Re: Adoption of Proposed Amendments to NAC Chapter 288
LCB File No. R135-26

Dear Chair and Members of the Board:

Snell & Wilmer L.L.P. submits this letter on behalf of our client, the Las Vegas Metropolitan Police Department ("LVMPD"), in response to the Second Notice of Intent to Act Upon a Regulation dated October 19, 2026.

LVMPD appreciates the Board's consideration of its comments on proposed Section 8 (NAC 288.340) at the September 22, 2026, hearing and supports the revised language, which reflects concerns raised by both management and labor. Removing the provision that a member who abstains "is not required to explain the reason for their abstention" resolves LVMPD's primary concern and better aligns the regulation with NRS 281A.420. Requiring that oral dissents and comments made during the vote be included in the meeting minutes ensures that dissents are preserved in the record.

In light of these revisions, LVMPD withdraws its request for a concise statement of reasons under NRS 233B.064(2). Thank you for the opportunity to comment on this rulemaking.

Sincerely,

Snell & Wilmer L.L.P.
