24 On May 18, 1994, the Board issued an Order (Item No.  
25 334), granting Respondents' Motions to Dismiss the Petition  
26 For A Declaratory Order in the above-captioned case.

27 On June 14, 1994, Petitioner filed the instant "MOTION  
28 FOR RECONSIDERATION AND MOTION FOR HEARING" on "the grounds  
that Petitioner believes the Board made conclusions concerning  
issues of fact without proper evidence before it, that the  
Board is required to hold a hearing before determining such  
issues of fact, and that the facts determined by the Board are  
erroneous. These Motions are also made on the grounds that  
the Decision declaring Petitioner employees exempt from  
Chapter 288 is clearly erroneous as a matter of law."
