ARTICLE V

BARGAINING UNIT MEMBER EVALUATION

- 5-1 The parties agree to comply with any and all NRS applying to or pertaining to the area of bargaining unit member evaluation.

ARTICLE VI

CORRECTIVE DISCIPLINE, RESIGNATION, DISMISSAL, NON-RENEWAL, AND TERMINATION

6-1 Just Cause

No Bargaining unit member will be disciplined, suspended, reduced in rank or compensation, adversely evaluated, transferred, dismissed, or otherwise deprived of any professional advantage without just cause. It is expressly understood that extra-duty assignments held by members of the bargaining unit are not covered by this provision.

6-2 Corrective Discipline

Corrective and disciplinary action is designed to provide a fair and structured way for employees to improve their job performances and/or behaviors which do not meet the standards or demands of their positions, and to provide a system for fair and equitable treatment of all employees.

1. The District will, through a corrective discipline system, give employees an opportunity to improve their job performances and/or behaviors which do not meet the standards or demands of their positions. A copy of the written reprimand is placed in an employee file, in Human Resources, but it is destroyed twelve (12) months following the date on which it was given if the intervening service has been satisfactory. Suspension-without-pay action could range from one (1) to twenty (20) days.

An employee may also be placed on suspension without pay pending discharge. 3. Dismissal – An employee who fails to correct unsatisfactory performance/behavior during previous steps in the progressive discipline procedure will be terminated.
 - a. TRANSFERS

7-1 Voluntary Transfers

7-1.1 The District Policy recognizes that it is desirable, when making assignments, to consider the interest and aspirations of its licensed members of the bargaining unit. Requests by a licensed member of the bargaining unit for transfer to a different assignment, building, or position will be made using the electronic transfer request tool provided by the Human Resources Department, along with a letter of interest and current resume. Transfer request information will be provided to the Association. To be eligible to submit for voluntary transfer, the licensed member of the bargaining unit must be completing at least one full school year in their current assignment, must not be on any current plan of improvement, e.g. Educator Assistance Plan (EAP), participating in the ARL program, or, if participating in the Special Education Option Program, must be within the limitations specified in Appendix E. The electronic transfer request tool will set forth the building, and the assignment or position sought. All eligible in-district applicants who submit a transfer request using the electronic transfer request tool provided by the Human Resources Department, and the required documents mentioned above, will be afforded an interview. The district will notify all bargaining unit members about all open positions throughout the year via district email. Applications for voluntary transfer from eligible in-district applicants will be considered before out-of-district applicants from February 15th through March 31st. Hiring supervisors with known or anticipated vacancies will review the list of transfer requests, including preferences on placement and conduct interviews during the transfer window. Once the interviews have been completed, Human Resources will schedule a staffing meeting and transfer/placement requests shall be considered in the following order:

- a. RIF'd and/or displaced bargaining unit members
- b. Bargaining unit members making voluntary transfer requests

7-1.2 Voluntary transfers will be granted on the basis of experience, qualifications, past evaluation and seniority of the applicants.

Seniority will be used if the combined score of one or more applicants is equal. Should the District or its agent deny a request for a voluntary transfer, the employee may contact Human Resources to find out the reasons for non-selection within five (5) days. If there is no resolution, the employee, the Association, and Human Resources will meet.

The following explanatory paragraphs are to be included with the extra-curricular salary schedule and are agreed upon by NCSD and NCCTA:

The extra-curricular staff who were under contract on or between the years 1989-1990 through 1994-1995 will be placed on the old salary schedule and kept on such schedule for each and every year that they coach in Nye County School District. Coaches on the old salary schedule who worked in an activity and moved toward a lower level in their activity will be credited with their years' experience and retained on the old salary schedule. (The years do not have to be consecutive, coaches may have years off and will be retained on the old schedule.) Movement to the right will be considered a new activity and these coaches will be put on the new schedule. (i.e. Head JV to Head Varsity) All other staff who do not fall within these guidelines will be placed on the current salary schedule in the master contract.
