Article 26
Grievance Procedure

I. General.

1. Except where a remedy is otherwise provided for in this agreement, any Employee shall have the right to present a grievance arising from his employment in accordance with the rules and regulations of this procedure. A grievance shall be defined as a dispute between the City and the Union arising over the interpretation or application of a specific provision of this Agreement or the administration of disciplinary action, excluding documented oral or verbal warnings. The employee shall have thirty (30) calendar days from issuance of verbal warning to submit a written letter of rebuttal to be placed into their file and attached to the documented verbal or verbal warning pursuant to Article 7 of this Agreement, Grievances as defined above shall be resolved pursuant to this Article.

2. The City and the Union must act in good faith and strive for objectivity, while endeavoring to reach a solution at the earliest possible step of the procedure. The aggrieved Employee shall have the assurance that filing of a grievance will not result in reprisal of any nature. The aggrieved Employee shall have the right to be represented or accompanied by a representative of the Union or another employee of their choice at all stages of the Grievance Procedure. The Union may be present at any or all such meetings, however, if they are not representing the employee, they are limited to observing the meeting only.

3. Certain time limits in the Grievance Procedure are designed to quickly settle a Grievance. It is realized, however, that on occasion the parties may be unable to comply with the established limitations. In such instances, the limitations may be extended upon the mutual agreement of all parties, in writing, in advance of the expiration of the time limits. Deadlines, which fall on a nonbusiness day will automatically be extended to the next business day. A business day is defined as Monday through Friday, excluding observed holidays.

4. Failure of the aggrieved Employee to file an appeal from one step of the Grievance Procedure to the next step of the Grievance Procedure within the prescribed time limit for any step of the procedure shall constitute abandonment of the grievance. The City shall abide by prescribed time limits. The failure of the City to abide by the prescribed time limitations in processing the grievance shall result in the grievance automatically advancing to the next step, unless an extension of time is mutually agreed upon by the parties, in writing.

5. The City shall be responsible for conducting all conferences, meeting or hearings under the formal grievance procedure, and shall notify all affected parties in writing of the next scheduled meeting on the grievance.

6. When two or more Employees experience a common grievance, they may initiate a single grievance proceeding at Step 1.

II. Grievance Procedure.

Step 1. Grievance

When an Employee or Employees becomes aware that the City is dissatisfied with their work performance or they have received disciplinary action as defined in Article V, or an employee, group of employees or the Union on behalf of the employees, believe a violation of the contract has occurred, the Employee or the Union on behalf of the employee, may file a grievance requesting the grievance be presented to the City Administrator for review. This request must be made in writing within fifteen (15) working days of notification of substandard work performance or in the alternative issuance of disciplinary action or the Union discovering a potential violation of this Agreement. The City Administrator, unless circumstances prevent him/her from doing so, shall hear the grievance and give a written decision within ten (10) working days of receipt of the formal grievance. The City Administrator must provide both the aggrieved employee and the Union with a copy of his/her response.

Step 2. Board of Adjustments:

1. If the employee is dissatisfied with the results of the Step 1 Grievance, the employee or the Union on behalf of the employee may file a request to submit the grievance to the Board of Adjustment. The employee, or the Union on behalf of the employee, must file the request to submit the matter to the Board of Adjustment within ten (10) working days following the issuance of the response to the Step 1 grievance. Failure to do so shall result in the grievance being denied.

2. The purpose of the Board of Adjustment is to provide a mechanism to allow the parties to settle disputes. It is not negotiations, but a review of the facts and the contractual terms applicable to the grievance to determine if there is a resolution that may be reached. Within thirty (30) calendar days or as soon as reasonable and practicable a the Board of Adjustment will meet to hear grievances not resolved at Step 1 and timely filed by the employee or the Union on behalf of the employee. The Board will be comprised of four (4) members, two (2) appointed by the Union (any staff members of Operating Engineers Local Union #3, such as business agents, District Representatives, Officers or members of the Bargaining Unit and the Mayor and the Departmental Liaison (City Council member responsible for the employee's department)).

3. The Board of Adjustment will hear presentations from the Union and City representatives regarding the grievance(s) scheduled for that day, and render a decision the same day of the hearing(s). In a dispute arising out of the terms of the contract, the Union shall have the burden of proof and in a disciplinary or performance dispute, the City shall have the burden of proof. The parties stipulate and agree that the burden of proof is defined as preponderance of the evidence (meaning it is more likely than not that the contract means what it says, or it is more likely than not that the employee did what they are accused of doing). In the event the Board of Adjustment cannot settle grievances at this Step of the procedure, the employee or the Union on behalf of the employee may notify the City in writing within ten (10) days of the Board's decision of its intent to request to mediate or arbitrate the dispute.

Step 3. Mediation:

1. If the matter is not settled to the satisfaction of the employee or the Union on behalf of the employee at the Board of Adjustment, the Union or City, may decide by written mutual agreement, to bypass Mediation, and take the matter to arbitration.

2. If the matter is not resolved based on the response of the Board of Adjustment, the parties may, by mutual consent, request the services of a mediator from the Federal Mediation and Conciliation Service. If the parties have agreed to mediation, the mediator shall convene a meeting between the City and the Union for the purpose of seeking resolution of the matter. The City and the Union shall make a good faith effort to resolve the matter in mediation. If the matter is not resolved in the first mediation session, at the request of the mediator and the consent of each party, one or more subsequent meetings may be held. After the initial meeting, either party may choose to discontinue mediation by notifying the other party in writing.

3. Any mutual meeting of the minds and/or settlement at mediation shall resolve the grievance and the mediated settlement may be enforced pursuant to NRS. In addition, the parties agree and stipulate, in advance, that any settlement reached at mediation shall not affect any other matter or grievance, unless it involves the application of a particular contractual provision.

Step 4. Arbitration:

1. If the matter is not settled by the Board of Adjustment and upon notification of either party to bypass or discontinue mediation, within ten (10) working days of the written notification, the employee or the Union on behalf of the employee, may request the grievance be advanced to arbitration. The arbitration shall be heard by a single arbitrator selected from a list of seven (7) arbitrators furnished by the Federal Mediation and Conciliation Services (FMCS) or the American Arbitration Association with a copy of the request provided to the City. The employee or the Union on behalf of the employee shall request the list within ten (10) working days and upon receipt of the list, shall provide a copy to the City. Within five (5) working days of receipt of the seven (7) member arbitration panel, the parties shall strike names, with the Union striking first, and the City striking next, alternating back and forth until one arbitrator remains. Once the arbitrator has been selected, the parties shall submit a joint request to the arbitrator for available dates to conduct the arbitration.

(a) The decision of the arbitrator shall be final and binding. The decision shall be in writing and issued to the parties within sixty (60) calendar days following the arbitration and shall set forth: findings of fact, conclusions of law, reasoning, and conclusion on the issues submitted.

(b) The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement; nor will the arbitrator have any power to amend, modify, add, or delete provisions of the Agreement.

(c) The fees and expenses of the arbitrator and a court reporter shall be borne equally by the parties. A party requesting a copy of the written transcript shall pay all fees and costs associated; however, if the other party requests a copy of the transcript, all such fees and costs shall be shared equally.

III. Miscellaneous.

1. Any Employee, seeking or filing a request to have his/her grievance reviewed, shall not be discriminated against while doing so. Moreover, the parties agree that no employee shall be harassed for testifying at any step of the grievance procedure, assisting another Employee to prepare a grievance, or acting as a representative of any Employee requesting a grievance review.

2. For purposes of this agreement, the term "work day" means any day Monday through Friday excluding holidays.

3. The time limits set forth in this Article, shall be strictly construed. They may be extended by mutual written agreement of the parties. If the employee, or the Union on behalf of the employee, fails to file and/or process the grievance in a timely manner, it shall be conclusively presumed that the grievance is withdrawn with prejudice or satisfied. If the City fails to respond to the grievance in the time limits established in the preceding sections the grievance shall automatically progress to the next step of the grievance procedure.

ARTICLE 27 SENIORITY

A. Seniority means the length of an employee's continuous service with the City. An employee who has not completed the initial probationary period shall not be considered a regular employee. Preference in vacation scheduling and extra days off shall be by seniority.

B. An employee's continuous service record (seniority) shall be broken by voluntary resignation. Part time employees shall earn seniority based on the number of hours worked each year (based on the employee's hire date). For example, an employee who works 1040 hours during their anniversary year shall earn one-half (1/2) year of seniority.

C. Continuous Service:

Employees have six months to utilize compensatory time off banks to forty hours or less, or be paid at time and one half for each overtime hour worked at the hourly rate the compensatory time was accrued.

B. All Department Heads will distribute overtime as equitably as possible. Full-time employees shall be given preference. Should no volunteers be found, the City may offer such overtime to part-time employees.
