

LOCAL GOVERNMENT EMPLOYEE-
MANAGEMENT RELATIONS BOARD

IN THE MATTER OF STATIONARY
ENGINEERS, LOCAL 39
Complainant,

VS.

Case No. AI-045349

AIRPORT AUTHORITY OF WASHOE
COUNTY,
Respondent.

A M E N D E D O R D E R

The board previously ordered on April 23, 1982, in the above matter, that the exclusive representative for the employees of the Airport Authority of Washoe County would be determined by a simple majority of the votes cast during the election.

Because of the period of time that has evolved since the original complaint was raised by the Stationary Engineers, Local 39 and its resolution, the Board feels that in this particular instance that its order for a majority vote may preclude an expedited resolution causing unnecessary hardship on the employees of the Airport Authority, therefore, the Board amends its order of April 23, 1982 and ORDERS that for the purposes of this election, simple majority may be defined as the most votes cast for one of the choices appearing on the ballot.

Dated this 29th day of April of 1982.
