The freedom of such employees to assist the Union shall be recognized as extending to participation in the management of the Union during non-work hours in the capacity of a Union officer or representative. However, it is understood that the Union President may work on Union business during station standby time.

- A. Those subject matters which are not within the scope of mandatory bargaining and which are reserved to the City without negotiations (except as modified by the terms of this Agreement) include:
1. The right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.

2. The right to reduce in force or lay off any employee because of lack of work or lack of funds, subject to Paragraph (t) of Subsection 2 of NRS 288.150.
3. The right to determine:
 - a. Appropriate staffing levels and work performance standards except for safety considerations;

Such actions may include the suspension of any collective bargaining agreement for the duration of the emergency. Any action taken under the provisions of this subsection shall not be construed as a failure to negotiate in good faith.

C. The City shall have the ultimate right and responsibility of the local government employer to manage its operation in the most efficient manner consistent with the best interests of all its citizens, its taxpayers and its employees.

ARTICLE 5 - UNION BUSINESS LEAVE

A. Effective July 14, 2009, the Union shall be authorized one hundred twenty (120), twenty-four (24) hour shifts of administrative leave annually. If utilizing shifts less than a 24 hour shift, those shifts will be counted hour for hour to fill a 24 hour shift. (Example: 3 eight hour shifts = one 24 hour shift). If the Union has not totally expended these 120 shifts of leave, they will be rolled over July 1 of every successive year. These rollover hours will not exceed a 240 shift maximum accrual. This paid administrative leave may be used by eligible members for official union business as defined by IAFF Local 1285. Any employee approved for the use of administrative leave by the Union must follow all Las Vegas Fire and Rescue Rules, Regulations and Standard Operating Procedures for requesting approval for leave from duty. Those employees and department supervisors will also be responsible for properly executing all payroll and time and attendance records related to the use of administrative leave.

B. In addition, three members of the Union Negotiating Committee may be granted leave from duty with full pay for all meetings between the City and the Union for the purpose of renegotiating the terms of this Agreement, when such meetings take place at a time during which such members are scheduled to be on duty.

C. Two members of the Union Grievance Committee may be granted leave from duty for all meetings between the City and the Union for the purpose of processing grievances, when such meetings take place at a time during which such members are scheduled to be on duty.

D. Whenever department strength permits, Union officials, or their designated representatives, may be granted leave from duty with or without pay for any reasonable and just cause as may be determined and granted by the Fire Chief.

E. Pursuant to NRS 288.225, which applies to Collective Bargaining Agreements renewed, extended or succeeded by a new agreement after June 1, 2015, a local government employer may agree to provide leave to any of its employees for time spent by the employee in performing duties or providing services for an employee organization if the full cost of such leave is paid or reimbursed by the employee organization or is offset by the value of concessions made by the employee organization in the negotiation of an agreement with the local government employer pursuant to this chapter. The full cost of leave time granted to the Union herein has been offset by the value of concessions made by the Association in the Negotiations of this Agreement in 2016. Specifically, predecessor Collective Bargaining Agreements between the parties provided that the City would contribute on a bi-weekly basis an amount of \$45 per employee to the LAS VEGAS FIREFIGHTERS HEALTH AND WELFARE TRUST AGREEMENT, with an understanding and practice that this money would be used to fund a Retiree Premium Subsidy Program. During negotiations of this agreement in 2016, the parties agreed that this bi-weekly payment of \$45 per employee will be replaced by a 0.65% base wage increase, beginning on September 1, 2016, as provided for in Article 22. It is believed that this change will result in a reduced cost to the City of Las Vegas. The amount of that reduction represents a concession made by the Union, the value of which offsets the full amount of union business leave.

ARTICLE 6 - DUES AND OTHER PAYROLL DEDUCTIONS

A. The City agrees to deduct from and reflect on the paycheck of each employee within the bargaining unit who has signed an authorized payroll deduction card such amount as the employee should designate as his/her Union dues and so certified by the Treasurer of the Union. Such funds shall be remitted by the City to the Treasurer of the Union within thirty (30) days after such deductions.

B. The Union shall indemnify and hold the City harmless against any and all claims, demands, suits, and all other forms of liability which shall arise out of or by reason of action taken (or not taken) by the City at the written request of the Treasurer of the Union under the provisions of Section A above.

C. Dues deduction authorization shall be irrevocable for a period of one (1) year and automatically renewed each year thereafter commencing October 1, except that authorization may be withdrawn by an employee during a period of twenty (20) days each year ending October 20. Such provision will appear on the Membership Application and Dues Deduction Authorization Card. If dues deduction authorization is not revoked during such period, it shall continue for the balance of the contract year or upon termination of employment.

D. Upon written authorization to the City from an employee, the City agrees to deduct on a regular basis from the wages of said employee such sums as he may specify for United

Way, I.A.F.F Local 1285 Insurance Trust, any financial institutions or Credit Unions authorized under the City's Automatic Payroll Deduction Program and other miscellaneous deductions agreed upon by the City and the Union. The employees' authorization for the deductions in Paragraph D are revocable at the will of the employee, as provided by law, and may be terminated at any time by the employee by giving appropriate written notice to the City and the Union, where appropriate, or upon termination of employment.

ARTICLE 7 - NO STRIKES

A. The Union agrees that there shall be no strikes under any circumstances. The members of the Union shall continue to furnish efficient service within all areas of assigned responsibility.

B. For the purpose of this Agreement, the meaning of the word "strike" shall be stoppage of work, slowdown or interruption of operations, or absence from work upon any pretext or excuse, such as illness, which is not founded in fact.

ARTICLE 8 - BULLETIN BOARDS

A. The City shall provide space for Union bulletin boards of the agreed size, to be located in the respective Fire Department buildings and to be used by the Union for the posting of notices of a responsible and reasonable nature concerning Union business and Union activities. The Union may also post notices onto the designated City computer site. A copy of all material to be posted will be sent to the Fire Chief and/or his/her representative at the time of posting. The material referred to is such items as meeting notices, election results, etc.

B. The Union shall monitor the bulletin boards on a quarterly basis and remove any and all outdated material.

ARTICLE 9 - RULES AND REGULATIONS

A. The City may adopt and amend Fire Department Rules and Regulations consistent with NRS and this Agreement. These shall be the rules by which the City administers the Fire Department and to which all employees covered by this Agreement are bound.

B. The City and the Union further recognize that the matters covered by the Fire Department Rules and Regulations include subject matter which is subject and which is not subject to mandatory bargaining under the provisions of NRS 288. The City and the Union also recognize that these Fire Department Rules and Regulations are subject to change by the Fire Chief, or his designee, in accordance with the procedure specified below.

C. The City and Union recognize and understand that the Fire Department Rules and Regulations are general in nature and shall not be considered as all-inclusive. No inference will be drawn from the absence of a rule in the Fire Department Rules and Regulations.

- D. The procedure for changing Fire Department Rules and Regulations will be as follows:
1. Except in the event of an emergency, no rule, regulation nor amendment or cancellation thereof shall become effective until notice thereof has been posted in each fire station for a period of ten (10) consecutive days.
 2. The City or the Union may request meetings to discuss their views relative to work rules and proposed changes therein. Except in the case of an emergency, said meetings shall be convened prior to the implementation of the rule, regulation, amendment or cancellation.
 3. The Fire Chief will issue a written response to all questions raised by the Union. The Union will do the same. These responses are due within three (3) days of the meeting with copies to the City Manager.
 4. When the City and the Union are involved with contract negotiations, rules and regulations may be changed as part of that negotiating process.

E. Any dispute arising between the City and the Union concerning any proposed or implemented modification or interpretation of the Fire Department Rules and Regulations shall be subject to the provisions of the Grievance Procedure, including arbitration, in this Contract.

F. Any dispute as to whether or not the subject matter of a proposed or adopted rule or regulation is a mandatory subject of bargaining shall be submitted to the Local Government Employee-Management Relations Board in accordance with procedures outlined by the rules of that Board and NRS 288 prior to it being submitted to arbitration.

G. Except in the event of an emergency no disputed rule will go into effect prior to settlement of the dispute or arbitration award, whichever is earliest.

H. The parties agree that the Fire Department shall have a copy of the current Fire Department Rules and Regulations at each work location. The City will also provide a copy of the current Fire Department Rules and Regulations to any Bargaining Unit member upon request.

I. All operational directives, bulletins, policy procedures, operational notices, memos, and other material relating to the Fire Department Standard Operating Procedures (SOP) shall be issued, and/or made available on computer, in an indexed manual format with pages consecutively numbered, with the date of issue and effective date. The SOP Manual, and/or computer file, shall be updated as required. Any changes to the SOP Manual, and/or computer file, shall be issued to the Union thirty (30) calendar days prior to the proposed change. The Union may request that a specific change to the SOPs be submitted as a Rule and Regulation ten (10) days prior to the proposed change. If such a request is made, that SOP change shall be subject to the procedure outlined in Paragraphs D, E, and F of this Article. The Fire Chief shall provide a copy of the SOP Manual and/or computer access to the SOP computer file and all changes to the manual and/or computer file at each work location, three copies to the Union, two copies to the Human Resources Department, and one copy to the City Manager's Office. In addition, if available, the Chief shall provide computer access to the SOP computer file at each work location.

J. Positive Discipline

The City and the Union agree to follow the Fire Department Positive Discipline Program and Procedures as established by the parties. Changes to the Positive Discipline Program and Procedures shall be accomplished in accordance with Paragraphs D, E, F and G of this Article. Once probation is successfully completed, an employee may only be disciplined for just cause, in accordance with the positive discipline manual.

ARTICLE 10 - GRIEVANCE PROCEDURE

A. The Employer and the Union agree that any grievance or dispute which may arise between the parties concerning the interpretation and the application of the expressed provisions of this Agreement shall be settled in the manner shown below. If a dispute involves an established past practice within the Fire Department that would be mandatorily negotiable under the provisions of NRS 288.150, that is not expressly provided for in the provisions of this Agreement, such a dispute may be submitted for resolution as a grievance. In such a case, the dispute shall be processed in the normal fashion to the arbitrator step. The arbitrator selected, if any, shall then first rule on the negotiability of the issue and whether or not the issue was a past practice. If the arbitrator rules the dispute to be arbitrable, the same arbitrator shall hear the merits of the underlying grievance. Actions taken for discharge and/or disciplinary reasons, should a dispute arise, shall be settled through this grievance procedure, beginning at the second step.

B. The parties agree that employees must successfully complete an initial probationary period. Prior to the successful completion of an initial probationary period, the City has the right to discipline or discharge an employee at any time, as long as the action is consistent with applicable state and federal law. Nothing in this Agreement interferes in any way with the City's right to discharge or discipline any employee prior to the successful completion of an initial probationary period. Further, it is expressly agreed that this grievance procedure is not applicable to actions taken for discharge and/or discipline of an employee who has not successfully completed an initial probationary period with the City.

C. The parties agree that a formal grievance shall start when it is a counseling, reprimand or above reduced to writing and presented to the Deputy Chief for resolution. Any informal resolution made by the immediate supervisor, before the grievance is presented to the Deputy Chief, is subject to further review and may be overruled by the Fire Chief. The Department will not discipline an immediate supervisor for any attempt to resolve the matter informally.

D. The matter should first be discussed orally with the employee's immediate supervisor within five (5) calendar days of the occurrence, or the employee having knowledge of the occurrence, of the violation of this Agreement.

1. (Step 1) In the event the matter is not or cannot be resolved to the satisfaction of the employee, by oral discussion with the immediate supervisor, the aggrieved employee shall file a grievance in writing and shall present the written grievance to the aggrieved employee's Deputy Chief, with copies to his/her immediate supervisor, and to the Union within ten (10) calendar days of

the occurrence giving rise to the grievance, or ten (10) calendar days of the employee's actual knowledge of the occurrence. Failure on the part of the aggrieved employee to do so shall be deemed an abandonment of the grievance and shall preclude the aggrieved employee from further processing the grievance as provided in Sections 2 through 8 below. The Deputy Chief shall investigate the grievance and respond in writing within seven (7) calendar days of receipt. The employee may meet personally with the Deputy Chief upon request. If a grievant, who is not represented by the Union, requests a meeting, the Deputy Chief will notify the Union four (4) calendar days prior to the meeting and permit the representative to attend. If the Deputy Chief fails to respond within the time limits, the grievance shall proceed to the next step of the grievance procedure.

2. (Step 2) If the grievance is not resolved to the satisfaction of the aggrieved employee, in accordance with the procedures set forth in Section 1 above, the aggrieved employee shall, within ten (10) calendar days of receipt of the grievance from the Deputy Chief, or the date when his/her response to the grievance was due, present to the Fire Chief a copy of the written grievance. If the Deputy Chief has not answered the grievance, the grievance shall be deemed to have been delivered to the Fire Chief on the date the Deputy Chief's answer was due. If the Deputy Chief did answer the grievance, a failure on the part of the aggrieved employee to present the grievance, in a timely manner in accordance with the provisions of this Section, shall be deemed an abandonment of the grievance and preclude the aggrieved employee from further processing the grievance as provided in Sections 3 through 8. The Fire Chief, or the Acting Fire Chief, shall investigate the grievance and respond in writing within fifteen (15) calendar days of its receipt. The employee may meet personally with the Fire Chief, or the Acting Fire Chief, upon request. If a grievant, who is not represented by the Union, requests a meeting, the Chief will notify the Union one (1) week prior to the meeting and permit its representatives to attend. If the Fire Chief fails to respond within the required time limits, the grievance shall proceed to the next step.
3. (Step 3) If the grievance is not resolved to the satisfaction of the aggrieved employee, in accordance with the procedures set forth in Section 2 above, the aggrieved employee shall, within fifteen (15) calendar days after receipt of the written response by the Fire Chief, present to the City Manager a copy of his/her grievance as provided in Sections 1 and 2 above. If the Fire Chief has not answered the grievance, the grievance shall be deemed to have been delivered to the City Manager on the date that it was due from the Fire Chief. The City Manager, or his/her representative, shall investigate the grievance and respond in writing within fifteen (15) calendar days of its receipt. The grievant may meet personally with the City Manager, or his/her representative, upon request. If a grievant, who is not represented by the Union, requests a meeting,

the City Manager will notify the Union one (1) week prior to the meeting, and permit its representatives to attend.

4. If the grievance is not resolved to the satisfaction of the aggrieved employee, in accordance with the procedures set forth in Section 3 above, the aggrieved employee may, within fifteen (15) calendar days of the receipt of the City Manager's answer to his/her grievance or within fifteen (15) calendar days of when the answer was due, request that the matter be submitted to final and binding arbitration by written notification to the Director of Human Resources. Failure on the part of the aggrieved employee to do so shall be deemed to be an abandonment of the grievance and shall preclude the grievance from any further consideration. The representatives of the parties shall meet for the purpose of selecting an impartial arbitrator within ten (10) days from the date of notification by the aggrieved employee that the matter is to be submitted to binding arbitration. If the parties are unable to agree on an impartial arbitrator within that ten-day period, the parties, or a party acting jointly or separately, shall request the American Arbitration Association to submit a panel of seven arbitrators. To select an arbitrator from the panel, the parties may either mutually agree to one or shall alternately strike one name each, with the last remaining name becoming the arbitrator. The party seeking arbitration shall strike the first name. The parties must meet to strike names within ten (10) days of receipt of the list of arbitrators from the American Arbitration Association.
5. Any dispute, claim or grievance submitted to final and binding arbitration under the provisions of this Article shall be in accordance with the voluntary labor arbitration rules of the American Arbitration Association. All costs for the arbitration services shall be shared equally by both parties to the arbitration. Any party desiring transcripts of the arbitration hearing shall be responsible for the cost of such transcripts. Each party shall be responsible for their own costs of preparing their case, attorney fees, witness fees, and any other expense they incur individually.
6. Whenever any grievance is submitted in writing, it shall be distributed as follows by the aggrieved: (1) Deputy Chief; (2) Director of Human Resources; (3) President of the Union; and (4) employee's copy.
7. The time limits specified in Paragraphs 1 through 4 may be extended by written agreement of the grievant or his/her representative and the City's authorized representatives at that step of the grievance process.
8. In computing any period of time described or allowed in the grievance procedure, the day of the act, event, or default from which the designated period of time begins to run shall not be included. The last day of the period so computed shall be included unless it is a Saturday, Sunday, or holiday, in which event the period runs until the end of the next day which is not a Saturday, Sunday, or holiday.

9. The aggrieved employee shall have the right to be represented by members of the Union or its attorney at all levels of the grievance procedure, except during the initial consultation with the employee's immediate supervisor specified in Paragraph D of this Grievance Procedure. The employee shall be present, except in the event of an emergency. The employee retains the right to proceed on their own behalf without the representation by the Union, and shall have the right to be represented by licensed Nevada legal counsel at all levels of the grievance procedure. If the Union is not the employee's representative, the appropriate Union representative shall be afforded the opportunity to be present at any discussions between the employer and the employee wherein settlement of the grievance is discussed. Settlements reached shall not be inconsistent with the provisions of this Agreement. The Union must expressly agree to any proposed settlement of a grievance. Should the Union believe that a proposed settlement made by an individual employee and the City is inconsistent with the provisions of this Agreement, the employee or the Union can request the matter proceed to the next level of this procedure; all normal timelines shall apply. In those cases where the Union has declined to agree to a proposed settlement and the matter proceeds to a next step, both the employee and the Union shall be afforded party status.
10. The Union shall provide the Director of Human Resources with a list of names of all persons authorized to act on behalf of the Union, and shall also provide the Director of Human Resources with written notification of any changes to such list within ten (10) days of said change.
11. "Day" shall be defined as calendar day.

E. If a grievance is filed regarding a disciplinary matter, the City shall provide to the Union, in a timely manner, the relevant information that was used as the basis for the discipline or employment decision. Examples of relevant information would include audio recordings of interviews or disciplinary hearings, video recordings, copies of the employment personnel file (with written grievant permission), and any final investigative reports other than those involving possible criminal charges.

The Union or the City may also make a request for the production of additional documents, recordings, and/or other evidence that are related to a grievance. The request shall be in writing. The party to whom the request is made shall determine what information can be made available. Any costs associated with the production of such additional materials shall be the responsibility of the requesting party.

ARTICLE 11 - PERSONNEL REDUCTION

A. The City and the Union agree that a reduction in force of personnel, as it pertains to employees in positions of an indefinite duration which are abolished and which are covered by the provisions of this Agreement, shall be as follows:

1. Competition for retention shall be limited to employees holding positions in those classifications.

2. Competition for retention in employment in classification and position shall be based on seniority of service within that classification and position with the City. The order of reduction in force within a classification shall be:
 - a. Temporary employees
 - b. Probationary employees
 - c. Regular employees in reverse order of their seniority within a classification
3. All personnel who are affected by a reduction in force shall have the right to receive a reduction in classification and position to a lower classification/position that they are qualified to fill through previous service in that classification/position.
4. All personnel involved in a reduction in a classification and position shall have the opportunity to return to the position from which the employee was reduced before any other person shall be promoted to that position in that same classification and position.
5. Any employee terminated under the provisions of this Article shall have the opportunity to return to work before any new employee is hired. Previous employees shall be notified via email and telephone and shall respond within fourteen (14) calendar days of notification via email or in person that they are accepting the offer of re-employment on the date specified in the offer. Employees will remain on the rehire list for thirty-six (36) months from the date of the employees' layoff.

ARTICLE 12 – NOTIFICATION

- A. The City and the Union agree that all written correspondence between the City and the Union will be done to and through the Union President and the Fire Chief, with a copy to the City Manager, regarding all matters that concern this contract.
- B. Upon written request of the employee to the Fire Chief, the Union shall be furnished with a copy of any Union member's discharge notice, written warning, written reminder, suspension, complaint, personnel evaluation, performance tracking worksheet, incident report, and/or any similar report within five (5) days of request. The Union shall have the opportunity to comment in writing on any of the aforementioned items and have said comments attached to the report in question, unless the employee involved requests otherwise.
- C. The employer shall, as needed, provide the Union the name and classification of each new hire who would be eligible to be a member of the Union. The City shall provide the Union the name and classification of each eligible member of the Union who terminates or is placed on a non-pay status for longer than thirty (30) calendar days within three (3) days of the end of the pay period in which such action takes place.

ARTICLE 13 - SENIORITY LIST

- A. The City and the Union agree that a seniority list showing date of hire and date of last promotion shall be established and brought up-to-date by October 1 of each year and posted on the Fire Department bulletin boards. For the purposes of, but not limited to, transfer, examinations, and vacations, if no one protests seniority shown on their behalf

within forty-five (45) days of such posting, the seniority list shall stand as conclusive evidence of each person's seniority until the establishment of the new or corrected seniority list.

B. Seniority shall not be broken by annual leave, sick leave, suspension, maternity leave, military leave, or any leave(s) without pay of less than a thirty (30) day duration.

C. Seniority shall be defined as the length of continuous service within the Fire Department.

D. Departmental seniority shall be determined by the following factors:

1. Date of employment
2. Hiring order as determined by the Fire Chief
3. Date of original application
4. Time stamp of original application

In the event factor 1 is not conclusive, factor 2 shall govern. If factor 2 is not conclusive, factor 3 shall govern. If factor 3 is not conclusive, factor 4 shall govern.

E. In-grade seniority for positions normally filled by promotional examinations shall be determined by:

1. Date of promotion
2. Order of promotion as made by the Fire Chief
3. Departmental seniority

F. Departmental seniority shall prevail when comparing the seniority of employees in unlike classifications.

Effective June 30, 2019 the City will pay per employee who is a member of the bargaining unit: five hundred dollars (\$500.00) per pay period.

The Association established an Employee Benefit Trust fund for the purpose of funding health insurance premiums for retirees. The Trust was established in accordance with federal and state laws applicable to employee benefit trust funds (26 USC 501(c)(9)). The City and the Board of Trustees acknowledge and agree that the funds currently held in the Retiree Supplemental Account of the existing Health and Welfare Trust fund will be transferred to the Employee Benefit Trust and managed separately from the existing Health and Welfare Trust fund. Effective September 1, 2016, the \$45 per pay period contribution that was previously made to the Trust by the City for retiree medical benefits will no longer be made, but rather, will be reflected as an additional 0.65% base wage increase beginning on September 1, 2016. It is believed that this change will result in a reduced cost to the City of Las Vegas and a portion of this reduction in cost represents a concession made by the UNION, the value of which also offsets the full amount / value of union business leave as delineated in the revised Article 5 of this new collective bargaining agreement.

All issues regarding the operation of the Employee Benefit Trust are exclusive of this collective bargaining agreement. Eligibility, benefits, the type and amount of reimbursable premiums or expenses and all other matters regarding the operation, administration and

benefit plan of the Employee Benefit Trust shall be made by the Trustees of the Employee Benefit Trust. The employee's contribution to the Employee Benefit Trust shall be mandatory and will be made by automatically deducting the specified amount from the paycheck of eligible employees prior to any taxes being withheld. The amount of the payroll deduction shall be determined by the Trust. The City and Local 1285 bargaining units agree that the Board of Trustees of the Employee Benefit Trust is authorized, on an annual basis, to determine the amount to be so deducted and remitted to the Employee Benefit Trust, based on the financial needs of the Employee Benefit Trust. The Board of Trustees will communicate to the City any changes or adjustments in the amount to be so deducted, and the City will remit the specified amount to the Employee Benefit Trust. In addition to the mandatory deduction for the Employee Benefit Trust stipulated above, the City agrees to deduct from the paycheck of each employee in the bargaining unit and the Union who has signed an authorized payroll deduction card such amount as the employee may designate as dependent insurance coverage and/or amount designated as insurance coverage in excess of that provided in the first paragraph of this Article. All such insurance funds shall be remitted by the City to the LAS VEGAS FIREFIGHTER HEALTH AND WELFARE TRUST AGREEMENT within one (1) month after deduction. All communications concerning health and welfare plans and coverage by the Firefighters to the City shall be directed to the Director of Human Resources Department. Any request for increased insurance premiums or contributions shall be accompanied by a financial information or statement showing the various benefit costs, employee vs. dependent, on a total and on a line item basis. The Union agrees that it will provide the City, upon request, within forty-eight (48) hours, copies of all written correspondence between the Trustees, the Trust Administrator, and the Union.

The Union agrees to indemnify, and hold the City harmless against any and all claims, suits, orders, or judgments brought or issued against the City as a result of any action taken or not taken by the City with respect to authorized deductions for coverage in excess of that provided in the first paragraph of this Article.

New hires covered by the Agreement shall be paid on a monthly-prorated basis after six (6) months employment minus the cost of the Class B uniforms initially issued.

Newly hired personnel will be provided three (3) sets of their own Class B uniform and after they have completed their probation, they will be expected to secure a Class A uniform at their expense.

Upon mutual agreement between the Employee, the City and the Union, employees who are assigned from a 56-hour work week to a temporary 40 hour work week may work either a 5 eight hour shift schedule or a 4 ten hour shift schedule. Employees will continue to receive all benefits in accordance with the 56-hour workweek provision. Employees who are on light duty are excluded.

B. All personnel required to work longer than their normal bi-weekly hours shall be paid overtime on a time and one-half (1½) hourly rated basis, based on their bi-weekly rate of

pay including longevity, if applicable. When a member uses a non-worked sick shift or is on disciplinary leave, the member will not be eligible for regular overtime for a period of 192 hours following the end of their sick shift or disciplinary leave. This does not include those instances where the department requires mandatory overtime. If a member was previously scheduled for regular overtime for the 192-hour period following a member calling in sick the overtime will be removed and no penalty will apply.

C. When the Fire Chief, or his/her designated representative, believe that it is necessary to call out one or more members of the department, eligible members called shall be paid overtime on a time and one-half (1½) rated basis. Said employee shall be paid for a minimum of four (4) hours regardless of having worked less than four (4) hours. However, in the event the period of call-out extends into the employee's normal working shift, such employee shall be paid for the time actually worked in addition to their normal working shift. If the period of call-out exceeds four (4) hours, the employee shall be paid for the amount of time actually worked. When a member uses a non-worked sick shift or is on disciplinary leave, the member will not be eligible for call back overtime for a period of 192 hours following the end of their sick shift or is on disciplinary leave. This does not include those instances where the department requires mandatory overtime.

D. An employee who works less than four (4) hours on the initial four-hour period and is then called out a second time during the initial four-hour period shall not be entitled to any additional overtime pay unless the aggregate time worked for both occurrences shall exceed four (4) hours, in which case he shall be paid for the aggregate time so worked. In the event an employee is called out for a second time after the expiration of four (4) hours from the first call-out, the employee shall be paid for a minimum of four (4) hours for each callout, except as provided in the previous paragraph.

E. A shift shall be defined as the employee's normal workday.

F. Upon mutual agreement of the City and the employee involved, an employee on a 10-hour shift may be assigned to work an 8-hour shift.

G. Notwithstanding the provisions of section A, all members of the bargaining unit are subject to temporary re-assignment or change in the normal work day, work week for periods of not greater than two weeks per year for the purposes of job related training. Notification will be given 90 days in advance and will not interfere with normally scheduled annual leave.

Employees assigned to a 40-hour workweek may request time in lieu of overtime (TILO) rather than being paid for overtime. To accumulate TILO time, employees may volunteer to accept time off rather than overtime pay. This TILO time will be accumulated at a time and one-half (1½) rate for payment purposes. No employee can be required to take time off rather than be paid at the overtime rate. To use TILO time, employees must schedule their absence from work following the same procedures used for scheduling annual leave. Such absences will normally only be scheduled when the workload will allow the employee to be absent. This means that employees may be denied the use of TILO time whenever, in the supervisor's judgment, it is felt that to allow the employee to use such time will

require the City to pay other employees at the overtime rate or accumulate TILO time. This accumulation and usage will be reported to the payroll department by appropriate coding on the bi-weekly time cards. TILO time balances will be reported to the employees on the paycheck stubs in the same manner as vacation and sick leave hours are reported. If an employee accumulates and uses the same number of TILO time hours within a pay period, records may not show on the paycheck stub. No employee may have an accumulated balance of TILO time exceeding two hundred (200) hours at the end of any pay period. Employees may not have a deficit TILO time balance. Employees shall be paid for any TILO time in excess of two hundred (200) hours. At the time of separation from City employment, employees will be compensated for any accumulated and unused TILO time at a straight time salary rate.

ARTICLE 25 - LEAVE WITHOUT PAY AND SPECIAL LEAVE

A. Maternity/Paternity/Adoption Leave

Compensation during such leave shall be the normal gross salary that the employee receives from the City, excluding overtime. The employee shall be entitled to retain any Armed Services pay earned during the training duty. Employees are required to furnish copies of all orders directing training, along with their request for time off. Employees who are excused from work are required to report back to their Fire Department duty station upon completion of the Military Training Session.

Employees called to serve on jury duty or subpoenaed to appear as a witness in a court proceeding shall receive their regular City pay, less any jury or witness pay. Those employees in the Communication section assigned to the graveyard shift shall be relieved of duty the shift prior to reporting for jury duty. 1. Except for military leave and leave without pay resulting from job-related illness or injury, periods of leave without pay in excess of thirty (30) days shall not be credited for purposes of completion of probation, merit increases, seniority, or longevity. The employee's service date shall be adjusted to reflect the actual time the employee was actively working for the City of Las Vegas.

2. Continuous leave without pay for periods in excess of thirty (30) days must be approved by the employee's Department Director Fire Chief and the City Manager.

3. Continuous leave without pay for periods in excess of thirty (30) days which are necessitated by job-related illness or injury shall be credited for purposes of annual or sick leave, seniority, and longevity if applicable, and may be credited for

purposes of completion of probation and/or salary increases upon recommendation of the employee's Department Director Fire Chief, and approval of the Director of Human Resources Department and the City Manager.

E. Application and Examination Leave

An employee may be permitted reasonable time off with pay during his/her shift to make an application and/or take an examination for promotional or transfer opportunities within the City, when it is not possible or practical to do so during non-working time. All such absences shall be scheduled with the employee's supervisor.

F. Blood Donor Leave

Employees may be granted reasonable time off during their work shift for the purpose of donating blood when participating in a City authorized and/or sponsored blood donation drive or special need. All such absences shall be scheduled with the employee's supervisor. In no event shall an employee be eligible for overtime as a result of donating blood.

5. The minimum donation is twelve (12) hours per donation request. The donating employee must have a balance of at least forty (40) hours after the donation. Donations can be made from the donor's annual leave, sick leave, or Birthday Holiday. Sick leave donations will only be allowed from the employee's compensable hours. Compensable hours would be those that the employee would receive cash payment for upon separation from City employment. Employees with less than five (5) years of service are not eligible to donate sick leave. Employees with more than five (5) years of service but less than twenty (20) years of service will have fifty percent (50%) of their non-surplus sick leave donation credited to catastrophic leave and the remaining fifty percent (50%) will be credited to the employee's surplus bank hours. Employees with more than twenty (20) years of service will have 100% of their non-surplus sick leave donation credited to

catastrophic leave. Employees with a sick leave balance above their cap may donate accrued, sellable hours as defined in Article 16 – Sick Leave.

6. The Union will forward donations to the Treasurer's, where the donated time will be converted to dollars at the hourly rate of the donor. The dollars will then be converted to sick leave at the hourly rate of the recipient. The time donated will be forwarded by the Union on a first in first out basis and will, as closely as possible, match the estimated time requested by the physician. If any donated sick leave hours remain at the end of the catastrophic leave, they will remain as the recipient's.

7. Eligible employees:

2. The top five (5) or 25% (whichever is greater) scoring candidates on an eligible list will be available to the department to fill vacant positions. The 25% calculation will be rounded down rather than up (25% of 15 would be rounded down to 3).
