calendar year, pay period #27, and if not used will be forfeited. Under no circumstances will there be any cash payment or cash value for Personal Leave credit that is not used. In order to receive this Personal Leave benefit, an employee must be in a pay status (either working or on paid leave) for all of the pay periods within the noted semi-annual period.
2. Permanent part-time employees shall receive a prorated amount of Personal Leave at the same ratio as their regular work hours relate to a full-time work schedule. Part-time regular work hours will be reviewed as of PP#13 or PP#26 or PP#27 using the weekly working hours encoded in an employees Planned Working Time record.

(Revised 7-1-14; Effective 12-15-14)

K. Employees shall be allowed to voluntarily transfer up to a maximum of eighty (80) hours of their accumulated vacation leave or up to a maximum of eighty (80) hours accumulated compensatory time off during any calendar year to another employee who has no accumulated sick leave hours, but who is otherwise eligible to take paid sick leave. Donated vacation/compensatory leave must be converted into money at the hourly rate of salary of the donor and the money must be converted into sick leave at the hourly rate of salary of the recipient. The maximum amount of accumulated leave transferred to any employee under the terms of this article shall be four hundred and eighty (480) hours per calendar year. Once leave has been donated and transferred, such leave hours shall not be refundable to the donor making the transfer.

(Revised 7-1-09)

K. The County agrees to continue efforts with PERS to gain authorization for the County to make the payment for accrued sick leave, per the qualifications and formula contained in this agreement, vacation and compensatory leave directly to PERS to purchase retirement credit on behalf of any employee who so elects, and the parties agree to implement said policy and incorporate it into the agreement upon such approval by PERS.

(Added 7-01-05)

L. Following ratification of the July 1, 2005 labor agreement, the parties agree to form a committee of management and association representatives to study options relating to issues surrounding sick leave usage, sick leave incentive programs, paid time off, and other concepts and best practices utilized in these areas. The determination of the feasibility of implementation of such programs shall be reserved to negotiations of the successor labor agreement unless mutually accepted, ratified and approved by the respective employee associations and the Washoe County Board of County Commissioners.

(Added 7-01-05)

ARTICLE 12 - JOB CONNECTED INJURIES

A. In the event an employee is absent due to a service-connected disability which has been approved by the County's Claims Administrator, for a period not to exceed twelve (12) work weeks, (i.e., 480 hours), the employee may receive compensation as determined by the County's Claims Administrator plus that amount from the County which would cause the total amount received by the employee from both the County's Claims Administrator and the County to equal his/her salary at the time of his/her disability. During this period, the employee shall not be charged with the use of any accrued sick leave, annual leave or other forms of leave.

B. It is the intent of the County to pay the on-the-job injured employee the difference between his/her full bi-weekly base salary and that provided by the County's Claims Administrator. Therefore, the employee shall return to the County Treasurer all temporary total disability payments made by the County's Claims Administrator covering the period enumerated in Section (a) of this Article. No supplemental benefit provided for in Section (a) shall be given until after the employee has deposited his/her lost time benefit check with the Treasurer.

Upon the expiration of twelve (12) work weeks (i.e., 480 hours), if the employee is still unable to work, he or she may elect to utilize accrued sick leave during which period the employee shall receive compensation from the County as provided in Nevada Revised Statutes.

C. When accrued sick leave has expired, if the employee is still, because of disability, unable to work, he/she will be permitted to use his/her accrued vacation leave, accrued compensatory time and personal leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided the employee has so elected to use his/her sick and vacation leave, the employee shall receive compensation checks directly from the County's Claims Administrator and he/she shall be considered on a leave of absence without pay from the County.

(Revised 7-01-94)

ARTICLE 13 – SALARIES

Every employee will be paid every other Friday with salary computed through the immediately preceding Sunday. The amount of pay shall be for the number of hours on duty or on authorized leave, or as otherwise provided for in accordance with the provisions of this contract. Salaries for each class title shall be paid in accordance with the Compensation Schedules attached hereto and thereby incorporated herein, as Exhibit A. The County shall continue to pay one hundred percent (100%) of the cost of the retirement contribution for the State of Nevada Public Employees Retirement System in accordance with NRS 286. Provided, should the contribution rate be modified and an offset to wage increases be provided pursuant to NRS 286, Exhibit A shall be adjusted accordingly.

Upon promotion, employees shall receive the beginning step or that step which provides at least a seven percent (7%) increase above the employee's base salary, whichever is greater. Sergeants and Lieutenants receiving the approximate ten percent (10%) Detective Pay, at the time of promotion, will be eligible to advance to the beginning step of the salary grade or that step which provides at least a ten percent (10%) increase above the employee's base salary, whichever is greater. Upon completion of twelve (12) months in grade and annually thereafter, employees in the ranks of Sergeant, Lieutenant and Captain shall be

ARTICLE 14 - OVERTIME, CALL-IN AND STANDBY PAY

A. Overtime shall be defined as any time worked in excess of the normal workweek or the normal work shift. Time worked shall include sick leave, vacation, CTO, holidays, etc. The only exception to the overtime provision of being beyond the normal workweek is the CALL-IN provisions provided for in paragraph F of this article.

B. It is the policy of Washoe County that overtime shall be kept to an absolute minimum consistent with the basic functions and purposes of the Sheriff's Office. This section shall not be interpreted to restrict, in any fashion, the right of the Sheriff's office to require employees to work overtime as determined appropriate by management, subject only to the payment as required by Sections C or E of this Article.

C. Except as provided in Article 7, overtime pay for law enforcement officers shall be calculated on the following rates: One and one-half (1-1/2) times the employee's regular, straight time rate for each hour or major fraction thereof worked.

D. All overtime must have the previous authorization of the Sheriff except when, due to an emergency, the Sheriff's approval cannot be obtained and it appears to the supervisor of the employee that such overtime is necessary.

E. An employee shall be compensated for overtime work in the following manner:

Cash payment computed at the rates established above or employees may choose to accrue compensatory time in lieu of receiving paid overtime. Compensatory time shall be accumulated at the same rate as overtime is paid. Employees may accumulate a maximum number of hours of compensatory time to equal four hundred eighty (480) hours.

The parties agree that an employee may make a written request to the Sheriff to be paid for accrued compensatory time to address unforeseeable financial needs incurred by the employee. The determination of whether to grant the request is at the discretion of the Sheriff following his review of the information set forth in the request and the departmental budget.

(Revised 7-1-09)

F. Call-in:

Any employee who is called in to duty during a time when the employee is not regularly scheduled to work, including court appearance, shall be paid at the rate of one and one-half (1-1/2) times for each hour so spent, on duty, but not less than two (2) hours for the period called to duty. The employee's duty time shall start when the employee actually reports for duty and ends when the employee is released from duty

G. Standby Time:

Standby time is defined as any time other than time when the employee is actually working, which has been specifically scheduled and directed by the Sheriff or his designee, during which the employee is restricted in order to be immediately available for call to duty. Standby time does not include any time where an employee carries a pager to respond to calls when available. Employees on scheduled standby shall be compensated at the rate of one-fourth (1/4) hour pay at the regular hourly rate for each one (1) hour period of standby. Telephone Work: when a bargaining unit member is contacted at home at the direction of, or

when subsequently approved by, proper management authority, said employee shall be warranted in claiming such time spent engaged in work while on said telephone call, with a fifteen (15) minute minimum.

H. Compensatory Time Cash In:

Employees who terminate their employment shall be compensated their accrued compensatory time hours at their regular hourly rate. Effective with the ratification of the 1992 agreement the County has discontinued the practice of permitting employees to cash in compensatory time hours twice a year.

(Revised 1-01-04)

ARTICLE 15 - LONGEVITY

All employees covered hereunder who have completed a total of five (5) years or more of full-time service with Washoe County and who, for the preceding review period, have been rated standard or better pursuant to the applicable Washoe County performance evaluation program shall be entitled to longevity pay in an amount equal to one-half of one percent (1/2%) per year service, up to a maximum of twelve and one-half percent (12 1/2%). An employee's eligibility for longevity pay shall be reviewed as of June 1 and December 1 of each year with payment to be effected in semi-annual installments payable on the first payday of June and December immediately following a determination of eligibility.

An employee who's review for purposes of eligibility was a probationary evaluation following promotion who is not rated standard or better and is therefore ineligible for the longevity payment will be paid their longevity payment retroactive to when it was due provided they successfully complete their promotional probation period.

(Revised 7-01-05)

ARTICLE 16 - MEDICAL PLAN

A. The County agrees to provide a group medical plan, including dental coverage, to all members of the Association and shall pay one hundred percent (100%) of the premium attributable to employee coverage under this plan during the life of this Agreement. In the event an employee elects dependent coverage, the County shall pay 50% of the premium for such coverage.

B. Insurance Negotiating Committee

1. Establishment, Purpose and Effective Date:

The Association and the County agree to the establishment of an Insurance Negotiating committee composed of representatives of the County and each recognized employee bargaining unit.

The purpose of the Committee is to recommend to the Washoe County Commission any benefit changes in the County's medical, dental, vision and life insurance plans.

This Committee shall become effective upon approval or ratification of the groups listed in Paragraph 2 below.

2. Composition of Committee:

The Committee shall consist of one (1) voting member from each of the following groups:

- (1) Washoe County District Attorney Investigators Association – Non-Supervisory Unit
- (2) Washoe County District Attorney Investigators Association – Supervisory Unit

- (3) Washoe County Public Attorneys Association
- (4) Washoe County Sheriff's Supervisory Deputies Association
- (5) Washoe County Sheriff's Deputies Association
- (6) Washoe County Employees Association - Supervisory-Administrators Unit
- (7) Washoe County Employees Association – Non-supervisory Unit
- (8) Washoe County Nurses Association – Non-supervisory Unit
- (9) Washoe County Nurses Association – Supervisory Unit
- (10) Management
- (11) Any other bargaining unit that may be formed during the term of this Agreement

The Association may have an expert attend the insurance committee meeting and provide input to the committee.

In addition, one retired employee shall serve as a nonvoting member to provide input on the effects of proposed changes upon retirees. The name of a retiree may be nominated by any voting member and shall be elected by the majority vote of the members and shall serve a term of three (3) years. Such retired member may be reelected by a majority vote of the members to serve one (1) additional term.

The Committee Chairperson and Vice Chairperson shall be appointed by the County Manager and will not have a vote on the Committee.

The voting member of each bargaining unit, upon conferring with its association as necessary, shall have the authority to bind said bargaining unit to any modification in benefits agreed to by a majority vote of the Committee. Such modifications shall then be presented to the County Commission, and if so approved by the County Commission, shall be binding upon each bargaining unit.

If the Committee recommendation is rejected by the County Commission, the Commission shall define their objections and parameters and the Insurance Committee shall, within fifteen (15) days of being notified of the Commission's objections and parameters, meet and attempt to redefine plan modifications which meet the Commission-established parameters. If the Committee is successful, the plan modifications shall be resubmitted to the Commission for approval. If the Committee is unable to determine acceptable modifications for submission to the Commission, the County and Insurance Committee agree to resolve any resulting differences by submitting the dispute to expedited final and binding interest resolution which shall be binding upon the County and the bargaining units

Binding Interest Resolution Process: When the Insurance Committee first convenes in any plan year, no later than January 31, they shall notify the County Manager of their designated representative(s) who shall represent the Insurance Committee in selecting an experienced insurance neutral and scheduling a timely hearing should it be necessary. Within five (5) days of notification of the Committee's representative(s), said representative(s) and the County Labor Relations Manager shall meet and designate an experienced insurance neutral to hear such dispute should it become necessary. If the parties are unable to agree on the neutral, they shall obtain a list of five (5) experienced insurance individuals, from the Nevada Insurance Commissioner with in-depth knowledge of public sector insurance systems who are not associated with Washoe County or with the Washoe County Association bargaining units, and alternately strike from the list to select the neutral and the mediator. The right to strike the first name from the list shall be determined by the toss of a coin. They shall immediately contact the neutral and advise him/her of their selection should a hearing become necessary and the conditions for a decision which shall include: 1) the hearing shall be scheduled for two (2) consecutive days, with each party having one (1) day to present their position on the merits of the dispute; 2) the neutral may keep a record of the hearing and

the parties will retain a court reporter to transcribe and provide a real time transcript of the hearing; 3) each party shall have five (5) days following the hearing to submit any brief they intend filing; 4) the neutral shall render a decision within fifteen (15) days of when the briefs are due; and, 5) the neutral's authority shall be restricted to either selecting the plan design submitted by the Committee or the plan design submitted on behalf of the County Commission. The Insurance Committee representative(s) and Labor Relations Manager shall also be advised of the Insurance Committee schedule and shall set a date with the neutral in advance of any known dispute in order to insure a timely decision in the event resolution process is necessary. In the event the resolution process hearing is not necessary, County shall pay any cancellation fees. Each party shall be responsible for their costs of presenting their case to the neutral and any of his/her fees shall be split equally with the Insurance Committee (Associations) paying half and County paying half.

Mediation Process: If an impasse occurs prior to going to binding interest resolution, the parties agree to contact the selected individuals from the forgoing list of insurance neutrals to mediate the dispute. Should mediation not resolve the dispute an expedited hearing with the selected neutral shall occur.

Any Insurance Committee member shall be granted time off from their assigned duties with Washoe County to attend the hearing at the County's expense. No overtime costs shall be paid to any employee attending the hearing.

3. Reopener:

In the event that this provision on the Insurance Negotiating Committee is not agreed to by all the employee organizations, the parties agree to reopen this article for negotiations during the term of this agreement.

C. Insurance Appeals Committee:

The Parties agree to the establishment of an Insurance Appeals Committee composed of one representative from each Association and representatives of the County. The Committee shall have authority to review and make decisions on appeals involving the payment of benefits under the County's Self-Funded Health Plan. Committee members shall serve without loss of pay or benefits.

D. Retiree Health Insurance:

1. For those individuals employed by the County between May 3, 1977 and January 13, 1981, the following provisions apply:

(a) The County will pay 50% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of ten (10) years of full-time County employment.

(b) The County will pay 75% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of fifteen (15) years of full-time County employment.

(c) The County will pay 100% of the medical insurance premium attributable to the employee for participation in the County's Retiree Health Insurance Program upon the employee's retirement and receipt of benefits from Nevada PERS, provided the employee has at least a total of twenty (20) years of full-time County employment.

The payments specified in a, b, and c, above, will be made in accordance with and are subject to all applicable laws in effect at the time of the employee's retirement, and

are contingent upon the employee being medically eligible to be reinstated into the County's Retiree Health Insurance Program if there has been a break in coverage under the County's Health Plan.

2. For those employees hired on or after January 13, 1981, the provisions listed in Section D.1. above, are applicable except that in order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits.

3. The parties recognize that the cost of retiree health insurance should be considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. Based upon this, the parties further recognize that the funding of the retiree health insurance program must be addressed during the period of employment of active employees in order to try and ensure the fiscal integrity of the program in the future and in order to try and ensure that the benefit upon retirement can be provided. Additionally, the parties recognize that the prefunding of the service cost of this program, which is addressed below, only represents a portion of the funding obligations of this program and that the parties will address the unfunded liability portion of this program in the future. At the point in time when the retiree health insurance program is fully prefunded, with no unfunded liability remaining, the retiree health insurance program will be fully considered a current benefit earned and paid for during an individual's employment with the benefit simply being deferred until retirement. With those mutual recognitions and understandings, the parties herein agree to prefund the program annually at the actuarially determined service cost amount attributable to this bargaining unit beginning July 1, 1996. The amount of the service cost attributable to this bargaining unit will be a percentage of the number of employees represented by the bargaining unit compared to the number of employees covered under the County's Health Benefit Program.

4. For those employees appointed into a position covered by this agreement on or after July 1, 1998 through June 30, 2010, the County will pay the portion of the premium associated with the State PEBP Retiree Health Insurance plan for non-state employees. The parties recognize the 2003 Nevada Legislature passed legislation (AB286) that afforded public employees of Nevada political subdivisions the opportunity to enroll, upon their retirement, in the Public Employees Benefit Program (PEBP) health insurance plan. The 2003 legislation also obligated public employers of said retiree who enrolled in the plan to pay a portion of the medical premium on the retiree's behalf. In recognition of this statute, the County agrees, in lieu of making said payment to PEBP which option is currently not open to County retirees, to provide the payment on the retiree's behalf towards their Washoe County retiree medical insurance premium owed with Medicare becoming primary and Washoe County becoming secondary upon Medicare eligibility, should they elect to remain in the County Retiree Health Plan. In order to receive the retiree health insurance benefits an individual must be an employee of Washoe County immediately prior to drawing retirement benefits. The parties acknowledge that the PEBP medical premium payment level is set annually by the State.

5. For those employees hired after June 30, 2010, there will be no retiree medical health care contribution by the County.

(a) A county employee who is covered by the provisions of this Agreement and who is adversely affected by the matter being grieved.

(b) The Association may file a grievance alleging a violation of contract terms in an attempt to avoid negative precedent. However, in no event may the Association assert a grievance appealing a disciplinary action "on behalf of" an Association member or nonmember absent the signed approval of same.

3. Day: For purposes of this procedure, a day is defined as a calendar day.

B. All grievances shall be filed in writing; shall be dated as of the date filed; and shall specify the collective bargaining agreement provision alleged to have been violated. The grievance shall also specify the facts, including names, dates, etc., which are alleged to constitute the violation.

C. The grievant(s) shall have the right to representation of up to three (3) representatives of the Association at each step of the grievance procedure.

D. No grievance settled by an employee in a classification represented by the Washoe County Sheriff's Supervisory Deputies Association shall be accepted by the County unless said employee has received concurrence from his Chief Deputy Sheriff or Undersheriff.

E. Any of the time limits contained in this procedure may be waived upon the mutual written agreement of both parties except that the waiver of the time limits contained in Step 1 of this procedure can only be agreed to on the part of the County by the Chief Deputy Sheriff in the chain of command of the grievant or the Undersheriff.

II. PROCEDURE

STEP 1

The aggrieved employee shall take up the grievance with his immediate supervisor or, in the event the matter giving rise to the grievance occurs at a supervisory level above the immediate supervisor, the grievant may file a grievance with the next level of supervision within fourteen (14) days of when the employee knew or should have known of the occurrence giving rise to the grievance. The supervisor shall attempt to adjust the matter at that time. If the grievance is not settled during the informal discussion, the grievant shall submit it in writing to this supervisor within seven (7) days of the informal discussion. The supervisor shall render a decision in writing to the grievant within seven (7) days after receipt of the written grievance.

STEP 2

In the event the grievant is not satisfied with the Step 1 written response to the grievance, he may refer the grievance in writing to the Chief Deputy Sheriff (Assistant Sheriff) in his chain of command within seven (7) days after receipt of the written response.

In the event there are intermediate levels of supervision between the supervisor with whom the grievance is filed and the Chief Deputy Sheriff (Assistant Sheriff), as appropriate to the grievant's chain of command, either the grievant or the supervisor with whom the grievance is filed may request an informal meeting between the grievant and the intermediate supervisor, to discuss the grievance in an effort to resolve the dispute. In the event such a request is made by either party for such a meeting, the time for the transmittal of the grievance to Step 2 of this procedure will not begin until such a meeting is concluded, with the grievance still unresolved. The Chief Deputy Sheriff (Assistant Sheriff) shall render a decision in writing within seven (7) days after receiving the grievance.

STEP 3

If the grievant is not satisfied with the decision rendered at Step 2, within fourteen (14) days of receipt of such decision, the grievant shall notify the Undersheriff in writing that he wishes to submit the matter to arbitration. The parties shall select an arbitrator from a list of standing arbitrators mutually selected by the parties within 90 days of the decision rendered at Step 2.

III. ARBITRATION

Both parties shall mutually or severally set forth the issue(s) to be arbitrated in advance of selecting an arbitrator. The selection of the arbitrator shall be made from the list provided by alternately striking names, the party striking first shall be determined by lot.

The arbitrator so selected shall confer promptly with the parties, shall hold further hearings, and shall issue a report not later than thirty (30) days from the day of the hearing which shall set forth his findings of fact, reasonings, and decisions on the issues submitted. The arbitrator's decision shall be consistent with the law and the terms of this Agreement and shall be binding on the parties. The arbitrator shall not have the authority to modify, amend, alter, add to or subtract from any of the provisions of this Agreement. The arbitration hearing shall be conducted in accordance with the American Arbitration Association Voluntary Arbitration Rules.

The expenses of arbitration, including the arbitrator's fee/costs and the expenses and costs of the arbitrator's transcript, if any, shall be borne equally by the parties. All other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expense. The parties shall be considered as either the County and the Washoe County Sheriff's Supervisory Deputies Association or, if a grievant is representing himself, the County and the grievant(s).

A. Reduction in staff shall be by classification/rank according to reverse order of seniority within the classification or rank.

B. An Employee who is subject to such reduction may displace the least senior employee in the next lower classification/rank in which they served. (i.e., Captain to Lieutenant; Lieutenant to Sergeant; Sergeant to Deputy.)

C. The County may, in order to provide necessary staffing as a result of a reduction in staff, reassign employees. When such reassignments are necessary, the County shall first seek volunteers for such reassignments. In the event of an insufficient number of volunteers, the County shall make mandatory reassignments according to reverse order of seniority within the classification or rank required for reassignment.

D. The name of each employee reduced in rank as a result of the reduction in staff shall be entered on a permanent Reinstatement List in order of seniority. No regular promotions shall be made until the Reinstatement List has been exhausted. Continuous service is defined, for purposes of this Article, as continued employment without a break in service of more than thirty (30) days, other than for injuries, illness, layoff, or maternity leave. Ties in seniority shall be broken by position on the hire list. If there is still a tie, seniority shall be determined by the drawing of lots.

2. The Captain heading the division will decide which employee will be temporarily assigned and request authorization by submitting in writing to the applicable Assistant Sheriff for approval. In making the assignment, the Captain shall assign the work to the next lower classification provided there are capable employees available. This provision does not preclude assignment of such responsibilities to an available person in the same or higher classification and in such a situation, no temporary assignment pursuant to this section shall be applicable.

3. In order to receive pay for work in a higher classification, the nature of the assignment must be such that the employee in the lower classification becomes fully responsible for the duties of the higher classification for the applicable period and the assignment is for a period of at least thirty-six (36) consecutive work hours.

4. Higher pay will be applied retroactively to the first day of the assignment, provided that the conditions listed above are met, and will be for a period not to exceed six (6) months. There may be extensions of such period upon submission of a new request form.

5. The rate of pay for the assignment will be an increase of five percent (5%) of the employee's regular pay.

6. In the Detention and Patrol Divisions - When a Sergeant assumes the additional responsibility of the "Acting Watch Commander" for the shift and there are no other higher ranking supervisors on duty within the same division, the Sergeant assigned as "Acting Watch Commander" shall receive an increase of five percent (5%) above the employee's regular pay. The "Acting Watch Commander" pay shall be paid for only those hours the Sergeant is acting as the "Watch Commander." The assignment may be made in advance by the affected shift's Lieutenant, Executive Lieutenant or higher ranking member of the affected Division. The affected shift Lieutenant, Executive Lieutenant or higher ranking member of the Detention Division shall determine which sergeant will assume the status of "Acting Watch Commander." The provisions in subsection (3) would not apply to these circumstances.
