The eight (8) hour day will be split in two (2) four (4) hour shifts that are worked back to back. The first four (4) hours will apply to the previous week and the second four (4) hours will apply to the upcoming week to ensure that forty (40) hours are worked in each week and overtime is not accrued as part of the regular work schedule.

Any approval of a four (4) day work week, for any Department covered by this contract, is subject to the Commissioners approval. The scheduling of work periods or shifts shall be directed by the Sheriff.

When an employee's work day or work week is changed the employee shall be provided a minimum of eight (8) hours off duty before starting another work day or work week.

Accordingly, once an employee's scheduled days off are set at the end of the prior work week, the employee's scheduled days off for the coming week shall not be changed unless there is an emergency or other condition.

Section 5: Compensatory Time

- A. Because the work load of some functions fluctuates both within and beyond the payroll periods, employees shall be able to accumulate Compensatory Time rather than be paid overtime. During this time, the employee must be in the area, available and able to report to work at the County yards, if called, within one (1) hour if so notified by telephone, pagers or other electronic device. Stand-by time shall be scheduled so that an employee does not have a day of stand-by time that is isolated from either a normal work day or another stand-by day.

ARTICLE 22 - GRIEVANCE PROCEDURE

Section 1: The purpose of the Grievance Procedure shall be to settle all grievances between the Union and the County as quickly as possible to ensure efficiency and promote employee morale. Should any employee, group of employees, or the County feel aggrieved as a result of the interpretation or application of this Agreement, including the claim of unjust discrimination or any matter or condition affecting health and safety beyond those normally encountered in all phases of normal work requirements, adjustment shall be sought as follows:

Section 2: In order to promote harmony, the Union and the County agree that the employee is encouraged to discuss matters in dispute with the immediate supervisor first.

Section 3: All grievances must be filed in writing, within ten (10) calendar days after the matter in dispute or disagreement is alleged to have occurred; provided, however, a grievance concerning rates of pay covered by this Agreement shall be presented within fifteen (15) calendar days of the date the employee could reasonably be expected to discover the alleged improper payment.

Step 1: The grievance shall first be discussed among the Union Steward, the employee, their immediate supervisor and the County Commissioner responsible for employee contracts and relations within ten (10) calendar days of its filing. If the grievance is not settled during this informal discussion, it may be processed to Step 2.

Step 2: Within seven (7) calendar days from the date of the informal discussions with their immediate supervisor and County Commissioner responsible for employee contracts and relations, but not later than fourteen (14) calendar days after the act or omission giving rise to the grievance, the Union Representative shall present the grievance, in writing, to the Department Head or their representative. The Department Head or representative shall arrange for such meetings with the Union and make such investigations as are necessary. The Department Head shall respond in writing to the aggrieved within seven (7) calendar days of their receipt of said grievance. If the response does not resolve the grievance, it may proceed to Step 3.

Step 3: In the issue of suspension or termination, the Union may immediately proceed to Step 3. Within fourteen (14) calendar days from receipt of the written response from the Department Head, the Union Representative shall present the grievance, in writing, to the County Commissioner responsible for employee contracts and relations, accompanied by all correspondence and existing evidence on the matter. The County Commissioner responsible for employee contracts and relations, or designee, after consultation with the aggrieved employee and/or Union Representative, will then make a determination, within fourteen (14) calendar days from the date of submission.

Step 4: If a mutually satisfactory settlement cannot be reached between the County Commissioner responsible for employee contracts and relations, or designee and the Union, the parties may mutually agree to request alternate dispute resolution through Federal Mediation and Conciliation Service (FMCS).

Step 5: If a mutually satisfactory settlement cannot be reached through Step 4, the Union or the County shall have the right to refer the matter to an arbitrator

for final determination. The party seeking such final determination must notify the other of its decision in writing within ten (10) calendar days of the Step 3 response or the date of the Step 4 mediation with the FMCS. Should the ten (10) days elapse without written notification, the grievance shall be deemed withdrawn with prejudice. In the event that Teamsters Local 14 chooses not to pursue a grievance involving a termination, the employee filing a grievance may pursue the matter, without the assistance of Teamsters Local 14, in accordance with the remainder of this article. Any individual utilizing this option will be required to sign a waiver releasing Teamsters Local 14 from any additional responsibility and/or liability related to this employment action.

All costs incurred by the employee, including but not limited to those outlined in Step 8 of this article, will be the responsibility of the employee. Should the former employee choose to arbitrate their dispute, both the County and the former employee will be required to place ten thousand dollars (\$10,000) into an escrow account to ensure the payment of the arbitrator as detailed in Step 8 of this procedure. Should the grieving individual fail to comply with this requirement within twenty-one (21) calendar days of notification of the escrow account details, they will forfeit their ability to arbitrate the issue and the matter will be considered withdrawn.

Step 6: In the event the County and the Union proceed to arbitration, the parties shall jointly request from the Federal Mediation and Conciliation Service the names of five (5) arbitrators.

One arbitrator shall be selected by alternately striking names from the list, the party filing for the dispute resolution shall have the first strike, and the dispute shall be submitted to the arbitrator then remaining. Such arbitration shall be conducted under the rules of the Federal Mediation and Conciliation Service, or the American Arbitration Association as prescribed by the arbitrator selected.

Step 7: The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or to rule on any matter after this Agreement terminates.

Step 8: The arbitrator's decision shall be final and binding, and the cost for arbitration shall be born equally between the Union and County. The parties shall bear their own expenses for attorneys, court reporters and other related arbitration expenses.

Section 4: Grievances not filed, processed or responded to within the time limits set forth above and not extended by agreement in writing, shall be deemed waived or admitted, and the grievance shall be irrefutably presumed denied or sustained, as the case may be.

Within a reasonable time, under the circumstances, the County shall take action deemed appropriate, subject to the Union's rights under Article 22.

Employees who, in the course of their duties, fail to observe or correctly apply established safety practices or do not use appropriate safety equipment as provided by the County shall be subject to disciplinary action. The foregoing also applies to the operation of County equipment and County vehicles.

Section 2: Should any provisions of this Agreement be found to be contravention of any federal or state law, or by a court of competent jurisdiction, such particular provision shall be null and void, but all other provisions of this Agreement shall remain full force and effect until otherwise cancelled or amended.
