AMENDMENTS TO EXISTING REGULATIONS TO ENSURE THEY ARE  
STREAMLINED, CLARIFIED, REDUCED OR OTHERWISE IMPROVED**

The Government Employee-Management Relations Board is proposing amendments to its existing regulations in Chapter 288 of the Nevada Administrative Code. These amendments are intended to streamline, clarify, and otherwise improve the regulations in accordance with **Executive Order 2023-008**. To facilitate this process, the EMRB will conduct a regulations workshop.

The workshop is scheduled for **March 19, 2026, at 1:30 p.m.** and will be held in the Carl Dodge Conference Room, located at Suite 490 of the Nevada State Business Center, 3300 W. Sahara Avenue, Las Vegas, NV 89102.

The workshop will also be conducted virtually by Microsoft Teams. Any individual intending to participate in the meeting who does not wish to attend in person must join by Teams using the link provided below. The purpose of the workshop is to solicit comments from interested persons on the proposed regulation amendments listed below. After this initial public workshop, the agency will draft revised language, which will then be formalized by the Legislative Counsel Bureau (LCB).

The agenda for the workshop is as follows:

## 1. **Public Comment**

The EMRB welcomes public comment. Public comment must be limited to matters relevant to or within the authority of the Government Employee-Management Relations Board. No subject may be acted upon unless that subject is on the agenda and scheduled for possible action.

If you wish to be heard, please introduce yourself at the appropriate time and the Commissioner will recognize you. For those attending virtually or by telephone, please raise your hand to indicate that you wish to speak and take yourself off mute. When recognized, clearly state and spell your first and last name for the record before providing your comments. Each speaker will be limited to three (3) minutes, which can be adjusted at the discretion of the Commissioner, and the amount of discussion on any single subject may also be limited at the discretion of the Commissioner, and public comment based upon viewpoint will not be restricted.

## 2. **Solicitation of Comments and Suggestions on Proposed Regulatory Amendments to Ensure They Are Streamlined, Clarified, Reduced, or Otherwise Improved**

Section 1 of Executive Order 2023-008 requires every executive branch department and agency to repeal, streamline, clarify, reduce, or otherwise improve its regulations, with the goal of minimizing barriers to economic efficiency. In response, seven (7) regulations were identified for potential improvement, along with the rationale for including each regulation on the list.

This report was presented to the Board on February 19, 2026, which tentatively adopted the proposed list, subject to the normal rulemaking process. The seven (7) regulations are:

1. NAC 288.220 – Codifies the express authority of parties to file counterclaims and crossclaims.
2. NAC 288.250 – Adds a requirement that prehearing statements be filed within 21 days after the filing of an answer to a complaint, counterclaim, or crossclaim.
3. NAC 288.235 – Adds provisions clarifying the process initial and subsequent pleadings may be amended.
4. NAC 288.324 – Amends and clarifies the required number of exhibit copies to be submitted.
5. NAC 288.2715 – Amends the rules governing the assignment of panels.
6. NAC 288.340 – Adds provisions addressing dissenting or concurring decisions by a Board Member.
7. A regulation, currently unassigned, concerning the filing of joint status reports during the period a case is stayed by the Board under the limited deferral doctrine.

The full text of the regulations included on the list, along with the rationale for each regulation's inclusion, is provided in the attachment to this notice. This notice and the attachment are available on the Board's [website](#).

During the workshop, the EMRB will invite comments on each proposed amendment, whether a particular regulation should remain on the list for potential improvement, whether it should be removed, or whether other regulations not currently listed should be added or substituted.

**3. Proposed Additions or Revisions for Other Than the Above Reasons**

The agency welcomes proposals for additions or revisions to its administrative rules. Many of the changes implemented in recent years have come from the very people we serve, and we remain open to suggestions for reasons beyond those noted above.

**4. Additional Period of Public Comment**

Please see comments under item 1 on the agenda.

**5. Adjournment**

**Special Accommodations**

Members of the public with disabilities who require special accommodations or assistance at the meeting are encouraged to notify the EMRB at the address or telephone number listed above. Please provide notice as early as possible to allow sufficient time to arrange any necessary equipment or support.
