The DISTRICT reserves the right to establish new classifications which may fall within the scope of this Agreement, including requirements and wage rates. Any wage rates for new classifications covered under this agreement will become subject to bargaining upon expiration of this Agreement. **ARTICLE 3.**

**MANAGEMENT RIGHTS**

Such actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection shall not be construed as a failure to negotiate in good faith.

## ARTICLE 5.

2. The normal workday schedule for line personnel is 0800 hours-1700 hours within which the EMPLOYEE will be allotted one (1) hour for lunch and two (2) fifteen (15) minute breaks; during these times EMPLOYEES shall respond to all incidents. Also, during this time a physical fitness period of one (1) hour will be allowed. Bargaining unit employees are paid hour for hour while on duty within the District as well as any additional work hours assigned voluntarily or involuntarily. Thus, bargaining unit members are subject to work assignments authorized by or assigned by District Officers after 1700 hours when necessary.
3. Light duty assignments may require that shift personnel be reassigned to a forty (40) hour work week. Light duty is provided for in the event that the shift employee cannot serve in their full capacity as a responding firefighter, due to on duty injuries/illness. Light Duty for off duty illness/injury will be considered on a case-by-case basis at the discretion of the Fire Chief.

#### B. 40-Hour Personnel (Non-line Personnel):

1. The normal work-day schedule for Non-line employees consists of an 8-hour or 10-hour workday depending on the DISTRICT's determination of workday need and efficiency. During the workday, the EMPLOYEE will be allotted one (1) hour for lunch

**ARTICLE 7.**

**OVERTIME COMPENSATION**

(FY 23/24)

**A.** Employees may be required to remain on duty beyond their regular shift or to work hours in addition to regularly scheduled hours.

1. Line Employees will be compensated for overtime work at the rate of one and one-half (1-1/2) times the regular rate of pay for each hour or portion thereof worked in excess of regularly scheduled hours.

2. Overtime will be earned in increments to the nearest one-half (0.5) hour.

**B.** An employee may take compensatory time off in lieu of cash. Compensatory time at the premium rate will be granted in lieu of overtime pay; this shall not be a pre-condition to overtime opportunities. The employee will notify the employer before the end of the pay period if he/she wishes compensatory time. The maximum amount of compensatory time that may be accumulated is 144 hours.

1. Compensatory time may be used as leave time without the use of Vacation or Sick Leave.

2. No more than one (1) firefighter per shift shall be scheduled off at any one time for vacation, compensatory time off and reasonably scheduled sick leave and/or military leave except as approved by the Fire Chief.

**C.** Overtime will be added to the payroll check for the pay period during which the overtime is normally paid (current practice). If time is lost during the regular work week for unexcused absence, then overtime pay shall not prevail until the overtime hours worked exceed the unexcused absence hours. It is understood that nothing in this Article shall require payment for overtime hours not worked. All overtime must have previous

authorization of the Fire Chief if compensation therefore is to be affected. At no time will the use of sick or annual leave be misconstrued as unexcused.

- D.** Line employees required to remain on duty beyond their regular shift for emergencies shall be compensated at a rate of one and one half (1.5) times the employee's regular rate of pay for such overtime hours worked.
- E.** When bargaining unit members are assigned on emergency assignments out of District through assignments given by NDEM, employees will be compensated at 1.5 times their regular rate of pay for a maximum of 24 hours per day while on assignment portal to portal; except for the first and last travel days in which employees will only be paid for hours worked at 1.5 times the employee's regular rate of pay for those days worked in excess of the employee's regular scheduled days.
- F.** The provisions of this Article shall be applied in a manner consistent with the Fair Labor Standards Act (FLSA). In the event of any conflict or inconsistency between this Article and the FLSA, the provisions of FLSA shall prevail as a minimum.

**ARTICLE 8.**

**CALL BACK**

(FY 23/24)

- A.** Any employee who is called back by his/her supervisor to work during hours outside his/her regularly scheduled straight time hours, which hours will not abut his/her regularly scheduled shift hours, will receive a minimum of two (2) hours pay at the applicable hourly rate.
- B.** Call back for line employees will be compensated for at the rate of one and one-half (1.5) times the regular rate of pay for each hour or portion thereof worked in excess of regularly scheduled hours. Call back shall not be construed as overtime for purposes of retirement contributions. Call back shall be compensated as defined in current Nevada PERS regulations.
- C.** Line Employees called back for emergencies shall be compensated at a rate of two (2.0) times the employee's regular rate of pay for such call back hours worked; and eight-hour employees shall be compensated at a rate of two (2.0) times the employee's base rate of pay for such call back hours worked.
- D.** The provisions of this Article shall be applied in a manner consistent with the Fair Labor Standards Act (FLSA). In the event of any conflict or inconsistency between this Article and the FLSA, the provisions of FLSA shall apply as a minimum.

**ARTICLE 9.**

**VACATION**

(FY 23/24)

A. Line Employees will be granted vacation benefits as follows:

<b><u>Years of Continuous Service</u></b>	<b><u>Vacation Accrual Rate</u></b> <b><u>Per Bi-weekly Pay Period</u></b>
Less than five (5) years	7.0 hours
Five (5) years but less than ten (10) years	10.0 hours
Ten (10) years +	12.0 hours

Non-line Employees will be granted vacation benefits as follows:

<b><u>Years of Continuous Service</u></b>	<b><u>Vacation Accrual Rate</u></b> <b><u>Per Bi-weekly Pay Period</u></b>
Less than five (5) years	5.0 hours
Five (5) years but less than ten (10) years	7.14 hours
Ten (10) years +	8.57 hours

B. Vacation credits shall be accrued for each pay period the employee is in full pay status a major portion (eight days or more) of their regularly scheduled bi-weekly hours.

C. At the initiation of this agreement, some employees will have earned service credit to have begun earning vacation leave at the previous rate of 19.5 hours/month (9.75 hours/pay period). These identified personnel will not have qualified for the 8<sup>th</sup> year vacation benefit. Thus, they shall earn the previous over 5-year benefit until such time as they qualify for the 8<sup>th</sup> year benefit.

- D.** Hours of vacation may be accumulated, provided that no employee may accumulate earned vacation in excess of the number of vacation hours allowed for twenty-four (24) months in the service of the DISTRICT, and not more than this number of vacation hours may be taken within any calendar year, subject to staffing requirements. Employees carrying the maximum allowable vacation hours shall be reimbursed at their applicable hourly rate for each hour or portion thereof, above the maximum allowed. This payment will be made quarterly. Employees carrying the maximum allowable vacation hours may request pay in lieu of vacation for up to six (6) months of accrued vacation to be paid at the Employee's regular straight time hourly rate, so long as the Employee maintains a minimum balance of 240 hours of vacation after the pay back. These payments will be made on a quarterly basis.
- E.** No more than one (1) firefighter per shift shall be scheduled off at any one time for vacation, compensatory time off and reasonably scheduled sick and/or military leave.
- F.** EMPLOYEES voluntarily separated from the DISTRICT shall lose all rights for computing prior service upon re-employment by the DISTRICT. Vacation benefits shall not accrue to EMPLOYEES classified as seasonal, temporary or part-time nor shall employment in any of these classifications be allowed as credit in computing earned vacation for an individual who subsequently becomes a full-time employee.
- G.** Upon termination of employment, each employee shall be compensated at his/her regular hourly rate for his/her total vacation hours accrued. Probationary EMPLOYEES will accrue but be unable to use vacation hours during their probationary year of employment with the DISTRICT without authorization from the Fire Chief.

**ARTICLE 10.**

**SICK LEAVE**

(FY 23/24)

- A. Line Employees covered by this agreement shall earn eight (8) hours of sick leave per pay period. Non-line Employees covered by this agreement shall earn five-hours-forty-two minutes (5.7) of sick leave per pay period.
- B. Sick leave hours shall accrue for each pay period the employee is in full pay status for a majority of the EMPLOYEE'S regularly scheduled bi-weekly hours.
- C. Sick leave may be granted when the employee is incapacitated due to illness, injury, pregnancy, childbirth, or adoption. Sick leave may also be granted when the employee is quarantined, receiving required medical or dental services or examinations, or upon injury or illness of the EMPLOYEE'S spouse, children, parents, or other legal dependent.
- D. If an employee does not have adequate accrued sick leave time, the employee may be granted the use of other accrued leave time, if any, in lieu thereof. If the EMPLOYEE using sick leave has exhausted all hours in lieu of i.e. Vacation and Compensatory time that EMPLOYEE may be granted Vacation, Compensatory, or Sick Leave Hours from another member as a donation which is not required to be repaid. The minimum number of hours that may be donated is eight (8) hours. An EMPLOYEE may not donate sick leave hours if his/her sick leave balance is less than 240 hours after the donation is made. In no case, however, will sick leave time be used or granted as vacation time.
- E. Sick leave shall be charged on the basis of actual time used to the nearest one half (0.5) hour. Sick leave taken during a bi-weekly period shall be charged before sick leave earned that pay period is credited.
  - 1. For Non-line employees, holidays occurring during sick leave periods shall not be counted as sick leave time.

**F.** An employee requesting sick leave may be required to provide the Fire Chief with evidence acceptable to the Fire Chief to substantiate the request beyond a total of one (1) full shift (48 hrs.) for Line Employees and three (3) consecutive days for Non-line Employees or if reasonable suspicion of sick leave abuse exists. If a request is made for evidence to substantiate sick leave use based on reasonable suspicion, the justification for making said request must be clearly articulate, in writing, by the Fire Chief.

**G.** Sick Leave Buyout – All full-time paid members shall be entitled to buy out sick leave above the Minimum Cap in the form of an annual contribution to their deferred compensation plan at a dollar-for-dollar rate. The hours accrued above the minimum cap as of the 1<sup>st</sup> payday in November shall be the amount of hours eligible for buyout into the Employees deferred compensation account (aka Health Savings Plan, Health Savings 15 Account, Deferred Compensation Account or an equivalent approved plan of or by the District). The District shall transfer eligible funds into the EMPLOYEE’s deferred compensation account as of the 2<sup>nd</sup> day in December.

1. Upon resignation or retirement from employment, each Employee shall be compensated for his/her total sick leave accrued at his/her regular hourly rate of pay, or

2. The amount of hours eligible for buyout, upon termination of employment, may be placed into the Employee’s deferred compensation account. The DISTRICT shall transfer eligible funds into the EMPLOYEE’S deferred compensation account as of the 2<sup>nd</sup> day in December,

3. It is the EMPLOYEES’ option whether these funds are added to the EMPLOYEE’s final paycheck or placed into the EMPLOYEES deferred compensation account. If the EMPLOYEE opts to have these funds placed into his/her deferred compensation account, such transfer shall be made within two (2) pay periods of the EMPLOYEES termination of employment.

**H.** Personnel requesting sick buy out as described above must notify the DISTRICT during the budget preparation time (March 1- April1) of their intent and the intended amount of buyout

requested. Failure to notify the DISTRICT during the budget preparation time shall result in a denial of sick leave buy out until the following Fiscal Year.

**I.** Minimum Caps – Employees cannot buy out sick leave hours below the established minimum cap:

1. Line Employees – 1040 hours of sick leave

2. Non-line Employees – 745 hours of sick leave

**J.** Maximum hours eligible per year – Employees will be eligible to buy out any amount of hours less than and/or equal to the employee’s annual sick leave.

1. Line Employees – 146 hours maximum

2. Non-line Employees – 104 hours maximum

Employees may use sick leave as soon as they have earned a sufficient amount to cover the time off. At no time shall an employee be allowed a negative balance of sick leave.

**ARTICLE 11.**

**E.** Notice of job openings and promotional vacancies shall contain the following information:

1. Title and job description of the position.
2. All eligibility requirements including education, employment, training or experience criteria, and whether equivalent factors will be recognized.
3. Whether District or other seniority or length of service will be considered a factor.

5. What the wage schedule will be and any requirements to move up in step.

**F.** All promotional tests shall be for the formulation of a promotional roster and shall be applicable for two (2) years from the date of testing completion. If a promotional list is exhausted before the two (2) year-end date, a new test shall be conducted as soon as possible to establish a new promotional roster.

**G.** Personnel being promoted shall move in scale to the next higher paid step of the new scale and any increase shall be a minimum of 4%. (e.g. A firefighter step 4 promoting to Paramedic will move to Paramedic step 3)

**H.** The DISTRICT encourages all qualified existing EMPLOYEES to apply for promotional positions. EMPLOYEES eligible for promotional examinations shall be given appropriate time off to take the examination and return to duty. Such time off shall not result in any loss of pay.

**J.** Any EMPLOYEE who is promoted shall be guaranteed no loss of base pay.
