All union leave time will be approved by the Chief of Police or designee.

However, the City is under no obligation to pay supervisors for time spent conducting Association business when they are not scheduled to work. Every effort shall be made to schedule grievance meetings and hearings during regular work hours.

Section 2. Permission to Conduct Association Business

Association supervisors must ask their supervisors for permission to leave their jobs to conduct Association affairs, and such permission shall be granted subject to available personnel. Association Board members will submit a Departmental leave request form whenever using union leave time for union activities performed during on-duty hours. Supervisors will make every effort to allow Association supervisors the time to attend Board Meetings and scheduled Association Meetings.

Section 3. Receive Grievances

Association supervisors may receive and discuss, but not solicit, complaints and grievances of Association Members on the premises and time of the City. Such time spent shall not interfere with the work and duties for the City of either the Association supervisors or the Association Member(s). Such meetings shall be set at a time mutually agreeable with the City and the Association.

No later than seven (7) days after the end of a pay period the City shall provide to the Association a detailed written accounting of dues deductions and deposits.

This authorization for payroll deduction of dues shall remain in full force and effect unless the member subsequently requests in writing the withdrawal of the original authorization.

ARTICLE 6. HOURS OF WORK AND OVERTIME

Section 1. Workday

Either:

- A normal workday shall consist of ten (10) consecutive hours in a day, and the normal work week shall consist of any four (4) consecutive ten (10) hour days out of seven.

or

- A normal work rotation shall be 14 days (two weeks), comprised of four consecutive work days one week and three consecutive workdays the other week. The work days will be six twelve (12) hour workdays and one eight (8)-hour workday. Note: The eight (8) hour workday may be assigned to any day throughout the normal work rotation.

Work schedules shall be made at the sole discretion of the City to suit varying conditions.

When a supervisor's scheduled work shift or assignment is modified or adjusted under normal conditions, the supervisor shall be provided a minimum of eight (8) hours between shifts or assignments; if eight (8) hours is not granted, the supervisor shall be compensated at one and one-half (1 ½) times their premium rate of pay for all time worked prior to the eight (8) hour minimum requirement.

Section 2. Commencement of Shifts

Shifts shall be generally defined as starting between the following:

Day Shift ----- 5 A.M. and 11 A.M.
Graveyard Shift --- 5 P.M. and 11 P.M.

Section 3. Overtime

Overtime is defined as being directed to work longer than a normal shift with notification prior to completion of a shift or receiving more than 12 hours' notice.

- A. When overtime is mandated, the supervisor shall receive one and one-half (1-1/2) times his premium wages for all hours worked in excess of assigned shift in a day and all hours worked in excess of 80 hours in a 14-day period.
- B. On a designated holiday, should a supervisor be directed to work longer than a normal shift or be recalled to work, the supervisor shall be paid at the rate of two times the supervisor's premium wages for all hours worked in excess of normal shift.
 - 1. If the employee's start of shift is the designated holiday shift (Example: start of graveyard shift on July 3 at 2200 hrs is actually the July 4 graveyard work shift), and if the employee's shift is extended, it will be an extension of shift on the designated holiday, even though the extension may run into a non-holiday day.
 - 2. However, if the start of shift is not the designated holiday and the employee's shift is extended into the actual holiday it will not be the designated holiday shift, for purposes of overtime calculation. (Example: Swing shift starts 1500 hrs on July 3 with the shift ending 0100 hrs July 4. If employee shift is extended after 0100 hrs it is not considered the designated holiday shift and therefore not subject to holiday extension of shift pay.)
- C. If a supervisor is scheduled to work overtime, that is not concurrent to his normal shift, he shall be paid for a minimum of four (4) hours of overtime at one and one half (1 ½) times his premium rate of pay.

If the employee's start of shift is the designated holiday shift (Example: start of graveyard shift on July 3 at 2200 hrs is actually the July 4 graveyard work shift), and if the employee's shift is extended, it will be an extension of shift on the designated holiday, even though the extension may run into a non-holiday day.

However, if the start of shift is not the designated holiday and the employee's shift is extended into the actual holiday it will not be the designated holiday shift, for purposes of overtime calculation. (Example: Swing shift starts 1500 hrs on July 3 with the shift ending 0100 hrs July 4. If employee shift is extended after 0100 hrs it is not considered the designated holiday shift and therefore not subject to holiday extension of shift pay.)

Section 4. Lunch Breaks

Lunch breaks shall be one (1) hour of paid time. If the supervisor is not allowed one hour to eat, the supervisor will be compensated for a maximum of one hour or the difference between the time used for lunch and one hour.

Section 5. Call Out Pay

Call out is defined as compensable time earned for returning to duty after a supervisor has completed their regular tour of duty, is off duty, and is requested to return to duty with less than twelve (12) hours notice. When a supervisor is called back to work, the supervisor shall be paid overtime at one and one-half (1 ½) times his premium rate of pay. The supervisor shall be paid for a minimum of four (4) hours regardless of having worked less than four (4) hours, or the supervisor will be paid for the amount of time actually worked over the four (4) hours. However, in the event the period of call back runs into a supervisor's normal tour of duty, such supervisor shall be paid overtime at one and one-half (1½) times his premium rate of pay for only those hours worked outside of his normal tour of duty.

A supervisor who works less than four (4) hours on the initial call-out and is then called out a second time during the initial two-hour period shall not be entitled to any additional overtime pay unless the aggregate time worked for both occurrences exceeds four (4) hours, in which case the supervisor shall be paid for the aggregate time worked. In the event a supervisor is called out for a second time after the expiration of four (4) hours from the first call-out, the supervisor shall be paid for a minimum of four (4) hours for each call-out except as provided in the previous paragraphs.

Section 6. Standby Pay

Employees required to be on standby status shall be compensated two dollars (\$2.00) an hour for every hour of their normal off duty time. This person may be subject to call in and be required to report promptly when called to duty.

Section 7. Time in Lieu Of (TILO)

- A. The purpose of TILO is to allow employees to accumulate and to take TILO time in conjunction with workload peaks and lows rather than be paid at the overtime rate. Employees shall have the option of TILO accumulation rather than overtime pay up to the maximum allowed, with the exception of scheduled overtime or grant funded assignments.
- B. To accumulate TILO, an employee may volunteer to accept TILO rather than overtime pay. TILO will be accumulated at a time and one-half (1½) rate for all hours worked beyond an employee's normal work schedule. No employee can be required to take TILO rather than be paid at the overtime rate. No employee may have an accumulated balance of TILO time exceeding sixty (60) hours at the end of any pay period. Employees may not have a deficit TILO time balance. Employees shall be paid for any TILO time in excess of sixty (60) hours.
- C. To use TILO time, an employee must schedule their absence from work with their supervisor in advance of the absence. Such absences will only be scheduled when the workload will allow the employee to be absent.
- D. There will be no cash out of TILO prior to retirement or voluntary separation. Unless time off is denied by management, accumulated TILO must be utilized prior to this type of separation from the Department. At the time of separation from City employment, employees will be compensated for any accumulated and unused TILO time at the employee's premium wages.

ARTICLE 7. WAGES

The adjusted percentage in salary schedules shall be a minimum of 2% and a maximum of 3% except as follows: 1) If the percentage increase in the CPI index is equal to or greater than 5%, then the salary schedules shall be increased by 4.5%; or 2) If the percentage increase in the CPI index is equal to or less than 0%, then the salary schedules shall be increased by 1%. Subject to provisions of NRS 288.
- C. Effective July 1, 2026, all salary schedules will be adjusted in accordance with the Consumer Price Index as published by the Bureau of Labor Statistics (average percentage increase to all items in West-class size B/C, all urban consumers, not seasonally adjusted, Series ID CUURN400SAO, from the immediately preceding completed full calendar year). Section 2. Computing Seniority

City seniority and classification seniority shall be computed as follows:

- B. Classification seniority shall commence on the most recent date of appointment or promotion to such classification.
 1. For purposes of determining seniority, within a pay grade classification, date of entry into the pay grade classification determines seniority. If two (2) or more persons are hired or promoted to the same pay grade classification on the same date, the person whose numerical score is highest on the eligibility list from which the selection was made shall be deemed senior. If there is no eligibility list, seniority in the previously held pay grade classification shall be the determining factor. If the above considerations fail to determine seniority, the supervisor with the earliest date of hire shall be deemed senior. Seniority for lateral transfers shall be determined by date and time of application.
- C. City seniority and classification seniority shall not accrue to any supervisor who is on a no-pay leave of absence after the first thirty calendar (30) days of that leave of absence, except for FMLA situations.
- D. For competition within classification for seniority, a supervisor who has been demoted to a previously held classification shall have all time spent in and above that classification counted toward his seniority.

- E. Failure to protest supervisor's seniority date shown on the seniority list prior to October 1 of each year shall be considered confirmation of supervisor's seniority as listed.

Section 3. Use of Seniority

Classification seniority shall prevail in scheduling annual leave, holiday leave, days off, and shift preference, subject to availability as determined by the Department Chief.

- A. Shift bids shall begin December 1st and shall be completed by January 15, based on classification seniority, and supervisors shall receive new assignments, if any, beginning the first full two-week pay period in February of each year. At the completion of the initial shift selection, a supervisor's selected shift preference cannot be changed by the supervisor for a period of one year unless good cause is shown and approval given by the Department Chief.
- B. Seniority shall be considered exercised when a supervisor uses it to secure the following:
 1. Annual leave request of four (4) or more consecutive days of accrued annual leave, holiday leave, or combination of both.
 2. Holiday leave request of three (3) or fewer consecutive days of accrued annual, holiday, or combination of both.

Supervisors must submit leave requests 30 calendar days prior to the beginning of the requested leave to secure their seniority rights. The beginning of the leave shall be on the first day of leave taken.

The exercising of Seniority shall be allowed only on one occasion for Annual leave and one occasion for Holiday leave during a one-year period beginning the second pay period in February of each year.

Annual leave requests shall have priority over Holiday leave requests.

ARTICLE 17. PROMOTIONS

Section 1. Promotions

- A. To be eligible to take a promotional examination for an eligibility list, an applicant must meet the minimum requirements by no later than the filing deadline in the year given. The promotional eligibility list shall be effective for one year from the date of certification, or upon certification of a new promotional eligibility list, unless extended.

- B. All promotional vacancies, within the bargaining unit shall be filled by promotion, from within the Department and shall be made from the current certified promotional eligibility list.

The City shall provide employees with written notice via the City's email of the job announcement posting, (including all required qualifications), and if applicable, bibliographies, including posting open and closing deadlines, at least ninety (90) days prior to the testing date. The deadline for employees to submit their completed application to compete shall be not less than thirty (30) days after the notice of the deadline is sent to employees. As outlined in Article 2, Management Rights, the City has the right to determine qualifications provided it shall be done fairly and in good faith. Selection process may include, but not be limited to written, oral, or practical performance tests, administrative evaluations (including experience) or any combination of the aforementioned at the sole discretion of the City.
- D. Promotional lists shall be certified, approved and published by the Director of Human Resources within ten (10) working days after conclusion of appeals.
- E. The promotional list that is established shall be maintained by the Human Resources Department and a copy shall be furnished to the Association upon publication of the list.
- F. If an eligibility list has been exhausted, a new promotional examination may be held outside of the timeframes enumerated in subsection (C) above. If a written exam and/or assessment center will be used, a bibliography shall be posted a minimum of ninety (90) days in advance of the Request to Compete deadline contained in the notice. If no written exam or assessment center will be used, no bibliography need be posted, however, notice of testing and requirements for that examination shall be posted a minimum of thirty (30) days before the test date. The resulting promotional eligibility list shall be effective for one year from the date of certification, or upon certification of a new promotional eligibility list, unless extended.

Section 2. Examination Procedures

- A. Examinations shall be obtained from the best known source.
- B. All North Las Vegas supervisors who meet the minimum requirements for a posted position within the bargaining unit shall submit to Human Resources a "Request to Compete" in accordance with the job announcement.

- C. If one examination is given, that score shall constitute 100% of the total score. The City will determine the weights (percentages) to be used for each phase of testing. Minimum passing score shall be 70%.
- D. An oral examination panel shall consist of one individual of equal rank and two individuals of equal or greater rank to the position being tested.
- E. Determination of ranking, if identical scores are achieved, will be based on classification seniority.

Section 3. Appeals Procedures

- A. An examinee must have a score of 65% or higher to appeal.
- B. Examination scores may only be changed through the examination appeal process, or to correct mathematical errors. Any appeals to the written examination shall be in accordance with the appeals policies of the Director of Human Resources and vendor, if applicable.
- C. Appeals of written examinations shall be made in writing stating the reason for the appeal and identifying the bibliography source. Employees who file an appeal shall have access to the written examination materials (including but not limited to their answers and the answer key) related to the questions missed. No employee will be permitted to access the examination material of any other employee. The Director of Human Resources shall process and decide the appeal. The decision of the Director of Human Resources shall be final and binding.
- D. Written challenges to promotional testing panel examinations shall be restricted to questions that were asked by the board, or practical exercises administered that are outside the scope of the position or are not relevant to the duties of position being tested. In the event a supervisor's challenge is sustained, the Director of Human Resources may deny or grant the appeal, by disqualifying the board member who asked the improper question or had prior detrimental contact with the examinee from grading the appellant's oral examination. In such case, the scores of the other board members shall be averaged to give the appellant an average score for the oral examination.
- E. A Union officer and/or the employee who files an appeal shall have access to the tape recording of the promotional testing panel. No employee will be permitted to access the tape recording of any other employee, except a union officer in the course of an appeal.

E. Promotional testing panel shall mean any promotional testing panel convened to give an examination other than written examinations for the purpose of establishing a promotional eligibility list.

Section 4. Promotions to Unclassified Positions

For any employee who is appointed to an unclassified position whose classification before promotion was covered by the Supervisor's Association Agreement, the following shall apply:

A. Voluntary Request to Return to Classified Service

1. A supervisor may request to return to a position previously held. If the previously held position is not vacant at the time transfer request is approved, the supervisor may be returned to the highest vacancy previously held at the highest level of salary of that position in accordance with the supervisor's seniority. Return of a supervisor to classified service shall be at the discretion of the Department Chief.
2. Should the supervisor not return to the highest level previously held as outlined above, future promotions must be accomplished as a result of the promotional testing process outlined in this Article.
3. Time spent in the appointed position will be credited to the supervisor as if the supervisor had never left the classified service, i.e., seniority and leave accrual. However, compensable sick leave for time spent in the unclassified position shall be made in accordance with the City ordinance governing the appointed classification at the time of transfer.

B. Return to Classified Service Upon Removal From Unclassified (Appointed) Position

1. A supervisor who is terminated shall have no right of return to the classified service.
2. A supervisor who is removed from an unclassified position for reasons other than cause shall be returned to the supervisor's former position in the bargaining unit.
3. Time spent in the appointed position will be credited to the supervisor as if the supervisor had never left the classified service, i.e., seniority and leave accrual. However, compensable sick leave for time spent in the unclassified position shall be made in accordance with the City ordinance governing the appointed classification at the time of transfer.

ARTICLE 18. REDUCTION IN FORCE

Reduction in force shall be based on seniority in classification as determined by the seniority article, performance being equal. Starting with those persons in the highest classification in which a reduction in force is taking place, persons in each classification shall compete on the basis of seniority in classification, with the demotion or layoff of the least senior. Any person so demoted shall be demoted to the next lower classification held prior to promotion.

Upon demotion to the previously held classification, the employee shall be placed at the level of wages and benefits the supervisor would be receiving had the employee not been promoted to the higher classification.

ARTICLE 19. LEAVE TIME

All leave requests shall be submitted via chain of command and are subject to the approval of the Department Chief or his designee.

In the event of a supervisor's death, compensation for any unused accrued leave will be paid to the person listed as beneficiary in the City provided life insurance policy.

- A. The term referred to as "holiday" is defined as the declared holiday in accordance with NRS 236. No other calendar day (celebrated day) shall be considered as a legal holiday
- B. Holidays which fall on a supervisor's scheduled day off shall accrue. If a holiday falls on a leave day, annual or sick, that day shall be charged to the holiday leave bank. Accrual of Holiday hours shall be based on a ten (10) hour shift, 40-hour work week computation.
- C. When a supervisor is required to work on a holiday he shall be compensated in that pay period at one and one-half (1-1/2) times his current rate of pay.
- D. Supervisors may accrue a maximum 600 hours of holiday leave payable upon separation from the City. Each year any hours over the 600-hour level on the first pay period in July will be forfeited.

If a Supervisor submits for Holiday Leave with four (4) weeks or longer notice, the request shall be granted. If the request for Holiday leave is not submitted with less than four (4) weeks' notice the approval of the request shall be dependent on staffing levels.

- E. To maintain the efficient operation of the department, the Department Chief or his designee, shall determine who works on a holiday.

Section 2. ANNUAL LEAVE

Annual leave is provided to supervisors for the purpose of rest and relaxation from their duties and for attending to personal business. Approved absences not specifically covered by other provisions of this contract may be chargeable to annual leave to the extent it has been accrued, subject to the approval of the Department Chief or his designee. If the City denies a leave request due to personnel limitations, and the supervisor is at the maximum accrual, or shall reach the maximum during the requested leave period, the City shall pay the supervisor for the lost accrual at premium pay for a

maximum of two pay periods. The second annual leave request must be granted and commence within two pay periods of the requested time period.

- A. Annual leave of qualified supervisors shall be commensurate with the wishes of the supervisor and consistent with the efficient operation of the City.

Section 3. SICK LEAVE

All supervisors who are incapacitated from the performance of their duties by illness or injury, or whose attendance is prevented by public health requirements, may be granted sick leave with pay. The City and the Association agree to abide by the Family and Medical Leave Act (FMLA) as set forth in City policy.

Annual leave shall not be used in place of sick leave, unless approved by the Department Chief or a designee.

Supervisors may also be granted sick leave with pay for any illness or death of a family member of the supervisor or the supervisor's spouse which occurs in the immediate family (immediate family defined as spouse, child, father, mother, grandparent, brother, sister, step, adopted or foster relationships).

- A. Sick leave with pay will be granted only to those supervisors who have been employed on a full time basis for a period of two (2) consecutive months.
- B. Abuse of these provisions is cause for disciplinary action. The Department Chief or designee reserves the right to require a doctor's certificate for any period of illness.
- C. Sick leave shall accrue to each supervisor at the rate of 4.61538 hours per pay period, based on eighty (80) hours worked biweekly. Sick leave shall be charged as used on an hourly basis.
- D. Supervisors with ten (10) years of City service whose original hire date is July 1, 2014 or later shall be compensated for fifty percent (50%) of the unused accumulation of sick leave with a maximum payout of 500 hours when they are permanently separated from City service.
- E. A supervisor incapacitated beyond the period covered by sick leave may, on the recommendation of the City Manager and approved by the City Council, be granted an advance of additional sick leave with full or partial pay at the employee's base wages plus longevity.
- F. Any gainful employment, pursuit of personal business, recreation, travel for recreation or non-sick leave purposes, or other such activity when a supervisor is on sick leave is considered evidence of abuse of sick leave unless approved in writing by the Department Chief or his designee and is subject to discipline up to and including termination.
- G. A supervisor incapacitated due to an injury that is not work related may, at the option of the City, be employed in other work areas performing physician-approved duties within the City. The supervisor's normal "worksit" will have preference over other assigned areas. The supervisor shall be paid eighty-five percent (85%) of the supervisor's current wages, for a period not to exceed 90 calendar days, providing no current employee is laid off as a result of such placement. The supervisor shall have the option of supplementing the remaining fifteen percent (15%) with accrued sick, holiday or annual leave.

Section 4. Sick Leave Sell Back Hours

The annual sick leave sell back program will be in accordance with current city policies.

Section 5. Bereavement Leave

A supervisor will be granted three (3) days as bereavement leave for a death of a supervisor's or spouse's immediate family member. An immediate family member shall be defined as spouse, children (including adopted, step, or foster relationships), father,

mother, brother, sister, grandparent or grandchild. One of the three (3) days must be used for attendance of service. Such leave is non-accruable and not compensable if unused.

Section 6. Leave of Absence

A. Paid leave - supervisors may be granted paid leave of absences by utilizing their benefit banks accordingly (i.e., annual leave, holiday and sick leave). Rules are established for each bank as to its use. A supervisor's employment status is designated as a regular supervisor during the paid leave status and all benefits remain in effect during the period.

Requests for paid leave may be denied if inadequate notice is given or staffing levels drop below the standard for normal operation. If a request is denied, an alternate date may be established with proper notice.

B. Unpaid leave - supervisors who exhaust all leave banks (annual holiday and sick leave) may apply for unpaid leave to remain employed at the city. Requests for unpaid leave must be in writing to the appropriate captain with sufficient notice. The City may grant unpaid leave of absence in thirty (30) day increments. Each incremental period shall be designated as guaranteed, unguaranteed, or denied as follows:

1. Guaranteed allows a supervisor to be absent for up to thirty (30) days on unpaid leave with a guarantee of their job on return.
2. Unguaranteed allows a supervisor to be absent for up to thirty (30) days on unpaid leave with no guarantee that job will be available upon return. If the supervisor has a need to fill the job in the interim, the supervisor will not be allowed to return to his/her current position. In this case, the supervisor may be eligible for any open and competitive position at the city for thirty (30) days, and if unsuccessful, he/she will be terminated from employment.

Periods of leave without pay in excess of thirty (30) calendar days shall not be credited for purpose of:

1. Benefit and compensation accruals, service credit or
2. Completion of probation

Section 7. Military Leave

Any employee having a reserve status in any of the regular branches of the Armed Forces of the United or the National Guard will be relieved from his/her duties, upon the Supervisor's request, to serve under orders in accordance with Nevada state and federal law, and be compensated in accordance with Nevada state and federal law. The employee requesting this benefit shall provide a copy of his/her military orders to the City.

- C. Beginning on the 16th shift and for 15 shifts thereafter per calendar year the employee will be paid the difference between their base wage and military duty pay.

Section 8. Leave Pay Upon Separation

Upon separation of employment all accrued leave shall be paid at the supervisor's premium wages, if the supervisor is eligible to receive such pay.

ARTICLE 20. RULES AND REGULATIONS

Section 1. Rules and Regulations vs. Contract

The City and the Association agree that the applicable departmental Rules and Regulations do not change or delete the Articles of this contract. The Department Chief shall be responsible for providing supervisors with current copies of Rules and Regulations, Policies and Procedures, Civil Service Ordinances, and other Department manuals which affect the supervisor.

Section 2. Rules and Mandatory Bargaining

The City and the Association further recognize that the matters covered by departmental Rules and Regulations include matters which are and are not subject to mandatory bargaining under the provisions of Nevada Revised Statutes 288. ARTICLE 22. POLICE SUPERVISORS' BILL OF RIGHTS

Section 1. Grounds for Disciplinary Action

The parties acknowledge that they are subject to the provisions in NRS Chapter 289. The City will not take formal disciplinary action against a supervisor unless such action is supported by just cause. The City shall follow the disciplinary procedures set forth below in enforcing any formal discipline. Any formal investigation that could lead to disciplinary action must be initiated within ninety (90) calendar days of when the City became aware of the incident. The supervisor must be notified in writing within fourteen (14) calendar days from the date the investigation was authorized by the Chief of Police. A supervisor may appeal any formal discipline through the grievance procedure of this contract, which shall be the exclusive remedy for the appeal of disciplinary actions.

Section 2. Persons Covered

For purposes of this Bill of Rights, all supervisors are covered.

Section 3. Political Activity

Except as otherwise provided by law, or whenever on duty or in uniform, no supervisor shall be coerced or required to engage in political activity. However, if any supervisor desires he may engage in political activity when off duty and out of uniform.

Section 4. Investigation and Interrogation

Any computations of time requirements set forth in this Article which refer to "working days" shall be computed on the basis of a four (4) day work week Monday through Thursday for the Corrections Department, excluding holidays. IAW Article 19, Section 1.

This section shall not apply to contact with a supervisor such as counseling, instruction or informal verbal or written admonishment, which is to be placed in the supervisor's administrative file. When, for any reason, any supervisor has been given written or verbal notice of an investigation or that he is subject to interrogation which could lead to disciplinary action, demotion, dismissal, transfer, or administrative charges, such investigations or interrogation shall be subject to the following conditions:

If the supervisor under interrogation is likely to be placed under arrest as a result of the

interrogation, he shall be completely informed of all his rights prior to the commencement of the interrogation.

- A. No formal proceeding which has authority to penalize a supervisor may be brought except upon a signed complaint.
- B. The supervisor under investigation shall be informed of the nature of the investigation as soon as practical, but no longer than fourteen (14) calendar days after the complaint is signed. We agree that extenuating circumstances may prevail and the notification may be delayed. However, the Department and the City shall provide notice to the supervisor in accordance with NRS 289.060.
- C. Prior to an interrogation, the supervisor under investigation shall be informed of at a minimum: the identity and authority of the person conducting the investigation; the interrogating supervisors and all other persons to be present during the interrogation, as well as the name of the person making the accusation to the extent such disclosure is permitted by law. All rights guaranteed by NRS 289.060 and/or 289.080 shall apply.
- D. The notification memo that asks the person to schedule an appointment with the investigator will inform that person to have the Association representative make the appointment, if they want a representative. The appointment shall be made within seven (7) calendar days of receipt of said notice. The interrogation shall be conducted at a time when the supervisor is on duty, unless the seriousness of the investigation dictates otherwise. However, no administrative interview or interrogations, in which the Supervisor could receive punitive action, shall be conducted without, at least forty-eight (48) hours' notice. If the supervisor is on a non-paid status, he shall receive call back pay; if under administrative leave with pay, no additional compensation shall be paid unless the supervisor is required to be interviewed or interrogated outside of his administratively modified shift hours; is interrogated for a period of time which would extend beyond his assigned shift or would require travel which would extend beyond his assigned shift.
- E. The interrogation session shall be for a reasonable period of time, taking into consideration the gravity and complexity of the issue being investigated. During the interview/interrogation, the supervisor and his representative shall be allowed breaks to confer with his representative or counsel, if reasonable and requested by the supervisor. All rights guaranteed by NRS 289.060 and/or 289.080 shall apply.
- F. The supervisor under interrogation shall not be subjected to offensive language or threatened with transfer or disciplinary action, or loss of his job. No promise of award shall be made as an inducement to answering any question. The City shall not willfully subject the supervisor under investigation to visits by the press or news media nor release the supervisor's home address or photograph to the press or news media without his express consent.

- G. The complete interrogation of a supervisor shall be recorded by the department investigator(s) and there shall be no unrecorded questions or statements. If, upon conclusion of the investigation, the Department Chief or their designee intends to issue formal discipline, the supervisor will receive formal notice regarding the intent to issue discipline. Once the notice has been issued, the supervisor and/or their union representative shall be permitted to review the entire file pertaining to the internal investigation in the presence of one of the department investigators. If transcription of a recording is made of any interrogation or interview relevant to the case, the supervisor shall be provided a copy. If no transcription is made, the cost to transcribe shall be borne by the supervisor. The supervisor shall also have right to bring his own recorder and record any and all aspects of the interrogation.
- H. When an investigation is deemed completed the Department Chief or his designee will set a date for a pre-disciplinary hearing, which will afford the affected supervisor an opportunity to present a statement and any exculpatory and/or mitigating evidence. Following the pre-disciplinary hearing, the Department Chief or his designee has fourteen (14) calendar days to impose discipline against the supervisor. Upon mutual agreement between the supervisor, his PSA representative and the Department Chief the date of imposition of discipline may be extended.
- I. Any investigation conducted upon a supervisor will be done in accordance with the provisions of NRS 289 and the collective bargaining agreement.
- J. If the supervisor under interrogation is likely to be placed under arrest as a result of the interrogation, he shall be completely informed of all his rights prior to the commencement of the interrogation.

Section 5. Exercise of Constitutional Rights

No supervisor shall be discharged, disciplined, demoted, transferred, denied promotion, reassigned, or otherwise be discriminated against in regard to his employment, or be threatened with any such treatment, by reason of his lawful exercise of his constitutional rights, the rights granted under this bill of rights or the exercise of any rights under any existing administrative procedure.

Section 6. Recorded Information

No adverse comments shall be placed in a supervisor's personnel file or other place of record unless the supervisor has been afforded an opportunity to read and sign the comments. Should the supervisor refuse to sign the comments after reading them, a witness shall document that the supervisor was provided the opportunity to read and sign the comments but refused to do so, and the comments shall be entered into the personnel file (see NRS 289.040).

Section 7. Written Response

A supervisor shall have thirty (30) calendar days to file a written response to any adverse comment entered in his personnel file. Such written response shall be attached to and shall accompany the adverse comment.

Section 8. Notification

Whenever there is a personnel action against a supervisor, such supervisor shall be notified in writing of the action and the reasons for it. The notification shall be given within fourteen (14) calendar days after the disciplinary hearing.

Section 9. Polygraph Examination

The provisions of N.R.S. Chapter 289.070, 289.050 will be followed in reference to polygraph examinations and any other truth verification devices.

Section 10. Disclosure

For the purposes of job assignment or other personnel actions, a supervisor shall not be required or requested to disclose any item of his property, income, assets, source of income, debts, or personal or domestic expenditures (including those of any member of his family or household). Such information may be obtained under proper legal procedure, when there is a reasonable belief that the information would tend to indicate a conflict of interest with respect to performance of his official duties. Such information may also be requested or required by the City to ascertain the desirability of assigning the supervisor to a special unit in which there is a strong possibility that bribes or other improper inducements may be offered.

Section 11. Records and Personnel Files

A. Erroneous Allegations

Employees shall be entitled to the removal of any document that is proven to be in error or was placed in the employee's personnel files without the employee receiving a copy of the document. Material which has been removed, due to error, must be corrected or destroyed. Any record destroyed, due to error, may not be referenced or be made the basis for, or be used in, any discipline or other adverse personnel action(s) against the employee(s) referred to in such retracted material.

B. Personnel Files are Confidential

Employees' personnel files are private and confidential and must not be reviewed or otherwise seen by any person other than an authorized employee of the Department of Human Resources, the City Manager or designee, the City Attorney or designee, and/or the Chief of Police or their designee without the prior approval of the employee. Personnel

files will be released to the employee (or their designated representative) upon their written request.

Section 12. No Contest Option

As an alternative to the standard process in which a formal investigation is completed, an officer may be given the option to accept discipline without contesting it, and thus, avoid a majority of the steps of the Internal Affairs (IAB) investigation. Declining to contest the allegation of misconduct affords a culpable employee the opportunity to dispense with an administrative (IAB) investigation and quickly resolve the matter by accepting the proposed discipline. This is primarily designed for complaints which, if sustained, would result in a documented written reprimand.

The North Las Vegas Police Officers Association (NLVPOA/NLVPSA) and the North Las Vegas Police Department agree to the following steps:

- A. Upon the initiation of a formal investigation, directed by the Chief of Police or his designee, a Notice of Investigation will be forwarded to the officer by IAB.
- B. The Notice will contain details of the misconduct and instructions, as is presently included, but may also contain the option to decline to contest the allegation of misconduct.
- C. The officer would be informed of the proposed discipline that would be applicable if the allegation(s) were proven true. The proposed discipline would be based on the facts and circumstances surrounding the incident.
- D. The officer would then have the option to either accept the proposed discipline and a complaint disposition of "sustained", or reject the proposal and request a complete formal administrative (IAB) investigation.
- E. Declining to contest the allegation of misconduct and accepting the proposed discipline is strictly voluntary and carries no repercussions if not chosen.
- F. An officer who accepts the proposed discipline and a complaint disposition of "sustained" must sign a "Declining to Contest Allegation of Misconduct Form." By signing this Form, the officer waives the right to an administrative (IAB) investigation and all applicable grievances, appeals, and hearings.

ARTICLE 23. GRIEVANCE AND ARBITRATION PROCEDURE

Section 1. General

- A. A grievance is defined as a complaint regarding working conditions, wages, benefits, departmental rules and regulations or interpretation and application of this Agreement.
- B. The procedures set forth in this Article shall be the exclusive remedy for any dispute or complaint that is defined as a grievance hereunder.
- C. Any computations of time requirements set forth in this Article, which refer to "working days" shall be computed on the basis of eighty (80) hours worked biweekly for the Corrections Department, excluding holidays in accordance with Article 19, Section 1.
- D. Grievances not filed or submitted within the time limits set forth below shall be rendered invalid and not subject to this grievance and arbitration process.
- E. A grievance may be advanced to any step in the grievance and arbitration procedure if the parties jointly so agree.
- F. The Association recognizes its responsibility as bargaining agent and agrees to fairly represent all supervisors in the bargaining unit. The City recognizes the right of the Association to charge non-Association members of the bargaining unit a reasonable service fee for representation in appeals, grievances and hearings.
- G. If an employee wants to file a grievance, he/she must start the process as outlined in Section 3, Step 1. It is expressly understood and agreed that the grievance resolution system specified in this Article is the only grievance resolution system available to this bargaining unit.

Section 2. Informal Procedure

Prior to submitting a written grievance, the employee may discuss the subject matter with his immediate supervisor or the Department Chief and an Association representative. To file a grievance, the employee has twenty-one (21) calendar days from the date of the incident, or twenty-one (21) calendar days from the time the employee had reason to know the circumstances giving rise to the grievance. If the subject matter is not resolved as set forth in this section, the supervisor may proceed to Section 3.

Section 3. Grievance Procedure

Step 1. An employee having a complaint or grievance shall present the signed written grievance to the Association Grievance Committee within twenty-one (21) calendar days of date of the incident or when the employee had reason to know the circumstances giving

rise to the grievance. If it is determined by the Association Grievance Committee that a grievance does exist, the Association shall, within twenty-one (21) calendar days, present the signed grievance to the Department Chief or Director of Corrections and send an electronic copy to the Human Resources Director of designee.

Step 2. The Department Chief shall have fourteen (14) calendar days to make a written response to the grievance. Failure on the part of the Department Chief to answer the grievance shall constitute a denial of the relief requested by the employee.

Step 3. Within fourteen (14) calendar days after receipt of the Department Chief's response, or lack of response, the Association shall submit the grievance to the Director of Human Resources stating the reasons why the Department Chief's reply was not acceptable.

Step 4. Within fourteen (14) calendar days after receipt of the grievance, the Director of Human Resources or designee shall respond in writing. In the absence of any response, the grievance shall be deemed denied.

Step 5. If a mutually satisfactory settlement cannot be reached, between the City Manager or designee and the Association, the Association shall have the right to submit the matter to arbitration. The Association must notify the City Manager of its decision in writing within fourteen (14) calendar days from the date of the decision by the City Manager or designee, or within fourteen (14) calendar days from the expiration of the period for the City Manager's or designee's response, if none was made.

Section 4. Arbitration Procedure

Step 1. Should the Association submit the grievance for arbitration, the City and the Association shall attempt to select an arbitrator mutually agreed upon from seven names supplied by the Federal Mediation and Conciliation Services. Each party will alternately strike names from the list, with the Association striking the first name. The City and the Association must agree upon an arbitrator or strike names from the list within fourteen (14) calendar days. The arbitration shall be conducted under the rules of Federal Mediation and Conciliation Service.

Step 2. The arbitrator shall have no power to add to, subtract from, or modify the terms of this Agreement or department Rules and Regulations, except when Rules conflict with this Agreement. When such a conflict exists, the provisions of this Agreement prevail. The arbitrator shall confine his decision to a determination of the facts (including departmental Rules and Regulations), and an interpretation and application of this Agreement. The arbitrator shall render his decision within thirty (30) calendar days from conclusion of the hearing.

Section 5. Award

The arbitrator's award will be final and binding on the Association and its members, the employee or employees involved, and the City. If the arbitrator shall award back wages covering the period of the employee's separation from the payroll of the City, the amount so awarded shall be less any unemployment compensation received and less any other compensation which the employee earned while the employee was suspended or terminated.

Section 6. Costs and Fees of Arbitration

- A. The expenses, wages and other compensation of any witnesses called before the arbitrator shall be borne by the party calling such witnesses. Other expenses incurred such as professional services, consultants, preparation of briefs and data to be presented to the arbitrator shall be borne separately by the respective parties.
- B. The arbitrator's fees and expenses, the cost of any hearing room, and the cost of a court reporter and of the original transcript shall be borne by the losing side of the arbitration. The arbitrator will be requested to specify who is the losing party.

ARTICLE 24. DURATION OF AGREEMENT

Section 1. Validity of Agreement

This writing constitutes the complete agreement of the parties. Any amendments to this Agreement shall be of no validity unless reduced to writing and signed by both parties.

Section 2. Term of Agreement

This Agreement shall become effective upon the signing of the agreement by both parties and continue in full force and effect through June 30, 2027; however, if the parties hereto do not arrive at a new Agreement before July 1, 2027, to the extent permitted by NRS 288.155(b)(2), the provisions of this Agreement shall remain in effect until the parties execute a new agreement.

ARTICLE 25. SAVINGS CLAUSE

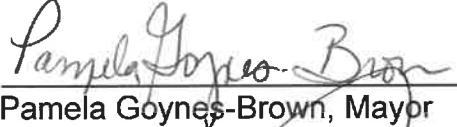

If any article or section of this Agreement shall be held invalid by operation of law or by any tribunal or competent jurisdiction, or if compliance with or enforcement of any article or section shall be restrained by such tribunal, the remainder of this Agreement shall not be affected thereby and the parties shall enter into immediate collective negotiations for the purpose of arriving at a mutually satisfactory replacement for such article or section.

ARTICLE 26. ENTIRE AGREEMENT

The provisions of this Agreement shall not be subject to renegotiation between the parties or otherwise modified prior to the termination of this Agreement without mutual agreement between the parties, except as specifically set forth in other Articles.

Sgt	\$91,537.33	\$96,114.20	\$100,919.91	\$105,965.91	\$111,264.20	\$116,827.41	\$122,668.79	\$128,802.22

Effective July 1, 2024, the Annual Base Wage Rate System shall be implemented as follows for Lieutenants: Wage scale includes a 3% COLA.

	Step 1	Step 2	Step 3	Step 4	Step 5	Step 6
Lt	\$120,525.69	\$126,551.99	\$132,879.57	\$139,523.55	\$146,499.72	\$153,824.71

For Lieutenants, no later than two pay periods following ratification of this agreement, a six (6) step wage scale will be implemented by deleting Step 1 and Step 2 of the current eight (8) step wage scale and renumbering Steps 1 – 8 as Steps 1 – 6. Lieutenants will remain in the current step they were in at the time of ratification and will progress to the next step at their regular scheduled step increase. For example, those employees who were in Step 4 at the time of Step 1 & 2 elimination, will now occupy the new Step 2 which was previously Step 4. Those employees who were in Step 5, at the time of Step 1 & 2 elimination will now occupy Step 3, which was previously Step 5.

Employees promoted to Sergeant after July 1, 2024 will enter the grade scale at a minimum of 12% above their previous base wage. If this places an employee in between pay steps, the employee's pay will be increased to the next step in the grade system.

Employees promoted to Lieutenant after July 1, 2024 will enter the grade scale at a minimum of 12% above their previous base wage. If this places an employee in between pay steps, the employee's pay will be increased to the next step in the grade system.

Any Supervisor hired after July 1, 2014 shall receive an additional 4% above their wage as outlined in Article 7, Section 3.A.
