Article 1 – Preamble

This Agreement is made and entered into this 1st day of July 2022, by and between the Nye County Management Employees Association (hereinafter referred to as the “Association”) and the County of Nye, Nevada (hereinafter referred to as the “County”).

As used in this Agreement, the term “County” shall mean the County of Nye and its Board of Commissioners, its facilities, and/or the County Manager or his/her designee; and the term “Association” shall mean the Nye County Management Employees Association or NCMEA and/or its Board of Directors or designated representatives.

Article 2 – Purpose & Intent

WHEREAS, the State of Nevada has enacted the Local Government Employee Management Relations Act, cited as Nevada Revised Statutes Chapter 288, providing for collective bargaining between public employers and their employees; and

WHEREAS, it is the intent of the County and the Association to comply with said law, through a system of employee-employer cooperation, to foster and improve the well-being of employees, and to maintain high standards of work performance on behalf of the public; and

WHEREAS, it is intended by the provisions of this Agreement that there be no abrogation of the duties, obligations, or responsibilities of the County expressly provided for by federal law, state statutes, and local ordinances, except as expressly limited herein; and

WHEREAS, the employees in the bargaining unit covered by the Agreement have, by majority vote, stated their desire to be represented in their employment relations with the County by the Association, and the Association has been certified by the County Commissioners in accordance with the laws and rules of the State of Nevada as the representative of said employees.

NOW, THEREFORE, the County and the Association, in consideration of the mutual covenants set forth and intending to be bound by this Contract and Agreement, agree as follows:

Article 3 – Recognition

1. The County hereby recognizes the Association as the sole and exclusive collective bargaining representative of the employees assigned to the represented classifications listed in Addendum B who are eligible to be represented by the Association except as limited by Section 3 of this Article. Any proposed additions or deletions to the represented classifications shall be furnished to the Association for review and comment prior to any formal action by the County. Both parties recognize that the Association retains its right to appeal under the provisions of NRS 288.170.
2. When a new job classification is established or an existing one is changed, the County will provide a description, in writing, with proposed wage and bargaining unit assignment, to the Association within ten (10) working days prior to implementation. Any unresolved differences of opinion between the parties in regard to wage or bargaining unit assignment will be subject to the grievance/arbitration procedures; provided, however, that any appeal by the Association will not stay the implementation of the new job classification.

3. County employees who are excluded from the bargaining unit are as follows:
 - (a) Those employees certified to another bargaining unit under the provisions of NRS Chapter 288.
 - (b) Confidential employees.
 - (c) Temporary employees. For purposes of this Section, the term “temporary employee” shall mean an individual employed in a position established for a specific period of time (normally less than sixty [60] days) or for the duration of a specific project or group of assignments, but not to exceed one hundred eighty (180) days under any circumstances.
 - (d) Volunteers.
 - (e) Students, residents, and interns.
 - (f) Probationary employees.
 - (g) Part-time employees. For purposes of this Section, the term “part-time employee” shall mean an employee who is regularly scheduled to work less than twenty (20) hours per week.
 - (h) Department Heads

The County shall provide monthly to the Association the name, date of hire, wage rate, classification, and department of each new hire who would be eligible for inclusion in the unit. All information is furnished for the exclusive use of the Association and shall not be used for any other purpose or be given to any other person or organization without the express written approval of the employee involved.

Article 4 – Management Rights

The County and the Association agree that the management officials of the County possess the sole right to operate the County without negotiation as set forth in the Local Government Employee-Management Relations Act and that all rights conferred under the Local Government Employee-Management Relations Act remain with the officials of the County except as expressly modified by this Agreement.

Article 5 – Employee Rights

The employee and the employee’s representative who has written authorization from the employee shall have access to the employee’s personnel file, with the exception of confidential letters of reference and investigative reports of governmental agencies obtained in connection with the initial employment of the employee, or any other documents to which by law the employee cannot have access. The employee may receive a photocopy of the documents in his/her file to which s/he is entitled access. It is understood that such files shall be made available to employees during normal business hours, and that a nominal fee may be charged for copying.

2. Each employee shall be given the opportunity to read and receive a copy of any formal performance evaluation, written warning, documentation of an oral warning, or any other material of a disciplinary or derogatory nature, before such material is placed in his/her personnel file. The employee may sign and date such material as proof of receipt. Refusal to sign and/or date such material does not preclude management from placing the material at issue into the employee's personnel file. The employee shall have the right to respond, in writing, within ten (10) working days of the date such material is placed in the employee's personnel file and to have such response placed in the file.
3. Any increase in pay created as a result will be effective on the employee's anniversary date.
4. An -employee may meet with an Association representative on County work premises for the purpose of preparing for a grievance meeting during the employee's work hours, providing reasonable prior notice is given to the employee's supervisor and such meeting does not substantially interfere with County business operations.

Article 6 – Association Rights

1. Two (2) association representatives will be designated by the Association.
2. Non-employee representatives of the Association shall be admitted to the premises of the County at reasonable times. Such visitations shall be for the reasons of the administration of this Agreement. The Association agrees that such activities shall not interfere with the normal work duties of employees and that any contact with individual employees or groups of employees, unless mutually agreed otherwise, shall take place during the employee's non-work time.
3. An Association representative shall be relieved of duty for purposes of carrying out the provisions of this Agreement, unless operational demands prohibit. Use of representative time shall not be abused by the employee and/or Association representatives and use of said time will not be unreasonably withheld by the County Manager.
4. Association business shall include the investigation of grievances, representation of employees at any step of the grievance procedure, demotion/suspension/termination hearings, and attendance at Labor/Management meetings.
5. Three (3) members of the Association negotiating committee shall be granted leave from duty with full pay for all meetings held for the purpose of renegotiating the terms of this Agreement, when such meetings take place at a time when such members are scheduled to be on duty.

1. The County shall deduct from the wages of those employees who are members of the Association and pay over to the proper officers of the Association monies which the Association advises may be due it from such members, provided that the employee who is a member of the Association has individually and voluntarily authorized such deductions to be made. The form of authorization shall be approved by the County and the Association.
2. The Association agrees to indemnify, defend, and hold the County harmless against any and all claims or suits that may arise out of or by reason of action taken by the County in reliance upon authorization cards submitted by the Association. The Association agrees to refund to the County any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence of error or mistake.
3. The Association will certify to the County Payroll Department, in writing, the current rate of membership dues. The County will be notified of any change in the rate of membership dues thirty (30) days prior to the effective date of such change.
4. The County will not be required to honor for any month's deduction any authorizations that are delivered to it later than seven (7) days prior to the second (2nd) payday of the month.

Article 8 – Grievance Procedures

1. DEFINITIONS:
 - (a) Grievance: An act, omission, application, or interpretation alleged to be in violation of the terms or provisions of this Agreement, which may include but is not limited to wages, hours, and other terms and conditions of employment. All disciplinary disputes will follow the procedure outlined in Article 9.
 - (b) Grievant: The Association or a County employee or group of employees who are covered by the provisions of this Agreement and who believes him/herself/itself to be adversely affected by the matter being grieved.
 - (c) Working Day: A working day shall be any day that the County is open for business exclusive of Saturdays, Sundays, and observed holidays.
2. PROCEDURES:
 - (a) STEP ONE - INFORMAL RESOLUTION: Within ten (10) working days from the event creating the grievance or from the date that the grievant(s) could have reasonably been expected to have had knowledge of such event, the grievant(s) shall meet and discuss the grievance with the County Manager or his/her designee. Within ten (10) working days following the meeting, the County Manager or his/her designee shall provide the grievant(s) with a response to the grievance.
 - (b) STEP TWO - FORMAL GRIEVANCE: If the grievant(s) is not satisfied with the response provided pursuant to subsection (a) above, within five (5) working days after receiving the response, the grievant(s) may submit a formal, written

grievance to the County Manager. When the Association is not the grievant, the County shall immediately furnish a copy of the grievance to the Association. Within ten (10) working days from the date the County Manager receives the written grievance, the County Manager or his/her designee will hold a meeting to review and discuss the grievance. If the employee desires a representative to be present at this meeting, the County Manager or his/her designee shall make a reasonable effort to schedule the meeting at a time and place, consistent with the timelines contained herein, to permit the employee's representative to be present. Within ten (10) working days following completion of this meeting, the County Manager or his/her designee will give a written response to the grievant(s)(with a copy to the Association when applicable). Following receipt of the response, if the grievance is not timely advanced to Arbitration pursuant to Article 10, it shall be considered settled on the basis of the decision last made by the County Manager, but such settlement shall not constitute a precedent in any other case.

- i. Required Documentation: A written grievance must include a statement fully setting forth the facts surrounding the grievance, detail the specific provision of this Agreement alleged to have been violated and identify the remedy sought and must be signed and dated by the grievant(s). At the time a grievance is submitted, the grievant(s) shall furnish the County Manager with copies of any and all written statements, reports, documents, or other information, in whatever form, relied on by the grievant(s) in bringing, or in support of the grievance. For the purpose of attempting to resolve grievances prior to arbitration, the parties shall make full disclosure to each other of all facts and evidence known to them that bear on the grievance.

3. TIME LIMITS:

The time limits and other provisions set forth in this Article cannot be extended or waived unless mutually agreed in writing, and failure on the part of the Association to comply with the time period set out above shall result in the grievance being considered waived or abandoned. The County may raise the issue of the timeliness or waiver up to and including at arbitration and its failure to raise the issue previously will not be deemed to invalidate the defense. If the County fails to respond within the time limitations outlined herein, the Association may proceed to the next step of the grievance process and shall not be deemed a waiver.

Article 9 – Discipline & Discharge

1. The right to maintain discipline and efficiency of employees is vested exclusively in the County. All disciplinary action or measures taken by the County shall be for just cause and may include the following: oral reprimand, written reprimand, , suspension without pay, or discharge.

2. The employees subject to this Agreement are professional level employees and, as such, are ultimately responsible for the effective and efficient operation of their departments or offices. The scope of “cause” for purposes of this Article shall include a proven failure to successfully manage all aspects of his/her department’s or office’s operations in the best interests of the County. “Cause” shall not be limited to instances of wrongdoing, but may include general failure or inability to assure department or office performance up to the standards set by the County Manager and/or the Board of Commissioners. Any charge brought alleging “failure to perform to County standards” will require a showing that such standards were communicated to the affected employee, in writing, in sufficient form and time to reasonably allow satisfactory compliance. Such communication shall not be required when such standards are in a job description, applicable law or regulation, or professional standard which applies to the programs, services, or operations which the employee manages for the County.
3. The level of severity of the discipline is dependent on the nature of the act and the circumstances. When an infraction does not warrant discharge, the disciplinary action will be based on the severity of the infraction and take the form of: (1) oral reprimand; (2) written reprimand; (3) suspension without pay; or (4) discharge. One or more actions of 1 through 3 may occur prior to discharge; however, the County reserves the right to omit any progressive discipline step and/or to discharge without progressive discipline, depending upon the nature and severity of the act.
4. Any record of disciplinary action, excluding oral warnings and reprimands, in order to remain effective, must be placed in the employee’s official personnel file.
5. Any record of discipline not previously provided to the employee will not be used as a basis for subsequent progressive discipline.
6. Upon written request of the employee to the County Manager, any written warnings and/or reprimands that were issued more than thirty-six (36) months prior to the request shall be removed from the employee’s personnel file and shall not be used in future disciplinary matters, provided that no intervening discipline has occurred. If ensuing discipline occurs, a new period of thirty-six (36) months shall commence from the latest disciplinary action.
7. At the time the employee’s supervisor issues a written reprimand, it shall also provide a copy of the reprimand to the Association President. In the event of an oral or written reprimand, the decision of the employee’s supervisor is final.
8. In cases of contemplated discharge or suspension concerning misconduct which presents possible harm to persons or property or pending criminal charges which adversely and directly affect the County or substantially disrupt County operation, the County may immediately suspend the employee up to ten (10) days. Following removal of the employee from the workplace, notice will be given to the Association of the action taken and the basis for such action.
9. Except as otherwise permitted in Section 8 above, the employee’s supervisor shall notify the Association of his/her intent to suspend an employee without pay. When suspension

without pay is contemplated, the employee shall be entitled to a meeting with the employee's supervisor at which time the employee and the Association must be informed of the allegations and given the opportunity to respond.

10. Within ten (10) days from the date that a suspension without pay is implemented, the Association may appeal said suspension to the County Manager. The appeal must be in writing and state the basis of appeal. In the event the suspension was issued by the County Manager, the Association shall not appeal to the County Manager but may appeal to arbitration following the procedures set forth in Article 10.
11. Within ten (10) days of receipt of a timely filed appeal of a suspension without pay, the County Manager shall reply in writing. Within ten (10) days from receipt of the County Manager's reply, the Association may appeal suspension following the procedures set forth in Article 10.
12. Except as otherwise permitted in Section 8 above, the County may not discharge an employee for cause without first giving the employee and the Association written notice of a minimum of ten (10) working days prior to the action being taken. The employee shall be placed on administrative leave with pay during this period.

The written notice shall include the following:

- (a) A statement that discharge is proposed and the specific charges.
- (b) Copies of any material or documents upon which the proposed action is based.
- (c) A statement that the employee has ten (10) working days to meet with the County to discuss the proposed discharge.

If the employee chooses to meet with the County to discuss the proposed discharge, the employee and an Association representative shall meet with the employee's supervisor and the County Manager, if the County Manager is not the employee's supervisor, within ten (10) working days of the notice of intent to discharge. An extension beyond the ten (10) working days may be requested and granted at the County's option and in such event, the additional days will be without pay. At the meeting, the parties will review the charges and be given an opportunity to state their positions as to whether they are true and reasonable grounds for the proposed action. The County may postpone the discharge to allow for consideration of evidence the employee produced or for further investigation of the employee's response and in such event, the employee will remain on administrative leave with pay until the County issues its decision.

13. Within ten (10) days from the date that a discharge is implemented, the Association may appeal said discharge following the procedures set forth in Article 10.
14. All correspondence generated by the parties related to events associated with acts of discipline; i.e., notices of proposed or imposed discipline; responses to or from either party; documents being copied to personnel files and records of appeal or grievances shall, during the course of transference or transmission, be sealed and marked "confidential."

Article 10 – Arbitration

1. Grievances which are not settled pursuant to Article 8 (Grievance Procedures) or Article 9 (Discipline and Discharge), and which the Association desires to contest further, shall be submitted to arbitration as provided in this Article, but only if the Association gives written notice to the County of its desire to appeal the decision to an arbitrator within ten (10) working days after the County's final decision on the subject grievance or disciplinary suspension or after disciplinary discharge has been implemented.
2. Upon the receipt of a timely filed appeal, the County and the Association shall jointly request a list of seven (7) arbitrators from the Federal Mediation and Conciliation Services (FMCS). The selection shall be accomplished by the Association first and the County next, each striking one (1) name from the list in turn until only one (1) name remains.
3. Employees called as witnesses shall be released from regularly scheduled duties without loss of pay while they are testifying.
4. The decision of the arbitrator, within the limits herein prescribed, shall be final and binding upon the parties to the dispute.
5. The decision of the arbitrator shall be based solely upon the evidence and arguments presented by the respective parties in the presence of each other. The function and purpose of the arbitrator are to determine disputed interpretation of terms actually found in the Agreement or to determine disputed facts upon which application of the Agreement depends. The arbitrator shall, therefore, not have authority nor shall consider it a function to decide any issue not submitted, or to so interpret or apply the Agreement as to change what can fairly be said to have been the intent of the parties as determined by generally accepted rules of contract construction. The arbitrator shall not give any decision which in practical or actual effect modifies, revises, detracts from, or adds to any of the terms or provisions of the Agreement. The arbitrator shall not render any decision or award, or fail to render any decision or award, merely because, in his/her opinion, such decision or award is fair or equitable. The arbitrator shall have no power to render an award on any grievance occurring before the effective date of this Agreement. The arbitrator shall retain jurisdiction on any matter before him/her until his/her award is finally affected. If the arbitrator finds that the County has discharged an employee without cause and orders reinstatement with back pay, all earnings received by the employee shall be credited against back pay. The employee will provide such evidence regarding the aforementioned terms as is required by the County.
6. In the appeal of disciplinary action, where the Arbitrator grants the full remedy requested by the party asserting the grievance or sustains the disciplinary action that was imposed by the County, the losing party shall pay all fees and expenses of the Arbitrator and court reporter. In all other cases, all fees and expenses of the arbitrator shall be shared equally by the Association and the County. In all instances, each party shall bear the expense of the presentation of its own case. In the event of a determined undue delay in the scheduling or processing of a request for arbitration, the arbitrator may

reduce the amount of back pay to be awarded and require the offending party to pay all costs and fees related to the delay incurred by the complaining party as a result of the delay. The arbitrator may hear and determine only one (1) grievance at a time, unless they are necessarily related or the parties expressly agree otherwise.

7. Prior to the scheduled arbitration hearing, the parties may participate in a pre-arbitration conference with a mediator from the FMCS to attempt to resolve the dispute.

Article 11 – Probationary Period

1. Initial appointment shall be made at the entrance rate for the class, except as approved by the County Manager or his/her designee.
 - a. Upon initial appointment, an employee shall serve a probationary period of 2080-hours.
 - b. Probationary employees shall be provided a written performance evaluation no later than twenty (20) working days following performing 1040 hours of employment. Any employee that receives less than a fully satisfactory performance shall be continued on probation for the remainder of the probationary period.
 - c. If a probationary employee receives a fully satisfactory performance evaluation or in the event no written performance evaluation is prepared as required herein, the probationary employee shall be deemed to have successfully completed probation and shall become a regular employee. Employees that complete probation prior to the expiration of the 2080-hour probationary period shall not be entitled to a salary step increase until the one-year anniversary of their employment except as may otherwise be provided in Article 25 of this Agreement.
 - d. Probationary employees that do not receive a less than fully satisfactory performance evaluation within twenty (20) working days of the completion of the full probationary period shall be deemed to have successfully completed probation and shall become a regular employee.
2. When a former employee is rehired after a break in service of no more than one (1) year from the date of separation to a position in the same class held at the time of separation, s/he may be paid at or below the same hourly rate (including across the board schedule adjustments provided by this Agreement) s/he held at the time of separation.
3. When an employee is promoted, s/he shall be entitled to a salary increase to the lowest step in the range for the higher class which provides at least a ten and one-half percent (10.5%) increase, provided that in no event will the new salary be less than the minimum rate of the range or greater than the top step of the range to which the employee is promoted. Any exception may be approved by the County Manager or designee upon written justification.

a. A promoted employee shall serve a qualifying period. The qualifying period will normally be 1040 hours – in paid status. At the discretion of the employee’s direct supervisor and upon approval by the County Manager, prior to completion of the initial qualifying period, the qualifying period may be extended up to an additional 1040 hours for a maximum of 2080 hours. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the performance evaluation and demonstrated qualifications, the employee will either be accepted or rejected for the position. If rejected, a reasonable effort will be made to place the employee in his/her previous position or another County position for which s/he qualifies. If no position is available, the action affecting the employee shall be subject to the provisions of Article 28, Layoff and Recall, section 6.

b. When an employee is promoted, s/he shall retain the right during the first fifteen (15) shifts worked of the qualifying period to voluntarily demote to his/her previously held position. The employee shall have his/her salary reduced to the hourly rate (including across the board schedule adjustments provided by this Agreement) held prior to being placed on the qualifying period.

4. A reclassification to a class with a higher grade shall be treated under the same terms and conditions as a promotion.
5. When an employee transfers to a position in the same class or at the same salary grade in another department, s/he shall be entitled to the same hourly rate held at the time of the transfer. The County Manager or designee, upon written justification by the direct supervisor, may approve a higher rate of pay. A voluntary transfer may result in the transferring employee serving a new qualifying period. The transferring employee will be notified, in writing, prior to accepting the transfer if a qualifying period will be required. Upon successful completion of the qualifying period, the employee may, at the discretion of the direct supervisor, receive a one-step salary increase, provided that the employee is not at the top of the schedule for the class.
6. When an employee is demoted, his/her salary will not exceed the top of the new salary schedule unless the demotion was a result of a reclassification. Demotions, except for reclassifications, initiate a new anniversary date. Employees failing a qualifying period following promotion and returned to his/her previously held class shall have his/her salary reduced to the step and grade (including across the board schedule adjustments provided by this Agreement) held prior to being placed on the qualifying period.
7. For the purposes of this Article, “initial appointment” shall be defined as the first position held by an individual in the service of the County since the employee’s last break in service.

Article 12 – Temporary Transfers

1. An employee who is temporarily assigned, in writing, and accepts the full responsibilities of a position of a higher classification shall be paid for the actual hours worked, at a rate equal to ten percent (10%) above his/her regular hourly rate or the minimum rate of the classification in which the employee temporarily is working, whichever is greater.
2. All acting pay must be approved by the County Manager or the Board of Commissioners in the absence of the County Manager.
3. Any employee receiving appointment to a position from which s/he has been serving in an acting capacity shall be credited with all time served towards completion of the twelve (12) month probationary period for regular service.

Article 13 – Hours of Work

1. The Association recognizes that the employees who are subject to this Agreement are professionals and, as such, are compensated on the basis of performing all tasks and other duties required to assure the full, efficient, and effective operation of their offices or departments, not on the number of hours worked. The Association further recognizes that the salary schedules by which the employees are paid have been developed in a manner intended to reflect the broad scope of the employees' responsibility and the fact that the employees' ordinary work day and work week will or may consist of more than eight (8) or forty (40) hours, respectively.
2. Except as reflected below, employees shall not be entitled to overtime compensation or compensatory time for hours worked in excess of eight (8), ten (10) or twelve (12) hours in a work day or in excess of forty (40) hours in a work week.
 - (a) Except when necessary to address exigent circumstances, problems, or issues, the County will not schedule staff meetings, in-house training, or orientation outside of regular business hours; nor shall an employee be required to work on a holiday, except in an emergency.
 - (b) An employee who is required to work any amount of time on a holiday shall be awarded twelve (12) hours of personal leave time. If the accrued leave time cannot reasonable be used within ninety (90) days following its accrual, the County shall pay the affected employee in cash at straight time his/her hourly rate of pay.
 - (c) An employee who consistently must work more than forty (40) hours per week, due to the demands of his/her responsibilities, or who works an extraordinary number of hours during a limited period of time due to emergent or periodic projects or issues, may be awarded personal leave time of not more than fifteen (15) eight (8) hour days per calendar year.

- i. An employee who believes s/he is eligible for an award under this Sub-section shall submit a personal leave award request to the employee's supervisor.
 - ii. The request will be granted unless there is a preponderance of substantive evidence showing the requesting employee has failed to satisfy the qualifications noted above.
 - (d) Personal leave time awarded pursuant to Sub-sections (c) above shall not be annual leave or compensatory time; shall be used within ninety (90) days of award or it will be lost; and shall not be paid out in cash if the employee resigns, retires, or otherwise leaves the employ of the County before using the leave time.
3. When an employee is on approved leave, s/he will not be required to carry a pager, a cell phone, or respond to calls or messages provided s/he notices the employee's supervisor of a telephone number at which s/he may be reached in the event of an urgent need requiring immediate response and the employee notifies their supervisor, in writing, of the person assigned to "act" in his/her stead.

In the event the employee's leave is interrupted by the employee's supervisor as a result of circumstances contemplated by this Section, for each such event of interruption, the employee shall be reimbursed the amount of time actually affected but, in no event, less than one quarter of a working day.

Article 14 – Employee Education Programs

1. The County is committed to encourage and assist its employees in increasing and broadening their skills and knowledge through continued education in areas that will contribute to their job performance. To this end, and to the extent permitted by the available resources of the County, as determined by the County Manager and/or the Board of Commissioners, the County agrees to establish education and training programs and policies that will support this commitment.
2. Except when prevented by the operational needs of the County or the employee's department or office, once an employee is approved for a training program, s/he shall be allowed to take and conclude such training without interruption.

Article 15 – Miscellaneous Leaves

1. **Military Leave:** Military leave shall be granted in accordance with applicable state and federal laws.
2. **Jury Duty:** An employee who serves on a jury or appears in court on behalf of the County for any purpose, causing a loss of regularly scheduled work, shall receive regular pay for the time lost. Any compensation received by the employee for serving on a jury or appearing as a witness on behalf of the County immediately shall be submitted to the County Treasurer.
3. **Leave Without Pay:** Upon advance written application to the County Manager, an employee may be granted a leave of absence without pay for a period not to exceed thirty (30) calendar days, without prejudice to his/her status.
 - a. Unpaid leaves of absence will be extended beyond thirty (30) calendar days only when prior to the expiration of the initial leave period, an employee requests, in writing, an extension of the leave period. The County Manager may require supporting documentation as s/he may deem necessary. Extensions shall be at the sole discretion of the County Manager.
 - b. Employees shall not be required to use any paid leave prior to being granted unpaid leave.
 - c. The employee will pay all insurance premiums during his/her unpaid leave, after the first thirty (30) days.
4. **Voluntary Emergency Services:** Pursuant to the provisions of the law, any employee member of a volunteer emergency service called to duty during his/her regular hours of work shall be released for all hours required without loss of usual pay or benefits.
 - a. Where the emergency service of which the employee is a part operates on a voluntarily established and preset schedule for “on-call” (i.e., carrying a beeper or otherwise being designated as first to be called out on an emergency), that employee shall not volunteer or otherwise allow him/herself to be scheduled as “on-call” for such volunteer emergency service during his/her normal working hour, without the approval of the County Manager.
 - b. If the employee is a part of a general nonscheduled pool of volunteer emergency service personnel and is called out, or if the employee is not “on-call” for a scheduled service but nonetheless is called out by that service due to unforeseen circumstances, the employee shall be released for all hours required without loss of usual pay or benefits.

Article 16 – Retirement Contributions

1. The County and the Association agree that all eligible employees shall participate in the Public Employees Retirement System of the State of Nevada in accordance with the rules of that system.
2. The County will pay the employee’s portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS 286.
3.
