C. In the event of a uniform change, all Fire District members who are required to wear a uniform will, within a one (1) year period from the effective date of the change, convert to the new type uniform.

ARTICLE 46 – RELIEF AT INCIDENT

It is the intent and desire of the District and the Association to avoid accidents and injuries on the emergency scene. Therefore, when an emergency incident requires the provision of proper relief personnel, facilities, and/or equipment (i.e. food, sanitation, and shelter), the District shall make reasonable efforts to obtain same to facilitate a safe and effective environment for those employees involved.

ARTICLE 47 – DISCIPLINE/DISCHARGE

A. The District shall not reprimand, demote, suspend, or discharge an employee without just cause. The term “just cause” includes the concept of progressive discipline, where appropriate. Progressive and corrective disciplinary action is designed to provide a fair and structured way for Employees to improve their job performance and/or behavior which do not meet the standards or demands of their position and to provide a system for fair and equitable treatment of those Employees who will not or cannot bring their performance up to expected standards.

1. It is the policy of the District, through a progressive and corrective discipline system, to give Employees an opportunity to improve their job performance and/or behavior which does not meet the standards or demands of their position. An Employee may be summarily dismissed only in the event of gross misconduct. The goal of the progressive and corrective discipline system is to correct or improve unsatisfactory performance/behavior and the measures utilized will be commensurate with the deficiency to be corrected.

2. Progressive and corrective disciplinary action may begin at any of the steps defined below, depending on the seriousness of the offense committed, the frequency of occurrence, or the cumulative effect of multiple minor infractions. Verbal warnings or written reprimands may be administered by the employee’s immediate supervisor, or the Fire Chief. A demotion, suspension or discharge shall be administered by the Fire Chief.

a. Verbal Warning/Reprimand - A verbal warning or reprimand is given to the Employee for the first occurrence of a minor offense.

b. Written Warning/Reprimand - A written or formal warning is given to the Employee in the first instance of more serious offenses or after repeated instances of minor offenses. The warning states the nature of the offense and specifies any future disciplinary action which may be taken against the Employee if the offense is repeated. A copy of the written warning is placed in the Employee’s personnel file, but it is removed eighteen (18) months following the date on which it was given if the intervening service has been satisfactory. The Employee is required to read and sign the formal warning and has the right to appeal if the Employee thinks the warning is unjustified.

c. Suspension Without pay

i. If, despite previous warnings, an Employee fails to reach the required standards in the specified time frame, the Employee may be suspended without pay. An employee may be suspended without pay without prior infractions for

- serious offenses. Under suspension, the Employee is barred from working for a period of time and their salary is docked accordingly. Suspension without pay actions could range from one (1) to five (5) shifts for line personnel and one (1) to ten (10) workdays for eight (8) or ten (10) hour personnel.
- ii. An Employee may also be placed on suspension without pay pending discharge. A decision to suspend pending discharge is made based on the reasons for the discharge and is generally utilized when the Employee is suspected of gross misconduct or when their continued presence during the investigation period would be a disruption to normal District business.
 - iii. If the Employee is found to have been suspended inappropriately, pay and benefits for the period of suspension will be reinstated (except that if insurance has lapsed, coverage for time passed cannot be reinstated).
- d. Discharge - An Employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive discipline procedure will be discharged. In the case of a serious infraction (gross misconduct), an Employee may be summarily discharged without benefit of the progressive and corrective discipline's sequence of lesser actions.
- e. Notice of Intent - Before taking action to discharge, demote or suspend an Employee having permanent status, i.e., Employees who have successfully completed an initial probationary period of twelve (12) months, the District shall serve on the Employee and the Association, (unless the Employee requests in writing that the Association not be notified), either personally or by certified mail, a "Notice of Intent" which shall contain the following:
- i. A statement of the District's intention.
 - ii. A statement of the cause or causes upon which the action is based.
 - iii. A statement that the Employee may review and shall receive upon request, copies of material upon which the action is based.
 - iv. A statement that the Employee has seven (7) calendar days to respond to the charges, either orally or in writing.
- f. The Employee or the Association, upon whom "Notice of Intent" has been served, shall have seven (7) calendar days to respond or protest to the District either orally or in writing before the proposed action may be taken.

B. Protest of Action:

1. The Association may protest any disciplinary action taken under this Article which shall be an appeal considered and processed in accordance with Article 48 (Grievance Procedure), of this Agreement.
2. A rejection of an Employee during a probationary period is not considered disciplinary action. Probationary Employees who are rejected during their probationary period (new hire and promotional probationary periods) are not subject to the grievance procedure if Article 14 (Promotions) is followed.
3. An Employee who is promoted and subsequently rejected during their promotional probationary period shall be returned to the lower classification from which he was promoted.

C. The parties recognize for the purpose of progressive discipline, nothing shall be used against an employee in a demotion, suspension or discharge action unless the employee has been notified in writing. In the event that there has been such notification, written reprimands shall not be used against an employee if it has been in the employee's file for a period of eighteen (18) months, discounting periods of leaves of absence, provided that there has been no notification for the same or similar conduct

during that eighteen (18) month period. This eighteen (18) month limitation does not apply 1) to any discipline rising to the level of a suspension or demotion, or 2) to any disciplinary action taken against an employee arising out of a matter covered under Title VII of the Civil Rights Act of 1964. The purpose of the second exception is to allow consideration of both the seriousness of the employee's proven offense and the record of the employee with the County in determining the degree of discipline administered, given the County's specific legal obligations under Title VII.

D. Upon written request of an employee to the Fire Chief, disciplinary material that has been in the employee's file for a period of eighteen months may be removed from the employee's personnel file at the discretion of the Chief, excluding those materials relating to Title VII referred to in Section D above.

E. Disciplinary materials removed from an employee's personnel file shall be maintained by the Human Resources Department as historical records of discipline imposed and for the purpose of providing a defense in any future employment litigation involving the District.

The parties shall select the arbitrator from the list by alternately striking one name until the name of only one (1) arbitrator remains, which will be the arbitrator to hear the dispute. For the first grievance hearing the Association shall strike the first name. From that point forward, the parties shall alternate striking first. With the mutual consent of the parties, expedited arbitration may be used.

Should management not respond within the prescribed time limits, the grievance shall proceed to the next level.
7. Waiver of Time Limits: Any of the time limits contained in this procedure may be waived upon the mutual written agreement of both parties, except that the waiver of any of the time limits contained in Step 1 of this procedure can only be agreed to on the part of the District by the Fire Chief or their designee.
8. Settlement of Grievance Outside of Arbitration: The District shall accept no grievance settled by an employee in a classification represented by the Chief Officers Association, unless said employee has received the concurrence of the Fire Chief or their designee on the settlement.

ARTICLE 49 – REDUCTION IN FORCE

- A. The District retains the right described in NRS 288.150(3)(b) to reduce in force or layoff any employee because of a lack of work or lack of money, as determined by the District, subject to the procedures described in this Article.

B. In the case of a personnel reduction and/or a reduction of services due to the lack of work or lack of money, the employee with the least seniority shall be laid off first. Such notice shall be given in writing addressed to the Association by certified mail or e-mail. The notice shall disclose the number of positions affected, the rank or classification of each position affected, and the division or divisions, if any, which are to be affected. Immediately after issuing the notice, the District shall give the Association a reasonable period of time, of no less than thirty (30) days, within which the Association and the District shall meet and confer. The District shall respond to any proposals, which the Association may make in response to the subject matter of notice.

2. Each employee who is to be reduced in rank or laid off due to a reduction in force shall be given written notice, at least sixty (60) days before such action is to occur. The notice shall include the date, purpose and nature of the action that is to be taken with regard to the employee. The notice shall state the reasons for the action, and any rights, which the employee may have under the Department Policies and Procedures or this Agreement with regard to his or her employment. A copy of the notice also shall be delivered to the Association.

3. In the event that a reduction in force results in the need for a redistribution of employees from superior ranks to lesser ranks, such reductions in ranks shall be accomplished by reducing in rank those employees with the least tenure in the affected rank counting from the employee's date of promotion.

4. An employee who is laid off shall be paid for all accrued time in accordance with this Agreement.

Employees who elect to accept such offers may accept the incentive as a lump sum payment, and/or apply the incentive towards PERS credit purchases.

11. For the purposes of class seniority, in the event an employee needs to be bumped-back to their previously held position, they need to have held the position and their seniority shall be set at the same amount of time as that which they accumulated when they last occupied the position. The time the employee was in the Supervisory Unit shall not be counted.

C. The affected person shall have the right to return to his or her previously held position. If the bump-backed employee returns to the Supervisory Unit in the future, none of the time served in the lower position shall count towards class seniority. The seniority shall be set at the same amount of time as that which was previously held when in the Supervisory Unit.
