An election has been conducted under the Board's Rules and Regulations and pursuant to the parties joint execution of the Election Agreement. The Tally of Ballots shows that a collective bargaining representative has been selected. No timely objections have been filed.

As authorized by NRS 288, it is certified that a majority of the valid ballots have been cast for the INTERNATIONAL UNION OF OPERATING ENGINEERS, LOCAL UNION NO. 3, and that it is the exclusive collective bargaining representative of the employees in the following appropriate unit:

UNIT: All regular full-time and part-time employees, including Per Diem employees, of the Mount Grant General Hospital Support Service Bargaining Unit comprised of CNA's including Ward Clerks, housekeeping including all janitorial/custodial personnel and dietary/food services employees.

In light of attempts having been made by this Board to obtain a stipulation to dismiss which attempts have been frustrated by counsel, and good cause appearing,
