SECTION 1: ADMINISTRATION

Article A: PREAMBLE

This Agreement is entered into between the City of Sparks, Nevada, hereinafter referred to as the "City," and the Operating Engineers Local Union No. 3 Skilled Workforce Supervisors hereinafter referred to as the "Union." Supervisory members of the Union employed by the City and indicated by position in Appendix A are covered by this Agreement and will hereinafter be referred to as "Employees."

It is the intent and purpose of the Agreement to assure sound and mutually beneficial working and economic relationships between the parties hereto, and to provide an orderly and peaceful means of resolving any misunderstandings or differences which may arise.

It is recognized by both the City and the Union and its member Employees that the City is engaged in rendering public services to the general public and that there is an obligation on each party for the continuous rendition and availability of such services.

All Employees shall perform loyal and efficient work and services; shall use their influence and best efforts to protect the properties of the City and its service to the public at all times.

The full Agreement between the parties, other than those portions of public employment Agreements that are expressly provided for, or excluded from, by State Statutes, is set forth herein.

Article B: ADOPTION OF AGREEMENT

This Agreement will be deemed adopted and binding terminating negotiations during its term, upon approval and subscription of the Union and the City.

Copies of this agreement are available on the City intranet website.

Article C: AMENDING PROCEDURE

If either the Union or the City desires to modify or change this Agreement during its term, it shall serve written notice on the other party setting forth the nature of the modification or changes.

Failure of the other party to give written approval of the modifications or changes proposed within thirty (30) days of the required written notice shall be deemed a rejection of the proposal.

Any amendment, whether a proposed amendment or an alternative to a proposed amendment, that may be mutually agreed upon shall become part of this Agreement effective on the agreed date.

Article D: DURATION OF AGREEMENT

This agreement shall take effect upon ratification by both parties and shall continue in force until June 30, 2028.

Article E: RECOGNITION AND APPLICATION

The terms and conditions of this Agreement shall apply to those Employees described in Appendix A regardless of membership in the Union. The City recognizes the Union as the exclusive negotiating agent for purposes of establishing salaries, wages, hours and other conditions of employment for those Employees.

Confidential Employees as defined by NRS 288.170(6) are excluded from the bargaining unit but are entitled to participate in any plan to provide benefits for a group that is administered by the bargaining unit of which they would otherwise be a member pursuant to NRS 288.170(5).

Article F: STRIKES AND LOCKOUTS

1. **Strikes**: The Union will not promote, sponsor or engage in, against the City, any strike, slow down, interruption of operation, stoppage of work, absences from work upon any pretext or excuse not founded in fact, or any other intentional interruption of the City, regardless of the reason for so doing, and will use its best efforts to induce all Employees covered by this Agreement to comply with this pledge.
2. **Lockout**: The City will not lock out any Employees during the term of this Agreement as a result of a labor dispute with the Union.

Article G: RIGHTS OF MANAGEMENT AND DEFINITION OF DEPARTMENT HEAD

The City is entitled, without negotiation or reference to any Agreement resulting from negotiation:

1. To direct its Employees
2. To hire, promote, classify, transfer (except as a form of discipline), assign, retain, suspend, demote, discharge, or take disciplinary action against any Employee
3. To relieve or lay off any Employee from full duty because of lack of work or funds, reorganization, or for any other legitimate reason
4. To maintain efficiency of its government functions
5. To determine methods, means, and personnel by which its operations are to be conducted
6. To take whatever action may be necessary to carry out its responsibilities in situations of emergency
7. To have and use any of the additional rights reserved to the City as a local government employer by NRS 288.150 or as determined by the Local Government Employee Management Relations Board, Nevada Courts or by other applicable Nevada Revised Statutes.

As used in this Agreement, Department Head shall mean the Head of the Department in which the particular Employee is employed.

Article H: NON-DISCRIMINATION

1. **City Non-Discrimination**: The City will not interfere with, or discriminate in respect to any term or condition of employment against, any Employee because of membership in the Union, or because of any legitimate activity pursuant to this Agreement by the individual Employee or the Union on behalf of its members, nor will the City encourage membership in any other Employee employment bargaining organization.
2. **Union Non-Discrimination**: The Union recognizes its responsibilities as the exclusive negotiating agent and agrees to represent all Employees in the Bargaining Unit without discrimination, interference, restraint or coercion.

The non-discrimination provisions of this Agreement shall be applied equally to all Employees in the negotiating unit without discrimination, as to political affiliation or any applicable Nevada or federal law. The Union shall share equally with the City the responsibility for applying this provision of the Agreement.

Article I: UNION DUES AND DEDUCTIONS

1. The Employees may authorize payroll deductions for the purpose of paying Union dues.
2. Upon the execution of the proper payroll document and coinciding with the commencement of a payroll period, the City agrees to deduct from the wages of an Employee, on a biweekly or monthly basis, such sum as the Employee may specify.

3. Payroll will not deduct assessments or fines.
4. Each Employee shall have the right to terminate such payroll deductions at the end of any payroll period upon the timely execution of the proper payroll document.
5. The Union will indemnify, defend and hold the City harmless against any claims made and against any suits instituted against the City on account of any action taken or not taken by the City in good faith under the provisions of this Section. The Union agrees to refund to the City any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence thereof.
6. The Employee's earnings must be regularly sufficient after other legal and required deductions are made to cover the amount of the appropriate Union dues. When a member in good standing of the Union is in non-pay status for an entire pay period, no withholding will be made to cover the pay period from future earnings.

In the case of an Employee who is in non-pay status during only part of the pay period, and the wages are not sufficient to cover the full withholding, no deductions shall be made. In this connection, all other legal and required deductions have priority over Union dues.

Article J: JOB STEWARDS AND UNION BUSINESS

The Union may select one Employee for each location where Employees covered by this Agreement normally work. All members of the Union members and/or negotiation committee will be required to use leave time or unpaid status for all union business. This will include but not be limited to the board meetings, general meetings, or training.

Employees and Union representatives will obtain Department Head or regular designee approval for all absences from duty assignments to conduct union activities, which approval shall not be unreasonably withheld. This language is to memorialize and not alter the past practice of the parties. All members of the Union will be required to use leave time or unpaid status for all union business.

Once a month the City will provide to the Union Business Representative a list of new employees hired by the City into positions listed in Appendix A.

Article K: GRIEVANCE PROCEDURE

1. Purpose: It is a mutual obligation on the part of administrative, supervisory and non-supervisory Employees of the City to provide efficient and continuous service to the public. Employee morale is an important factor in maintaining a high level of public service and the administration has a responsibility to provide an orderly method for processing grievances in the interest of obtaining a fair and equitable solution. The purpose of the following grievance procedure shall be to settle as quickly as possible disputes concerning the interpretation and application of this Agreement.

A grievance is defined as a complaint of an Employee or the Union on behalf of an Employee(s) for violations of this Agreement. An aggrieved Employee shall have the opportunity to file a grievance through the procedure outlined in Section 1, Article K, of the contract or through the procedure outlined in the Sparks Civil Service Commission Rules and Regulations.

The aggrieved Employee may choose either procedure for each incident, but may not use both procedures for the same grievance.

2. Working Days: For purposes of this grievance procedure, "working days" shall be defined as a normal Monday-Friday except legal holidays specified in this Agreement. Both parties may mutually agree to extend the time at all stages of the grievance proceeding.
3. All parties so involved must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest possible step of the procedure. The aggrieved Employee shall have the assurance that filing of a grievance will not result in reprisal of any nature.

4. Representation: The aggrieved Employee shall have the right to be represented or accompanied by a Representative of the Employee's choice at all stages of the grievance procedure.
5. The processing of a grievance shall be considered as City business and the Employee and Representative shall have reasonable time and facilities allocated. The use of City time for this purpose shall not be excessive nor shall this privilege be abused.
6. Failure of the aggrieved Employee to file an appeal within the prescribed time limit for any step of the procedure shall constitute abandonment of the grievance. City staff involved shall abide by prescribed time limits. In the event the City's time frames have not been met in this procedure, the grievance shall be automatically moved to the next step as if the grievance was denied however; the individual at such step will provide a response to the grievance within ten (10) working days after the missed deadline.
7. Any person responsible for conducting any conference, meeting, or hearing under the formal grievance procedure shall give due and timely notice to all persons concerned.
8. When two (2) or more Employees experience a common grievance, they may initiate a single grievance proceeding.
9. Informal Procedure: When an Employee becomes aware that dissatisfaction exists with said Employee's work or work situation, the Employee is encouraged to discuss the matter informally with the Immediate Supervisor. Initial discussion should be sought by the Employee not later than ten (10) working days after the alleged grievance.

The following provisions relating to formal procedure do not restrict the Employee and Supervisor from seeking advice and counsel from Human Resources or the Department Head when:

- a. Mutually consented to by Employee and Supervisor.
 - b. It appears that settlement can be reached at this informal level.
10. Formal Procedure: The aggrieved Employee shall file the grievance in writing with the Department Head within fifteen (15) working days from its occurrence or completion of the Informal Procedure. The written grievance shall clearly specify the alleged contract violation, supporting facts, and requested remedy. The Department Head has fifteen (15) working days after the grievance is received to respond in writing to the grievance. During this time, the Department Head will examine all relevant evidence and consult with the aggrieved Employee. The Department Head may investigate the grievance or delegate the investigation of the grievance with a report back to the Department Head to allow a timely response to the grievance.

If the grievant is not satisfied with the resolution of the grievance by the Department Head, the grievant may appeal the grievance in writing to the City Manager within ten (10) working days following receipt of the Department Head's reply. The City Manager thereafter has fifteen (15) working days to respond in writing to the grievance. During this time, the City Manager will examine all relevant evidence and consult with the aggrieved Employee.

11. Arbitration: If the written decision of the City Manager is unsatisfactory to the Employee, the Employee may request that the grievance be presented to an Arbitrator for review. The request must be received within ten (10) working days following receipt of the City Manager's written reply.

The Arbitrator will be selected from a list of seven (7) names supplied by the American Arbitration Association (AAA) or the Federal Mediation and Conciliation Service (FMCS). The parties shall select the Arbitrator by alternately striking names until one name remains. The aggrieved Employee or Representative shall strike the first name.

The Arbitrator shall set a hearing, at which time both parties shall be given a full and fair opportunity to present their side of the dispute.

The costs of the Arbitrator shall be split equally by the parties. If no transcript is ordered by the Arbitrator, the party requesting the transcript is responsible for the costs of the transcript and for providing copies to the arbitrator and the opposing party prior to the submission of any post hearing briefs.

Arbitration shall be limited to those items enumerated in the definition of grievance (Section 1, Article K) and the Arbitrator shall have no authority to alter, amend, add to or subtract in any way the terms and conditions of this Agreement. The Arbitrator shall confine the decision to a determination of the facts and an interpretation and application of this Agreement. The decision of the arbitrator shall be final and binding except as provided by law.

Article L: SAFETY GRIEVANCE PROCEDURE

1. Step 1: An Employee shall immediately bring the matter to the attention of their Supervisor. If the Supervisor does not take immediate steps to remedy the unsafe condition, the Employee may file a written "safety" grievance with the Supervisor.
2. Step 2: The Supervisor will respond within twenty-four (24) hours of the time the written grievance is filed.
3. Step 3: If the written response of the Supervisor is unsatisfactory, the Employee may present the grievance to the Department Head within twenty-four (24) hours. The Department Head will review the alleged unsafe condition and will make the final decision on the grievance within twenty-four (24) hours of receiving the grievance. Copies of the safety grievance and the responses at all levels will be provided to the appropriate Safety Committee.

Article M: HOURS OF WORK

1. Work Week: The normal work week of Employees covered by this Agreement shall consist of forty (40) hours. The regular work week may be temporarily increased or decreased to facilitate changes in scheduled shift assignments. Such temporary decreases will not affect basic pay schedules nor will temporary increases entitle Employees to overtime pay rates, except as mandated by the Fair Labor Standards Act (FLSA). The scheduling of work shifts and work weeks shall be directed by the Department Head, as provided by NRS 288.

Unworked holidays listed in Section 4 Article A, annual leave, administrative leave with pay and compensatory time off pursuant to Section 4, Article J would be counted as hours actually worked for purposes of computing FLSA and contractual overtime.

2. Duty Hours: Shall be devoted fully to the performance of assigned duties. Periods of absence for personal reasons are not creditable toward duty hours and must be charged to annual leave, leave of absence without pay or, if resulting from a legitimate illness or physical injury, to sick leave as defined in Section 4, Article C.
3. Breaks: Except during emergency situations, Employees covered by this Agreement shall be permitted one (1) fifteen (15) minute break or rest period for each four (4) hour term of assigned duty. Breaks may not be combined, nor taken during the first or last hour of the shift without the approval of the Department Head. Employees shall be permitted an additional fifteen (15) minute break for each additional four (4) hour period in addition to any regular shift.
4. This Article is intended only as basis for computing overtime and is not intended as a guarantee of hours of work per day or per week.
5. Meal Periods: Employees will have one of two meal period assignments, as determined by the Supervisor: A 'straight shift' where employees do not take a lunch period; or, a lunch period of up to one (1) hour unpaid.

Employees in classifications that require 24-hour shift coverage will be paid for a half-hour lunch period, during which time such employees must remain on-site or available to immediately resume work.

///

6. **Full-Time Service:** For the purpose of determining eligibility for salary advancements and accrual of benefits the term "full-time service" shall mean the number of days actually worked on a job, including absence with pay. Military Leave shall be in accordance with the Uniformed Services Employment and Re-employment Act of 1994 and City's Administrative Rule on Military Leave.

Article N: LAY-OFF PROCEDURE

When it becomes necessary in any department, through lack of work or funds, abolishment of the job, or other good cause to reduce the work force in that department, personnel shall be laid off or reduced in grade according to procedures outlined in the current Civil Service Rules and Regulations layoff procedure. Any future amendments to the Civil Service Commission procedures will be automatically incorporated into this Agreement.

Article O: SAVINGS CLAUSE

This Agreement is the entire Agreement of the parties, terminating all prior arrangements and practices and concluding all negotiations during the term of this Agreement, except as provided in Section 1, Article O. The City Manager agrees to meet with the Employees of this bargaining unit quarterly to discuss items of Employee interest. If either party wishes to meet and discuss this Agreement or to meet and negotiate wages, hours and other terms and conditions of employment, the other party will not refuse.

Should any provisions of this Agreement be found to be in contravention of any Federal or State law, the Sparks City Charter or the Sparks Civil Service Commission Rules and Regulations, by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain in force and effect until otherwise canceled or amended. The parties agree to open negotiations on any such item declared null and void.

SECTION 2: PAY

Nothing herein or in the adopted classification and compensation program shall restrict management's right to assign and allocate responsibilities, job duties or reclassify a job position. Nothing herein or in the adopted classification and compensation program shall restrict management's right to demote, discipline or decrease an employee's salary as provided in this Agreement, the City Administrative Rules or Civil Service Regulations. Before June 30 of each year, the City will send an updated Appendix A to the Union with the pay rates that are to take effect on the first full pay period on or after July 1 of that year.

Article A: PAY RATES

1. Labor Market Adjustment: Effective the first full pay period on or after ratification, salary increases shall be determined based on a Total Compensation Study. The survey data for the Total Compensation Study was gathered between January and July of 2025.
 - a. The total Compensation Study will be prepared at the City's expense and will use the agencies provided in Appendix D for comparison and will be based on the following salary and benefit elements:
 - Minimum Base Pay
 - Maximum Base Pay
 - Certification/Education Pay
 - Longevity at Year 10
 - City's Contribution to Health Insurance Premium or Similar Benefit for Employee + Family
 - Social Security and/or Medicare
 - Deferred Compensation Match
 - PERS Contributions
 - b. The City will provide a salary range increase if the maximum total compensation for a classification falls below the average maximum total compensation of the comparators. The salary range increase shall be implemented as follows for each position: the pay range listed in Appendix A as in effect on June 30, 2025 shall be increased by the greater of one percent (1.0%) or an amount necessary to bring

the City's maximum total compensation up to the average of the total compensation of the comparators, not to exceed an increase of seven and one-half percent (7.5%). Any additional salary range increase above seven and one-half percent (7.5%) indicated by the Total Compensation Study shall be applied the first full pay period on or after July 1, 2026, not to exceed an additional increase of seven and one-half percent (7.5%). Pay ranges for positions that create compaction issues may be increased by the City following the labor market rate adjustments. No position's pay range will be reduced based on the Total Compensation Study or due to compaction.

- c. An employee whose pay is at the bottom or the top of the pay range upon ratification shall have their pay adjusted to the bottom or the top of the new pay range. An employee whose pay is in the middle of the pay range upon ratification will receive a one percent (1.0%) pay increase and will be eligible for merit increases up to the top of the new pay range, provided that no employee will be paid less than the bottom of the range for the employee's position.
 - d. For any future Total Compensation Study, the survey data will be gathered in January of the applicable year. For any future Labor Market Adjustment, the minimum salary range increase shall be zero percent (0.0%), meaning that a position for which the City's maximum total compensation is at or above the average of the total maximum compensation of the comparators shall not receive a pay range increase.
2. General Wage Increase 2026: Effective the first full pay period on or after July 1, 2026, the base pay rates listed in Appendix A as in effect on June 30, 2026, shall be increased by one percent (1.0%). This increase is in addition to the seven and one-half percent (7.5%) maximum increase that may be applicable based on the 2025 Labor Market Adjustment. An employee whose pay is at the bottom or the top of the pay range as of June 30, 2026, shall have their pay adjusted to the bottom or top of the new pay range. An employee whose pay is in the middle of the pay range as of June 30, 2026, will receive a one percent (1.0%) pay increase and will be eligible for merit increases up to the top of the new pay range, provided that no employee will be paid less than the bottom of the range for the employee's position.
3. Labor Market Adjustment 2027: Effective the first full pay period on or after July 1, 2027, salary increase shall be determined based on a Total Compensation Study. The survey data for the Total Compensation Study will be gathered between January and April of 2027.
 - a. The total Compensation Study will be prepared at the City's expense and will use the agencies provided in Appendix D for comparison and will be based on the following salary and benefit elements:
 - Minimum Base Pay
 - Maximum Base Pay
 - Certification/Education Pay
 - Longevity at Year 10
 - City's Contribution to Health Insurance Premium or Similar Benefit
 - Social Security and/or Medicare
 - Deferred Compensation Match
 - PERS Contributions
 - b. The City and the Union will meet and confer not later than January 31, 2027, regarding the City classifications to be analyzed and the City's Contribution to Health Insurance Premium or Similar Benefit level to be compared in the Total Compensation Study. The survey data will be gathered in February or 2027 and based on information publicly available at that time.

Article B: PAY APPLICATION

1. **Pay Periods:** Each two (2) week period shall constitute a pay period. The pay period shall commence on Monday at 12:00 a.m. and end on Sunday at 11:59 p.m. The dates of payment shall be established by the Finance Department.
2. **Initial Appointment:** Upon entering the classified service, an Employee shall receive compensation at the minimum of the salary range of the classified position for which hired. When economic conditions, unusual employment conditions or exceptional qualifications of a candidate for employment indicate that a higher rate would be in the City's best interest, the Department Head with the approval of the Human Resources Director may authorize hiring at a rate above the minimum for the classified position for which the Employee is being hired, but in all cases, the rate is not to exceed the maximum for the job classification.
3. **Initial Probationary Period:** At the completion of a six (6) month probationary period, an Employee whose service has been certified as satisfactory by the Department Head and City Manager, and approved by Civil Service, shall be deemed a classified Employee. The Employee shall thereupon be eligible for a merit salary increase. The Department Head may extend the probationary period, up to but not longer than one (1) year, of any new Employee with a questionable job performance record. An Employee shall not receive any pay increase while in probationary status, other than position pay rate adjustments authorized by City Council.
4. **Promotions:** When an Employee is promoted to a position allocated to a higher pay range, the Employee shall receive the minimum of the new salary range or five percent (5%) above the rate of pay received immediately prior to the promotion, whichever is greater not to exceed the top of the pay range. The employee will be placed on a 'promoted' probation, and upon successful completion may be eligible for a merit increase.
5. **Promotional Probationary Period:** The employee will be placed on a 'promoted' probation, and upon successful completion may be eligible for a merit increase.
6. **Series Classification Increase:** Upon movement from a Level I to a Level II within a position, the Employee shall receive a five percent (5%) salary increase in addition to any merit increase that may be granted on the same date. Upon such movement, the employee will maintain an annual performance review schedule and the employee is not put on a probationary status.
7. **Long-Term Acting Promotions:** Should the long-term acting employee be promoted into the position for which they are in a long-term acting role, the employee will receive no reduction of pay upon promotion, but will retain the ten percent (10%) pay. Employees subject to the ten percent (10%) promotion from long-term acting will not receive a probationary five percent (5%) increase in pay. However, Employee will be eligible for an increase at the anniversary of the promotion.
8. **Demotions:** When an Employee is demoted, the pay shall be the same percentage from top of the range within the range of the classified position in which the Employee was demoted.

9. Reduction Within a Position: The Department Head, with the approval of the City Manager, may reduce an Employee from the Employee's current salary to any lesser salary within the salary range for that classified position upon failure of the Employee to maintain a standard of work set forth in the job specification. The Employee may again be raised by the Department Head, with the approval of the City Manager, to a salary not to exceed that from which the Employee was reduced.
10. Transfers: When an Employee is transferred to a position in the same salary range, the Employee shall receive such salary as recommended by the Department Head, as approved by the City Manager, provided that the Employee's salary will not be reduced.
11. Reclassification of Position: When a position is reclassified with a significant change in the job duties and is assigned a higher pay range, the Employee in that classification shall be placed in the new pay range at a salary not more than five percent (5%) greater than the Employee's current salary, which is considered a promotion, or the bottom of the new pay range, whichever is greater.

If the change in salary range is a pay adjustment with no significant change in job duties, the Employee in that classified position shall be placed in the new pay range at the same rate within the range.
12. Merit Increases: Each Employee who has attained classified status, who has not reached the maximum in the Employee's pay range, shall be eligible for a merit pay increase, contingent upon the Employee's level of job performance, on the anniversary date for that position. Any Employee who may otherwise be eligible for a merit increase, but who was denied such an increase on the anniversary date, may be eligible for review at the discretion of the Department Head at any subsequent time during the next twelve (12) months.

Article C: OVERTIME

1. Overtime: Supervisor approved hours in excess of an Employee's basic work week are overtime.
2. Overtime Payment: Except when an Employee is assigned to emergency stand-by duty, any overtime pay shall be paid on a time and one-half (1½) basis.
3. Callback Overtime: Callback Overtime shall be paid on a time and one-half (1½) basis. Callback Overtime, including the two (2) hour minimum, shall if:
 - a. The Employee is officially ordered to return to work on a day when no work was scheduled, including a day when the Employee was scheduled to be on Annual Leave, Personal Leave, Compensatory Leave, or paid holiday;
 - b. The Employee is "called back" to work with less than twelve (12) hours' notice and more than thirty (30) minutes before employee's regularly scheduled work; or,
 - c. The Employee is officially ordered to return to work more than thirty (30) minutes after employee's regularly scheduled work.
 - d. Unless otherwise required by applicable law, Callback Overtime shall begin when the Employee arrives at the worksite.
 - e. Callback Overtime shall not apply if the Employee is ordered to report to work while on Stand-By Duty.
 - f. In the event the Employee is called back while on Annual Leave, Personal Leave, Compensatory Leave, or paid holiday, the Employee will still use their Annual Leave, Personal Leave, Compensatory Leave, or paid holiday, and will receive Callback Overtime for the relevant period.

4. Extension of the Workday Overtime: Extensions of the Workday shall be paid at time and one-half (1½) and will apply if the extension of the work day is officially ordered and approved and the Employee is called to duty within thirty (30) minutes prior to regularly scheduled work or is called to duty within thirty (30) minutes following regularly scheduled work. Extension of workday overtime is not subject to the two (2) hour minimum and shall be computed based on actual time worked.
5. Scheduled Overtime: Scheduled Overtime is defined as work outside of and in addition to an Employee's regularly scheduled shift scheduled more than twelve (12) hours before the start of scheduled work. Such work is not subject to the two (2) hour minimum.
6. Every attempt to not change an Employee's work schedule during the work week, when the purpose of the change is to solely avoid overtime compensation, will be made unless agreed to by the Employee or there is an operational need in which the Employee is a required resource. The supervisor responsible for changing an Employee's regular work week schedule shall provide as much notice as possible based on the operational constraints dictating the change and shall directly notify the Employee of the change to the best of the supervisor's ability.
7. Overtime Assignment: Overtime shall be assigned on a rotation basis within a division, starting with the most senior Employee in the unit, except as provided below.

Emergency Communications Supervisors Overtime:

SIGN-UP OVERTIME:

Sign-up Overtime is defined as any overtime posted for 'sign-up' more than 24 hours in advance. Employees of a higher seniority may 'bump' a lower seniority employee within 3 days. Sign-up overtime that is within 12 hours of the scheduled start time is no longer eligible to be 'bumped'. After an employee has volunteered for an overtime shift, they are accountable for that shift and must arrange for a replacement if they no longer wish to work it, unless authorized by a supervisor.

UNSCHEDULED OVERTIME:

When overtime coverage is needed within 24 hours of the scheduled start time it will be offered to employee(s) as follows in order of highest to lowest seniority within each group:

- 1st – Employee(s) from the shift preceding the shift needing coverage from Communication Supervisors.
- 2nd – Employee(s) from the shift preceding the shift needing coverage from Communication Dispatchers.
- 3rd – Employee(s) from the shift following the shift needing coverage from Communication Supervisors.
- 4th – Employee(s) from the shift following the shift needing coverage from Communication Dispatchers.
- 5th – All other employee(s) from Communication Supervisors.
- 6th – All other employee(s) from Communication Dispatchers.

* When overtime is offered it will be offered to those on their regularly scheduled shift first followed by those working a scheduled overtime shift.

Any leave that the Employee received from the "bank" which was not used or upon resignation or termination of the Employee must be returned to the "bank."

Article E: WORKERS COMPENSATION LEAVE

If an employee is absent due to an industrial injury or occupational disease with the City, the employee shall receive current, full, regular pay of four-hundred, eighty (480) hours in any twelve (12) month period, without being charged any sick and/or annual leave. This leave shall be known as workers' compensation leave.

Employees who have used all sixty (60) days of workers' compensation leave, or those with an industrial injury or occupational disease with a different employer may elect to receive current, full, regular pay and benefits from the City instead of the wage replacement benefits pursuant to NRS 616 and 617. In order to receive this payment, one-third (1/3) of the cost of the current, full regular pay must be charged first to an employee's sick leave bank until it is exhausted to a zero (0) balance, and second to an employee's annual leave bank until it is exhausted to a zero (0) balance.

If the employee does not wish to utilize sick leave and annual leave in this manner, the employee must notify Human Resources and shall accept as full compensation the amount received pursuant to NRS Chapters 616/617. Once this election is made, it may not be changed.

After all workers' compensation leave, sick leave and annual leave are exhausted, the employee shall accept as full compensation the amount received pursuant to NRS Chapters 616/617.

If applicable, the employee shall promptly endorse workers' compensation checks and submit them to Human Resources. In no event shall an employee be allowed to receive workers' compensation as well as compensation from the City.

When an employee is injured in the course of their employment, and initial treatment would place the employee in an overtime status, the hours during the initial outpatient treatment will be paid as overtime. For employees on evening or night shifts, any time spent for follow up, outpatient treatments will be paid as overtime.

Employees injured in the course of their employment while working on a City holiday will receive the remainder of their shift paid at the worked holiday rate of pay.

Article F: COURT LEAVE

Any Employee appearing in any court or before the Grand Jury as a party to an action arising out of City employment or as a witness to either a civil or criminal case for the purpose of giving testimony as to facts or knowledge received in the course of City employment, shall receive full compensation as though actually on the job during such time. Any Employee appearing as a juror in any court or on the Grand Jury or as a witness for the Grand Jury, shall receive full compensation for the normal work shift such public service obligated the Employee to miss. The Employee shall claim any jury, witness or other fee to which the Employee may be entitled by reason of such appearance and forthwith pay the same over to the City to be deposited in the General Fund of the City. In all cases, however, the Employee shall retain mileage allowance.

If the Employee is on duty and witnesses an event not related to the performance of their duty, but as a bystander witness, they will not be compensated for the court appearance. Additionally, the Employee will not be paid court pay for any court appearance as a witness against the City.

Article G: EMPLOYEE TRAVEL

The City will, at a minimum, comply with Fair Labor Standards Act (FLSA) guidance regarding pay while traveling. The City will meet and confer with the Union prior to implementing any additional policies regarding pay while traveling.

Article H: MILITARY LEAVE

Military leave shall be in accordance with the Uniformed Services Employment & Reemployment Act of 1994 and the City's Administrative Rule on Military Leave. Any classified Employee who is absent due to mandatory training in the U.S. National Guard or Reserve will serve without loss of City compensation for a period not to exceed fifteen (15) working days in any one calendar year. Any such absence shall not be deemed to be an Employee's annual leave.

Article I: LEAVE OF ABSENCE

Official leaves of absence shall be granted according to the rules of the City's Civil Service Commission. Any Employee on such leave shall receive no compensation from the City during that period of absence except as required for local government Employees under the Uniformed Service Employment & Reemployment Act of 1994 and the Family Medical Leave Act.

Article J: COMPENSATORY TIME

1. Compensatory time is time off which may be given an Employee during the Employee's regularly scheduled work period to compensate for overtime hours which are earned and accrued by an Employee in lieu of payment for employment. It is accrued at one and one-half (1½) hours compensatory time for each overtime hour worked.

When an employee has worked overtime and would like to add the time to their compensatory bank instead of being paid overtime, it must be noted on the employee time sheet.

When working overtime on a Special Event, as identified under Section 2, Article C, paragraph 8, time cannot be placed in the compensatory bank.

In emergencies and certain special events designated by the City, the City may require that Employees receive overtime pay in lieu of accruing compensatory time off. No Employee shall accrue more than one hundred (100) hours of additional work time to be paid as compensatory time (shown as accumulated time on the paycheck). Upon reaching the maximum of one-hundred (100) hours to be paid off as compensatory time, all hours worked in addition to the regularly scheduled work period must be compensated at the overtime rate.

2. Granting of Compensatory Time Off: Employees will be allowed to use compensatory time upon request provided such use does not unduly disrupt City operations. The Department Head may deny an Employee's compensatory time request if the absence of the Employee would impose an unreasonable burden on the City's ability to meet its obligations.
3. Settlement for Unused Compensatory Time: Payment for unused compensatory time is authorized to be paid in the event of promotion to an exempt position under FLSA, separation, or termination, retirement or death. Employees are able to cash out Compensatory Time by submitting an email to Payroll or completing a compensatory cash out form and submitting to payroll at any time during the fiscal year.

Article K: PERSONAL LEAVE

Each employee will be credited with sixteen (16) hours upon hire. Effective upon ratification, each employee shall be credited with a total of thirty (30) personal hours for the fiscal year July 1, 2025, through June 30, 2026. For each fiscal year thereafter, each employee will be credited with twenty-four (24) personal hours each fiscal year, to be used during the fiscal year on a date mutually agreeable to the Employee and supervisor. If the Employee has made at least three (3) valid and reasonable attempts to obtain the approval of their Personal Leave hours without success, then the Employee may be compensated for the Personal Leave hours at their base rate of pay. An Employee who separates from City service will be compensated for unused Personal Leave hours at their base rate of pay at the time of separation.

This benefit will be effective upon the first full day of the first full pay period following each July 1st.

Unused Personal Leave as of the end of the pay period that includes June 30 will be forfeited.

Article L: USE OF LEAVE DURING A HEALTH EMERGENCY

A health emergency is any event during which the United States, State of Nevada, Washoe County, and/or City of Sparks declare(s) an emergency caused by a health concern that impacts the City and its employees. During a health emergency, the City will comply with any relevant local, state, and/or federal guidance that the City determines is applicable to establish protocols to protect the health and safety of its workforce and the public.

When a health emergency relates to a communicable illness, an employee who is exposed or potentially exposed to the communicable illness that is the subject of the health emergency (illness), the City may require the employee to remain away from work in order to self-isolate and/or quarantine in accordance with the City's protocols and applicable local, state, and/or federal guidance.

During any period of required self-isolation and/or quarantine, an employee who is able to work from home and whose duties allow them to work from home may be allowed to work from home. If an employee is unable to work from home, the employee will be placed on administrative leave while he or she is required to self-isolate and/or quarantine. When an employee is placed on administrative leave to self-isolate and/or quarantine, the following rules apply:

1. Where the exposure or potential exposure to the illness occurred on duty, the employee will be placed on paid administrative leave for the duration of the required period of self-isolation and/or quarantine. In the event federal and/or state law provides for any additional leave specific to the health emergency, any period of paid administrative leave will be counted against such additional leave to the extent permitted by law.
2. Where the exposure or potential exposure to the illness occurred off duty, the employee will be placed on unpaid administrative leave for the duration of the required period of self-isolation and/or quarantine. An employee placed on unpaid administrative leave under this Article may elect to use any accrued sick leave the employee has available in order to receive pay during the required period of self-isolation and/or quarantine. If the employee exhausts his or her available sick leave while self-isolating or quarantining, he or she may elect

to apply any other leave(s) in lieu of sick leave in the following order: compensatory time, administrative/personal leave, annual leave. In the event federal and/or state law provides for any additional leave specific to the health emergency, the employee may use such additional leave in order to receive pay during the required period of self-isolation and/or quarantine to the extent permitted by law.

For the purposes of this Article only, an employee who complies with the City's health and safety protocols and is exposed or potentially exposed to the illness at work will be rebuttably presumed to have been exposed or potentially exposed to the illness while on duty. Any claimed on-duty exposure or potential exposure to the illness must be reported to the employee's supervisor immediately so that the City may take immediate steps to combat further exposure to the illness.

An employee who fails to comply with the City's health and safety protocols, including but not limited to any travel restrictions, social distancing restrictions, or reporting requirements, which are in effect at the time of exposure or potential exposure, will be rebuttably presumed to have been exposed or potentially exposed to the illness while off duty. To overcome this presumption, an employee must show, by clear and convincing evidence, that his or her exposure or potential exposure to the illness occurred while the employee was on duty and acting in compliance with the City's health and safety protocols. The Union and the City recognize and agree that in order to protect the health and safety of employees and the community, it is imperative that employees comply with the City's health and safety protocols, and any employee who fails to comply with the City's health and safety protocols waives his or her right to seek paid administrative leave under this provision.

Paid administrative leave under this Article shall not be construed to have any effect on or relevance to any determination of eligibility for worker's compensation benefits.
