1. The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to problems that may arise affecting employees. Both parties agree that these proceedings will be kept as informal as may be appropriate at any level of the procedure.
2. Both parties encourage employees to resolve their problems with their immediate supervisors whenever possible. The provisions of this article are not intended to preclude an employee from informally discussing a problem with his or her immediate supervisor prior to filing a formal grievance. Such informal discussions are not a part of the formal grievance procedure.

24.2 Formal Procedure

1. Definitions:

- a. A grievance is defined as any dispute which arises regarding the interpretation, application, or alleged violation of any provision of this agreement. A grievance shall not be used to resolve a dispute for

which there is statutory remedy, i.e., issues over which the EMRB has jurisdiction. Form for tracking grievance shall be approved by the District and Association. Appendix E

- b. Days, as used in this Article, are the days the District office is open. This excludes Saturdays, Sundays, observed holidays, and any days outside the employee's regular work year.
- c. Grievant is the Association or post-probationary employee(s) covered by this Agreement.
- d. District includes immediate supervisor, Superintendent or Board of Trustees.
- e. If in the judgment of the Association, a grievance affects a group of employees or the Association, the Association may initiate and submit each grievance in writing to the Superintendent directly, and the processing of such grievance will be commenced at Level Two. The Association may process such a grievance through all levels of the procedure, even though there is no individual grievant who wishes to do so. Grievances involving more than one supervisor and grievances involving the administration above the building level may be filed by the Association at Level Two. In matters dealing with alleged violation of Association rights, the grievance shall be initiated at Level Two.

2. Level One - Immediate Supervisor

- a. The Grievant shall file a written grievance with the immediate supervisor within twenty (20) days after grievant's knowledge of the grievance or the facts giving rise to the grievance specifying exactly which provision(s) of this Agreement have allegedly been violated including the factual basis for the alleged violation(s) and the remedy sought. The upholding of a grievance at this level is subject to the approval of the Superintendent.
- b. The immediate supervisor shall meet with the grievant and representative(s) of the Association within ten (10) days of receipt of the grievance to discuss the grievance, and shall respond in writing to the grievant, the Association, and the Superintendent within ten (10) days following the Level One meeting.
- c. In the event a grievance does not involve the immediate supervisor or where the grievance has a potential financial impact greater than \$300.00, the grievance will be filed at Level Two.

3. Level Two – Superintendent

If the grievant is not satisfied with the disposition of the grievance by the Immediate Supervisor, the grievant may within ten (10) days of receipt of the written answer from the immediate supervisor, submit the grievance in writing to the Superintendent. The Superintendent or designee shall meet with the grievant and the immediate supervisor within twenty (20) days of receipt of the notice moving the grievance to Level Two

and shall submit a written answer to the grievant within ten (10) days after the completion of the Level Two meeting. In the event that the grievance is regarding dismissal, the matter shall be appealed directly to Level Two within the time frames and in accordance with the procedures set forth in Level One.

4. Level Three – Mediation

- a. If the aggrieved party is not satisfied with the disposition of the grievance at Level 3, Superintendent Level, then the parties may mutually agree to present the grievance to federal mediation within ten days after the Superintendents response at Level 3.
- b. The Superintendent must respond to a grievance request for mediation within 5 days.
- c. A mediator will be obtained from the Federal Mediation and Conciliation Service (FMCS).
- d. The mediator shall confer with the Superintendent or designee and the Association, and hold the hearing promptly. If the meeting is unable to be held within 20 days, the Association has the option of moving the grievance to the next level.
- e. Nothing said or done by the parties during the mediation hearing can be used against them during the arbitration proceedings unless mutually agreed to by the parties.
- f. If no solution is reached to the satisfaction of both the Association and the District, the grievance and all information at levels 1-2 shall be submitted to the next level.

5. Level Four - Arbitration

- a. If the grievant is not satisfied with the disposition of the grievance by the Superintendent, the grievant may within ten (10) days after receipt of the written answer from the Superintendent, submit the grievance to arbitration by serving written notice of intent to arbitrate on the Superintendent.
- b. In the event the grievance is appealed to arbitration the designated representatives of the District and the Association shall meet within ten (10) days of the filing of the grievance at Level Four and will attempt to jointly select an arbitrator to hear and decide the dispute.
- c. If the parties are unable to reach agreement, either party may request the Federal Mediation and Conciliation Service (FMCS) to furnish a list of seven arbitrators under its Voluntary Labor Arbitration Rules. Within ten (10) days of receipt of the list, each party shall alternately

strike names from the list, and the remaining name shall be the arbitrator. Determination of which party strikes first shall be determined by a coin toss. The parties shall equally split any administrative fees assessed by FMCS in providing the list.

- d. Arbitration shall comply with the Voluntary Labor Rules of the FMCS. All hearings held by the arbitrator shall be closed sessions. No party associated with the arbitration shall comment outside the arbitration itself until the arbitrator renders a decision.
 - e. The arbitrator shall not have the authority to modify, amend, alter, add to, or delete from any provision of this Agreement. An arbitrator in the absence of the expressed written agreement by both parties shall have no authority to rule on any dispute between the parties other than the dispute that was originally processed. The arbitrator's decision will be final and binding on all parties to this Agreement and will be in accordance with the terms and conditions of this Agreement.
 - f. The arbitrator's decision shall be submitted in writing to both parties within thirty (30) days of the closing of the record and shall be final and binding on the parties to this agreement except as provided in NRS Chapter 38.
 - g. Costs for the arbitrator, any required transcript, rental of facilities and any other fee deemed necessary for the conduct of the hearing shall be split equally between the parties. Costs of preparation, including the costs of calling witnesses, representatives and attorney fees, etc. shall be borne by the respective parties.
6. General Provisions
- a. The grievant may be represented by a representative of his choosing at any level of the grievance process. When the Association represents the grievant in any disciplinary action, communications from the District regarding the grievance shall be copied to the Association representative.
 - b. No reprisal shall be taken by either the grievant, Association, or the Association's agents or the District, or the District's agents, against any participant in the grievance procedure, by reason of such participation.
 - c. The District shall make all documents, except confidential attorney client privileged documents, that are relevant to any grievance available to the Association or employee upon receipt of a written request for information. Prior to the final disposition of the grievance all documents, communications and records dealing with the processing of grievances other than the document or action being grieved shall be filed separately from the personnel file(s) of the participants.

- d. Failure of the grievant to comply with the time frames in this Article shall cause the grievance to be forfeited. Failure of the District to timely respond to any grievance within the time frames in this Article shall cause the grievance to automatically be moved to the next step as if the grievance had been timely denied. The parties may agree in writing or by e-mail to extend, decrease or otherwise modify any required time frames.
- e. The grievance procedure is the sole remedy for any grievance.
- f. If joint meetings or hearings are called by the District or Arbitrator during school hours, no aggrieved party or his/her employee representative shall be subject to a salary deduction because of attending such meetings or hearings.
- g. The filing of a grievance does not stay or postpone the action taken by the District which is the basis or ground of the grievance.
- h. Probationary employees are excluded from application of this article.
- i. Should the investigation or processing of any grievance require that an employee or an Association representative be released from his/her regular assignment, they shall be released with no loss of benefit in accordance with the following: One (1) employee Association representative will be released for the duration of each arbitration hearing to act as spokesperson and present the grievance. The Association will reimburse the District the full cost of employee and Association representative salaries for release time under this section unless the District schedules meetings during work hours.

ARTICLE 25 – DISCIPLINE/DISCHARGE

- 25.1 No post-probationary employee covered by this agreement shall be disciplined, suspended, terminated, or demoted without just cause and without the reasons for such disciplinary actions being specified in writing to the employee and the Association.
- 25.2 The District will follow a system of progressive discipline for post probationary employees except in those cases where the District determines that immediate suspension or termination may be warranted based on the seriousness of the misconduct. The District will provide the employee and the Association written notice of charges and an opportunity for an informal pre-disciplinary hearing prior to any termination of employment. The employee may have representation of his/her choice and expense at any disciplinary hearing. The employee and the supervisor initiating the discipline will be required to respond truthfully to any questions by the District and the employee's representative which are related to the alleged misconduct.

ARTICLE 26 – PERSONNEL FILES

- 26.1 The District shall maintain, for official school district purposes, one official personnel file for each employee. This file shall be kept under conditions that insure its integrity and safekeeping. No disciplinary document shall be placed into the personnel file without first being presented and copied to the employee and securing the employee's signature or refusal to sign for receipt thereof.
- 26.2 Upon written request to the Superintendent an employee has the right to examine and copy his or her personnel file at the District office. An employee may submit a written response to any material placed in the personnel file and the response shall remain attached to the document to which the response is made for as long as the document remains in the personnel file.

ARTICLE 27 – SENIORITY, REDUCTION IN FORCE, RECALL

- 27.1 Seniority shall be an employee's length of continuous service within the employee's job classification and begins the date of hire as a classified employee with the District. In the case of a break in service (termination, resignation) seniority will commence with the rehire date or return to work date, whichever is the later date.
- In the event two or more employees in the same classification have the same seniority, the following determination of seniority will take place: date of hire, date of application, draw lots.
- Any resignation or termination of employment shall constitute a "break" in seniority. For the purpose of classified employee reduction, seniority shall be computed from the first working day subsequent to the most recent break in service, if any.
- 27.2 Within thirty (30) calendar days of ratification and approval of this Agreement the District shall memorialize in writing the existing seniority list by date of hire of those existing employees in the bargaining unit within the employee's job classification. The employee with the greatest seniority shall be listed first. The seniority list will be updated in September of each year and prior to any personnel action based upon the seniority list. Copies of the list shall be posted on the Association bulletin board at each work site. Seniority in a job classification will only be the time actually employed in that job classification. Any disagreements regarding the list will be resolved under the negotiated grievance procedure.
- 27.3 The District may lay off or reduce in force bargaining unit employees within specific attendance areas (Battle Mountain and Austin) for lack of work, decrease in enrollment, lack of funds, or district-wide or departmental reorganization.
- 27.4 In the event it becomes necessary to lay off or reduce in force bargaining unit employees the District shall lay off employees in the affected job classification(s) based on the employees' qualifications and seniority with the District and seniority within the employee's attendance area. Where employees are otherwise equally qualified as determined by the District the employee with the least seniority in the

attendance area will be laid off first. Except as provided below there will be no displacement of less senior employees in job classification(s) not affected by the reduction in force.

Employees being laid off may displace less senior employees in other classifications for which they are qualified including required certifications if the employee previously held the position in good standing through the successful completion of probationary period in the District. There will be no displacement of employees assigned to bus routes in Antelope Valley and Austin/Kingston unless laid off employee agrees that the route and hours worked begins at the site of where the bus is parked.

- 27.5 The District will provide the Association and affected employees at least 30 (thirty) calendar days written notice prior to the effective date of any layoff or reduction in force.
- 27.6 The District agrees to meet and consult with the Association prior to a RIF, and shall make available to the Association all relevant information giving reasons for the RIF upon written request.
- 27.7 The District will establish a recall list of laid off employees which will be effective for 12 calendar months from the effective date of the lay off. Laid off employees will be sent vacancy announcements for bargaining unit positions for a period of 365 calendar days from the effective date of the lay off, and will be rehired if the former employee remains otherwise qualified for the position and was not involved in any misconduct during the layoff that would otherwise disqualify any applicant from consideration. The former employee will keep the district advised of his/her current address. Laid off employees who remain otherwise qualified for their former position shall be recalled in order of seniority to vacant positions in the classification that was laid off.
- 27.8 Employees recalled under this article to the employee's former job classification shall retain all seniority to the date of the lay off, wage/step and all other benefits accumulated (and not paid off) prior to the lay off.
- 27.9 Prior to implementation of a reduction in force pursuant to this Article, the District will provide an opportunity for the employees to voluntarily reduce in force under the terms of this Article.

ARTICLE 28 – NON-DISCRIMINATION

- 28.1 The parties to this agreement will not discriminate because of race, color, religion, sex, age, physical or visual handicap, national origin or because of political or personal reasons or affiliations.

ARTICLE 29 – SAVINGS CLAUSE AND AMENDING PROCEDURE

- 29.1 If any provision of this Agreement is held to be contrary to law by a court of competent jurisdiction, such provision will be deemed valid except to the extent expressly invalidated by the court, and all other provisions will continue in full force and effect. The parties shall immediately meet to negotiate regarding the invalidated language unless it would be unlawful to do so or the language does not involve a mandatory subject of bargaining.
- 29.2 It is intended that this Agreement sets forth the complete understanding of the parties regarding the matters included herein.
- 29.3 During the term of this Agreement specifically listed benefits contained in the Agreement will not be changed except by mutual written agreement.
- 29.4 Any agreement, alteration, understanding, waiver, or modification of any of the terms or provisions contained in this Agreement shall not be binding on the parties unless made and signed in writing by all of the parties to this agreement and, if required, approved and implemented by the Board of Trustees.

ARTICLE 30 – WAIVER

- 30.1 The District and Association acknowledge the unlimited right and opportunity afforded during the negotiations to make demands and proposals with respect to any mandatory subject of bargaining pursuant to NRS Chapter 288 and decisions of the EMRB and that the understandings and Agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement. Therefore, the District and Association, for the life of this Agreement, each voluntarily waive the right and agrees that the other shall not be obligated to bargain collectively with respect to any subject or matter referred to or covered in this Agreement or other mandatory subject of bargaining not covered by this agreement, except as referred to in Article 30 – Savings Clause and Amending Procedure.

ARTICLE 31 – TERM OF AGREEMENT

31.1 The term of this Agreement shall be from July 1, 2015 to June 30, 2017. July 1, 2017 to June 30, 2020.
