Grievance and Arbitration Procedure

- 4-1 A grievance is defined as any dispute which arises regarding an interpretation, application, or alleged violation of any of the provisions of this Agreement. A grievance may be filed by an Employee of the School District covered by this Agreement, individually or through the Association, or by the Association. A grievance will not include any matter or action taken by the school trustees, or any of its agents, for which relief is granted by the Statutes of Nevada.
- 4-2 The provisions of this Article are for the purpose of setting forth the full grievance procedure including the time limits relating to these procedures which may culminate in arbitration.
- 4-3 Time limits indicated at each level of the grievance procedure set forth in this Article shall be construed as maximum and an attempt shall be made to expedite the process. The time limits set forth in this Article shall be waived at the end of the aggrieved Employee's regular assignment or when the aggrieved Employee is on an approved leave, unless the Employee, in the event the grievance was filed by the Employee, the Association, and the District mutually agree to observe the timelines specified in Article 4.
- 4-4 Extensions of the time limits may be requested verbally or in writing by either party. Verbal extensions shall be confirmed in writing by the party making the request within two (2) Days.

4-5

STEP ONE: Informal Discussion:

- (a) Both parties encourage Employees covered by this Agreement to resolve their problems with their immediate supervisor or Appropriate Administrator whenever possible. The provisions of this Article are not intended to preclude an Employee with a potential grievance from informally discussing the problem with his/her Immediate Supervisor or Appropriate Administrator prior to filing a formal grievance.
- (b) If an Employee requests an informal discussion with his/her immediate supervisor or Appropriate Administrator concerning the subject matter of a potential grievance, such informal discussions will be held no later than thirty (30) Days from the last day the alleged violation occurred.
- (c) It is understood and agreed that all aspects of such informal discussions, if any, which take place shall have no bearing or precedential effect on the resolution of that grievance or any similar grievance filed in accordance with this Article.
- (d) If a grievance is resolved as a result of an informal discussion, the Immediate Supervisor or Appropriate Administrator may reduce that resolution to writing prior to the termination of the time limits for filing a formal grievance. Any written resolution shall be acknowledged by both parties and forwarded to the Association and the superintendent's designee, Employee-Management Relations. The absence of such a written resolution shall serve as notice that the formal grievance procedure may be initiated.

4-6

All grievances shall be processed in the following manner:

STEP TWO

- (e) If the grievance is not resolved at Step One, the affected Employee, in the event a grievance has been filed by an Employee individually or through the Association, or the Association may submit the unresolved written grievance to the superintendent's designee, Employee-Management Relations, not later than the time period set forth in subsection (b) above. The Association or the Employee, in the event the grievance was filed by the Employee, may amend the statement of the grievance prior to the Step Two meeting.
- (f) In the event a grievance is filed at Step Two in a timely manner, the superintendent's designee, Employee-Management Relations, shall meet with the affected Employee (if there be one) and the designated representative of the Association within five (5) Days after receiving the grievance.
- (g) In the event a grievance is not resolved at this meeting, the superintendent's designee, Employee-Management Relations, shall, within ten (10) Days after the meeting, submit a written response to the grievance, to the aggrieved Employee and to the Association. Any resolution of the grievance in favor of the grievant shall be in writing and copies forwarded to both the aggrieved Employee and the Association.
- (h) If a grievance is either denied, or not resolved at Step Two of the grievance procedure, the grievance shall be deemed withdrawn with prejudice unless timely filed at Step Three, arbitration, in accordance with the provisions of subsection (k) below.
- (i) If the superintendent's designee, Employee-Management Relations, fails to respond within ten (10) Days as referred to in subsection (g) above, or if a mutually agreed upon time extension is not agreed upon, the grievance shall be deemed in favor of the grievant.

STEP THREE

- (j) In the event a grievance is not resolved at Step Two of the grievance procedure, the Association, not later than twenty (20) School Days after the expiration of the time limit set forth in subsection (g) above, may submit the matter to arbitration by filing a written demand for arbitration with the superintendent's designee, Employee-Management Relations.
- (k) In the event a timely written request for arbitration of an unresolved grievance is made by the Association, an arbitrator will be selected pursuant to Article 4-18.
- (l) The Association and the District will work together to attempt to implement an early resolution to cases prior to being scheduled for arbitration.

If a scheduled arbitration settles within ten (10) school days of the date of the scheduled arbitration, both parties agree to make every effort to replace the settled case with another mutually agreed upon case.

If in the event an arbitration is settled and subsequently cancelled, and no other mutually agreed upon case is scheduled, the parties agree to equally share the cost of the cancellation fee.

If in the event of extenuating circumstances an arbitration is cancelled, the party cancelling the arbitration will pay the entire cost of the cancellation fee.

- 4-7 The arbitrator shall not have the authority to modify, amend, alter, add to, or subtract from any provision of this Agreement. An arbitrator in the absence of the express written agreement of the parties shall have no authority to rule on any dispute between the parties other than one which qualifies as a grievance as defined in Section 4-1.
- 4-8 The arbitrator's decision shall be submitted in writing within thirty (30) School Days of the close of arbitration or submission of post hearing briefs, whichever comes later, to all parties and shall be final and binding on all parties to this Agreement unless the arbitrator exceeds the powers specified herein, or is guilty of procedural error prejudicing the rights of either party as defined by federal labor law decisions.
- 4-9 The expenses of arbitration, including the arbitrator's fee, costs, expenses, and the cost of the arbitrator's transcript, shall be borne equally by the School District and the Association. However, all other expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expenses. It is understood and agreed only the Association has the right to request arbitration.
- 4-10 No reprisals of any kind will be taken by the School Trustees or by any member of the administration against any party because of filing a grievance or because they participated in the grievance procedure on behalf of the grievant and/or the Association. This provision shall not be construed as an agreement by the School District to pay the grievant or the Association Representative or any person present on their behalf for the time spent in processing a grievance in accordance with the provisions of this Article. The time for a grievance meeting must be approved by the superintendent's designee, Employee-Management Relations, and by the Association and/or the grievant. It may occur during or outside the workday. In the event a grievance meeting is scheduled and held during the workday, those Employees covered by this Agreement who participate in such meeting may do so without loss of pay.
- 4-11 Grievances may be consolidated for purposes of arbitration by mutual agreement of the School District and the Association.

- 4-12 No provisions of this Article shall be construed to prevent any individual Employee covered by this Agreement from discussing any problem, dispute, or even a grievance as defined herein with any supervisor outside the presence of a representative of the Association. However, such discussion shall not relieve any party from compliance with other provisions of this Article in the absence of an express written waiver of such provisions.
- 4-13 In the event an Employee(s) exercises the right to individually process a grievance without assistance from the Association, the School District shall provide the Association:
- (a) A written copy of the grievance, the name of the grievant to include job title, work site, and the name of the grievant's Appropriate Administrator.
 - (b) An opportunity to be present at any meeting with the grievant(s) and at any grievance hearings, suspension hearings, evidentiary hearings, arbitration hearings, or any other meetings.
 - (c) Reasonable time to assert the Association's position in regard to the matter.
 - (d) A written copy of the resolution of the grievance or arbitration.
- 4-14 The parties hereby recognize the existence of policies and administrative regulations of the School District to which the Employees covered by this Agreement are bound, and which are subject to change by the School Trustees of the School District. The parties agree that any disputes arising under the application and/or administration of such policies or regulations relating to the subject matter not covered by the provisions of this Agreement shall be processed in accordance with Step Two of the grievance procedure set forth herein. If the dispute is unresolved after Step Two of the grievance procedure, the dispute may only be processed as follows:
- 4-14-1 The person initiating the dispute may refer the dispute to the Board of School Trustees with full knowledge of the Appropriate Administrator and/or the Superintendent. When a dispute is so referred the board or a committee of the board designated by the full board shall meet and informally discuss the subject matter of the dispute with the person initiating the dispute and with representatives of the Association requested to be present by that person.
 - 4-14-2 The Superintendent or designee shall prepare a review of the case for the Board of School Trustees.
 - 4-14-3 The Board of School Trustees shall make a decision and shall communicate it in writing within thirty (30) calendar days after the final meeting on the dispute.
- 4-15 The District and the Association agree that all hearings shall be conducted in an orderly manner. Should a participant not conduct himself or herself in an orderly manner, either party could request a 30-minute recess.
- 4-16 The District and the Association agree that all District regulations and policies of conduct are in force during the hearing.
- 4-17 No precedent shall be set by the resolution of a grievance filed by an individual Employee unless the Association submits the matter to Step Three, Arbitration.

4-18 Expedited Arbitration Procedure

After ratification of the contract, the District and the Association shall establish a panel of arbitrators from which an arbitrator will be assigned. The number of arbitrators on the panel shall be determined by mutual agreement of the parties, which are the District and the Association. If the parties are unable to agree on a number, the number of arbitrators on the panel shall be nine (9). The American Arbitration Association (AAA) shall be asked to provide a list of twenty-seven (27) arbitrators from which the parties will strike. Those remaining will constitute the panel. The District and the Association shall also have the right, by mutual agreement, to select a panel of arbitrators which must be AAA certified arbitrators.

4-19 Either party to this Agreement may request non-binding mediation through the designated representatives of each party. Mediators shall be assigned by a joint ESEA-CCEA-CCASA committee. Mediation shall take place prior to the filing of a formal grievance and with the concurrence of the other party. Timelines are not suspended pending mediation, except with the written agreement of both parties.

4-20 Regular nine-month or modified nine-month employees who secure temporary/summer assignments do not have any grievance rights provided under this agreement or any property interest in the assignment while serving in such temporary/summer assignments. However, terminations from such assignments may be reviewed by the Chief Human Resources Officer or designee, Human Resources Unit, as set forth below.

4-20-1 The affected Employee may request an informal discussion with the Human Resources Administrator or designee.

4-20-2 The affected Employee may bring an Association representative to such meeting.

4-20-3 A representative of the Department terminating the Employee may attend the meeting and offer information.

4-20-4 The meeting will be scheduled and held within a reasonable period of time, as determined by the Human Resources Administrator or designee.

4-20-5 The Employee may be reinstated to the temporary summer assignment under conditions determined appropriate by the Human Resources Administrator or designee.

**ARTICLE 5

On any successive responsibility assignment to the same position in the higher class within the previous twelve (12) months, the Employee shall receive responsibility pay effective the first day of the assignment.

Such an assignment shall not exceed ninety (90) calendar days unless the approval of the Superintendent or designee has been obtained.

All other required deductions have priority over Association dues.
- 18-6 It is recognized that the School District in agreeing to deduct dues and authorized assessments from Association members is performing a solely administrative function on behalf of the Association for its convenience and is not a party to any agreement between the Association and its members regarding the deduction of dues. The Association, therefore, agrees to hold the School District harmless and to reimburse the School District for any and all cost, including legal fees it may incur, in relation to any deductions made at the direction of the Association and contrary to the instructions received from the individual education support Employee.

Group Health Insurance

- 20-1 The CCSD Health and Welfare Insurance Program for district Support Staff employees ("CCSD Program") is hereby established, effective September 15, 2001, to replace the ESEA Health and Welfare Benefit Trust.
- 20-2 In addition to contributing toward the cost of the plan, the School District agrees to provide payroll deduction for additional premiums and to provide such reasonable record keeping and verification of employment as may be required by the insurance carrier.
- 20-2-1 Within said payments, set forth in 20-4-5, the CCSD Program shall provide health insurance and the following ancillary insurance benefits:
- Dental. The medical benefits package in the CCSD Program includes dental benefits.
- Life Insurance. The medical benefits package in the CCSD Program includes life insurance benefits.
- Long-Term Disability. The medical benefits package in the CCSD Program includes long-term disability benefits.
- Short-Term Disability. The medical benefits package in the CCSD Program includes voluntary short-term disability benefits.
- Vision. The medical benefits package in the CCSD Program includes vision benefits.
- 20-2-2 Retirees. The District will assure that retirees will be provided with their medical benefits package as mandated by the Nevada Revised Statutes.
- 20-3 Additional Provisions
- 20-3-1 Employee Participation in Appeals Process. All fully insured carriers doing business in the State of Nevada are required to provide members with a dispute resolution process. The insurance providers' plans provide all covered employees with several levels of appeal to resolve disputes. The CCSD Program requires insurance providers to include an ESEA covered employee, to be selected by the District after consultation with ESEA, as a member of the Grievance Review Committee.
- 20-4 The parties shall continue the Joint Insurance Advisory Committee having a minimum of six members, half of whom shall be appointed by each party.
- 20-4-1 The Joint Insurance Advisory Committee will meet quarterly and review the ESEA insurance programs. The committee will report the results of such review to the Chief Financial Officer, Finance and Operations Division.
- 20-4-2 In the event that there are surplus funds remaining from the School District's contribution for insurance benefits pursuant to Article 20-4-5 of the Negotiated Agreement, the following shall occur:
- 20-4-2-1 When such funds are determined to be a surplus, they shall be set aside in the restricted Insurance Reserve Account.

- 20-4-2-2 A report shall be made quarterly to the Joint Insurance Committee concerning the amounts set aside in the restricted Insurance Reserve Account, and the ending balance.
- 20-4-3 In the event the employee premium for health insurance during the 2009-2010, 2010-2011, or 2011-2012 school years increases beyond the premium agreed to in Article 20-4-5, then the increase will be paid through any one or a combination of the following:
- 20-4-3-1 Any funds remaining in the restricted Insurance Reserve Account;
 - 20-4-3-2 Monies designated by the Nevada State Legislature for health and welfare benefits for the District's support staff employees; or
 - 20-4-3-3 A change in the benefits available under the plan, and/or an increase in employee contribution.
- 20-4-4 During the term of the Negotiated Agreement between the Clark County School District and the Education Support Employees Association (2011-2014), the District will make no contribution toward employee health benefits greater than the contribution set forth in Article 20-4-6 of the 2011-2014 Negotiated Agreement and the monies designated by the Nevada State Legislature for health and welfare benefits for the District's support staff employees.
- 20-4-5 The Committee shall consider insurance proposals submitted to it for an insurance benefits package. The goal of the Committee shall be to make a recommendation to the Chief Financial Officer-CFO. If a joint recommendation is not reached, then each party may submit a recommendation or recommendations from which the CFO may select. Nothing in this provision shall be interpreted as a waiver of mandatory bargaining over the subject of insurance following the expiration of the new collective bargaining agreement, but consistent with legal notice obligations.
- 20-4-6 Effective July 1, 2008, through June 30, 2015, the CCSD will contribute the amount of \$526.65 per employee per month for the insurance benefits package.
- 20-5 Effective January 1, 2012, through June 30, 2012, support staff Employees who realized an increase in payroll deduction amounts for insurance expenses effective September 2011 will be responsible for only one-half (1/2) of that increase. The remaining one-half (1/2) of the insurance increase will be paid by the Insurance Reserve Fund.
- 20-6 Support staff Employees who realized an increase in payroll deduction amounts for insurance expenses effective September 2011 will be reimbursed for one-half (1/2) of the increase reflecting for the months of September 2011, October 2011, November 2011, and December 2011, which will be paid by the Insurance Reserve Fund.
- 20-7 Effective July 1, 2012, support staff Employees who realized an increase in payroll deduction amounts for insurance expenses effective September 2011 will be responsible for the entire cost of the increase.
- 20-8 Effective July 1, 2012, through June 30, 2013, support staff Employees will pay the entire payroll deduction amounts for the insurance increase effective August 2010, formerly funded by the Insurance Reserve account at an annual cost of approximately \$5 million.
- 20-9 Effective July 1, 2012, through June 30, 2013, support staff Employees will pay the full cost of the payroll deduction amounts for the insurance increase effective September 2011. One-half (1/2) of this increase had formerly been funded by the Insurance Reserve account.

Work Day

- 21-1 Employees of the School District shall not be permitted to leave their work location during the work day except during their non-paid lunch break unless permission is given by the Appropriate Administrator or designee.
- 21-2 Employees may leave the work location during the work day to conduct personal business or for doctor and/or dental appointments. With prior approval of the Appropriate Administrator or designee, time away from work shall be selected by the Employee and shall be charged appropriately to earned annual leave, earned personal leave, or earned sick leave. Sick leave shall be used only as necessary and for appropriate reasons. In the event earned annual leave, earned sick leave, or earned personal leave is not available, time away from the work location will be taken without pay.
- 21-3 Employees given permission by their Immediate Supervisor or Appropriate Administrator to attend Association meetings, which are conducted during their workday must make up the time away from the job. Make-up time may be scheduled during the current week by mutual agreement of the Employee and the Immediate Supervisor or Appropriate Administrator. If not mutually agreed, the make-up time will, at the Employee's election, be charged to earned annual leave or earned personal leave.
- 21-4 No Employee covered by this Agreement will be permitted by the Immediate Supervisor or Appropriate Administrator to attend more than eight (8) association meetings (up to two {2} hours per meeting) a year which are scheduled during the Employee's work day. The time permitted to attend association meetings will be non-paid and will have to be made up by the Employee on the same workday, and the Association meetings will not begin prior to 4:30 P.M.
- 21-5 A 15-minute paid break will be provided during each four (4) hours of work. This does not preclude the Employee's immediate supervisor or appropriate administrator from scheduling breaks so as to ensure coverage and/or completion of a task or prior to the conclusion of the Employee's work day.

ARTICLE 22

Use of Facilities

- 22-1 The Association shall have the use of school mailboxes. Copies of all materials shall be given to the Appropriate Administrator. The material will be clearly identified and the Association accepts the liability for such material and therefore agrees to hold the District, its employees and agents, harmless from all claims, demands, losses, liability, cost or expenses of any nature, to include attorney's fees, arising from the distribution of association material. The foregoing "hold harmless" clause shall not apply to grievances between the Association and the District. If the use extended herein is misused by the Association, or any of its designated representatives, it may be immediately revoked by the Superintendent. District support staff Employees shall be permitted use of school district mail services for district-related business.
- 22-2 Space will be provided for Association use on existing bulletin boards at all work locations. The Association will have the right to place responsible materials on the bulletin boards. All notices which appear on the Association's bulletin boards shall be approved by the highest ranking Association official in the bargaining unit and shall relate to items of interest to the members.

- 22-3 It is understood that no material shall be posted on the association bulletin boards at any time which contain personal attacks upon any other member or any other Employee; scandalous, scurrilous, or derogatory attacks upon the administration or members of the Board of School Trustees; or attacks on any other recognized bargaining agent. The use of school facilities permitted above shall not include any use to campaign in any manner, either directly or indirectly, for or against School District representatives or school trustees, or to campaign on behalf of any activity by the Association or any of its representatives relating to the collective bargaining process. Such use of the bulletin boards shall be subject to the same conditions set forth in Section 22-1 above for the use of the school mail service.
- 22-4 From the effective date of this Agreement to its termination the Association will be allowed the use of school buildings and premises for association meetings and activities on regular School Days as long as arrangements have been made with the Appropriate Administrator for the building. Such activities will not conflict with any regular or special educational activities and where such use shall not involve additional or extra custodial services and/or other unusual expenses to the School District. Use of buildings on other than School Days requires the approval of the Superintendent in addition to the Appropriate Administrator. Any added expense resulting from the Association's use will be paid by the Association. Individual Employees will not be prohibited from the responsible use of the school facilities.
- 22-5 School facilities and/or district property will not be used for the personal convenience or profit of Employees.
- 22-6 If the privileges extended herein are misused by the Association or any of its designated representatives, they may be immediately revoked by the Superintendent and that determination shall be grievable at Step 2 of the Grievance and Arbitration Procedure.
- 22-7 Lounges are for the use of all district Employees.
- 22-8 Employees are discouraged from maintaining personal property on School District premises. The School District's obligation to indemnify an Employee's loss is limited to perils (fire, lightning, explosion, windstorm, hail, smoke, vandalism, theft and water damage) covered under the District's excess insurance policies, subject to the conditions set forth therein, site aggregates, applicable personal property insurance, and the following:
- 22-8-1 Personal property for which loss is claimed must be used for essential tasks to support the Employee's direct scope of work and must be listed in the declaration required in (22-8-2) below. Property (personal effects) necessarily worn or carried (e.g., eyeglasses, hearing aids, jewelry, dentures, clothing) is to be exclusively covered by the Employee's personal insurance as a non-business item, and should not be included on the declaration.
- 22-8-2 An Employee must receive supervisor authorization and maintain a declaration form itemizing personal items and corresponding business use in order to activate indemnification up to \$1,000 (replacement cost) per Employee occurrence.
- 22-8-3 Personal property declaration must be provided by the Employee to supervisors at least semi-annually; or more often as stipulated by site administrators.
- 22-8-4 Items not declared will be considered as non-business in their use and District indemnification will be limited to the Employee's personal insurance deductible up to \$250.

- 22-8-5 In any event, Employees must submit a sworn statement to the School District within sixty (60) calendar days in order to receive indemnification. Claim procedures outlined by the declaration form in (22-8-2) will apply.
- 22-8-6 The maximum School District indemnification for any one Employee occurrence will be \$1,250, including both the \$1,000 limitation in (22-8-2) and the \$250 limitation in (22-8-4) in the event both declared and undeclared are lost.
- 22-8-7 Losses attributed to wear and tear, gradual deterioration, latent defect, misuse, mishandling, abuse, mysterious/unexplained disappearance will not be considered, regardless of personal insurance applicability.
- 22-8-8 For purposes of this Article, personal automobiles will not be considered as personal property.

ARTICLE 23

Education Support Advisory Committee(s)

- 23-1 Advisory committee(s) may be established where Employees desire such committee(s).
- 23-2 The Appropriate Administrator and the committee(s) will meet at the request of either party to discuss department/school operations. Although they may discuss matters covered by the Agreement, they may not take any action contrary to the Agreement. All grievances are to be handled in the manner set forth in Article 4.
- 23-3 The number of Employees who will serve on the committee(s) and the functions will be determined by the Appropriate Administrator and the committee(s), once they are organized.
- 23-4 If a majority of the Employees desire to form such advisory committee(s), a selection of the members will be made by October 1 and may take place during orientation days or at other times that do not interfere with the Employee's work day.
- 23-5 The primary purpose of the advisory committee(s) is:
 - 23-5-1 Advisory to the Appropriate Administrator.
 - 23-5-2 Improve the morale of the department/school staff.
 - 23-5-3 Apprise the Appropriate Administrator of actual or potential problems involving the department/school staff.

 - 23-6-1 The Superintendent and the Education Support Advisory Committee will meet four (4) times a year.
 - 23-6-2 The Education Support Advisory Committee will be comprised of the Association president, three (3) association members, and the Association's executive director.

- 23-6-4 The Education Support Advisory Committee may not take action contrary to the provisions of the negotiated agreement. Pending grievances, once filed, may not be discussed or acted upon but may only be handled in accordance with Article 4 of the negotiated agreement.

ARTICLE 24

Employee Personnel Files

- 24-1 It is recognized by the parties that the School District may prescribe regulations for the custody, use and preservation of the records, papers, books, documents and property pertaining to the School District. However, to the extent that any records, papers, or other documents covering Employees of the Association do not relate to pre-employment data, every Employee shall be allowed to review the personnel file at any reasonable time upon request. No Employee's request shall be deferred for more than seven (7) School Days for a central office file and no more than two (2) School Days for a site location file excluding weekends and holidays. If any Employee is involved in a grievance regarding matters in the personnel file which may be material, an Association officer or other Association Representative with the written approval of the Employee may also be granted access to the Employee's personnel file at reasonable times where such access is authorized in advance by the Employee. The District shall provide copies of all legally permissible information pertinent to the grievance.
- 24-2 A copy of each written report, comment, or reprimand concerning an Employee which the School District places in the Employee's personnel file shall be provided that Employee. The Employee must sign the personnel copy of the report, comment, or reprimand as directed as acknowledgment of receipt of a copy of the document. Such signature may not be construed as agreement to the contents of the document. Upon request, an Employee shall be provided, at the prevailing rate per page, a reproduction of any material, excluding any pre-employment documents, in the Employee's file. Unless requested by the Association, such a request may not be made more than one time per year.
- 24-3 Any written response by the Employee to any written report, comment, or reprimand will also become a part of the Employee's personnel file and will remain a part of said file as long as the report, comment, or reprimand responded to remains a part of the file. In order to insure that the response is not inadvertently overlooked, the Employee will note under his or her signature on the report, comment, or reprimand at the time the response is delivered that a response has been made and the document will be countersigned by the receiving administrator and shall be attached to the supervisor's document. If an Employee desires to make a written response to any written report, comment, or reprimand issued by the Immediate Supervisor or Appropriate Administrator, the Employee's response must be made within twenty (20) days. Upon written request of the Employee, a waiver of the time limits by the Appropriate Administrator, not to exceed twenty (20) days, may be granted, which will not be unreasonably withheld. When a copy of the Immediate Supervisor's or Appropriate Administrator's written document is forwarded to any other location, a copy of the Employee's written response must be attached.
- 24-4 Upon review of the personnel file, an Employee may respond to documents, comments, or reprimands contained therein that the Employee believes to be inaccurate. The Employee's response shall be directed to the Superintendent's designee. If upon investigation by the Superintendent's designee it is determined that the Employee's response is accurate, the response shall become part of the Employee's personnel file or the comment, document, or

reprimand in question may be removed by the Superintendent's designee. The determination as to whether the Employee response is accurate and whether said response shall become part of the Employee's personnel file or the comment, document, or reprimand in question shall be removed are determinations that shall be grievable. The Performance Evaluation Report shall remain a permanent part of the Employee's personnel file. If it is determined that the information contained within the evaluation is not substantiated as factual, the District shall replace the evaluation with a corrected copy.

- 24-5 It is the School District's intention that work rules, policies, and procedures are to be interpreted and applied uniformly to all Employees under similar circumstances.

ARTICLE 25

Surplus Reassignment

- 25-1 The School District retains the right as defined by NRS 288.150 (3)(b) to determine appropriate staffing levels and adjust those levels at any time.

- 25-2 If the School District at any time declares a Reduction-in-Force ("RIF"), the provisions of Article 26 shall be followed instead of the provisions of this Article 25.

- 25-3 The Association will be provided pre-decisional involvement in all issues related to a surplus, including reasonable advance notice of any potential surplus, the job families and positions to be impacted, and the opportunity to provide input into the decision-making process.

- 25-4 If the School District decides to adjust staffing levels, the appropriate administrator in a particular division, department, or school shall, as soon as practical, notify all employees in the affected positions that they may be subject to surplus.

- 25-4-1 Employees who volunteer to leave an affected position in that division, department, or school shall be the first to be reassigned.

- 25-4-2 Employees who voluntarily resign in lieu of surplus reassignment will, for one (1) year from the effective date, have a right to return to the same position at any work location.

- (a) This right to return will occur after current School District Employees and Employees who are terminated as a result of a RIF are reassigned.

- (b) It is the former Employee's responsibility to notify the Support Staff Personnel of the desire to return before the advertisement for the position closes.

Thereafter, those Employees in excess of available affected positions with the least District-wide seniority shall be identified as "Surplus Employees."

- 25-4-3 The District and the Association agree that for school-based clerical or instructional Employees, a reduction in the months of work or the reduction of hours to not less than 4.1 hours per day shall not be considered an adjustment that triggers the Surplus Provisions of Article 25, and any such Employee affected by such a reduction shall not automatically be considered a Surplus Employee.

- (a) Employees affected by such a reduction may seek a transfer in accordance with Article 36, and the limitation set forth in Article 26-3-3 will be waived for the duration of the applicable Work Year.

- (b) An Employee affected by such reduction may voluntarily relinquish the position and become a Surplus Employee, provided the Employee shall have no right to return to the relinquished position.

25-4-4 District-wide seniority shall be based on the Employee's adjusted hire date. The adjusted hire date shall be determined by subtracting time not spent in regular active service from the original date of hire or from the most recently adjusted hire date.

25-4-5 In the event that more than one support staff has the same date of employment, adjusted hire date shall be determined by lottery designed by the District with input from the Association. The Association has the right to be present during the lottery drawing. Lottery results will be available to the Association upon completion.

25-5 Whenever the adjustment of staffing levels results in Surplus Employees, a Surplus Reassignment shall be initiated.

25-6 Surplus Reassignment

25-6-1 The effective date of a Surplus Reassignment is determined by the School District.

25-6-2 Whenever possible, Employees who may be impacted by a Surplus Reassignment shall be notified at least twenty (20) calendar days prior to the effective date of the Surplus Reassignment.

25-6-3 Surplus Employees shall be placed in a surplus pool based upon their current position, grade, months, and hours.

25-6-4 All Surplus Employees will meet on dates determined by the School District in one central location ("Surplus Reassignment Meeting"), or be contacted individually, to select from all available positions for which they are Qualified at equal or lower pay grades in order of District-wide seniority.

25-6-5 An Employee must meet the qualifications listed on the published job description in order to be eligible for assignment to that position in Surplus Reassignment ("Qualified").

- (a) Employees will automatically qualify for a position that is at an equal or lower pay grade provided the minimum qualifications for that position are the same or less than the minimum qualifications for the position currently held.

- (b) If an Employee does not automatically qualify for a position, it is the Employee's responsibility to provide necessary documentation, certification, and evidence that the current qualifications for the position have been met prior to the Surplus Reassignment Meeting.

25-6-6 At a Surplus Reassignment Meeting:

- (a) Surplus Employees first must select an authorized, lateral, vacant position for which they are Qualified, and will have, from the effective date of the Surplus Reassignment, a one (1) year right to return to the same position in the department or school where they were previously assigned.

- (1) If a Surplus Employee declines an authorized, lateral, vacant position for which he/she is Qualified, the Surplus Employee has, in effect, resigned

from the Clark County School District on the effective date of the Surplus Reassignment.

(2) If a Surplus Employee declines an authorized, lateral, vacant position for which he/she is Qualified, the Surplus Employee may seek a voluntary transfer prior to the effective date of the Surplus Reassignment but will have no other rights as provided by this Article or Article 26.

(b) If there are no authorized, lateral, vacant positions for which a Surplus Employee is Qualified, the Surplus Employee may select an authorized, non-lateral, vacant position, and will have, from the effective date of the Surplus Reassignment, a two (2) year right to return to: 1) the same position in the department or school where he/she was previously assigned; 2) a position in the same job family for which he/she is Qualified at any work location that is lateral to the same position; or 3) a non-lateral position in the same job family for which they are Qualified at any work location.

(1) A job family is a cluster of like, similar, or related positions as determined and published in the "Job Family List" by Support Staff Personnel.

25-7 If any Surplus Employees are not assigned after a Surplus Reassignment Meeting, the School District shall decide whether to declare a RIF, the provisions of Article 26 shall be followed instead of the provisions of this Article 25.

25-8 If any Surplus Employees are not assigned after a Surplus Reassignment Meeting, and the School District does not declare a RIF, the following shall apply:

25-8-1 If a vacancy becomes available which may be filled by an unassigned Surplus Employee, the School District will contact those Qualified and eligible unassigned Surplus Employees in order of District-wide seniority and offer the vacancy until the position is filled. A position does not become vacant for purposes of this provision until it is released by the appropriate Human Resources administrator and is first offered to Employees with a right to return.

25-8-2 If an unassigned Surplus Employee accepts a lateral position, that Surplus Employee will have, from the effective date of the Surplus Reassignment, a one-(1) year right to return to the same position in the department or school where he/she was previously assigned.

25-8-3 If an unassigned Surplus Employee declines a lateral position, that Surplus Employee will have, in effect, resigned from the School District as of the effective date of the Surplus Reassignment.

25-8-4 If an unassigned Surplus Employee accepts a lower position, that Surplus Employee will have, from the effective date of the Surplus Reassignment, a two- (2) year right to return to: 1) the same position in the department or school where he/she was previously assigned; 2) a position in the same job family for which he/she is Qualified at any work location that is lateral to the same position; or 3) a non-lateral position in the same job family for which they are Qualified at any work location.

25-8-5 If an unassigned Surplus Employee declines a lower position, that Surplus Employee will remain unassigned.

25-8-6 The School District may at any time schedule Surplus Reassignment Meetings in addition to the Spring/Fall Surplus Meeting. It is anticipated that for normal

spring/fall staffing, additional Surplus Reassignment Meetings may be held in August and October.

- 25-8-7 Employees who were placed into surplus due to spring/fall staffing shall be allowed to remain in their positions until the School District either declares a Reduction in Force or the last Friday in October, at which point a Reduction in Force shall be deemed to be declared.
- 25-9 A Surplus Employee may not select, be assigned to, or exercise a right to return to a position that would result in the Surplus Employee making more money than he/she did in the position from which he/she was displaced by the surplus process.
- 25-10 The Employee may exercise a right to return only once. It is the responsibility of the Employee to notify Support Staff Personnel of the desire to exercise the right to return before the advertisement for the position closes.
- 25-10-1 If more than one Employee exercises a right to return to a position, the Employee with the most District-wide seniority who is Qualified and eligible will be assigned to the position.
- 25-10-2 When a Surplus Employee seeks and secures a voluntary transfer or promotion to a position that is lateral to or higher in grade than the position from which the Surplus Employee was originally displaced, that Surplus Employee's rights to return under this Article end.
- 25-11 An Employee who is placed into a position through Surplus Reassignment will be expected to perform the essential job functions of the position.
- 25-12 Qualifications are based upon the education, knowledge, skills, abilities, training, and/or experiences required by an individual to perform the essential tasks of the position. They do not guarantee that a person with the necessary qualifications will be successful in the position.
- 25-13 Regulation 4323 provides for the evaluation of support Employees and is applicable for Employees who may be reassigned or placed as a result of surplus assignment.
- 25-14 When the use of a temporary Employee will facilitate the placement of an Employee identified for surplus reassignment, the temporary Employee may be employed according to District regulations.

ARTICLE 26

Reduction-in-Force

- 26-1 The School District retains the right as defined by NRS 288.150 (3) (b) to determine when a Reduction-in-Force ("RIF") is necessary and shall provide notice to the Association as soon as practical when a RIF is contemplated or anticipated to allow the Association an opportunity to provide pre-decisional input.
- 26-2 The effective date of a RIF shall be determined by the School District. Whenever possible, Employees who may be impacted by a RIF shall be notified at least twenty (20) School Days prior to the effective date of the RIF.
- 26-3 An Employee displaced during a RIF shall have his/her original pay "protected" for twenty (20) School Days from the first date of notification of a possible RIF, or for as long as the employee continues working in the original position as a regular status employee.

- 26-4 Those Employees in excess of available affected positions with the least District-wide seniority shall be identified as "RIF'd Employees."
- 26-4-1 District-wide seniority shall be based on the Employee's adjusted hire date. The adjusted hire date shall be determined by subtracting time not spent in regular active service from the original date of hire or from the most recently adjusted hire date.
- 26-4-2 In the event that more than one support staff has the same date of employment, adjusted hire date shall be determined by lottery designed by the District with input from the Association. The Association has the right to be present during the lottery drawing. Lottery results will be available to the Association upon completion.
- 26-5 When the School District determines that a RIF is necessary, Employees who voluntarily resign will be the first to be reduced-in-force.
- 26-5-1 An Employee who has been identified for a RIF and who voluntarily resigns in lieu of the RIF reassignment will, for one (1) year from the effective date of the resignation, have a right to return, when a vacancy occurs, to: 1) the same position in the department or school where he/she was previously assigned; or 2) a position in the same job family for which he/she is Qualified at any work location that is lateral or lower to the position previously held.
- 26-5-2 This right to return is subordinate to the rights to return held by current School District Employees and Employees who were terminated as a result of a RIF.
- 26-5-3 It is the responsibility of the Employee to notify Support Staff Personnel Services of the desire to exercise this right to return before the advertisement for the position closes.
- 26-6 It is the Employee's responsibility to establish eligibility for positions by obtaining placement in the position's Qualified Selection Pool (become "Qualified" for the position). An Employee must meet the current qualifications detailed on the published job description in order to be eligible for assignment to that position in the RIF process.
- 26-6-1 Employees will automatically qualify for a position that is at an equal or lower pay grade provided the minimum qualifications for that position are the same or less than the minimum qualifications for the position currently held, as determined by the appropriate Human Resources administrator.
- 26-6-2 It is the Employee's responsibility to provide necessary current documentation, certification, and evidence that the current qualifications are met.
- 26-7 The following will be the steps for placing RIF'd Employees:
- 26-7-1 RIF'd Employees will first be placed in an authorized, vacant position, within the same job family and at the same grade and months and hours, for which the RIF'd Employee is Qualified.
- a. A job family is a cluster of like, similar, or related positions as determined and published in the "Job Family Listing" by Human Resources.
- 26-7-2 If no such vacancy exists, the RIF'd employee will replace (bump) an Employee in such a position (same job family, same grade, same months and hours) who has less District-wide seniority.

- 26-7-3 If the RIF'd Employee is not more senior than any Employee in such a position (same job family, grade, months and hours), the RIF'd Employee will be placed in an authorized, vacant position, within the same job family at the same grade but with less months and/or hours, for which the RIF'd Employee is Qualified.
- 26-7-4 If no such vacancy exists, the RIF'd employee will replace (bump) an Employee in such a position (same job family, same grade, less months and/or hours) who has less District-wide seniority.
- 26-7-5 If the RIF'd Employee is not more senior than any Employee in such a position (same job family, same grade, less months and/or hours), the RIF'd Employee will be placed in an authorized, vacant position, within the same job family at a lower grade with the same or less months and/or hours, for which the RIF'd Employee is Qualified.
- 26-7-6 If no such vacancy exists, the RIF'd employee will replace (bump) an Employee in such a position (same job family, lower grade, same or less months and/or hours) who has less District-wide seniority.
- 26-7-7 If the RIF'd Employee is not more senior than any Employee in such a position (same job family, lower grade, same or less months and/or hours), the RIF'd Employee will identified to be reduced-in-force (terminated from employment).
- 26-7-8 RIF'd Employees who are identified to be terminated after these procedures, shall be allowed to select any authorized, vacant position at a lateral or lower grade for which the Employee is Qualified. If no position is available, the Employee shall be terminated.
- 26-7-9 The steps described in this subsection 26-7 shall be repeated from the beginning for any Employee who is "bumped" out of his/her position by a more senior Employee.
- 26-8 RIF'd Employees and those who are bumped by RIF'd Employees will have a two (2)-year (from the effective date of the RIF reassignment) right to return to the position eliminated and previously held at any work location when an authorized vacancy occurs.
 - 26-8-1 This right to return may only be exercised once.
 - 26-8-2 It is the responsibility of the Employee to notify Support Staff Personnel Services of the desire to exercise this right to return before the advertisement for the position closes.
- 26-9 RIF'd Employees who are identified to be terminated who select any authorized, vacant position at a lateral or lower grade for which the Employee is Qualified, and those who are terminated will have a two (2)-year right to return to the position eliminated and previously held or any position lateral to or at a lower grade to the position eliminated and previously held for which the Employee is Qualified when an authorized vacancy occurs.
 - 26-9-1 This right to return may only be exercised once.
 - 26-9-2 It is the responsibility of the Employee to notify Support Staff Personnel Services of the desire to exercise this right to return before the advertisement for the position closes.

- 26-10 When an Employee whose position is eliminated or who is bumped by a more senior Employee during a RIF seeks and secures a voluntary transfer or promotion and the voluntary transfer or promotion is lateral to or higher in grade than the position from which the Employee was originally displaced, the Employee's rights to return under this Article will end.
- 26-11 An Employee who is placed into a position through the RIF process will be expected to perform the essential job functions of the position.
- 26-12 Qualifications for a position are based upon the knowledge, skills, abilities, training, and/or experiences required by an individual to perform the essential tasks of the position. They do not guarantee that a person with the necessary qualifications will be successful in the position.
- 26-13 Regulation 4323 provides for the evaluation of Employees and is applicable for Employees who are reassigned or placed as a result of a RIF.
- 26-14 When the use of a temporary Employee will facilitate the placement of an Employee identified for RIF, the temporary Employee may be employed according to School District regulations.
- 26-15 A RIF Review Procedure shall be available to any Regular Status Clark County School District education support employee who has been "impacted" by a RIF ("RIF'd Employee").
- 26-15-1 An education support staff employee will be deemed to have been "impacted" by a RIF if the employee's work terms or conditions, pay, and/or benefits have been altered in anyway by a RIF.
- 26-15-2 A RIF'd Employee is entitled to be assisted or represented by an Education Support Employees Association ("ESEA") representative or another representative of the RIF'd Employee's choice throughout the RIF Review Procedure.
- 26-15-3 A RIF'd Employee or his/her representative may submit a review request to dispute the RIF'd Employee's placement or CCSD's failure or refusal to make a placement to which the RIF'd Employee believes he/she is entitled ("RIF Review Request").
- 26-15-4 A RIF Review Request must be submitted within twenty (20) School Days of the date the alleged placement or failure to place occurred. For purposes of a claim that a RIF'd Employee was wrongfully denied a placement, the date the failure to place occurred shall be the date that the notice of the successful applicant is posted.
- 26-15-5 The RIF Review Request must be submitted on the form provided by CCSD and completed in full. The RIF'd Employee or his/her representative must indicate on the RIF Review Request how the RIF'd Employee or representative would like to receive CCSD's written determination (mail, fax, or email). For the initial implementation of this RIF Review Procedure, CCSD will attach the RIF Review Request form to the InterAct posting and include it in the mailed notice.
- 26-15-6 The RIF Review Request may be submitted, within the time period specified in Article 26-15-4, by: (1) hand-delivering it to the Clark County School District, Support Staff Personnel Services, Room 108, 2832 East Flamingo Road, Las Vegas, NV 89121; (2) mailing it (with a return receipt) to the same address; (3) emailing it to ssp-service@interact.ccsd.net; or (4) faxing it to (702) 799-5488. The date of the submission shall be: (1) for hand-delivery, the date CCSD stamps its confirmation of receipt; (2) for mailing, the date of the postmark; (3) for

faxing, the date of the fax confirmation; and (4) for emailing, the date the email is shown to have been sent.

- 26-15-7 Upon receipt of a RIF Review Request, CCSD will investigate the dispute and make a determination within twenty (20) School Days of the date of receipt of the request, unless unusual circumstances require an extension. If an extension is determined to be needed, CCSD will send notice of the extension and reasons therefore to the RIF'd Employee, or the RIF'd Employee's representative if the request was submitted by the representative. CCSD will provide its determination in writing and deliver it, as indicated on the RIF Review Request, to the RIF'd Employee, or the RIF'd Employee's representative if the request was submitted by the representative. A RIF'd Employee or his/her representative will be deemed to be in receipt of the determination three (3) business days after the determination is mailed, on the date of the fax confirmation, or on the date the determination is emailed.
- 26-15-8 If after receiving CCSD's determination, the RIF'd Employee or his/her representative desires to have a meeting to further discuss the dispute, the RIF'd Employee or his/her representative shall mark the appropriate box on the determination and submit the same to CCSD within ten (10) School Days of receipt of the determination. Submission of a request for meeting shall be in the same manner described in Paragraph 8 above. Upon receipt of a request, CCSD will schedule the meeting within ten (10) School Days of the date of receipt, unless unusual circumstances require an extension. If an extension is determined to be needed, CCSD will send notice of the extension and reasons therefore to the RIF'd Employee, or the RIF'd Employee's representative if the request was submitted by the representative.
- 26-15-9 If CCSD determines that a RIF'd Employee was improperly placed or denied a proper placement and an appropriate, authorized, and approved vacancy exists, CCSD will immediately place the employee in that vacancy and pay the RIF'd Employee back pay for the difference between the position to which he/she was incorrectly placed and the position to which he/she should have been placed. A vacancy is "appropriate" for an employee if the employee previously held the position or is in the position's Qualified Selection Pool and presently has all necessary minimum qualifications for the position, a vacancy is "authorized" if it is funded by any source, and a vacancy is "approved" if the CCSD Human Resources Division determines that it is a position that will be filled. Any determination that a position will not be filled must be based upon a legitimate business reason.
- 26-15-10 If CCSD determines that a RIF'd Employee was improperly placed or denied a proper placement and no appropriate, authorized, and approved vacancy exists, CCSD will pay the RIF'd Employee back pay for the difference between the position in which he/she was incorrectly placed and the position in which he/she should have been placed, and "star-rate" the RIF'd Employee's rate of pay to what it should be had the RIF'd Employee been properly placed, until the RIF'd Employee is placed in an appropriate, authorized, and approved vacancy.
- 26-15-11 If CCSD determines that a RIF'd Employee was properly placed, the matter may be submitted to arbitration pursuant to Article 4-6(j), "Step Three," of the Negotiated Agreement between CCSD and ESEA.

- 28-3 Effective with the August 7, 2013, paycheck, the Support Staff Salary Schedule will be reduced by one percent (1%) to cover the Employees' share of the PERS increase for the 2013-2014 and 2014-2015 school years.

Effective with the August 7, 2013, paycheck, the District agrees to increase the Support Staff Salary Schedule by \$1.6 million (.534%).

The Support Staff Salary Schedule will be reduced by \$1.4 million (.466%) on July 1, 2015.

Notwithstanding any other provision of this Agreement, the Employee share of any future PERS rate increase shall be paid by the Employee, which will be done by reducing the salary schedule the equivalent of one-half ($\frac{1}{2}$) of the total PERS rate increase on the effective date of the PERS rate increase unless the parties agree to a different method for payment of the Employee share of the rate increase through negotiations, which may occur after implementation of the salary schedule reduction.

Should PERS decrease the contribution rate, the Employees' share of the decrease ($\frac{1}{2}$) will be applied to the salary schedule.

ARTICLE 29

- 32-4 Parties agree that abuses by education support Employees of these prohibitive practices for personal gain and benefit may be grounds for disciplinary action.
- 32-5 No education support Employee, during the normal duty hours, will perform any work for other officially recognized bargaining agents or bargaining units or other Employee associations or groups.
- 32-6 The School District agrees to work with the Association in providing for compliance with NRS 391.273.

34-2 APPLICATION PROCESS FOR SUMMER TEMPORARY ASSIGNMENTS

34-2-1 Posting of summer temporary assignments will not begin or end during spring break.

34-2-2 Vacancy announcements will include the eligibility criteria and selection process for each position.

34-2-3 The District will advertise summer temporary assignments internally before seeking out-of-District applicants. Supervisors will be encouraged to give first consideration for summer temporary job assignments to regular status support staff employees in the relevant job family.

34-3 BUS DRIVER GUARANTEE

Nine- (9) or eleven- (11) month bus drivers are guaranteed at least six (6) hours of work each School Day. If a six- (6) hour Employee is assigned to an extra duty, there will be no additional compensation, unless the length of the additional assignment causes the driver to work more than six- (6) hours. If the assignment causes the driver to work beyond the six (6) hour guarantee, that driver shall be paid at his/her regular rate of pay for the additional time in excess of six (6) hours.

Drivers who have less than a six (6) hour driving assignment will be required to clean their bus or perform other duties within the scope of their normal tasks relating to transportation services within their six- (6) hour assigned work day, effective January 1, 1990.

34-3-1 Paid hours for bus drivers who are assigned less than five (5) days per week will be pro-rated at the rate of six (6) hours per day.

34-3-2 A summer assignment may be bid by current nine- (9) month and nine- (9) month modified bus drivers provided there is no conflict in the nine- (9) month or the nine- (9) month modified schedules and the summer assignment. Bus drivers successfully bidding for summer assignments shall receive the six- (6) hour guarantee for four (4) work days during each week of the assignment. If a scheduled driver's service requires a fifth day, a three-hour guarantee will apply.

Summer substitute drivers who are called in shall receive a guaranteed three- (3) hour day. Article 10-1 does not apply to summer substitute drivers.

Eleven- (11) month bus drivers with year round school assignments shall receive the six- (6) hour guarantee during the periods that nine- (9) month schools are unassigned.

34-3-3 A period of one (1) hour or less of waiting time between assigned runs shall be included as paid driving time.

34-4 The District has twenty-five (25) School Days from the students' first day of school to adjust a regular bus driver's total paid time, and thirty (30) School Days from the students' first day of school to adjust a special education bus driver's total paid time. If a bus driver's total paid time is reduced after these dates, the bus driver will still be entitled to be paid the total paid time and will be utilized as indicated in Article 33-3. A bus driver's total paid time is the original bid time, unless an adjustment is formally approved by the Scheduling Analyst and the driver is issued a formal adjustment document.

34-5 BUS DRIVER/FOOD SERVICES HOURS

At the end of the third week of the school year, Food Services shall post remaining openings for additional hours in the Food Services Department, and CCSD bus drivers shall be permitted to bid on the Food Services hours. Bus drivers shall have no entitlement to the Food Services hours, and the denial or removal of a bus driver from a Food Services position may be appealed only to the Business Manager, Operations Unit, whose determination is final and shall not be subject to further appeal. Bus drivers working Food Services hours must meet all requirements mandated by regulation and Nevada state law with respect to Food Services positions. A bus driver who works Food Services hours and who subsequently gains bus driver total route time as defined in Article 34-4 above that conflicts with the Food Services hours must relinquish the Food Services hours in favor of the bus driver total route time.

This provision shall expire automatically at the end of the term of this Agreement, unless the parties mutually agree to incorporate it into the successor Agreement.

Time available for use is restricted to that time actually assigned as an Employee. Use of such leave must be in accordance with the appropriate provisions of this Agreement. This shall not prevent the District from assigning an Employee to another work location on a day, which has been changed from an assigned day to a non-assigned day. This Article 34-10 also applies to probationary Employees.

Mr. Brian Christensen
Executive Director
Education Support Employees Association
3505 East Flamingo Road, Suite 2
Las Vegas, NV 89121

Dear Mr. Christensen:

For the past several months the Clark County School District ("District") and the Education Support Employees Association ("Association") have been involved in contract negotiations.

District management understands that the Association was hesitant to complete a new CBA because of uncertainty regarding whether or not, the District, would outsource duties currently performed by members of the ESEA bargaining unit.

The District believes the right to outsource work is an exclusive management right. Should the District ever elect to exercise that right the District recognizes that the obligation may arise to negotiate over any resulting impacts. However, as an ultimate decision to contract out is a management right, the District was not inclined to bargain over or place any subject in an agreement that impairs the right to contract out. Nevertheless, should the tentative agreement on a new CBA be approved by both parties and ratified by both bodies the District agrees that this letter constitutes an understanding with the Association that the District will not, during the period of July 1, 2011, through June 30, 2014, outsource or contract out job families which are currently filled by members of the ESEA bargaining unit. Nothing in this letter limits the District's position of its right to continue to use temporary staffing services as it has in the past. This letter shall be considered null and void and of no effect whatsoever after June 30, 2014.

This letter it is not evidence of any established past practice, nor an agreement to negotiate over "contracting out," now or in the future.

This letter also confirms that should the parties fail to reach a final signed agreement for a new CBA neither the District's willingness to discuss this topic nor the District's willingness to prepare one or more drafts of this letter shall constitute a waiver of the District's right to claim that this topic is not a mandatory subject of bargaining.

Sincerely yours,

Dwight D. Jones
Superintendent of Schools
