DIVISION I LEGAL

ARTICLE 1 **RECOGNITION**

SECTION 1 - Union recognition

The Employer recognizes the Union as the exclusive bargaining agent for all eligible Employees of the Fire District per Nevada Revised Statutes (NRS) Chapter 288. The Contract shall exclude all part-time Employees.

An Employee will be considered as a probationary Employee until he/she has completed one (1) year of employment. The one (1) year period shall begin upon assignment to a shift. A first year probationary Employee may be terminated at the discretion of the Employer, and such termination shall not be subject to the grievance and arbitration provisions of Division 1, Article 8.

ARTICLE 2 **DURATION OF AGREEMENT**

SECTION 1 - Duration of agreement

The effective date of this three-year contract is July 01, 2019 through June 30, 2022; per NRS 288. When the contract is due for renewal, salary and five (5) articles may be opened for negotiation by each side, plus any other articles mutually agreed upon. All appropriate date changes will be made in addition to these articles in both cases.

ARTICLE 3 **SAVINGS CLAUSE**

This agreement is intended to comply with the Federal Fair Labor Standards Act (FLSA). All amendments with regard to FLSA were reached by mutual understanding and agreement.

This agreement is the entire agreement between the parties, terminating all other prior agreements, arrangements, and practices during the term of this agreement. The Employer shall from time to time meet with the Union to discuss its views relative to the administration of the agreement. Further discussions may take place upon request by the Union.

Should any provisions of this agreement be found in contravention of any Federal or State Law, such particular provisions shall be null and void but all other provisions of this agreement shall remain in full force and effective until otherwise canceled or amended.

Upon such decision to nullify or void any article found in contravention of Federal or State Law, renegotiation of such article or articles shall commence within thirty (30) days following that decision.

If an agreement is not reached between the Union and the Employer for the next fiscal year, the existing agreement will remain in effect and valid until a new agreement is reached by both parties, or by the arbitration process, in accordance with NRS 288.

The Employer agrees not to sell or convey or cause to sell or convey or otherwise transfer or merge its operations to or with a new Employer without first securing an agreement with the successor to assume the Employer's obligations until the expiration of this agreement.

The District agrees to meet and negotiate with the Union over the impacts and effects of any decision to contract, subcontract, consolidate or transfer its operation(s) to a successor Employer or agency. Nothing in this Article prevents the District from making the decision to contract, subcontract, consolidate or transfer its operation(s) to a successor Employer or agency.

ARTICLE 4 MANAGEMENT RIGHTS

SECTION 1 - Rights of management

Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the local government Employer without negotiation include:

- a) The rights to hire, direct, assign or transfer an Employee, but excluding the right to assign or transfer as a form of discipline.
- b) The right to reduce in force or lay off any Employee because of lack of work or lack of money, subject to paragraph (v) of subsection 2, of NRS 288.150.
- c) The right to determine:
 - 1. Appropriate staffing levels and work performance standards, except for safety considerations;
 - 2. The content of the work day, including without limitation work load factors, except for safety considerations;
 - 3. The quality and quantity of services to be offered to the public; and
 - 4. Safety of the public.

SECTION 2 - Emergency rights

Notwithstanding the provisions of any collective bargaining agreement negotiated, a local government Employer is entitled to take whatever actions may be necessary to carry out its responsibilities in situations of emergency such as a riot, military action, natural disaster or civil disorder.

Those actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection must not be construed as a failure to negotiate in good faith.

SECTION 3 - Responsibility to community

The Employer shall have ultimate right and responsibility as the local government agency to manage its operation in the most efficient manner, consistent with the best interests of all its citizens, taxpayers, and Employees.

SECTION 4 - Negotiation outside of mandatory bargaining

The Employer may, but is not required to, negotiate matters which are outside the scope of mandatory bargaining.

ARTICLE 5 **EMPLOYEE RIGHTS**

Any benefit now existing may not be reduced below its present level, whether such benefit is the subject of the contract or established custom of the Employer; except that any such benefit shall be subject to negotiation and may be eliminated, reduced, or increased as a result of such negotiations.

ARTICLE 6 **STRIKES AND LOCKOUTS**

Neither the Union nor any Employee covered by this Agreement will promote, sponsor or engage in any strike, stoppage of work, absence from work upon any pretext of excuse such as illness, which is not founded in fact or on any other intentional interruption of the operations of the Employer regardless of the reason for so doing.

ARTICLE 7 **NON-DISCRIMINATION**

The Employer and the Union agree not to discriminate against any Employee in accord with NRS 233.010 and Federal Laws.

ARTICLE 8 **GRIEVANCE PROCEDURE**

SECTION 1 - Definitions

- Grievance: A disagreement in the application, interpretation, or enforcement of the terms of this agreement. All other complaints or matters may be pursued in accordance with subsection 4 of this article.
- Grievant: the Employee and/or Union Representation bringing the grievance.
- District: the Fire District or its representative.

SECTION 2 - Grievance procedure

Every effort will be made to adhere to the specified time lines. Exceptions can only be granted by mutual written agreement.

Members of the Union can present a grievance while on-duty provided it does not disrupt the workday.

Most disagreements can be resolved without going through the grievance process. All members are encouraged to attempt to resolve any dispute on an oral basis beginning with the immediate supervisor and progressing through the chain of command. If the dispute cannot be resolved to the satisfaction of the Employee, the Employee may institute the written grievance process.

- Step 1: The Grievant shall advise the Grievance Committee and the Fire Chief in writing within seven (7) calendar days of becoming aware of the grievance issue and that a grievance has been initiated. The Grievant and a member of the Grievance Committee will schedule a meeting with the Fire Chief as soon as possible. At the meeting with the Fire Chief, all accumulated documentation relating to the grievance will be presented and time will be allowed for the Fire Chief to interview the Grievant. The Fire Chief will have seven calendar days to respond, in writing, to the Grievant and Grievance Committee with a decision. If the Grievant or Grievance Committee is not satisfied with the decision, he/she/they may proceed to Step 2.
- Step 2: The Chairperson of the Board for Tahoe Douglas Fire District will be notified by the Grievance Committee that an unresolved contract grievance is pending and has proceeded to Step 2. The Chairperson shall agendize a hearing at the first Board meeting that is at least three (3) weeks but no longer than 45 calendar days in the future.
- The Grievance Committee and the Fire Chief or his/her designee will present written briefs detailing the grievance to the Board no less than seven (7) days prior to the Board meeting. The Board may interview involved parties at the scheduled meeting. The Board, after the hearing, will render its decision at that time.
- Step 3: If the Grievant or Grievance Committee and the Board have still not reached resolution, they may, by mutual agreement, seek a Federal Mediator for mediation. If both parties agree, mediation will be binding. If the decision is not binding, step 4 may be used.
- Step 4: Within seven (7) calendar days from the receipt of the mediator's determination, should the Grievant, upon consultation with the Grievance Committee or Board wish to pursue the matter, arrangements shall be

made to submit all findings and correspondence to binding arbitration as set forth by the Laws of the State of Nevada.

- a) An arbitrator shall be selected from a list of seven (7) names supplied by the American Arbitration Association by alternately striking names from the list with the Union striking the first name. The arbitration shall be conducted under the rules of the American Arbitration Association.
- b) The findings of the arbitrator shall be final and binding on all parties concerned.
- c) The cost of arbitration shall be born as follows:
- d) The expenses, wages and other compensation of any witness called before the arbitrator shall be borne by the party calling such witness. Other expenses incurred, such as professional services, consultations, preparation of briefs, and data to be presented to the arbitrator, shall be born separately by the respective parties.
- e) The arbitrator's fees and expenses and the cost of any hearing room shall be borne by the losing party to the arbitration. The arbitrator will be requested to specify costs.
- f) The cost of a court reporter and the original transcript will be borne by the party requesting them. In the event an arbitrator requests a court reporter and the original transcript, the cost shall be borne by the losing party.
- g) In case of discipline, the arbitrator's authority shall be limited to the written charges against the member.

SECTION 3 - Grievance Committee disclosure

The Union shall provide the Employer with the names of the three (3) members of the Grievance Committee.

SECTION 4 - Informal process

Nothing contained herein shall preclude any Employee with or without representation from bringing a problem, not covered herein, through the chain of command to the Fire Chief and then to the Board of the Tahoe Douglas Fire Protection District on an informal and oral basis.

ARTICLE 9 **DISCIPLINARY PROCEDURE**

Whenever possible, discipline should be progressive (e.g.: verbal reprimand, written, etc.) An officer may discipline a member of their crew, which may include suspension without pay up to two (2) shifts or forty-eight (48) hours, if warranted.

Only the Fire Chief or his/her designee may impose discipline involving a longer suspension without pay, demotion, or termination. Such disciplinary action is subject to the following procedures:

- a) Written notice, or letter, describing the Employee's violation or charges, etc. what action was taken or proposed and the reason for such action.
- b) The right of the Employee to respond either orally or in writing to the officer imposing such discipline.

- c) The Fire Chief shall review all disciplinary action and when finding in favor of the Employee will reinstate the Employee with full back pay and benefits.
- d) That the Employee may be entitled to a hearing before an arbitrator in accordance with the established grievance procedure.
- e) These pre-removal procedures do not affect the ability of the Employer to use the probationary period to determine an Employee's suitability for the job.

No material written for the purpose of discipline or correcting an Employee's actions will be placed in that Employee's file without the Employee's signature or a witness' signature that the subject matter was discussed with the Employee.

If an Employee is not suspended for forty-eight (48) hours without pay on the discovery of their violation, a fourteen (14) day written notice must be provided to the Employee announcing any suspension without pay.

ARTICLE 10 REDUCTION IN FORCE

SECTION 1 - Seniority/Reduction in Force

In the case of a personnel reduction, the Employee with the least Fire District seniority shall be laid off first. The Employee with the next least Fire District seniority shall be laid off next and so on up the list. No new Employee shall be hired until the laid off Employee has been given the opportunity to return to work. An Employee who is returned to their position after a layoff would retain previously accrued sick leave and seniority.

An employee laid off due to reduction in force shall have re-hire rights for up to 3 years from the lay-off date. Order of re-hire will be in reverse order of lay-offs, based on persons meeting qualifications of the open position.

Employees who have been laid off due to a reduction in work force shall provide their current address and phone number to the Tahoe Douglas Fire Protection District if they wish to be contacted in the event a position should become available for reemployment.

Employee or designated representative shall respond in writing to certified mail within ten (10) business days after receipt of notification that a position of employment is available. If no response is received within (10) days by the Tahoe Douglas Fire Protection District that individual will forfeit reemployment.

SECTION 2 - Rank demotion

If any staffing reduction leads to an Employee's demotion in rank, the most recently promoted Employee of any rank will be the first to be demoted. The Employee will be demoted to the rank he/she held immediately prior to promotion.

Upon expiration of such approved Leave of Absence, the Employee will be reinstated to the position held at the time the leave was granted. Failure of the Employee on Leave of Absence to return to duty at its expiration shall be cause for dismissal. The Employer agrees to pay Group Insurance Premiums during any thirty (30) day Leave of Absence without pay.

SECTION 4 - Sick leave/Seniority

Accrued sick leave and seniority shall not be lost as a result of a leave without pay.

SECTION 5 - Federal Family and Medical Leave Act (FMLA)

Employees who qualify for benefits covered in the FMLA of 1993 shall be eligible for a maximum of twelve (12) weeks leave, without pay, during a twelve (12) month period.

Employees shall be eligible for sick leave, without pay, when they qualify for any of the following situations:

- a) The birth or adoption of a child of the Employee, or the care of a child who has a serious health condition.
- b) The care of a parent or spouse of an Employee who has a serious health condition.
- c) An Employee with a serious health condition which makes an Employee unable to perform the functions of his or her position.

If an Employee chooses to request leave under FMLA for Section #5a, they shall first use the procedures set forth in Division IV, Article #3, Section #2 (Child Birth Leave) or Division IV, Article #6, section #4 (Emergency Sick Leave for family illness). Any time off used by an Employee that is covered under these two articles/sections shall be deducted from the twelve (12) week leave without pay allotment.

If an Employee chooses to request leave under the FMLA for Section #5b, they shall first use the procedures set forth in Division IV, Article #3, Section #4 (Emergency Sick Leave for family illness). Any time off used by an Employee that is covered under Division IV, article #6, Section #4 shall be deducted from the twelve (12) week leave without pay allotment.

Employees off work on leave covered by FMLA shall not be eligible for Overtime pay or Emergency Call Back pay.

If an Employee's need for leave, covered under FMLA is foreseeable, the Employee shall provide thirty (30) days advance notice to the Fire Chief.

When an Employee requests leave for personal sickness or to care for a sick family member, a doctor's certification is required reporting each of the following items:

- a) Date of commencement of serious health condition;
- b) Probable duration of condition;
- c) "Appropriate medical facts" about condition;
- d) If leave for Employee's own illness, a statement that Employee "is unable to perform the functions of the position";
- e) If leave for care of sick family member, a statement that Employee is needed for such care;
- f) For intermittent care:
 - 1. Dates of expected treatment; and
 - 2. Duration of expected treatment.

The Fire Chief may request a second opinion if he/she "has reason to doubt the validity" of certification. The Fire District bears the expense of the second opinion and has the right to designate or approve the physician, except that it cannot be a provider "employed on a regular basis by Employer." If the second opinion differs from the certification offered by the Employee, the Fire Chief may request a third opinion. Employee and District must agree on the third opinion provider and the District pays the costs. The third opinion is binding on the Employee and Employer.

If the need for the leave involves planned medical treatment or supervision, the Employee must make reasonable efforts to schedule the leave to avoid disruption of the Fire District's operations, subject to the approval of the health care provider of the individual requiring the treatment or supervision.

When an Employee is off work under the provision of FMLA, he or she shall be eligible to remain on the Fire District's Group Health Insurance Policy. Insurance Premiums shall be paid by the Fire District. If the Fire District has paid the Employees premiums during the absence of the Employee, the Fire District may require the Employee to pay back the cost of the premiums should the Employee fail to return from FMLA leave. Such premium endorsement shall be deducted from the Employee's final pay check as permitted under the FMLA.

Employees off work on FMLA leave shall not accrue sick leave and vacation time. Seniority shall be maintained as described in Division II, Article 3, Section 2.

DEFINITIONS:

FMLA broadly defines "son or daughter" as a biological, adopted or foster child, a stepchild, a legal ward or a child of a person standing in loco parentis who is under eighteen (18) years of age or eighteen (18) years of age or older and incapable of self-care because of mental or

physical disability. FMLA also broadly defines a “parent” as a biological parent of the child or an individual who stood in loco parentis to a child when the child was a son or daughter. FMLA defines “spouse” as a husband or wife.

A “serious health condition” is defined as an illness, impairment or physical or mental condition which involves inpatient care in a hospital, hospice or residential medical care facility, or continuing treatment supervision by a health care provider.

ARTICLE 4 ON THE JOB INJURY AND/OR IN THE LINE OF DUTY

SECTION 1 - On the Job Injury absence/transitional duty

When an Employee is absent due to an on-the-job-injury for a period up to thirty (30) calendar days from the date of injury, they will receive compensation equal to their salary on acceptance of their claim by the current Industrial Insurance carrier. During this period, the Employee shall not forfeit any accrued benefits.

If, after the expiration of thirty (30) calendar days the Employee is still unable to work, they may elect to utilize accrued sick leave and accrued vacation (after sick leave is expended) to supplement their Industrial Insurance payments. Should the Employee choose not to supplement their Industrial Insurance payments, they may request a leave of absence from the Fire District.

It shall be the Employee’s obligation to notify the attending physician that “transitional duty” with “Specified Physician Limitations” for on-the-job-injuries can be made available. If such duty is assigned, the Employee shall continue to receive all compensation and benefits attached to their regularly assigned position.

SECTION 2 - On the Job Injury criteria

Employees shall be entitled to the following on-the-job-injury benefits based on these criteria:

1. The injury must be sustained while performing assigned duties during emergency situations, i.e., fires, vehicle accidents, rescues, Haz-Mat incidents, etc.
2. The Employee must be following all prescribed safety policies and procedures, i.e. wearing full protective clothing and equipment when necessary; using tools and equipment properly; and generally exercising prudent care while performing any functions on the emergency ground. Remember: Safety takes precedence over tactical efficiency.
3. Injuries sustained while getting on or off apparatus, removing or replacing tools and equipment in an unsafe manner, not using protective clothing and equipment provided, or generally not exercising due care under the conditions existing are examples that would not be covered under this section.
4. If there is any question as to whether or not an injury is covered under this section, the claimant must present their case, preferably with witnesses, to the Employer’s

Occupational Safety and Health Committee. This committee shall consist of not more than three (3) staff and three (3) Union members, excluding the Fire Chief and the Union President. If a two-thirds majority of the committee agrees to accept or deny the claim that will be deemed to be the final decision.

5. If a two-thirds majority cannot agree, then the case would proceed to an appeals board consisting of the Fire Chief, the Chairman of the Board, and the Union president. Their decision would be final and binding.

When an Employee is eligible at the same time for benefits under chapter 616 or 617 of NRS (Industrial Insurance and Occupational Disease Acts) and for sick leave benefits, they shall not be required to use accrued sick leave for the period during which the State Industrial Insurance System or Occupational Disease Act benefits are being received.

Any Employee who suffers a job-connected injury or illness meeting the above criteria for which benefits are paid under 616 or 617 of NRS and such injury prevents said Employee from performing their normal full time duties, the Employer shall pay full salary to the Employee for a period of up to but not exceeding a cumulative of ninety (90) consecutive calendar days immediately following the date of injury and the Employee shall continue to accrue all benefits. During the ninety (90) day period, the Employee shall not forfeit any accrued sick leave, provided the Employee returns any industrial insurance pay to the Employer, exclusive of reimbursement or payment of hospital or medical expenses.

Subsequent to the ninety (90) day period in the above paragraph the Employee may, at the option of the Employee, apply for and receive accrued sick leave during the course of such disability. The amount of sick leave benefits paid to such Employee for any pay period shall not exceed the difference between their normal salary and amount of any industrial insurance benefit received.

When accrued sick leave has expired and the Employee is still unable to work, they may utilize their accumulated vacation leave. The amount of vacation leave benefit paid to such Employee for any pay period shall not exceed the difference between their normal salary and the amount of industrial insurance benefits received during which period the Employee shall receive full compensation from the Employer, provided they return industrial insurance compensation to the Employer.

If at any time subsequent to the date of the on-the-job injury the Employee's physician feels that they can return to work in a "transitional duty" position without aggravating their current injury, the Employer may make available such "transitional duty" work taking into account any "Specified Physician Limitations." If such duty is assigned, the Employee shall continue to receive all compensation and benefits attached to their regularly assigned position. The work schedule for the "transitional duty" will be assigned at the discretion of the Employer.

SECTION 3 - On the Job Injury/shift trade

An Employee scheduled to work a shift as a trade, who is unable to work due to an on-the-job injury, shall have the option of: cancelling the trade, finding another Employee to work the trade, use vacation or sick leave.

ARTICLE 5 SHIFT TRADING

- a) In order to qualify under FLSA section 7(p), an agreement between individuals employed by a public agency to substitute for one another at their own options must be approved by the agency. This requires that the agency be aware of the arrangements prior to the work being done, i.e.: the Employer must know what work is being done, by whom it is being done, and where and when it is being done. Approval is manifest when the Employer is aware of the substitution and indicates approval in whatever is the customary manner. Customary Manner Defined: Trade requests that are accepted between both individuals must be submitted to the on duty Battalion Chief on CrewSense no less than twenty-four (24) hours before the trade is to take place.
- b) Upon approval of such trades, they become regularly scheduled work periods and Employees are obliged to work that time.

SECTION 2 - Trade Restrictions

The following trade restrictions shall apply:

- a) No Employee on sick leave will be permitted to work for another Employee.
- b) Shift trading privileges will commence for a first year probationary Employee at the completion of the probationary period. The Fire Chief or designated representative may grant exceptions.
- c) All trades must involve a minimum duration of two (2) hours.
- d) Work periods may be substituted between those in the same rank, on the promotional list for that rank, or employees currently assigned to that rank.
- e) Employees who wish to alter previously approved substitution time periods must notify the on duty Battalion Chief and have the trade request removed from the roster. A new trade request with the accepted changes may be submitted in the customary fashion.

SECTION 3 - Special Cases

If an on duty Employee wishes to substitute any of that time they are working on that shift and has not submitted a trade request in the customary manner (24 hours prior to the trade taking place) that Employee must:

- a) Contact the on duty Battalion Chief for approval.

Sick leave requests can be made using CrewSense followed by a phone call as described above.

SECTION 3 - Doctor's Release

A doctor's release or medical clearance may be required by the Fire Chief to return to work following any absence from duty exceeding twenty four (24) hours due to illness or injury. In such cases the employee may not be permitted to return to work until an appointment can be scheduled.

The Fire Chief reserves the right to select or designate the selection of the appropriate physician. The cost for such release shall be paid at the District's expense. Such release must state the Employee's ability to perform his regular Fire District duties.

SECTION 4 - Funeral Leave

Immediate family shall be defined as: mother, father, sister, brother, children, spouse, in-laws and grandparents. Imminent death will be logged as emergency vacation until death occurs within the contract year.

Bonus shifts will not be affected by use of sick leave for attending funerals of family and relatives as defined above.

SECTION 5 - Emergency Sick Leave for Family Illness

Up to four (4) 8 hour days, or two (2) 24 hour shifts, of emergency sick leave per year may be used for the purpose of arranging for family care in cases of "Extreme Illness".

The determination of "Extreme Illness" shall be made by the attending physician. The duty chief shall be informed by the physician's office immediately via telephone, with written notice given to the duty chief upon the Employee's return to work.

If a family member is not being attended to by a physician, the illness will not be considered "Extreme". Attending to well children while another member of the family is ill, or recuperating is not authorized use of sick leave.

Bonus shifts will not be affected by emergency sick leave for family illness.

SECTION 6 - Child Birth Leave

Employees can use accumulated sick leave and/or vacations for Child Birth Leave and may apply for a Leave of Absence under Section 3 or 5 of Article 3 of this Division. Two (2) consecutive shifts of sick leave may be granted immediately following the birth of an Employee's child and will not affect bonus shift status.

SECTION 7 - Sick Leave Incentive

The Employer agrees to pay each Employee Sick Leave Incentive Pay as follows:

- a) After the twenty-four (24) hour Employee has accumulated 1440 hours, the Employer will pay for 1/3 of the unused sick leave accumulated during that fiscal year. Bonus shifts shall be figured in the sick leave incentive calculation. The balance of the unused sick leave will be credited to the Employee's account provided it does not exceed a total of 2,400 hours. A maximum of 2,160 hours will be carried into the next fiscal year. 2,160 hours will be the maximum for purposes of calculating 100% buy out at termination. Hours which exceed 2,160 at termination shall be compensated at 50% (fifty percent). Such payment shall be made on the second payday in July.
- b) After the eight (8) hour Employee has accumulated 960 hours, the Employer will pay for 1/3 of the unused sick leave accumulated during the fiscal year. A maximum of 1,440 hours will be carried into the next fiscal year. 1,440 will be the maximum for calculating 100% buy out at termination. Hours which exceed 1,440 at termination shall be compensated at five percent (5%). Such payment shall be made on the second payday in July.

- c) When the twenty four (24) hour Employee has exceeded 2,160 hours of accumulated sick leave and the forty (40) hour Employee has exceeded 1,440 hours of sick leave, the Employer shall pay for one-half the unused sick leave earned during the fiscal year including bonus shifts.
- d) Upon separation or death, each Employee or their heirs shall be paid for 100% of their accumulated sick leave exceeding the amounts of 960 hours for the twenty four (24) hour Employee or 600 hours for the eight (8) hour Employee.
- e) To comply with FLSA any employee receiving this buy out will have the de-annualized amount added to their regular rate. This is to account for proper calculation of overtime compensation. The calculation will continue forward into the current fiscal year.

SECTION 8 - Bonus Sick Leave

If an Employee does not make use of their sick leave in the fiscal year and they have passed their initial 12 month probation, they will accrue four (4) additional sick days or two (2) shifts. SECTION 9 - Random Sick Leave Use

Random use of sick leave exceeding ninety six (96) hours may result in the suspension of trade privileges for the remainder of the fiscal year. The employee may petition to have their random use hours reduced by providing the Fire Chief or his/her designee with a signed written statement as to the reason for the sick leave. The Fire Chief or his/her designee may reduce the Employee's random use hours should they determine the sick leave use was valid. Valid use of sick leave is outlined in Section 2.

If no trust is on file the beneficiary shall be the person named as beneficiary for the deceased PERS benefit.

SECTION 5 – Vacation Selection

Under no circumstance shall there be more than two employees on vacation per shift.

Emergency vacation days used in lieu of sick leave cannot be borrowed from the coming fiscal year.

SECTION 9 – Vacation Payout

When an employee terminates employment with the Fire District, the Employee shall be paid for any unused, accrued vacation at his/her rate of pay. Vacation hours will be prorated to the nearest hour based upon the Employee's current rate of vacation accrual.

ARTICLE 9 **COMPENSATORY OVERTIME**

Section 1 - Compensatory Overtime

Any employee who is not in their first year of employment with the District, and who earns overtime may choose to take that time as compensatory hours. The compensatory hours shall be calculated at one and one half (1 ½) hours for each hour of overtime worked. The time accrued may be split between compensatory hours and regular overtime pay. The employee must notify the battalion chief, in writing, which option they have chosen before the conclusion of their overtime shift. A maximum of 120 hours of compensatory time may be carried at any time during the fiscal year. Compensatory time over the maximum hours will be paid out at the employee's current pay rate as of that pay period.

An employee who wishes to use compensatory hours shall advise the battalion chief at least 24 hours in advance of the requested time off by submitting a CrewSense request. If two or more personnel are scheduled to be off duty during the requested day(s), then time off will only be granted if coverage for the time off can be established. Vacancies exceeding more than three on a shift or two on a shift in the month of July shall be approved in advance by the Fire Chief. If there are less than two personnel off during the requested period or one in the month of July, then the compensatory time request will be handled consistent with vacation leave requests. Section 3 - Emergency Compensatory Time

Emergency compensatory time is available when an unforeseen situation or incident occurs preventing the Employee from being at work. The Employee must contact the on duty Battalion Chief to request approval for the use of emergency compensatory time. SECTION 1 – Longevity Plan

A longevity plan shall apply to all Employees of the bargaining unit of the Fire District.

SECTION 2 – Longevity pay

Employees are eligible for longevity pay after completing sixty (60) months of uninterrupted service with the Fire District.

Compensation will be paid at one-half percent (0.5%) of base salary for every year of service to a max of twelve and one-half percent (12.5%) (12 years = 6% of base salary). De-annualized longevity will be figured using 2912 hours for the fiscal year. Compensation of longevity will begin with the person's hire date and be paid on the paycheck in the payroll period following their hire date annually or prorated to termination date.

Any hire date which is July 1 or after and is in a previous year payroll period will be paid in the first payroll period of the next fiscal year.

Starting in Fiscal Year 2019-20, once the employee has received their lump sum longevity payment in the pay period following their anniversary date, the employee will then be paid de-annualized longevity in their hourly rate.

Example:

An employee making \$70,000, with ten years of service will receive \$1.202/hour.
