A grievant is a person employed by the District and represented by the Association pursuant to the terms of Article 4 (Appendix A) who has submitted a grievance as defined above. Alleged violations, misapplications, or misinterpretations which affect more than one employee in a substantially similar manner may be consolidated at the discretion of the District or the Association as a group grievance and will thereafter be represented by a single grievant. If a grievant is not satisfied with the decision issued in Step 2, the grievant may, within ten (10) days of the receipt of such decision submit the grievance to the District Fire Chief. Within 10 (ten) days of receipt of the grievance, the District Fire Chief shall meet jointly with the grievant and Association representative(s). If a meeting is held, the District Fire Chief shall have ten (10) days following such meeting to issue his\her written decision. Step 4:

If the grievant is not satisfied with the decision of the District Fire Chief, the grievant may appeal the matter as set forth in Article 12.

C. General Provisions

1. If the Grievance Committee fails to carry a grievance forward to the appropriate level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the prior step.
2. The grievant may be represented by a person of the grievant's choice.
3. Time limits and procedures may be waived by mutual written consent of the grievant and the District.

In addition to on duty training, due to potential unavailability, the District will offer opportunities for the personnel assigned to the helicopter to train on opposite shifts and be compensated. Off-duty training shall be approved by the Operations Chief prior to completion.

EFFPD personnel that accept the full-time assignment to the helicopter agree to a minimum of 2 years to the assignment pending promotions, discipline, or other needs as the District deems necessary.

The personnel will complete an interview process with administration and a Battle Born representative when being considered for the spot.

If EFFPD personnel are filling the role of Base Manager, they will receive an additional 9% incentive pay in addition to their flight paramedic incentive.

The employee's participation in Paramedic School shall be pursuant to Article 34 (Paramedic Education Tuition).

The District Fire Chief may extend the 48-month time frame for extenuating circumstances that are out of the control of the employee. Examples include but are not limited to necessary classes not being offered, the employee not being able to attend due to: operational needs or District coverage, family dynamics, National or International crisis, etc. These provisions do not excuse the Firefighter from completing the certification requirement as soon as possible.
