Further, the Union will use its best efforts to require all dispatchers covered by this Agreement to comply with this pledge.

ARTICLE 7

DISCIPLINARY ACTION

A. **Basis for Disciplinary Action.** The tenure and status of every Union dispatcher is conditioned on reasonable standards of personal conduct and job performance. Failure to meet such standards shall be grounds for appropriate disciplinary action. Disciplinary action shall be for just cause and may, in addition to the cause set forth in the personnel code or Departmental Standard Operating Procedures (SOPs), be based upon any of the following grounds: failure to fully perform required duties, insubordination, abuse of employer policies or rules, unexcused absences, misuse or abuse of County property or equipment, substandard job performance, commission of a felony or other crime involving moral turpitude, and commission of other acts which are incompatible with service to the public.

B. **Policy:** The procedure set forth below shall be followed only in respect to any oral warning, written reprimand, suspension without pay, demotion, reduction in pay for disciplinary purposes, or disciplinary termination of a regular full-time, post-probationary dispatcher covered by this Agreement. No post-probationary dispatcher shall be disciplined without just cause.

1. **Oral warning:** An oral warning or a performance evaluation report is not subject to the appeal process outlined below.

2. **Written Reprimand:** A written reprimand shall be provided to a dispatcher prior to being placed in the dispatcher's personnel file. Such reprimands shall not be subject to the appeal process outlined below, but the dispatcher shall have the right of rebuttal by providing a written statement which will be included in the personnel file along with the written reprimand.

3. **Written Notice for Minor or Major Discipline:** When the disciplinary action proposed is a suspension without pay, demotion, reduction in pay for disciplinary purposes, or disciplinary termination, written notice of the intended disciplinary action shall be given to the dispatcher personally, or if personal delivery is not practicable, then written notice shall be mailed to the dispatcher at his/her last known address by certified mail, return receipt requested. Such notice shall include a statement of the reason(s) for the intended action, the charge(s) being considered, the effective date of the intended action, and an explanation of the basis of the charges upon which the intended disciplinary action is based. The dispatcher will be responsible for notifying the Union of the Written Notice.

4. **Dispatcher Response:** Within five (5) working days from the date of delivery or mailing by certified mail of the Written Notice, the dispatcher shall have the right to respond, orally or in writing, to the Sheriff and request a predisciplinary conference.

5. **Predisciplinary Conference:** When an employee responds orally or in writing to the Sheriff, the Sheriff or his/her designee shall cause an informal predisciplinary conference to

be held in a timely manner (within ten [10] working days) to review the basis of the proposed disciplinary action and to provide the opportunity for the employee to answer the charges. The Sheriff or designee shall allow the employee to present relevant information which may cause the Sheriff or designee to reverse or modify the proposed disciplinary action. Failure of the employee to appear at the predisciplinary conference, if requested, shall forfeit all of the employee's appeal rights.

6. Relief of Duty: Notwithstanding any other provisions of this Article, the Sheriff or designee may take the following actions:

a. Approve the temporary assignment of a dispatcher to a status of leave with pay pending conduct or completion of such investigation(s) or the opportunity to respond as may be required to determine if disciplinary action is to be taken.

b. The Sheriff or designee may place the dispatcher on leave without pay pending resolution of the situation. In the event the issue is resolved without disciplinary action being taken, the dispatcher shall receive full back pay for the period of leave without pay. In the event the issue is resolved with discipline, which includes less time off without pay than the dispatcher has suffered, the dispatcher shall receive full back pay for the time off which is not imposed as discipline.

7. County Response: If the dispatcher does not respond, the disciplinary action will commence, with no further right of appeal. If the dispatcher files a response, the Sheriff or designee shall notify the dispatcher in writing of any action to be taken within ten (10) working days after the conclusion of the predisciplinary conference.

8. Appeal Process for Minor Discipline

a. Minor Discipline Defined: Minor discipline is defined as a suspension without pay for three (3) days or less.

b. A dispatcher who has been suspended without pay for three (3) days or less has the right to appeal the minor disciplinary action taken by filing a written notice with the Board of County Commissioners, via the Clerk of the Board, requesting an appeal within twenty-five (25) working days from the date the appeal request is submitted. The appeal request must state specifically the reason or reasons upon which it is based. Failure to file within the time allowed constitutes abandonment of appeal rights.

c. If an appeal of a minor disciplinary action has been requested, the Board of County Commissioners, at one of their regularly scheduled meetings, shall conduct a closed-session hearing to hear the appeal of a minor disciplinary action. The Board shall, within twenty-five (25) working days after the conclusion of the appeal hearing certify its decision in writing to the employee. The decision of the Board of County Commissioners shall be final and binding.

C. Appeal of Major Discipline:

1. Major Discipline Defined: Major Discipline is defined as a suspension without pay of more than three (3) days, demotion, reduction of salary or a discharge.

2. Regular, post-probationary dispatchers may appeal major discipline as follows. If the dispatcher wishes to appeal the disciplinary action, s/he shall file a written request with the Board of County Commissioners within five (5) working days of the imposition of the discipline. The appeal shall be heard by the County Board within thirty (30) working days of the written request. The County Board shall receive evidence and testimony from the administration and the dispatcher or his/her authorized representative during an informal hearing. The County Board may decide to uphold the disciplinary decision or reduce the disciplinary decision.

D. If the Union is not satisfied with the decision of the County Board regarding an appeal of major discipline, the Union may request in writing to the County Board within ten (10) working days of the County Board's decision that the matter be decided in arbitration. The parties shall attempt to agree upon the person who shall be the arbitrator. If the parties are unable to agree, the arbitrator shall be selected from a panel of seven (7) arbitrators provided by the Federal Mediation and Conciliation Service. The panel of potential arbitrators shall be obtained within ninety (90) calendar days of the Union's request for arbitration. Said arbitrator shall be agreed upon within ten (10) working days of receiving the list of seven (7) arbitrators. The arbitrator shall issue a final and binding decision.

1. The fees and expenses of the arbitrator and a court reporter shall be borne equally by the parties. A party requesting a copy of the written transcript shall pay all fees and costs associated; however, if the other party requests a copy of the transcript, all such fees and costs shall be shared equally.

2. A time for an arbitration hearing shall be established which shall not be less than fourteen (14) calendar days, nor more than one hundred fifty (150) calendar days from the date of the filing of the appeal. All interested parties shall be notified in writing of the date, time, and place of hearing at least seven (7) calendar days prior to the hearing. If the arbitrator's schedule does not allow the appeal hearing to be held within the above-noted time period, the Union and County agree to extend the deadline for the appeal hearing until such a time that the arbitrator is available.

E. Timeliness: The time limits set forth in this Article must be followed in a timely manner, unless alternative time schedules are mutually agreed to by the parties.

F. Reduction in Pay. A dispatcher faced with a disciplinary suspension may, upon mutual agreement between the employee and the Department, agree to continue working during the period of suspension. The Sheriff, Union and the dispatcher shall agree to reduce the dispatcher's base pay a fixed percentage amount for a period not to exceed twelve (12) months or until the wage reduction reflects the loss of pay the dispatcher would have realized by serving the suspensions, whichever is sooner.

G. This Article shall not apply to dispatchers serving a probationary period.

H. The appeal procedure set forth in this Article is the sole appeal process under this agreement and employee's may not appeal disciplinary actions pursuant to Article 8 - Grievance Procedure

ARTICLE 8

GRIEVANCE PROCEDURE

A. A grievance shall be defined as a dispute between the County and the Union arising over the interpretation or application of a specific aspect of this Agreement which is not a management right. Grievances as defined above shall be resolved pursuant to this Article. This Article shall not apply to disciplinary action of any form.

B. If a dispatcher feels s/he has a grievance, s/he shall take up the matter with the Sheriff or designee within ten (10) days after the dispatcher becomes aware or should have become aware of the event giving rise to the grievance.

C. The Sheriff or designee shall make a reasonable effort to reach an acceptable

solution to the problem within ten (10) days after it has been submitted to him/her. Any grievance settlement shall be approved in writing by the Sheriff or designee.

D. If the grievance is not settled during the informal discussion, the Union may proceed with the matter. To proceed, the Union shall submit the grievance in writing, within ten (10) days after the Sheriff's response to the informal discussion, to the Sheriff or designee and provide the following information:

1. the dispatcher's name;
2. the dispatcher's position classification;
3. a complete statement of the nature of the grievance citing the specific section of this Agreement which is the basis for the grievance and the date the grievance arose;
4. any attempts made to resolve the problem;
5. a proposed solution to the grievance;
6. signature of a Business Representative

The Sheriff or designee shall arrange for any meetings and investigations necessary to enable him/her to respond in writing to the Union regarding the grievance within ten (10) days from the date s/he received said grievance in writing.

E. The Union shall furnish the County with the name(s) of its representative(s) authorized to file and settle grievances under the provisions of this Article.

F. If the matter is not settled in the previous step, the Union may, within ten (10) days of receiving the Sheriff's or designee's decision, submit the matter to the County Manager. The County Manager shall hold a meeting within ten (10) days to consider the matter. The County Manager shall conduct a hearing during which s/he shall hear testimony and argument from the Union representatives and from the Sheriff's staff and advisors. The County Manager shall issue a written decision within ten (10) days of the conclusion of the hearing.

G. If the matter is not settled in the previous step and after receipt of the written response from the County Manager, the Union may, within ten (10) days of receipt of the County Manager's decision, notify the County Manager in writing of its desire to submit the matter to an arbitrator. The arbitrator shall be selected from a panel of seven (7) arbitrators provided by the Federal Mediation and Conciliation Service. The panel of potential arbitrators shall be obtained within ninety (90) calendar days of the Union's request for arbitration. Said arbitrator shall be agreed upon within ten (10) days of receiving the list of seven (7) arbitrators.

H. The decision of the arbitrator shall be final and binding. The decision shall be in writing and shall set forth findings of fact, reasoning, and conclusion on the issues submitted.

I. The arbitrator will be without power or authority to make any decision which requires the commission of an act prohibited by law or which is in violation of the terms of this Agreement; nor will the arbitrator have any power to amend, modify, add, or delete provisions of this Agreement.

J. The fees and expenses of the arbitrator and a court reporter shall be borne equally by the parties. A party requesting a copy of the written transcript shall pay all fees and costs associated; however, if the other party requests a copy of the transcript, all such fees and costs shall be shared equally.

K. Any dispatcher, informally seeking or formally filing a request to have his/her grievance reviewed, shall not be discriminated against while doing so, testifying on behalf of another dispatcher, assisting another dispatcher to prepare a grievance report, or acting as a representative of any dispatcher requesting a grievance review.

L. For purposes of Articles 7 and 8, the term "day" means any day Monday through Friday excluding holidays.

M. The time limits set forth in this Article shall be strictly construed. The time limits specified in the preceding sections may be extended by mutual written agreement of the parties. If the Union fails to file and/or process the grievance in a timely manner, it shall be conclusively presumed that the grievance is withdrawn with prejudice or satisfied. If the County fails to respond to the grievance in the time limits established in the preceding sections, the matter automatically moves to the next step.

ARTICLE 9

HOURS OF WORK, OVERTIME, AND RECORDS

A. Hours of Work:

1. The following provisions are intended to define the normal work week and hours of work and shall not be construed as a guarantee of the number of hours worked per day or the number of hours worked per week, or the number of days worked per week. The Sheriff or designee shall determine the hours of work and the work schedules of the dispatchers. The Sheriff or designee may designate alternate work weeks or other work schedules when the County operations make such designations desirable.

2. The standard work week shall be a seven (7) consecutive day period from midnight Sunday to midnight the following Sunday.

3. The work schedule shall be the normal hours of work for a dispatcher during a work week. The standard work schedule for full-time dispatchers shall be eight (8) hours per day for five consecutive days, which includes an on-duty meal period that shall be treated as paid time. The normal shift start times, including any hours in paid leave status, are as follows:

- a) Day shift shall include all shifts starting between 6:00 am and 7:00 am.

- c) Grave shift shall include all shifts starting between 10:00 pm and 11:00 pm.

B. Overtime:

1. It is the policy of the County that overtime should be kept to an absolute minimum consistent with the basic functions and purposes of the operating department and shall remain within the spending authority as provided in each department's budget. Decisions concerning the use of overtime are fiscal and management functions.

2. Overtime necessary to respond to an emergency shall be authorized, in advance if possible, by the Sheriff or designee. When overtime is routine and predictable or as a result of an increase in workload, prior approval of the appointing supervisor is necessary.

3. Overtime for dispatchers is that time worked which exceeds eight (8) hours in a calendar day or forty (40) hours in a seven day work week. Dispatchers who typically are regularly scheduled to work a variable workday of more than eight (8) hours but not more than twelve (12) hours in a calendar day shall receive overtime for that time actually worked which

exceeds their regularly established workday or forty (40) hours actually worked in a standard seven (7) day work week. Time worked includes paid lunch periods, time off for annual leave, sick leave, comp. time and holidays.

4. All overtime hours, as defined above, shall be compensated at one-and-one-half times the dispatcher's regular rate of pay. At the discretion of the Sheriff or designee, the form of payment may be either overtime pay or compensatory time off in lieu of payment of overtime. Paid overtime shall be in the same pay check covering the pay period in which the overtime was earned. Overtime hours will be converted to compensatory hours at the rate of each hour of overtime work equals one-and-one-half hours of compensatory time. Dispatchers who elect compensatory time off may accrue up to sixty (60) hours in a compensatory time off account. Hours above sixty (60) shall be treated as paid overtime. Compensatory time off may be used by the dispatcher within a reasonable period of time at the request of the dispatcher with prior approval of the Sheriff or designee. The Sheriff or designee shall make a reasonable effort to grant the compensatory time off at the time requested by the dispatcher consistent with department needs and budget constraints.

C. Records and Attendance:

1. Dispatchers will not be allowed unexcused absences or tardiness.
2. Dispatchers who become ill or are injured while on duty shall report immediately to the department head.
3. Dispatchers shall not leave early and must be at the assigned work area at the start and end of shifts, breaks, and meal periods.
4. Dispatchers shall not leave the place of work during working hours without authorization and shall not waste time or loiter.
5. Dispatchers shall work until the designated quitting time and shall not quit early or leave before relief personnel have arrived.

ARTICLE 10

UNIFORM ALLOWANCE

A. Upon initial employment, each dispatcher shall be provided with a three hundred dollar (\$300) credit at a uniform supply company for the purpose of obtaining his/her initial uniforms.

B. The County agrees to pay to each dispatcher the sum of six hundred dollars (\$600.00) per year for uniform care, maintenance and replacement, said sum to be paid by separate checks of three hundred dollars (\$300) on the last regular payday of April and the last regular payday of September of each year. The County shall recognize their obligation to provide this allowance, as designated, in a timely manner.

C. Dispatchers who are hired sixty (60) days or less before the dates indicated in Paragraph B above, shall not be eligible to receive a uniform allowance at the first uniform allowance check date after his/her date of hire. D. Upon request by a dispatcher and at the discretion of the Sheriff, the County shall be authorized to repair or replace items of personal property which have been damaged while the

The intent of this section is to provide relief when items such as but not limited to the following are damaged as a result of unusual circumstances such as physical assault: eye-glasses, watches, dentures, and clothing. It is also at the discretion of the Sheriff as to the value placed on the item which is being repaired or replaced.

ARTICLE 11 COMPENSATION

A. Salary Schedule

1. Commencing the first Monday of the first full pay period of Fiscal Year 2022-23, the gross compensation to employees covered by this agreement shall be in accordance with the salary schedule attached hereto as Appendix A and incorporated herein by this reference, representing a 5.0% increase over the prior year.

2. Commencing the first Monday of the first full pay period of Fiscal Year 2023-24, the gross compensation to employees covered by this agreement shall be in accordance with the salary schedule attached hereto as Appendix A and incorporated herein by this reference, representing a 3.5% increase over the prior year.

3. Commencing the first Monday of the first full pay period of Fiscal Year 2024-25, the gross compensation to employees covered by this agreement shall be in accordance with the salary schedule attached hereto as Appendix A and incorporated herein by this reference, representing a 2.0% increase over the prior year.

B. Compensation Plan:

1. The compensation plan shall consist of range of pay as determined by this Agreement. Each position on the classification plan will be assigned an appropriate range in the compensation plan which insures the maintenance of equitable relationships between classes based on their relative duties and responsibilities. Progression through the steps of each range shall be based on merit alone. Changes in range result solely from promotion, demotion, adjustment to the salary range for a class, or as otherwise specifically provided by this chapter.

2. Definition of Terms:

a. "Range" means a range of salaries. A range shall consist of a series of salary steps for each position as may be determined by the board from time to time. Entry level salary in any range shall conform, as a minimum, to the federal minimum pay scale in effect at the time of entry into said position.

b. "Step" means a single salary level within a range. A range contains a beginning step with each subsequent step separated by a two-and-one-half percent increment or such other differential.

3. Plan administration:

a. The rates of compensation are based on the monthly salary for a full-time regular dispatcher. Hourly, biweekly, and annual figures are based upon the predetermined work week of the individual department and consisting of a forty-hour week.

b. All overtime for dispatchers shall be paid according to the hourly wage equivalent for their positions based on the actual hours worked during the pay period.

4. Salary Upon Initial Appointment:

a. Initial appointment to a position shall be made at the beginning step of the range except as otherwise noted in this chapter.

b. The County Board may approve an advanced step appointment within a salary range to:

1. Meet a difficult recruiting problem;
2. Employ a person who possesses superior qualifications.

c. An advanced step appointment to meet a difficult recruiting problem may be used if:

1. An effort to recruit for a dispatcher has failed to produce three eligible persons who are available; or
2. The recruitment for dispatcher has been deemed historically difficult.

d. An advanced step appointment used to employ a person who possesses superior qualifications may be used if the person possesses experience or education, or both, which greatly exceed both the minimum qualifications of the class and the experience and education of the other eligible persons who are available. Any experience or education considered pursuant to this subsection must be given a greater weight for those areas directly related to the position than those areas of general education and experience. The rate of salary in this situation is negotiable within the range of the position.

5. Advancement Within Salary Range:

a. In order to properly compensate a dispatcher, advancements in salary shall be based on a merit system. Advancements shall not be automatic, but shall depend upon increased service value of the dispatcher to the county. On recommendation of the Sheriff or designee, annual merit salary increases may be granted dispatchers as recognition for satisfactory performance of the duties assigned to their position in the form of, as a minimum, a one step pay raise on the dispatcher's anniversary date. In no event shall an dispatcher receive an increase to a salary step which is beyond the maximum of the range.

b. Eligibility for a merit salary increase shall occur on the dispatcher's anniversary date and, on approval of the Sheriff or designee, shall be paid from that date. Should all or part of a merit increase be disapproved at the time of the initial eligibility, and approved at a later date in the same year due to the dispatcher demonstrating improved performance, the merit salary increase shall be paid from the date of approval. Granting a merit salary increase does not affect the dispatcher's anniversary date or subsequent eligibility.

c. If, due to budgetary constraints, the County deems it necessary to delay implementation of merit increases for all employees of Churchill County, merit increases for Dispatchers will be delayed for the same time period as the rest of Churchill County employees.

C. Special Pay:

1. Temporary Field Training Officer (FTO) Pay: To assure the orderly performance and continuity of County services, the Sheriff may temporarily assign employees to act as Field Training Officers (FTO) to train new dispatchers.

a. When an employee is specifically assigned in writing to work as an FTO, said employee shall be paid 5.0% above their normal rate of pay for the hours actually spent training a new dispatcher.

b. Status as an FTO shall last no more than twelve (12) weeks, unless the Sheriff extends the FTO assignment in writing. Such extension, and any subsequent extension, shall be limited to no more than four (4) weeks per extension.

2. Bi-Lingual Pay: Employees who are bilingual in Spanish and English and whose skills are actively utilized by the Department shall be compensated with an annual bonus payable on December 1 of each year in which they are qualified in the amount of One Hundred Fifty Dollars (\$150.00). Employees must pass a speaking proficiency test conducted by the American Council on the Teaching of Foreign Languages (ACTFL) at the level of Intermediate High in order to qualify for the Bilingual Incentive. The proficiency test will be paid for by the county once every 18 months per Dispatcher wishing to be tested. Employees who do not pass the proficiency test may re-test prior to 18 months at their own expense.

3. Acting Supervisor Pay

A. An employee assigned by the Sheriff to act as Dispatch Supervisor for at least two hours in a shift (or more) shall be paid an additional five percent (5%) for the hours actually worked as Dispatch Supervisor. The assignment of special duties such as TAC or other ancillary duties shall not constitute, in and of themselves, eligibility for Acting Supervisor Pay. The Sheriff makes the final determination on whether an employee is to receive Acting Supervisor Pay, which shall not be subject to appeal or grievable.

b. Under no circumstances shall an employee remain in Acting Supervisor status for more than 12 months.

ARTICLE 12

SHIFT DIFFERENTIAL

A. Dispatchers working during swing shift will have 5% shift differential added to their base rate of pay. Dispatchers working during grave shift will have 9% shift differential added to their base rate of pay.

B. For the purposes of computing shift differential, shift differential shall be paid for the hours actually worked during a shift. For example, an employee who works eight (8) hours of a swing shift and then works two (2) hours into the grave shift would be paid eight (8) hours at the swing shift rate (base plus 5%). They would then also be paid two (2) hours at time and one half

of their regular rate of pay (pursuant to Article 9, Paragraph B of this Agreement) along with two (2) hours at the graveyard shift differential (base plus 9%).

ARTICLE 13

B. When a holiday falls within an employee's vacation period, when he would otherwise normally have received a day off, that person shall receive another day off in its place.

C. If a holiday falls upon a Sunday, the Monday following shall be observed as a legal holiday. If the holiday falls on a Saturday, the Friday proceeding shall be observed as the legal holiday.

D. Employee's must either be on a paid leave status or work the entire working day before and the entire working day after the holiday in order to receive payment for that holiday.

Pay for the actual holiday will be limited to New Year's Day (January 1), Independence Day (July 4), Veterans' Day (November 11), and Christmas Day (December 25).

ARTICLE 14

ANNUAL LEAVE

A. All regular full-time Dispatchers who have completed six months or more of continuous service on a full-time equivalency basis are eligible for annual leave credit as follows:

<u>Years of Service</u>	<u>Maximum Accrual Rate Per month</u>	<u>Maximum Accrual Per Year</u>	<u>Maximum Balance</u>
1 thru 5	8 hours	96 hours	240 hours
6 thru 10	12 hours	144 hours	240 hours
11 thru 15	14 hours	168 hours	240 hours
16 thru 24	16 hours	192 hours	240 hours
25 and over	18 hours	216 hours	240 hours

Each eligible Dispatcher shall accrue annual leave on the basis of regularly scheduled hours worked or on County paid leave status. Each eligible employee shall accrue annual leave based upon the percent of full-time employment which the employee is regularly scheduled to work. The percent of full-time employment shall be applied to the accrual rate per month shown above for the employee's years of service. No Dispatcher shall accrue annual leave for more than forty hours in paid status per week.

B. Annual leave is earned and available for use at the beginning of the month following the one in which the qualifying hours are worked. Annual leave may be taken as accrued or accumulated. Unused annual leave not exceeding 240 hours may be carried over into the following calendar year. Any unused annual leave in excess of 240 hours will not be carried over into the next calendar year. Any accrual of annual leave benefits in excess of 240 hours, is expressly conditioned on the Dispatcher's use of said leave prior to the next calendar year.

C. The time when annual leave shall be taken shall be determined by the Sheriff or his designee after considering the needs of the department, seniority and wishes of the Dispatcher. Except in cases of bona fide Dispatcher emergency, requests for annual leave shall typically be made at least five working days in advance of the date for which leave is requested. The Sheriff or his designee shall establish work and annual leave schedules with first consideration to be given to the efficient operation of the department.

D. Dispatchers who have at least six months eligible service who subsequently leave the employment of the county shall be paid for all accumulated annual leave time at the appropriate pro rata amount per month based upon their length of service. Employees who are terminated for cause shall not be eligible for payoff of unused annual accrual. If any Dispatcher dies and was entitled to payment for accumulated annual leave under the provisions of this agreement, the heirs of such Dispatcher who are given priority to succeed to that Dispatcher's assets under the laws of the intestate succession of this state, or the executor or administrator of that Dispatchers estate, upon submission of satisfactory proof to the county board of their entitlement, shall be paid such amount.

E. No Dispatcher shall be permitted to waive annual leave for the purpose of receiving double pay. When a Dispatcher is not working because of illness or injury and has exhausted his/her sick leave, he/she may, at the discretion of the Sheriff or his designee be permitted to draw his/her annual leave in lieu of his/her sick leave.

F. Annual Leave Conversion Policy.

1. The purpose of the Annual Leave Conversion Program is to allow employees covered by this Agreement to elect to convert Annual Leave hours to the County upon meeting certain criteria. The program should facilitate employees to work additional hours for the general county without losing annual leave in excess of the maximum carryover at calendar year end. The cost of the Conversion program would be less than the additional cost of contract labor or consultants to perform the work while the employees are off on annual leave.

2. Eligibility Requirements under Annual Leave Conversion Program:

a. Employees may elect to participate in the County's annual leave accrual conversion program if they meet the criteria established within this policy.

b. The employee must have five years of service with Churchill County.

c. Employee must have a satisfactory or above performance evaluation within the last twelve months.

d. Employee must have accrued as of the first pay period in November in excess of 200 hours of annual leave.

e. The employee must use at least 50% of the current year accrued annual leave as of the end of the year of the buyback to be eligible.

f. The amount of the conversion is limited to 50% of the current year accrual subject to conversion in 20 hour increments. Ie.. 20, 40, 60...

g. The conversion must be approved by the Sheriff before submittal to the Comptroller's Office. The Sheriff has the authority to disapprove the conversion if he/she feels the circumstances warrant disapproval.

h. The conversion will be in the form of purchase of retirement service credit with PERS or contribution into the employee's 457 Deferred Compensation account.

i. The total number of Union employees approved for this plan in a given year will be limited to 10% of the total number of Unit members enrolled in the Public Employees Retirement System. In the event that the number of applicants within the Unit exceeds 10% in any year, the County will order the applicants by seniority of County employment to determine eligibility. Any applicant denied on the basis of seniority will have priority in the subsequent year.

3. Procedures:

a. On or before November 15th of each calendar year, each eligible employee shall submit a conversion request to the Comptroller's Office on the designated form.

b. The request will be reviewed by the Comptroller's Office and Human Resources to ensure compliance with eligibility requirements, and the employee shall be notified in writing as to the status of the request.

c. The calculation date shall be the ending date of the first pay period in November.

d. In calculating the incentive conversion amount, the Comptroller shall use the following factors:

i. Employee's current rate of pay

ii. Number of hours eligible for buy-back in 20 hour increments (The wage rate multiplied by the number of eligible hours will be the total compensation used for the selected payment election.)

iii. Employee's payment election method: PERS or Deferred Compensation election.

iv. Any other factors the Comptroller deems necessary to make the calculation.

v. If approved, payments for eligible hours shall be made on behalf of the employees by December 31st.

vi. Employees who are eligible for this program must submit the request by November 15th of each calendar year. Payment for the hours requested shall be

processed and paid by December 31. This scheduled time frame will be the only opportunity for eligible employees to participate in this program each year. Compensation for the hours shall be made at the employee's current rate of pay.

4. Review and Other Provisions:

a. This program is voluntary and subject to periodic review by the Board of County Commissioners. Each application is subject to review to determine the financial advantage to the County. The Board of County Commissioners retains the option to reject any or all requests to participate if it is not determined to be advantageous to the County.

b. The Board of County Commissioners retains the option to waive any of the requirements under this policy if, in the opinion of the board, there are extenuating circumstances.

ARTICLE 15

SICK LEAVE

Sick Leave:

A. Sick Leave Computed: All regular full time dispatchers shall be entitled to ten (10) hours of sick leave with pay for each full time equivalency month of service, which shall be accumulated from year to year. Dispatchers who are regularly scheduled to work more than thirty (30) hours but less than forty (40) hours per week shall accrue sick leave on a prorated basis.

B. Use Of Sick Leave: Such sick leave with pay can only be granted upon an approval of the Sheriff or designee in case of bona fide illness of a dispatcher, or of his/her "immediate family" defined as a husband, wife, child, parent (regardless of where that relative lives) or other relative residing in the dispatcher's household. For the purpose of this policy, bona fide illness shall include the use of sick leave to care for a newborn of a dispatcher, provided the dispatcher qualifies under the family and medical leave provisions. Sick leave shall be used for all medical and dental appointments or care. Evidence that use of sick leave was necessary in the form of a physician's certificate may be required in any case by the county. Dispatchers can use sick leave in units of one half hour or more.

C. Accrual Of Benefits: Sick leave shall accrue from the start of employment. Sick leave benefits may be granted to any dispatcher during the first six (6) months of his/her employment.

D. Duty To Notify: In the event that a dispatcher is aware in advance that sick leave benefits will be needed, it shall be the duty of the dispatcher to notify the Sheriff or designee as far in advance as possible in writing of the anticipated time and duration of such sick leave and provide medical certification that he/she will be unable to perform his/her normal work function. A dispatcher will be required to begin using sick leave on the date after which the doctor certifies that he/she is unable to perform his/her normal duties. A dispatcher on sick leave is required to notify the Sheriff or designee at the earliest possible time of the anticipated date on which the dispatcher will be able to resume his/her normal duties. The Sheriff or designee may require a certificate from the physician of the county's choosing that a dispatcher on sick leave is medically unable to perform the essential job function of his/her position and the Sheriff may require such medical certification from time to time until the dispatcher returns to his/her normal duties. In the

event that a dispatcher on sick leave fails to return to work as soon as he/she is medically able to perform his/her assigned duties, he/she may be deemed to have resigned his/her position with the county and to have waived all employment rights. Sick leave benefits under this provision shall be paid to the dispatcher on sick leave only for the actual workdays missed due to medical inability to perform normal duties.

E. Unpaid Leave: In the event that a dispatcher exhausts his/her accumulated sick leave and is not medically able to resume his/her normal duties, he/she may request an unpaid leave of absence for a period not to exceed six (6) months, pursuant to Article 16. Thereafter, the county board may consider and may renew such unpaid leave of absence, with the concurrence of the Sheriff, if the dispatcher requests in writing that the county board renew such unpaid leave and can show that he/she will be able to resume his/her normal duties within an additional six (6) months.

F. Workers' Compensation: Any dispatcher who is receiving workers' compensation may, at his/her option, take sufficient sick leave to make up for the difference between the workers' compensation payment and his/her regular wage. When a sick leave account is exhausted, the dispatcher will receive workers' compensation payments only.

G. Disciplinary Action: Claiming sick leave when physically fit or when not otherwise eligible for sick leave within the provisions of this section shall be cause for disciplinary action, including cancellation of sick leave benefits, suspension, demotion or termination. Except in cases of emergency, if a dispatcher fails to give advance notice when sick leave is needed, payroll deduction for the time taken will result. A dispatcher will be considered to have given appropriate advance notice if he/she notifies his/her supervisor of the need to be absent from work before the beginning of his/her regular work shift, or if there is no practical way of giving such notice, within two (2) hours of the beginning of the work shift. In the case of unanticipated serious illness or injury, notice may be given as soon as reasonably practical.

H. Payment To Beneficiaries: If any dispatcher dies and was entitled to payment for accumulated sick leave under the provisions of this Article, the heirs of such deceased dispatcher who are given priority to succeed to that dispatcher's assets under the laws of the intestate succession of this state, or the executor or administrator of that dispatcher's estate, upon submission of satisfactory proof to the County Manager of their entitlement, shall be paid such amount.

I. Payment Of Benefits: Upon the death of a county dispatcher or upon election of a county dispatcher to retire under the state of Nevada Public Employee's Retirement System immediately upon separation from county employment, the dispatcher or the dispatcher's beneficiaries are entitled to payment, not exceeding the total sum of seven thousand five hundred dollars (\$7,500), for the dispatcher's unused accrued sick leave according to the number of hours of unused accrued sick leave as follows:

<u>Years Of Employment</u>	<u>Percent Allowed For Payment</u>
5 to 10	35 percent
10 to 20	50 percent
Over 20	60 percent

J. Payment In Case Of Resignation Or Layoff: Any county dispatcher who resigns in good standing following two (2) weeks' advanced notice or is laid off shall be entitled to payment, not exceeding the total sum of three thousand dollars (\$3,000.00), for unused sick leave according to the schedule in subsection I of this section.

If payoff is received as a result of layoff, and the dispatcher is later reinstated, only that sick leave not converted to retirement service credits or paid off at layoff will be reinstated and the amount of payoff and the maximum payoff at any future separation from county will be reduced by the amount paid at layoff.

K. Conversion Of Sick Leave Into Retirement Service Credits: A dispatcher who has been employed by the county for at least five (5) years of continuous service, may at his or her option convert unused sick leave using one of the following two options:

1. Into service credit under PERS at the rate of one hour of service credit for one hour of sick leave,

2. Into a contribution to the employee's 457 Deferred Compensation account, at the rate of one hour of PERS service credit for one hour of sick leave. The value will be computed by taking the Dispatcher's hourly rate as of December 1, multiplying it by PERS' purchase percentage for Regular Members, and then multiplying it by the number of hours being converted,

subject to the following conditions and limitations:

3. Dispatchers must have a cumulative total of at least four hundred (400) hours of unused sick leave to be eligible for conversion. Accrued sick leave hours of a dispatcher in excess of four hundred (400) may be converted into retirement service credit or deferred compensation contribution.

4. A dispatcher's conversion of unused accrued sick leave into retirement service credits or deferred compensation contribution shall be in increments of at least forty (40) hours, subject to a maximum annual limit of two hundred eighty (280) hours (7 workweeks).

5. Dispatchers desiring to convert unused accrued sick leave into retirement service credit or deferred compensation contribution shall submit a written request, on a county approved form, to the county manager during the period November 1 to December 1 of each year. If the dispatcher meets all of the conditions set forth in this subsection, then county shall deduct the designated amount of accrued sick leave from the dispatcher's account and proceed to purchase retirement service credit from PERS or make a deferred compensation contribution in an amount equal to the number of hours elected to be converted by the dispatcher.

6. For those dispatchers who elect to purchase retirement credit under PERS and subsequently retire under PERS while employed by the county, shall be eligible to convert their sick leave balance in writing to retirement credit on an hour for hour basis for the balance of retirement credit available for purchase not to exceed the statutory maximum of five (5) years. In the event that a sick leave balance remains after converting as much of the dispatcher's sick leave hours to retirement credit as may be allowed under PERS, the remaining balance shall be eligible for the privileges granted under subsection I of this section.

7. Upon retirement under PERS while employed by the county, a dispatcher may elect in writing to convert their unused accrued sick leave into retirement service credits or deferred compensation up to a maximum of six hundred eighty (680) hours (17 workweeks).

reimburse or otherwise pay any expense that violates commonly accepted standards of sound judgment and good taste. All claims with required receipts for travel expenses are to be submitted to the Sheriff for approval within five (5) working days following a trip.

B. Mileage: If available, dispatchers must use a County provided vehicle. A. For purposes of this Article, seniority shall be defined as the full-time equivalency of the length of continuous service from the dispatch employee's last date of hire in the Department. A dispatcher's continuous service record (seniority) shall be broken by accepting a regular appointment to a position outside of the Dispatcher units, voluntary resignation, discharge, or retirement.

B. If the County determines that it is necessary to reduce the work force, dispatchers shall be selected for lay off based on merit and seniority as defined in Paragraph A of this Article. The factors to be considered in selecting which dispatcher will be laid off include but are not limited to prior performance, productivity, efficiency, qualifications, attitude, attendance, punctuality, and seniority. If the Sheriff or designee determines that general performance and other factors are essentially equal between two (2) or more dispatchers to be affected by the lay off, seniority with the County shall determine which dispatcher or dispatchers will be retained.

C. Probationary dispatchers shall be laid off before any regular dispatchers, except when laid off dispatchers are not available to work in less than full-time positions.

D. Non-probationary dispatchers due to be laid off shall be given written notice of such layoff at least ten (10) working days prior to the effective date. The affected dispatcher shall be responsible to provide a copy of the notice to the Union.

E. The names of regular dispatchers laid off shall be placed on the reemployment list within the department. Qualifications, seniority, and ability to perform the work shall be the determining factors for returning to work. The County will notify all laid-off dispatchers of all dispatcher job vacancies for one (1) year from the date of layoff.

F. Dispatchers who are reemployed within one (1) calendar year after they are laid off will be entitled to the reinstatement of accrued and unused sick leave which was not paid off at the time of their layoff.

ARTICLE 24

PROBATIONARY PERIOD

New-hire probationary dispatchers are at-will dispatchers who may be discharged at any time without application of or recourse to any provisions of this Agreement or any of the provisions of the Personnel Policies. The length of the new-hire probationary period shall be twelve (12) months. Such period for dispatchers may be extended up to six (6) additional months.

A. Each dispatcher shall have the right, upon written request, to review the material in his/her own personnel file, wherever a file is maintained, during non-duty hours.

B. A representative chosen by the dispatcher may, at the dispatcher's request, accompany the dispatcher in this review.

C. All material in the file must be dated and signed by the source of the material. The dispatcher will be provided with a copy of items placed in his/her personnel file. Any material will be initialed by the dispatcher before placing in the file. It is understood between the parties that an initial or signature on material or items provided by the county or department is not an admission of any action but only an acknowledgment of receipt. If the dispatcher refuses, the County will notify the dispatcher and the Union that the material will be placed in the dispatcher's file. Within thirty (30) days, the dispatcher has a right to attach a written response to any item placed in his/her file. Dispatchers working day shift can make arrangements with the Sheriff to view their files at reasonable hours before or after their regularly scheduled shift.

D. A dispatcher will, in written request to the County, receive copies of all materials in his/her personnel file limited to once per quarter or in the event of an alleged discrepancy.

E. Commendations shall be placed into the personnel file and a copy presented to the dispatcher.

F. A dispatcher who has received a written reprimand or had written documentation of verbal reprimand placed in his/her file may make a written request to Churchill County to have the documentation placed in a sealed envelope within his/her personnel file when there have been no other disciplinary actions against the dispatcher within twelve (12) months of said reprimand.

An employee who has received a Minor disciplinary action placed in his/her file may make a written request after thirty-six (36) months of said violation to Churchill County to verify that the issue has been corrected or that there have been no other disciplinary actions of a similar nature against the employee. Such reply shall be attached to the original document.

An employee who has received a Major disciplinary action placed in his/her file may make a written request after sixty (60) months of said violation to Churchill County to verify that the issue has been corrected or that there have been no other disciplinary actions of a similar nature against the employee. Such reply shall be attached to the original document.

1. After the expiration of the retention period set forth above, a dispatcher may request in writing that the written reprimand be removed from their personnel file. The County shall remove the written reprimand from the dispatcher's personnel file upon the dispatcher's written request if the dispatcher has:

- a. No record of previous infractions and/or no pattern of violating standards,
- b. Met the County's expected standards during the retention period, and
- c. Received no subsequent disciplinary action during the applicable retention period.

2. A dispatcher shall not be entitled to have the written reprimand removed from their personnel file if they do not meet the County's expected standards, have subsequent disciplinary action during the applicable retention period, and/or if the disciplinary action was taken because the dispatcher's conduct is considered a breach of ethics, workplace violence, and/or illegal harassment.

3. The County may retain records beyond the retention periods with a written explanation of the purpose for retaining the records.

4. A written reprimand removed pursuant to this section shall be sealed, together with any related materials included in the dispatcher's personnel file, and shall have no further effect, save and except that said written reprimand may be reopened and used in any subsequent discharge proceedings against the dispatcher or in any litigation arising there from or in any litigation arising out of the events giving rise to the written reprimand or any litigation respecting the actions or conduct of the dispatcher during his/her employment by the County.

ARTICLE 26

EDUCATION REIMBURSEMENT AND/OR ADVANCE

A. It is the policy of the County Board to achieve a more productive and professional County work force and, to attain that goal, the County will reimburse or advance dispatchers for the cost of tuition fees, lab fees and textbooks for approved education and training courses pursuant to the guidelines set forth in this section. Funds for this benefit will be provided by the County Board to the extent it determines reasonable each year. Such funds will be placed in a single account accessible to all County employees.

B. To be eligible for reimbursement or advance, the dispatcher must:

1. Be employed by the County in a regular, part-time or full-time position (scheduled to work no less than thirty (30) hours per week) for not less than six months on the beginning date of the course for which reimbursement or advance is requested.
2. Have received a satisfactory or better evaluation on the most recent performance review.
3. Submit the request for approval of reimbursement or advance at least one week prior to the beginning of the course or submit the request for the advance at least two weeks prior to the beginning of the course. A dispatcher may not receive reimbursement and/or advance for more than \$750.00 combined in any twelve (12) consecutive month period.
4. Course must be a credit course provided by an accredited college or university, or

be an approved adult basic education class. Courses offered through the University of Nevada, Reno as Extended Study courses qualify under this policy, provided they are relevant to the dispatcher's employment and are approved by the Sheriff

C. Requests for reimbursement and/or advance shall be submitted to the Sheriff for review and comment as to the relevance to the dispatcher's employment with the County. If the course work falls into the category of general education, as contrasted with training for the dispatcher's current assignment, it shall be forwarded to the Sheriff for consideration. The Sheriff shall consider the requests in the order of receipts. Requests which in the judgment of the Sheriff will assist the dispatcher in development career related to employment with the County shall be approved if funds are available, the dispatcher meets the eligibility criteria, and the Sheriff determines the course meets the criteria outlined above.

D. Dispatchers will be reimbursed by the County following submission of proof of successful completion of the course with a grade of "C" or "pass" or better. The dispatcher must submit copies of paid receipts for the course fees, lab fees and textbooks with the proof of successful completion of the course. Extended Study courses require proof that the dispatcher attended and successfully completed the course.

E. Dispatchers who receive an advance will be required to enter into an agreement to repay the County for the advance if any of the following Repayment Events occur.

1. Dispatcher fails to complete the class.
2. Dispatcher fails to submit proof of successful completion of the course. Extended Study courses require proof that the dispatcher attended and successfully completed the course.
3. Dispatcher fails to submit copies of paid receipts for the course fees and textbooks with the proof of successful completion of the course.
4. Dispatcher's employment with County ceases at any time for any reason (voluntary or involuntary) during the course, or within six months after completion of the course.
5. Repayment is due immediately and in full upon the occurrence of a Repayment Event.

F. Courses taken under this program shall be taken on the dispatcher's own time. If said schooling would require any adjustment in the regularly scheduled work week, the adjustment must be approved by the Sheriff prior to the approval of the educational reimbursement.

G. In an effort to encourage the further pursuit of education while employed with the County, any full-time regular dispatcher who has been in the employ of the County for at least one year who attains a post-secondary (collegiate) degree shall be eligible to receive, as an educational incentive on a one-time basis, the following bonus as a recognition of their achievement.

<u>Degree</u>	<u>Bonus</u>
Associates Degree	\$250.00
Bachelors or higher (BA BS +)	\$400.00
30 Credits	\$150.00

Upon successful completion of a course of study resulting in the conferring of a post-secondary degree as noted above from an accredited institution, the dispatcher shall present an original or a certified facsimile of the diploma to the Sheriff. The Sheriff shall then submit a copy

of the diploma for inclusion in the dispatcher's personnel file along with a request for payment of the one-time bonus in the amount noted above.
