ARTICLE 2 Intent

It is the purpose of this Agreement to promote and provide a responsible labor relations policy between the RTC and the employees covered herein; to secure an orderly and equitable disposition of grievances which may arise under the Agreement; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours, and other specified conditions of employment of the employees covered hereby.  - b. Disavows its pledge not to strike against the local government employer under any circumstances;
 - c. Ceases to be supported by a majority of the local government employees in the bargaining unit for which it is recognized;

4. On a monthly basis, the RTC shall provide to the Union the following related to RTC employees eligible for inclusion within the unit:

1. The RTC and the Union agree that employees eligible for membership in the Union shall have and shall be protected in the exercise of their right freely and without fear of penalty and reprisal, to form, join, and participate in authorized and appropriate Union functions. The freedom of such employees to assist the Union shall be recognized as extending to participation in the management of the Union in the capacity of a Union officer or steward, including, following notification of the appropriate management representatives, presentation of its views to the officials of the RTC. The RTC shall not interfere, restrain, or discriminate against any employee exercising his/her rights under this Section.
2. 3. All notices which appear on the Union's bulletin boards shall be posted by the highest ranking local Union official or their designee, as identified in writing and shall relate to items of interest to the members. Union notices relating to the following matters may

Within 30 days of the signing of this Agreement, the Union shall provide the RTC Human Resources Director, in writing, a complete list of stewards and elected officers, and indicate their departmental assignments. The Union will notify the RTC, in writing, within 10 working days of any change regarding stewards or elected officers.

2. All stewards shall submit a leave request to notify and receive approval for release from duty from their immediate supervisors each time they need to conduct a Union activity or business. A copy of all request forms approved for the "Release from Duty for Union

Business/Activities” and business shall be sent immediately to RTC Human Resources and the Union. Stewards shall be relieved of duty unless operational demands prohibit granting the request. Use of steward time shall not be abused by the employee and use of said time will not be unreasonably withheld by the immediate supervisor. An alternate Union steward may serve in the absence of the departmental steward(s) or the chief steward who is on authorized leave or is otherwise unavailable.

3. Union business shall include the representation of employees at meetings scheduled and held with the department director or designee, grievance review hearings, termination hearings, attendance at the Labor/Management and Safety Committee meetings and the monthly Union steward meetings. Any other Union related activities shall be deducted from the hours defined in Section 7.
4. Only one (1) steward shall be allowed to represent an employee at a meeting or hearing during any one shift. In the case of a newly elected or duly appointed steward, that steward shall have the opportunity to accompany a steward at a meeting or hearing as an observer. A newly elected or duly appointed steward shall be considered a steward who is within 180 days of being elected or appointed. A steward's attendance at such meetings or hearings shall be subject to the terms of this Agreement. An employee is entitled to be represented by a Union steward at all meetings where discipline is given in writing. After being notified of an impending investigatory interview, or a meeting at which discipline is to be given in writing, the affected employee may elect to have a Union representative present. In the event the employee is to receive a Documented Oral Warning or an Admonishment, the employee will have four hours to obtain Union representation. For any discipline greater than an Admonishment the provision for obtaining Union representation will follow Article 11. The Union or the employee shall designate the steward who will represent an employee at a meeting or hearing. The Union shall furnish the RTC Human Resources Director a copy of the record of attendance of the steward meeting.
5. Two (2) non-employee representatives of the Union may meet with an employee on RTC work premises for the purpose of preparing for a grievance or arbitration hearing during the employee's work hours once the employee has requested to be released from duty through the leave request form process. Other Union business conducted by non-employee representatives must be conducted during the employee's work breaks or lunch period.
6. Union activities and business shall not interfere with any employee's duties. All stewards and non-employee representatives must notify and obtain permission from an employee's immediate supervisor before entering the work area during working hours to meet with an employee. Upon entering the work area during breaks or lunch periods, stewards and non-employee representatives must identify themselves and make arrangements to meet with a particular employee.
7. For each separate fiscal year covered by the term of this Agreement, the Union will be

allocated a total of 186 hours leave without loss of pay for designated Union members to investigate grievances, attend conferences, legislative sessions or conventions, and other Union business not specified in Section 3. Per Diem and/or travel shall not be provided by the RTC. However, if the union exceeds the 186 hours allotted for union bank hours, the union shall reimburse the RTC for the additional costs by June 30 of each fiscal year. Such leave shall not be cumulative from fiscal year to fiscal year. The RTC shall not be responsible for any industrial injury claims resulting from activities performed on behalf of the Union away from RTC work locations during normal duty hours.

8. The Union shall be represented during negotiation sessions by a negotiating committee of not more than four (4) union members, designated by the union. Committee members shall be granted leave from duty with full pay on the day of negotiation sessions with the RTC for all meetings held for the purpose of renegotiating the terms of this contract when such meetings take place at a time when committee members are scheduled to be on duty.

9. Union President/Chief Stewards
 - a. If the Union President is an employee of the RTC, he/she shall be scheduled 40 hours paid time off per calendar week to accomplish general Union business. As a practical matter for employment record keeping, the Union President will be assigned to the department head of the department in which he/she is employed. The Union President will keep their department head informed of their whereabouts and activities and will continue to follow vacation and sick leave request, approval and usage policies. Up to 1 chief steward(s), as designated by the Union, shall be scheduled in the aggregate amount of 4 hours paid time off per calendar week to accomplish general Union business. Once appointed, the chief stewards shall be scheduled by the Union and such schedule shall not be changed, unless 30 days advance notice of the change is given by the Union to the RTC. The Union shall notify the Human Resources Director, in writing, of the chief stewards' schedules and changes related thereto. The chief stewards will be assigned to their supervisor and will be required to adhere to their established schedules for work and Union business. Chief Stewards will continue to follow vacation and sick leave request, approval and usage policies. The scheduling of such leave will be at the discretion of the chief steward's supervisor and must be approved in writing before it is used.

 - b. If the Union President is not an employee of the RTC, up to one (1) chief steward[s], as designated by the Union, shall be scheduled in the aggregate amount of 4 hours paid time off per calendar week to accomplish general Union business. Once appointed, the chief steward[s] shall be scheduled by the Union and such schedule shall not be changed, unless 30 days advance notice of the change is given by the Union to the RTC. The Union shall notify the Director of Human Resources, in writing, of the chief stewards' schedules and changes related thereto. The chief steward[s] will be assigned to their supervisor and will

be required to adhere to their established schedules for work and union business. Chief Steward[s] will continue to follow vacation and sick leave request, approval and usage policies. The scheduling of such leave will be at the discretion of the chief steward's supervisor and must be approved in writing before it is used.

- c. Union business, as defined in Section 3 of this Article, shall be coordinated between the RTC and the chief steward to encourage their participation in such meetings when on paid leave status. In the event the employer schedules a meeting or hearing at a date or time when the chief steward is on duty, the chief steward shall be permitted to attend such meeting and such attendance shall not be charged to the bank hours under Section 7 of this Article.
- 10. An employee will not be compensated for participating in Union activities, business or attendance at negotiation meetings outside of his/her scheduled shift.
 - 11. The RTC will grant access to a meeting room in the RTC Administrative Building for the RTC Union Stewards to hold monthly steward meetings during standard operating hours as defined in Article 14. The RTC Union Stewards will provide sufficient notice to allow the RTC to coordinate the meeting room.

ARTICLE 9

Employee Deductions

- 1. The RTC shall deduct from the wages of those employees who are members of the Union and pay over to the proper officers of the Union any monies which the Union advises may be due it from such members, provided that the employee who is a member of the Union has individually and voluntarily authorized such deductions to be made in writing or electronically.
- 2. The RTC agrees not to honor any check off authorizations or dues deduction authorizations executed by any employee in the bargaining unit in favor of any other labor organization or organization representing employees for purposes of negotiation for wages, hours, and working conditions, and other fringe benefits for its members unless otherwise authorized by the Local Government Employees-Management Relations Board.
- 3. The Union agrees to indemnify, defend and hold the RTC harmless against any and all claims or suits that may arise out of or by reason of action taken by the RTC in reliance upon any authorization cards submitted by the Union to the RTC. The Union agrees to refund to the RTC any amounts paid to it in error on account of the payroll deduction provision upon presentation of proper evidence of error or mistake.
- 4. The Union will certify to Human Resources, in writing, the current rate of membership dues. The RTC will be notified of any change in the rate of membership dues 30 days prior to having to make the change to the payroll deduction. Dues shall be remitted per

pay period to the Union by RTC. Along with the remittance, the RTC will provide the Union, in electronic format, a listing of the bargaining unit employees with social security numbers and the dues amount paid. The union will advise the RTC when employees elect to withdraw membership. The RTC will stop dues deductions within 30 days after receipt of notification from the Union.

5. The RTC will not be required to honor for any month's deduction any authorizations that are delivered to it later than seven (7) days prior to the second payday of the month.
6. If an employee-member transfers to another bargaining unit position from one RTC department to another, he/she shall be continued on the dues deduction rolls.

 - c. The committee shall reduce any recommendations arising from their deliberations to writing and forward same to the Chief Executive Officer or designee. The Chief Executive Officer or designee's decision is final.
2. The Agency Labor/Management shall have no authority to:
 - a. Make any decisions binding the parties;
 - b. Bargain for the parties on any issue; or,
 - c. Determine disposition of any grievance(s).
 - d. Discuss and make recommendations on the maintenance of proper safety standards, the responsibility of employees concerning safety practices, and to give input in the development of overall accident prevention programs and elements.

3. All issues discussed within the purview of this committee[s] will be limited to Agency matters.

Union committee members shall be appointed by the Union President; management committee members shall be appointed by the Chief Executive Officer or designee. Members of the committee shall serve at the pleasure of the appointing party. The meeting schedule will be held bi-monthly or less frequently as determined by the parties, on mutually agreed dates and times and shall be for the purposes of:
 - a. Exchanging general information of interest to the parties;
 - b. Giving the Union representatives the opportunity to share the views of their members and/or make suggestions on subjects of interest to their members; and
 - c. The committee shall reduce any recommendations arising from their deliberations to writing and forward same to the Chief Executive Officer or designee. The Chief Executive Officer or designee's decision is final.

9. Union committee members shall not lose pay for time spent in any meetings authorized by the provisions of this Article. Time spent in any meeting authorized by the provisions of this Article shall be counted as time worked for the purpose of computing overtime only if the time spent falls within the employee's regularly scheduled work hours.

ARTICLE 11

Dispute Resolution Procedures

1. A grievance is defined as a filed dispute between the Union, on behalf of an employee(s), and the RTC over the interpretation and/or application of the express terms of this Agreement or a dispute over the issuance of discipline as defined herein. A grievance shall not be defined to include any matter or action taken by the RTC or its representatives for which the NERC has jurisdiction or any matter specifically excluded from grievance and arbitration by other provisions of this Agreement. Disputes specifically excluded in other Articles of this Agreement from the dispute resolution procedures shall not be construed as within the purview of this Article.
2. If mutually agreed, either party may request, in writing, a waiver of the time limitations set forth in this Article. A grievance shall be considered abandoned if not filed and processed by the Union on behalf of the employee, where indicated in accordance with the time limitations. Failure on the part of the RTC to respond to a grievance in accordance with the time limits set forth in this Agreement shall result in the grievance advancing to the next step of the procedure. The failure on the part of management to process a grievance will be given serious weight in the resolution or retroactivity of an award. A waiver of timeliness requested by the Union will be taken into consideration in the determination of any retroactive award.
3. No prejudicial, discriminatory or retaliatory action may be taken, at any time, by the Union or the RTC against any person for his/her participation in or statements made in the investigation or settlement of a grievance.
4. For the purpose of resolving grievances at the earliest possible point in time, both parties will make full disclosure of the facts and evidence which bear on the grievance, including but not limited to furnishing copies of evidence, documents, reports, written statements and witnesses relied upon to support their basis of action. Both parties agree to share such facts and evidence at least one (1) business day prior to Step 1 or Step 2 meetings and at least three (3) business days prior to a Step 3 Hearing. An arbitrator will not consider any evidence from a party who willfully failed to produce such evidence in support of his/her position. For the purposes of this Agreement, business days shall be defined as Monday – Thursday.

Section 1 – Discipline

1. Discipline is defined as an employee's written reprimand, final written warning, demotion, or involuntary termination from RTC service. Any matters for which the Nevada Equal Rights Commission (NERC) or Office of Diversity (OOD) has

jurisdiction will be handled through a separate procedure identified in this Article, Section 3, NERC/OOD Procedure.

2. Arbitrators used for written reprimands, final written warnings, demotions, and involuntary terminations of this Article shall be jointly selected by the parties. The arbitrators must meet the requirements established in the Arbitrator Guidelines. The fees of the arbitrator shall be borne by the losing party.
3. The arbitrator shall conduct a grievance proceeding adhering to the mutually developed guidelines governing the process. The arbitrator will consider the incident and the discipline in terms of severity of the action, evidence of progressive discipline and appropriateness of the disciplinary action. Progressive discipline includes a documented oral warning, an admonishment, one (1) or more written reprimand(s), a final written warning and, thereafter, termination. The Union recognizes the need for more severe initial disciplinary action in the event of major violation of established rules, regulations or policies of the RTC or its operating departments. The decision to uphold the disciplinary action will be based on the reasonableness of the discipline imposed by the supervisor in response to the actions taken or not taken by the employee.
4. All written reprimands, final written warnings, demotions and involuntary termination appeals of employees covered by this Agreement shall be handled solely in accordance with the procedure set forth in this Section, with the decision of the arbitrator being final and binding on the parties.
5. No employee who has satisfactorily completed probation may be demoted or terminated without just cause. Just cause may include, but not be limited to: inefficiency, incompetence, insubordination, moral turpitude, mental or physical disability as shown by competent medical evidence, habitual or excessive tardiness or absenteeism, abuse of sick leave or authorized leaves, withholding services as a result of a strike, and violation of established departmental work rules or procedures.
6. Upon written request of the employee to the Director of Human Resources, the employee or his/her Union representative shall have the right to review items in his/her personnel file, including any audio or visual recordings in the possession of RTC. The employee may provide rebuttal comments to be attached to original documents where the employee believes appropriate. Such rebuttal comments must be restricted to the document in question.
7. Although documented oral warnings and admonishments are not subject to the full disciplinary procedure, the employee will have four hours to obtain Union representation. An employee who receives a Documented Oral Warning or Admonishment may, within five (5) business days of receipt of the Oral Warning or Admonishment, submit a rebuttal in writing, which shall be attached to the warning or admonishment. Such rebuttal comments must be restricted to the specific warning or admonishment in question.

8. The RTC shall remove all Documented Oral Warnings from and employees personnel file that were issued more than 6 months from the date of the discipline, Admonishments removed that were issued more than 12 months prior to the date of the discipline, Written Reprimands that were issued more than 18 months prior to the date of the discipline, and Final Written Warnings that were issued 36 months prior to the date of the discipline, provided that no ensuing discipline occurred. Upon removal, the documented oral warning or admonishment will be sent to the employee and shall not be used or referenced in any future disciplinary proceeding, as defined herein.
9. Upon written request or authorization by an employee involved in a disciplinary hearing, the employee or his/her Union representative may obtain data that is necessary from the personnel file of the employee subject to the discipline in preparation of a grievance meeting, including documents, audio or visual recordings in the possession of or relied upon by RTC.
10. An eligible employee who is to be issued a written reprimand or final written warning shall be given the discipline, in writing, at a meeting with management. The employee may request a Union representative to be present at the meeting. An employee shall be given at least 24 hours notice of the meeting and advised of the purpose, time, date and site of the meeting, except when an employee's continued presence in the work place is unsafe for co-workers, the public, or other RTC resources. Grievances regarding written reprimands or final written warnings shall be initiated at Step 1 of the Disciplinary Procedure within ten (10) business days from the issuance of the discipline.
11. An eligible employee who is recommended for demotion shall be given a written statement setting forth the reasons upon which the proposed demotion is based. The statement shall include an identification of the specific reasons against the employee and an explanation of the evidence. Grievances regarding demotions shall be initiated at Step 2 of the disciplinary procedure within five (5) business days of the effective date of the demotion.
12. An eligible employee who is recommended for termination, unless the employee is in a leave without pay status or has violated his/her last chance agreement, will be placed on paid administrative leave pending the Step 1 pre-termination meeting and shall receive written notification of such recommendation. The Step 1 meeting shall take place no sooner than three (3) business days from the effective date of the proposed termination but within five (5) business days after receipt of the notification unless extended by the department head or designee in which case the employee will remain on paid leave status until the Step 1 meeting is held, unless the employee is in a leave without pay status or has violated his/her last chance agreement. An employee who grieves the termination decision of the department head as a result of the Step 1 pre-termination meeting may initiate the grievance at Step 2 within five (5) business days from the date of receipt of the Step 1 decision. In the event a termination is overturned by the arbitrator at the Step 3 hearing, the arbitrator has the ability to mitigate the final outcome to the employee by imposing a lesser penalty, as defined in the progressive discipline process, including a leave without pay provision.

Section 2 – Arbitration Procedures for Contract Interpretation/Discipline

Grievances relating to the interpretation and application of the express terms of the agreement shall be initiated at step 2 of this procedure and shall be initiated within ten (10) business days of the employee's knowledge of the contract violation. The grievance shall state the violation and cite the article and section.

Step 1 - Department Head Response

The Union, on behalf of an employee, who believes that the employee has a grievance relating to the issuance of discipline, shall reduce the grievance in writing and submit it to the employee's department head within ten (10) business days of receipt of the grievance, the department head or his/her designee, a Human Resources representative/liaison, a Union representative, and the affected employee will meet to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. If the problem is not resolved at the meeting, the department head, or his/her designee, shall have five (5) business days from the date of the meeting to respond, in writing, to the grievance. The response shall be sent by certified mail to the Union President. Copies of the response shall be sent to the Human Resources representative/liaison, the Union representative, and the affected employee.

Step 2 - RTC Chief Executive Officer Response

If the grievance is not settled at Step 1, the Union, on behalf of an employee(s), may, within five (5) business days of the receipt of the department head's decision, file an appeal of the decision with the Director of Human Resources as representative of the RTC, as defined in Article 1. Within ten (10) business days of receipt of the request for appeal, the RTC Chief Executive Officer, or designee, will meet with the affected employee, a Union representative, and a Human Resources Representative to try to resolve the problem. If desired, both parties may choose an additional representative who may attend the meeting. If the problem is not resolved at the meeting, the RTC Chief Executive Officer or designee shall have five (5) business days to respond in writing to the grievance giving his decision. The response shall be sent by certified mail to the Union President. Copies of the response shall be sent to the affected employee and department, and the Union representative. As referenced in article 8, paragraph 4, one additional steward may attend a meeting as a steward in training.

MANDATORY MEDIATION PROCEDURE

- A. Either the Union or the RTC may request mediation of a grievance by making a written request to the other party within ten (10) working days of receipt of the written response described in Step 2 above. The matter shall then proceed to mediation unless one party states in writing that they do not wish to go to mediation and seek to go directly to arbitration. The requesting party shall request a mediator from Federal Mediation Conciliation Services (FMCS). The mediation request shall not toll the deadline for demanding arbitration set out in Step 3 below. If for any reason the mediation session has not occurred prior to the selected arbitrator's cancellation penalty deadline, the

mediation shall be canceled unless the party wishing to continue proceeding to mediation agrees to pay the arbitrators cancellation fee, if any, upon settlement of the case. When a settlement is reached through mediation, a settlement agreement will be signed by both parties. The grievance may proceed to arbitration if a settlement is not reached.

Step 3 - Arbitration

1. If the Step 2 decision is deemed unacceptable, the Union, on behalf of an employee, may make a written request for arbitration within five (5) business days of receipt of the Step 2 decision. Starting with the Union, the parties will request on an alternating basis from FMCS arbitration services division for a list of seven (7) arbitrators who are members of the National Academy of Arbitrators. If a party does not request the list within five (5) business days of the date of the written request for arbitration the other party may request the list. Once the list is obtained, the party who did not apply for the list will strike the first name and thereafter the parties will alternate striking names until one arbitrator remains. Both parties will make every effort to mutually establish the issue(s) to be arbitrated in advance of the arbitration hearing date. A permanent panel of arbitrators may be established by the parties and may be utilized on a case-by-case basis provided both parties agree to do so in writing.
2. The arbitrator's decision shall be final and binding on all parties to this Agreement as long as the arbitrator does not exceed his/her authority as set forth below and as long as the arbitrator performs his/her functions in accordance with the case law regarding labor arbitration, the provisions of the U.S. Uniform Arbitration Act, and where applicable, NRS.
3. Only one (1) grievance may be decided by the arbitrator at any hearing unless it is shown that the grievance being considered is related to another grievance pending a Step 3 hearing for the same employee and for a similar infraction. It shall be the arbitrator's sole determination to consolidate the grievances into one hearing. The arbitrator shall within a reasonable period of time prior to the hearing date inform both parties of his/her decision regarding consolidation.
4. The arbitrator shall not have the authority to modify, amend, alter, ignore, add to, or subtract from any of the provisions of this Agreement. The arbitrator is without power to issue an award inconsistent with the governing statutes and/or ordinances of the jurisdiction. The arbitrator, in the absence of expressed written agreement of the parties to this Agreement, shall have no authority to rule on any dispute between the parties which is not within the definition of a grievance set forth in this Article. The arbitrator shall consider and decide only the particular issues presented by the Union and the RTC, and the decision and award shall be based solely on his/her interpretation of the application of the express terms of this Agreement. Any and all settlements or awards issued by the arbitrator shall be limited in retroactivity to the date of alleged violation or date of the filing of the grievance as decided by the arbitrator.

5. Subject to the provisions of Paragraph 2 of this Article, the arbitrator shall not have the authority to excuse a failure by the employee, the Union, or the RTC to comply with the time limitations set forth above unless mutually agreed by both parties.
6. If the parties disagree about the arbitrability of a grievance, the arbitrator shall decide this issue prior to hearing the merits of the case.
7. Any issue of procedural arbitrability will be decided by the arbitrator selected to hear the case. Any issue of substantive arbitrability shall be initially decided by a court of competent jurisdiction.
8. The arbitrator shall have no authority to modify the standard of proof required to anything other than a preponderance of the evidence.
9. Either party shall have the right to file a written brief with arbitrator after the conclusion of the hearing and prior to the arbitrator making his decision. The arbitrator shall base his ruling on a preponderance of the evidence.
10. The expenses of arbitration, including the arbitrator's fee and expenses, the cost of the court reporter transcript, and the cost, if any, of the facilities in which the hearing is held, shall be borne equally by the Employer and the Union. All expenses incurred by either party in the preparation or presentation of its case are to be borne solely by the party incurring such expense.
11. In any arbitration hearing concerning the discharge of an employee for any infraction agreed by the parties to be just cause for discharge in Section 1, the arbitrator's sole authority shall be to determine if the employee committed the act or infraction alleged by the Employer. If the arbitrator finds the employee did commit the act or infraction alleged by the Employer, the arbitrator shall have no authority to modify the termination to a lesser penalty.

Section 3 - NERC/OOD Procedure

Grievances on those matters for which the Nevada Equal Rights Commission or the Equal Employment Opportunity Commission (EEOC) has jurisdiction will be referred to and processed by the RTC HR Department staff. The RTC Human Resources Department will solicit assistance of an outside neutral third party to assist with investigative matters in such situations where a perceived conflict of interest may exist. The employee(s) being investigated shall have the right to Union representation commencing at this level and continuing throughout the entire procedure. If discipline results from the investigation, employees are eligible for Step 1 and Step 2 meetings and Step 3 arbitrations as defined in Section 2 of this Article. However, 1) if the department head chooses not to conduct the Step 1 meeting within the time frames, then the case will be heard at the next level; 2) if the matter proceeds to the arbitration process, then in addition to satisfying the standard requirements and qualifications for an arbitrator, the individual hearing matters covered in this Section must have training or expertise in the application and interpretation of civil rights laws. Employees of the bargaining unit retain the right to go directly to the Nevada Equal Rights Commission or the Equal Employment Opportunity Commission (EEOC) for complaints of which those

offices have jurisdiction without first having to go to RTC HR.

ARTICLE 12

Traffic Communications Systems Technician
Senior Traffic Communications Systems Technician

Certification

NV Class F & G Fire alarm/Protection
Nevada Master Electrician Certification/License Nevada

2. The RTC Chief Executive Officer or designee will authorize certification pay for any employee provided:
 - a. The RTC requests in writing that the employee obtain the certification(s);
 - b. The employee possesses and maintains the certification(s) requested; and,
 - c. The certification(s) are not required under the minimum qualifications of the employee's position classification.
3. Certification pay shall be paid at a rate of four percent (4%) of base salary, and shall not be limited by the maximum salary designated for an employee's salary schedule. Any employee receiving certification pay for one or more of the certifications listed will only be eligible for a maximum rate of 4% of the base salary.

SECTION 2 – Bilingual Pay

1. Upon the recommendation of his/her Department Head and the approval of the RTC Chief Executive Officer or designee, an employee will be eligible to receive Bilingual Pay provided the following conditions are met:

- a. The employee's assigned duties require them to communicate in a second language, and
 - b. As a prerequisite to receiving Bilingual Pay, the employee must successfully complete the RTC's Bilingual Oral Proficiency Examination. The need for a written proficiency examination will be determined by RTC Management on a case-by-case basis. Competency testing requires fluency in English and the required foreign language or languages.
 - c. Employees who received bilingual preference upon hire will be required to perform bilingual duties and may not opt out of these duties.
2. The parties further recognize and agree that:
 - a. Award of bilingual pay to an employee will not occur simply because the employee is bilingual and occasionally uses bilingual skills in the course of their work;
 - b. Positions in which the use of a second language is a requirement are not eligible for bilingual pay;
 - c. Bilingual testing will be scheduled by the RTC;
 - d. Bilingual premium pay shall be \$100.00 per pay period in a stipend form for each employee determined to be eligible pursuant to Section 1 herein. When an employee begins or ends eligibility for bilingual pay in the middle of a pay period, the stipend will be prorated. The stipend will not be included in the base pay and is not used in calculation of PERS or longevity; and
 - e. Approved bilingual pay will be subject to annual re-authorization according to the conditions specified in Section 1 herein, with the exception of bilingual proficiency examinations which shall not be required under the re-authorization process.
 - f. Bilingual staff in the Customer Care Department willing to assist with calls during their assigned shift will receive bilingual pay provided they meet the other requirements of this article.
3. Bilingual pay will cease when the employee is transferred, promoted, or demoted to a position which does not meet the requirements of Section 1 (a) and 1 (b) herein, as determined by the employee's Department Head. Should an employee choose to be removed, the employee shall provide a 60 day written notice to the RTC Human Resources Director.
4. Nothing in this agreement shall prevent the RTC from using interpreter services where deemed appropriate. The RTC will not create classifications solely to circumvent bilingual pay, but maintains the right to create classifications that include a requirement for a second language as operational needs or statute dictate.

ARTICLE 13

Personnel Layoff/Furlough, Recall and Appeal Procedure

Layoff/furlough is defined as any involuntary separation wherein management eliminates a position without prejudice to the incumbent.

The determination of the number of positions, classifications and departments to be affected by a layoff/furlough is a management right. The RTC and the Union agree that layoff/furlough and recall of personnel and appeals of these actions as they pertain to employees covered under this Agreement shall be as prescribed below.

Section 1 - Layoff

1. Temporary, part-time and probationary RTC employees in the department shall be eliminated first.
2. Additional layoffs/furloughs in each RTC Department, without regard to cost center in the Department shall be done according to the inverse order of the seniority of the employees in the department based upon total continuous RTC service in the affected classification series. If an employee's classification was changed as a result of a classification study or through a management reclassification or as a result of an involuntary action, that employee shall be given full credit for service in his/her classification series. This provision does not apply to employees covered by 49 U.S.C. 5333(b), formerly Section 13 (c) of the Federal Transit Act, later codified.
 - a. When promoted from one classification series to another, the seniority of the employee's last previously held classification series shall be bridged with the current classification series.
 - b. Except as otherwise prohibited by law, any RTC department that has employee(s) on layoff/furlough status will not contract-out any work specifically performed by the employee(s) at the time of their layoff/furlough so long as any of the employee(s) remains on the recall list.
3. Seniority will be based on continuous service with the RTC in accordance with this Article. Creditable service for seniority must be in a permanent position with the RTC.
4. To provide for the continued operation of the RTC, each Deputy Chief Executive Officer may exempt 5% of the total number of positions authorized in the current budget of the RTC regardless of seniority. In the event that the 5% does not equal an exact number of employees, the fraction shall be rounded off to the next higher whole number. Any exemption that is necessary because of any affirmative action program or laws pertaining to equal employment opportunity shall not be deemed a part of the above 5% but shall be in addition thereto.

The RTC Deputy Chief Executive Officer electing to exempt employees from layoff/furlough in accordance with Article 13, Section 1 paragraph (4), shall meet and provide the Layoff Review Committee, the Union, the Chief Steward and the Director of Human Resources with a complete list of exemptions 15 calendar days prior to the notification of those employees to be laid off.

The RTC Director of Human Resources shall update the list of exemptions whenever the RTC determines layoffs/furloughs are required within a department. The Layoff Review Committee will be given notice prior to layoffs/furloughs.

5. As a result of the application of this layoff/furlough procedure, the RTC shall attempt to find a vacant position for any eligible employee scheduled to be laid off/furloughed by evaluating the reassignment, transfer, reduction in grade, or any combination thereof for the employee. The employee must meet the minimum qualifications and/or specific skill sets of any position being considered.
6. All permanent status personnel who are affected by layoff/furlough shall have the right to elect a reduction in grade to a lower classification based upon their respective seniority as defined in sections 2(a) and 2(b): 1) within the same classification series; or, 2) in a classification in the same department that the employee (a) has completed a probationary/qualifying period, (b) provided that the classification still exists, (c) the department has a vacant position and (d) the department head determines the employee meets the minimum qualifications and abilities (i.e., license, physical fitness, job skills, etc.) of the position. A vacant position need not exist if an employee exercises his/her bumping rights within the same classification series.
7. No employee will have the right to bump to a position in another department or to bump a position of a higher classification than he/she currently fills. A permanent employee to be laid off may bump a temporary or probationary employee of the same classification in the department.
8. An employee reduced in classification may have his/her salary reduced and in no event shall exceed the maximum pay grade for that classification, but shall not have his/her anniversary date adjusted.
9. The assignment of an employee to a position within a classification will be at the discretion of the department head.
10. Separation due to layoff/furlough shall require the giving of at least two (2) weeks notice to the employee, or payment in lieu of notice, of an equivalent amount of the employee's base salary by the RTC. The Layoff Review Committee will be given notice prior to layoffs/furloughs.
11. No permanent employee initially hired into and serving in a grant-funded position or a term position may initiate a bump into an unlimited RTC- funded position unless he/she is displaced by someone who has bumped him/her. Employees electing to bump into grant-funded positions or term positions have no property right to the position or RTC service if the funding ceases or the position ends.

Section 2 - Recall

1. Any permanent status employee reduced in grade or laid off under this Article shall, based on seniority, have his/her name placed on the RTC recall list(s) for a period of two (2) years. The recall list will be established and maintained by the Director of Human Resources and will be available to any employee on the recall list upon their written request to the RTC Director of Human Resources. When employees are eligible to be recalled to RTC employment, those previous employees shall be notified by phone call, certified mail, electronic mail at their last known address with a copy via email to the Union and RTC Chief Steward. The employee shall, within ten (10) calendar days of receipt, respond affirmatively, by certified mail, e-mail or in person, that they are accepting the offer of recall. Failure to respond in a timely manner will mean that the person has refused the offer of recall and the person will be removed from the recall list(s). An employee must be available for work within two (2) weeks of acceptance of the offer.
2. When positions become available in a classification series, personnel who have been laid off or reduced in classification in that series shall be recalled in inverse order of layoff/furlough provided the employee meets the minimum qualifications for that position. The order of recall shall be:
 - a. Employees who are reduced in classification based on the same criteria in Section 1, Paragraph 2.
 - b. Former (laid off) employees who held a position in the same classification series based on the same criteria in Section 1, Paragraph 2.
 - c. Former employees who held a position in the same classification series.

If there are no applicants from the recall list, the department will fill the vacancy from an open or promotional eligibility list. In the event that a classification has only had a change in title, employees on the old recall list(s) shall be placed on the new respective list(s).

3. Upon recall after layoff/furlough, the time that the person was on layoff/furlough shall be counted as a break in service.
4. Upon an employee's return from a recall to his/her title held at layoff/furlough, an employee's pay will resume at the same pay rate or at the bottom of the salary range, whichever is greater. Additionally, pay will not exceed the top of the range.
5. Employees who are recalled may be required to serve a qualifying period at the discretion of the hiring department head, unless returning to the same classification and department held when laid off.
6. An employee who is recalled must meet the minimum qualifications for the position and must be capable of performing the specific requirements of the

position (including any special skills) within thirty days. The thirty-day time period is for orientation. It is not a training period. If the employee is not successful within the thirty-day period, or the employee requests, the employee will be returned to the recall list for the period of time remaining on his/her recall eligibility. Separating and returning an employee to the recall list will not be grievable or arbitrable. The employee returning to the recall list shall not be referred for the same position if future vacancies occur.

Section 3 - Appeal

1. The RTC and the Union shall each appoint two (2) permanent status employees to serve on the standing Layoff Review Committee. These representatives shall select a permanent status RTC employee as the fifth member who shall serve as the Chairperson.

A majority vote of the Committee will be necessary to uphold an appeal. The Committee shall develop a procedure for the layoff/furlough review process prior to conducting any review.

2. Any appeal of the application of the procedure must be signed by the employee and Union and submitted to the affected department head within five (5) working days of the receipt of notice of layoff/furlough or the alleged violation of the recall procedures. A copy of the appeal must be sent to the Director of Human Resources. The Director of Human Resources will schedule an informal meeting before the Layoff Review Committee within five (5) working days. This Committee will hear all appeals affecting layoffs/furloughs and recalls to determine whether the procedure was appropriately followed. The decision of the Layoff Review Committee will be final and will not be reviewed by an arbitrator, unless a decision of the Layoff Review Committee is alleged to have violated a specific, existing contractual provision.

ARTICLE 14 Basic Workweek

1. The official workweek is comprised of seven (7) workdays which begins on each Saturday at 12:01 a.m. and shall end at midnight of the following Friday.
2. Employees working a 5-day, 40-hour week (designated 5/40) shall work eight (8) hours per shift for five (5) shifts within the official workweek, and shall receive two (2) consecutive "24-hour periods off". Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work schedule adjustment.
3. Employees working a 4-day, 40-hour week (designated 4/40) shall work ten (10) hours per shift for four (4) shifts within the official workweek, and shall receive three (3) "24-hour periods off" of which two (2) 24-hour periods must be consecutive. Permanent work schedule adjustments shall be exempt from this provision when the work schedule adjustment is more than six (6) months after any previous permanent work

schedule adjustment.

4. The hours between the end of an employee's last regularly scheduled shift and the beginning of an employee's first regularly scheduled shift following his/her scheduled 24-hour periods off shall be considered his/her weekend.
5. Employees shall be granted one (1) 15-minute work break for each period encompassing four (4) hours of work during the course of their shifts. Such breaks shall not be scheduled by the supervisor within one (1) hour of the employee's starting time, quitting time, or meal breaks.
6. Meal breaks are neither time worked nor time on pay status unless an employee is required by the RTC to remain on the job at a work station or the employee is interrupted by his/her supervisor to perform substantial duties during such period. An employee who remains at a work station during his/her meal break, but is not required to do so by the RTC, shall not be compensated for the meal break. In the event an employee is required to work four (4) hours or more beyond the end of their scheduled shift, that employee shall be granted an additional meal break.
7. Subject to the provisions of NRS 288.150 (4), nothing herein shall be construed to limit the authority of the RTC to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergencies.
8. No permanent employee shall be assigned to a regular schedule that requires him/her to work more than two (2) different shifts in a 40-hour workweek.
9. Employees of the RTC will be allowed to work a 4-10 hour work week schedule contingent upon operational needs of the department/agency as designated by the table at the end of this Article.
10. Where operationally feasible, employees may choose to voluntarily work a 4-9 hour work week schedule for no less than six (6) months at a time. In the event an employee chooses to go back to a full time schedule at the end of the six (6) month period, the employee may have to work any available work schedule until the next shift bid. The employee will be required to sign an agreement identifying the reduction in salary and benefits, including, but not limited to, accrued balances, increased to employee portion of health insurance premiums, and PERS (Public Employees Retirement System) creditable service hours. The RTC reserves the right to determine what salary and benefit reductions are appropriate in conjunction with a 4/9 hour work week agreement, and shall have the employee sign an agreement acknowledging these salary and benefit reductions. The hours to be worked by an employee in a 4/9 hour work week schedule are non-negotiable, shall be determined by the supervisor, and will be included in the written 4/9's agreement.

2. Effective the first day of the second full pay period of July 2022, 2023, 2024, and 2025, COLA will be based upon the rolling previous three (3) year average of the CPI-U (W) with a minimum of 2 percent and a maximum of 3 percent.

ARTICLE 16 Initial Appointment, Rehire, Promotion, Transfer and Demotion

1. Initial appointment to positions shall be made at the entrance rate for the class except as approved by the RTC Chief Executive Officer or designee.
 - a. Upon initial appointment to the RTC position, an employee shall serve a probationary period. The probationary period will normally be 1,040 hours worked but may not be less than 520 hours worked nor longer than 2,080 hours worked as determined by the department head. The department head may extend the probationary period in intervals of 520 hours. An employee's probation may not be extended more than twice. The RTC will advise the union when employees' probationary periods are completed and/or if the probationary period has been extended.
2. The total number of employees of a department and the total number of employees of each classification within any department shall be determined by the budgetary process. The initial classification of positions shall be as contained in the current RTC classification list along with any subsequent amendments thereto.
3. When a former employee is rehired after a break in service of no more than one (1) year from the date of separation, to a position in the same class held at the time of separation, he/she may be paid at, or below, the same hourly rate, including across the board schedule adjustments provided by this Agreement, he/she held at the time of separation.
4. When an employee is promoted, he/she shall be entitled to a four percent (4%) salary increase or the minimum rate of the salary schedule to which the employee is promoted, whichever is greater.
 - a. A promoted employee shall serve a qualifying period. The qualifying period will normally be 1,040 hours worked but may not be less than

520 hours worked nor longer than 2,080 hours worked as determined by the department head. At the conclusion of the qualifying period, the employee shall be given a performance evaluation. Based on the evaluation, the employee will either be accepted or rejected for the position. If management anticipates that an employee may not successfully complete their qualifying period, management must do an interim evaluation with specific goals prior to 24 shifts worked. If rejected, he/she shall retain the right to voluntarily demote to his/her previously held position in accordance with 4b.

- b. When an employee is promoted, he/she shall retain the right, during the first 24 shifts worked of the qualifying period, to voluntarily demote to his/her previously held position. The employee shall have his/her salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.
5. When an employee transfers to a position in another department, he/she shall be entitled to the same hourly rate held at the time of the transfer. A voluntary transfer may result in the transferring employee serving a new qualifying period and upon completion, the employee may receive a salary increase as provided for in Article 21 of this Agreement provided the employee is not at the top of the schedule for the class and the performance evaluation report so justifies.
6. When an employee is demoted, his/her salary will not exceed the top of the new salary schedule unless the demotion was a result of a reclassification. Demotions, except for reclassifications, initiate a new anniversary date. Employees failing a qualifying period and demoted shall have their salary reduced to the hourly rate, including across the board schedule adjustments provided by this Agreement, held prior to being placed on the qualifying period.
7. For the purpose of this Article "hours worked" shall be defined as any paid straight time hours.
8. Employees who elect to resign from the RTC and are in pay status shall be afforded the opportunity to rescind such resignations within three (3) business days and be placed into their original position without loss of pay or benefits, and their seniority and anniversary date shall not be affected.
9. RTC will send the Union a monthly report of any promotions, demotion, transfers, terminations or rehires.

ARTICLE 17

Posting of Vacancies

1. The Union acknowledges that the RTC has the exclusive right to fill vacancies and make reassignments in accordance with the RTC Merit Personnel System as revised and adopted by the RTC Board of Commissioners. The methods used to classify employees in the bargaining unit shall be established in the RTC Merit Personnel System.
2. When a new position is created or an existing position becomes vacant in a classification in the bargaining unit, the Director of Human Resources, after consulting with the appointing authority, shall determine, in accordance with the RTC Merit Personnel System, how the vacancy is to be filled. If a permanent position vacancy is created within a classification represented by the bargaining unit, and there is no current eligibility list, the RTC will post a job announcement using the agreed upon standardized format of posting for at least seven (7) calendar days if a departmental recruitment or 14 calendar days if an RTC or open recruitment to accept applications, except when such vacancies are to be temporarily filled on an emergency basis. Departmental and RTC promotional job announcements shall include a statement as to the subject areas that will be assessed in the interview. Copies of all job announcements shall be mailed to the Union and posted in areas readily available to all employees.
3. The RTC shall encourage promotion within the competitive service on the basis of ability and efficiency, and the equality of opportunity for all qualified employees to apply for promotions in the competitive service. Therefore, when conducting departmental or RTC promotional recruitments, qualified employees meeting the established criteria shall be given the first consideration for promotion by being interviewed for the position before the RTC fills such vacancy. If two (2) or more employees have similar job related knowledge, skills and abilities (KSA's) and demonstrated performance records (DPR's), the employee with the greatest class seniority shall be given first consideration. The RTC agrees to certify to a department to be interviewed on all open recruitments the top ranking RTC employee from the appropriate open recruitment eligibility list if no RTC employees would otherwise be certified. The Union shall be notified of the establishment of eligibility lists, which will include the duration of such list, as well as the classifications for which the list is compiled. An open recruitment shall be defined as an examination process which has the potential of resulting in an eligibility list containing names of RTC employees and applicants from outside RTC employment.
4. The decision to fill permanent full-time vacancies on a temporary basis pending the completion of selection procedures will not be grievable. A vacancy filled by a demotion, transfer, management reassignment, rehire, or recall in a position that is equal to or less than the employee's previous position does not require posting.
5. Candidates on an existing eligibility list that have been appointed to a

grant funded position shall remain on the eligibility list for consideration for appointment to a permanent position.

6. The Union will be furnished a copy of all job announcements; promotional announcements; monthly reports of vacancies; and if the position is within the bargaining unit, the name of the person filling the vacancy, the position filled, and the type of list from which the person filling the vacancy is selected.

ARTICLE 18

1. Overtime Pay – An employee working a 5/40 week, as defined in Article 14, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 1/2) for hours worked in excess of eight (8) per shift or 40 in an official workweek. An employee working a 4/40 week, as defined in Article 14, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 1/2) for hours worked in excess of ten (10) per shift or 40 in an official workweek. An employee working some other established work schedule as provided in Article 14, and required and authorized in writing to work overtime, shall be compensated at an overtime pay rate of time and one-half (1 1/2) for hours worked in excess of nine (9) per shift or 40 hours in an official workweek. An employee's regularly scheduled shift shall not be changed to accommodate overtime pay unless mutually agreed upon in writing by the employee, the supervisor and the Director of Human Resources or designee for the benefit of the RTC prior to the overtime shift change.
2. Scheduled Overtime Pay – An employee required to return to his/her work site for duty at any time other than during his/her scheduled weekend, as defined in Article 14, with at least 12 hours' notice, shall be compensated at an overtime pay rate of time and one-half (1 1/2) for hours worked outside of his/her scheduled shift.
3. Scheduled Weekend Overtime Pay – An employee required to return to his/her work site for duty during his/her scheduled weekend, as defined in Article 14, with at least 12 hours' notice, shall be compensated at an overtime pay rate of time and one-half (1 1/2) for all hours worked or shall be compensated for a minimum of three (3) hours at time and one-half (1 1/2) (4 1/2 hours pay), whichever is greater.
4. Overtime Pay for Holidays Worked – If an employee is required to work on a holiday, compensation shall be made as stipulated in Article 22 of this Agreement.
5. Call Back Pay – When required, the department head or designee may call back to duty one or more employees. Call back pay is defined as

compensation earned for returning to his/her work site for duty after the employee has completed his/her shift, departed from the work site and is off duty for a period of time and is requested to return to his/her work site with less than 12 hours' notice. When an employee is called back, the employee shall receive overtime pay for all hours worked on call back or shall be compensated for a minimum of three (3) hours at time and one-half (1 1/2) (4 1/2 hours pay), whichever is greater. Call back pay shall only be paid for hours worked outside an employee's shift. An employee's regularly scheduled shift shall not be changed to accommodate a call back.

6. Overtime Pay/Compensatory Time Pay and Accruals – Overtime pay provided in this Article is at the rate of time and one-half (1 1/2) and shall be made in compensatory time off or overtime cash payment at the discretion of the employee and approval of the department head based on financial or operational needs. Compensatory time must be used before annual leave. For each occurrence that Catastrophic Leave is approved, any unused hours will be returned to the Catastrophic Leave Bank. Catastrophic Leave benefits will not be available

to any employee currently receiving disability income benefits from the RTC's long term disability insurance carrier.

7. Any donations made to the Catastrophic Leave Program may be donated to a specific employee at the donating employee's request. Any hours already donated to the Catastrophic Leave Program remain there, including any unused hours for a targeted employee, and may not be returned to the donating employee.

ARTICLE 25

Employees appearing in court for the stated reasons on scheduled 24 hour periods off shall retain any and all remuneration as may be authorized for such appearances. Notation will be made on the time and attendance report for the shifts of court leave granted to the employee while absent from his/her regular scheduled duties. If the employee is not selected for jury duty or is released from testimony, he/she shall return to duty if released during scheduled work shift hours. In those cases where an employee elects to retain jury duty or witness fees such time shall not be counted as time worked for the purpose of determining overtime, and the employee will not be considered on court leave for the time absent from work.

Without approval of the department head and the Director of Human Resources, leave without pay may not be granted until all accumulated annual leave is used. Disciplinary leave without pay for violations of Article 35 of this agreement may be imposed when annual leave is still available. Any additional leave must be recommended by the department head and approved by the RTC Chief Executive Officer or designee.
4. Employees, at their discretion, may use none, any or all of their sick leave and/or annual leave in the 3-month parental leave period. Parental leave of more than three (3) months is at the discretion of the department head, and if approved, the employee may use annual leave, sick leave, or leave without pay under the provisions of Article's 23, 24, and 25 of this Agreement.

In addition to these provisions, the RTC shall provide benefits in accordance with the Family and Medical Leave Act of 1993.

ARTICLE 26

Benefit Eligibility

1. Eligibility for increased entitlements to sick leave, vacation and longevity shall be determined by the total amount of service commencing with appointment to a permanent budgeted position.
2. Should an employee who left RTC service in permanent status, worked 3 consecutive years, and gave, when applicable, two (2) weeks termination notice be rehired, that employee may regain all previously unused sick leave, provided the employee reimburses the RTC for whatever unused sick leave was paid the employee at the time of separation. Such reimbursement shall be paid before an employee is entitled to use such sick leave. The RTC must give the employee notice of this option upon rehire and the employee must either accept or decline this option within 60 days following the successful completion of his/her probationary period. If the employee accepts the repayment option, the repayment must be completed within six (6) months following the successful completion of his/her probationary period.

3. Increased entitlements will include all previous employment with the RTC that ceased under honorable conditions as well as all prior service with Clark County that occurred prior to October 1, 2008 and ceased under honorable conditions. Service with Clark County on or after October 1, 2008 shall not be recognized by RTC for eligibility of increased entitlements for sick leave, vacation, longevity or any other benefit.

ARTICLE 27

Service Connected Disability

All eligible members shall be covered by a Workers Compensation Program of the RTC's choice that conforms with the provisions of the Nevada Industrial Insurance Act (NRS Chapter 616) and the Nevada Occupational Diseases Act (NRS Chapter 617) and that provides for payment of industrial accident benefits and compensation for partial and total disability arising from industrial injuries and occupational diseases.

1. In the event an employee is absent from work due to a service-connected disability, approved pursuant to NRS Chapter 616 or 617, he/she may receive, in addition to the compensation as provided by NRS Chapter 616 or 617, a supplemental amount from the RTC which would cause the total amount received by the employee from the service-connected disability and the RTC to equal his/her salary at the time of his/her disability. The supplemental compensation will start from the first day of absence or illness, but shall not exceed 340 work hours for the same incident. During this period, the employee shall not forfeit any accrued sick leave. Successful completion of the probationary period is required in order to qualify for the supplemental compensation from the RTC.
2. It is the intent of the RTC to pay the on-the-job injured employee (as outlined in this Section) the difference between full biweekly salary and that provided pursuant to NRS Chapter 616 or 617 as salary continuance. Therefore, the employee shall return to the RTC all temporary total disability payments received which were made under NRS Chapter 616 or 617 covering the period enumerated in Section 1 of this Article. No supplemental benefit shall be paid until after the employee's lost-time benefit check has been deposited with the RTC.
3. If an employee entitled to disability compensation has not completed his/her probationary period, or if an employee who has received supplemental compensation for the maximum 340 work hours is unable to return to work, he/she may elect to utilize accrued sick leave, during which period the employee shall receive compensation from the RTC as provided in NRS Chapter 281.390. If the employee is receiving no compensation for time missed from work through the Worker's Compensation Program, the employee must use leave benefits to fully account for any absence.

4. When accrued sick leave has expired, if the employee is still unable to work and the employee is receiving compensation for time missed from work through the Worker's Compensation Program, he/she will be permitted to use his/her accrued vacation leave as sick leave. Subsequent to the expiration of both the employee's sick and vacation leave, provided that the employee has so elected to use his/her vacation leave as sick leave, the employee's compensation will be limited to that provided by NRS Chapter 616 or 617 and the employee will be placed in a leave without pay status. However, through written justification to the Director Human Resources, exceptions to this Article may be approved by the RTC Chief Executive Officer or designee.
5. If, as a result of a licensed physician's evaluation and prognosis, it appears that the employee will not return to his/her regular RTC job within a 12-month period, the RTC may require a medical separation. Medical separation appeals of employees covered by this Agreement shall be handled in accordance with the procedure set forth in Article 11, Section 2.

ARTICLE 28

Retirement Contribution

1. The RTC will pay the employee's portion of the retirement contribution under the employer-pay contribution plan in the manner provided for by NRS Chapter 286, or shall pay the employer's portion of the retirement contribution under the employee/employee contribution plan in the manner provided for by NRS 286 if the employee is eligible for this plan and elects to contribute under it. Any increase in the percentage rate of the retirement contribution above the rate set forth in NRS Chapter 286 on May 19, 1975, shall be borne equally by the RTC and the employee and shall be paid in the manner provided by NRS Chapter 286. Any decrease in the percentage rate of the retirement contribution will result in a corresponding increase to each employee's base pay equal to one-half (1/2) of the decrease. Any such increase in pay will be effective from the date the decrease in the percentage rate of the retirement contribution becomes effective. Any increase in the percentage rate of the retirement contribution will result in a corresponding decrease to each employee's base pay equal to one-half (1/2) of the increase. Any such decrease in pay will be effective from the date the increase in the percentage rate of the retirement contribution becomes effective.
2. The term "retirement contribution" does not include any payment for the purchase of previous credit service on behalf of any employee.

ARTICLE 29

Group Insurance

1. To be eligible for group insurance, an employee must occupy a permanent budgeted position and work at least 20 hours per week and meet the

necessary qualifying periods associated with the insurance program. The RTC will then be responsible for the prorated share of the premium based on hours worked as a percentage of 40 hours per week. Any employee who is on an authorized leave without pay status over 30 consecutive calendar days will be responsible as of the 31st day for reimbursing the RTC for the employee's insurance premium, the total dependent coverage insurance premium and the total long-term disability insurance premium from that day forward. If the leave without pay status does not coincide with the premium payments, then any such premiums shall be prorated.

2. Employees who elect to have group insurance shall pay the following percentage of the total health and dental insurance premium per month.

<u>PERCENTAGE</u>	
Employee Only	5.5%
Employee & Spouse	10.0%
Employee & Children	7.0%
Employee & Family	10.5%

3. At the current time, the RTC and its employees are participating as members and as an agency in the Clark County and Affiliates Group Health Benefits plan. In the event the RTC or Clark County wishes to remove either agency from the current insurance relationship, the RTC agrees to provide its employees with health insurance benefits comparable to those currently offered. Furthermore, the RTC and Union agree to evaluate the respective plans and provide recommendations before such changes occur or are approved.

ARTICLE 30 Life Insurance

1. The RTC shall pay 100% of the premium cost of a group life insurance policy providing, to each employee, an amount of coverage of no less than \$15,000 or no more than \$20,000.
2. The Union, at its discretion, may offer additional supplemental insurance benefits to members of the bargaining unit the cost of which shall be borne by the member. Neither the Union nor its authorized agent shall have the right to solicit enrollment during normal working hours. The Union agrees to comply with all accounting and payroll deduction procedures as established by RTC.

ARTICLE 31 Long Term Disability Insurance

1. The RTC will provide long term disability insurance to employees who occupy a permanent budgeted position and work at least 20 hours per

week. Employees must meet the qualifying requirements associated with the plan.

2. The RTC will pay for the cost of monthly premium for each eligible employee toward the LTD Plan.

ARTICLE 32

Longevity

1. Creditable Service for Longevity Computation: Periods of permanent full-time employment with the RTC shall be considered as creditable service for the purpose of computing longevity eligibility. Any period in which an employee, while employed by the RTC, is called into the active military service of the United States Armed Forces involuntarily will be considered as creditable service for computation of longevity pay. Employees hired on or prior to June 30, 2021 shall be entitled to longevity pay in addition to their base salary upon completion of eight (8) full years of creditable service.
 - a. Longevity shall be paid annually, in a lump sum amount, during the first pay period following the employee's anniversary hire date, as adjusted for below conditions where applicable. Longevity payments shall be prorated from the anniversary hire date, as adjusted, for employees separated for any reason. Longevity rates for eligible employees shall be paid at the rate of 0.57 of 1% per year for each year of creditable service. Overtime pay or compensatory time shall not be considered in the calculation of longevity pay.
 - b. Employee's hired on or after July 1, 2021 will receive a one-time longevity payment upon completion of five (5) full years of creditable service. This one-time longevity payment shall be paid at the rate of 0.57 of 1% per year for each year of creditable service. Overtime pay or compensatory time shall not be considered in the calculation of longevity pay.
2. Non-Creditable service for Longevity Computation:
 - a. Any period that an employee is on any leave of absence without pay over a period of 21 consecutive calendar days in a calendar year will be deducted from the creditable service for longevity pay.
 - b. Period or periods of service in the active military service of the United States Armed Forces in which the employee enlisted voluntarily for active service other than period of war time or national emergency.

- c. Suspension periods as a result of disciplinary action.

ARTICLE 33 Private Automobiles

1. Where an employee is required by a supervisor to use his/her private automobile in the performance of RTC business, he/she shall be reimbursed at the rate as established by NRS for each mile actually traveled in the performance of such RTC business. If an employee is required to use a passenger vehicle in the performance of his/her job, the RTC will make every effort to provide a RTC vehicle for use. In the event the employee is required to transport a client for any purpose the RTC must provide an appropriate vehicle.
2. An employee's commute between their home and work location/site will not be considered work time and not eligible for mileage reimbursement. However, if an employee is on pay status on RTC business in their own vehicle they will be eligible for mileage reimbursement.

ARTICLE 34 Tool Allowance and Uniforms

1. The RTC will supply and issue tools to employees as needed to complete assigned tasks.
2. Uniforms and any tools provided by the RTC must be returned to the RTC upon the employee's separation from the RTC.
3. Employees who are required to wear RTC-issued safety equipment during their assigned shifts.

Personal Protective Equipment (PPE):

 - i. Safety Glasses including prescription safety glasses as needed shall be provided in accordance with RTC policy but not less than annually.
 - ii. An allowance for Safety footwear as required shall be provided in accordance with RTC policy.
 - iii. Coveralls shall be made available.

- iv. Any other PPE to guard against viral contamination (i.e. masks, face-shields, gloves).

ARTICLE 35

Time and Attendance

1. Responsibility

Each RTC employee is responsible for compliance with these guidelines. Each RTC supervisor is responsible for applying these guidelines in a uniform and consistent manner. RTC Human Resources is responsible for implementing this procedure. Each RTC Department is responsible for publishing and communicating a call in procedure outlining at least two separate numbers for an employee to utilize.

2. Incidents

An incident is defined as an unscheduled absence. Each occurrence of continuous time off work for the same reason is defined as one (1) incident (i.e. once an employee returns to work, any additional unscheduled leave will constitute a further incident).

3. Scheduled absences

A scheduled absence is defined as sick leave, annual leave, compensatory time or any leave provided by Articles 22, 23, 24 or 25 that has been authorized by the employee's supervisor or designee in advance of the employee taking the leave.

Sick leave – Sick leave is to be used only for the purposes outlined in Article 24. Sick leave may only be preauthorized for scheduled medical appointments/procedures. Sick leave requests must be preauthorized by the supervisor or designee and approved/denied no later than the end of the employee's shift prior to the requested leave date. An employee will not be granted preauthorized sick time for an illness, therefore such leave will not be considered a scheduled absence. It is the responsibility of the employee to ensure that all time used for scheduled sick leave has received prior approval.

If an employee requires an extension of preauthorized sick leave (e.g. for a doctor's appointment), the employee must call and notify their supervisor at the earliest possible opportunity. An explanation for the request must be given as well as an estimated time of return to work. If an employee's immediate supervisor is not available, the employee must utilize their chain of command. If approved, the extension will not be considered an incident. The employee must submit a revised leave request immediately upon reporting to work.

Vacation – Vacation requests for more than one (1) shift must be approved at least 24 hours in advance of the leave, except in cases of emergency. Vacation requests for one (1) shift or less may be granted without the 24 hour notification requirement. Vacation requests must be submitted and authorized through the online leave request system. A supervisor's decision to grant vacation time will be based on operational needs, the seniority of the employee in the work unit, and the wishes of the employee. Vacation leave will not be unnecessarily denied. Every effort will be made to approve or deny the request in a timely manner. For staff working shifts where no supervisor with approval authority is present, the employee should call their manager to receive verbal approval, and the approval authority shall follow-up in writing to confirm that the vacation leave has been granted.

Compensatory time leave – Compensatory time is to be used in accordance with Article 18. Compensatory time leave will be approved in the same method as Annual Leave (see above). A supervisor's decision to grant compensatory time will be based on operational needs, the seniority of the employee in the work unit, and the wishes of the employee.

Compensatory time will not be unnecessarily denied.

4. Unscheduled absences

Sick leave is to be used only for purposes outlined in Article 24. All employees who are not able to report to work at the start of their regularly scheduled shift or scheduled overtime must call their supervisor or designee prior to the beginning of their shift. The employee must state the reason for their absence and give an anticipated return date. If an employee fails to call their supervisor or designee prior to the beginning of their shift, the employee will be charged unauthorized leave without pay (LWOP) until such time that the call is made (see Sections 7, 8, and 11) If the employee is totally incapacitated the employee must notify their supervisor as soon as medically capable. In such an instance, the employee will not be charged with unauthorized leave without pay (LWOP). A leave request must be submitted through the online leave request system during the first shift the employee returns to work. If an employee becomes ill during their shift they must receive documented approval of the leave from their supervisor, in addition to submitting the leave request through the online leave system prior to leaving their worksite. If an employee's immediate supervisor is not available, the employee must utilize the chain of command in order to receive the necessary approval before leaving their worksite. In the event that no supervisor is on duty, an employee must place a call to their manager to report their illness prior to leaving their worksite, or such time will be charged as unauthorized LWOP. Any sick leave usage that has not received prior authorization will be considered an unscheduled absence (excluding FMLA, see Section 9). Upon their

immediate return to work, the employee may negate the incident by providing an original certificate of illness from an appropriate state licensed health care provider. The employee must provide the original certificate of illness as identified above to their immediate supervisor at the start of their next shift. The supervisor will initial and date the certificate of illness and scan a copy to medicalslips@rtcshv.com.

5. Bereavement

Employees may absent themselves from work for bereavement purposes to attend a funeral of the employee's immediate family (as defined in Article 24). Absences of up to three (3) shifts per occurrence will not be considered an unscheduled absence. Any additional leave time in excess of three (3) shifts for bereavement requires prior authorization from the employee's supervisor. Absences for bereavement will be charged as sick leave. Employees should call their supervisor or designee to absent themselves for bereavement leave.

6. Emergency Annual Leave (Vacation) – Limit three (3) incidents from July 1 to June 30.

Emergency annual leave, for the purpose of this procedure, is defined as unexpected unforeseen occurrence of an urgent nature that requires sudden or immediate remedial action. Emergency Annual Leave shall be authorized for no more than one shift per occurrence. An emergency does not include absences for which sick leave is to be used.

Once approved, employees will be charged emergency annual leave from the beginning of their scheduled start time until the actual arrival and notification to manager/supervisor.

An employee requesting emergency annual leave shall call their supervisor directly to request approval or it will be considered unauthorized LWOP. In the event that an employee is not able to call the supervisor prior to the beginning of their shift, approval must be requested at the earliest possible time thereafter, unless the employee is totally incapacitated. Upon their return to work or prior to leaving work, employees must contact their supervisor to notify of their arrival and complete a leave request via the electronic leave system. If an employee's immediate supervisor is not available, the employee must utilize their chain of command. Employees may notify their supervisor of their arrival by phone call, voice mail, or email.

Emergency annual leave will not be considered an incident as defined in Section 2 of this procedure, unless it is granted in lieu of sick leave.

7. Tardy

An employee is considered tardy within three (3) minutes and up to fourteen (14) minutes when the employee does not begin to perform assigned duties at the start of his or her designated shift (which includes returning from lunch or breaks). All employees must contact their supervisor by phone call, voice mail, or email, as authorized in their departmental procedures, to report their tardy. If an employee's immediate supervisor is not available, the employee must utilize their chain of command when reporting their tardy and notifying their supervisor of their arrival/return. The employee must state the reason for their tardy and give an anticipated return time to work. Upon arrival/return, an employee must immediately contact their supervisor in order to notify them of their arrival and submit a leave request via the electronic leave system indicating their time of arrival. In addition, tardiness of 15 minutes or more will be reported as unauthorized LWOP. An employee must submit a leave request for LWOP immediately upon arrival/return to work for any time of 15 minutes or more. The LWOP will subject the employee to disciplinary action (see Sections 8 and 11). Employees will be charged LWOP as defined in Article 25. More than five (5) tardy incidents of fourteen (14) minutes or less during a twelve (12) month fiscal year period (July 1 to June 30) will be considered unacceptable and will subject the employee to disciplinary action as listed in Section 11. All discipline will go to Human Resources for review prior to issuance.

8. Leave without pay (LWOP)

Leave without pay (LWOP) must be approved in accordance with Article 25. Failure to receive written authorization from the Department Head in advance of the leave will result in the LWOP being unauthorized and will subject the employee to progressive disciplinary action as outlined in Section 11. Unauthorized leave shall not exceed a total of three (3) days except when provisions under the American with Disabilities Act (ADA) apply. Employees who are in LWOP status for any part of their regularly assigned shift that is before or after a holiday will not receive holiday pay, as outlined in Article 22.

9. Family medical leave act (FMLA)

Absences covered under FMLA will be considered authorized.

10. Unacceptable attendance

Unacceptable attendance occurs when an employee uses more than nine (9) incidents of unscheduled leave during a twelve (12) month fiscal year period (July 1 – June 30). When a probationary employee has successfully completed probation, the number of incidents they have incurred will remain and will then follow the guidelines outlined in Section

11 below. Violations will subject the employee to disciplinary action as listed in Section 11. The number of incidents will reset to zero on July 1 of each year with the exception of leave without pay.

11. Violations

Employees violating these guidelines will be subject to the following:

Attendance Incidents

- 9th Incident–Coaching/Counseling
- 10th Incident–Documented Oral Warning
- 11th Incident–Admonishment
- 12th Incident–Written Reprimand
- 13th Incident–Final Written Warning
- 14th Incident–Administrative Leave Pending Termination

Unauthorized Leave Without Pay (LWOP)

- 1st Incident – Documented Oral Warning
- 2nd Incident – Admonishment
- 3rd Incident – Written Reprimand
- 4th Incident – Final Written Warning
- 5th Incident – Administrative Leave Pending Termination

Attendance Incidents and leave without pay (LWOP) will be treated independent of each other. Progressive discipline will continue in accordance with Article 11 for employees whose incidents have been reset to zero and the employee has entered into a documented oral warning or above. Progressive discipline will continue in accordance with Article 11 for employees who have entered into LWOP and will not be reset to zero.

ARTICLE 36
RTC's Substance Abuse Policy

It is the policy of the RTC and the Service Employees International Union to foster and provide a drug and alcohol free workplace for all employees. A drug and alcohol free workplace protects the safety of the public as well as the RTC's valuable workforce.

While the RTC will be supportive of those who seek help voluntarily, the RTC will be equally firm in identifying and disciplining those who continue to be substance abusers and do not seek help.

1. Guiding Principles:

There are four (4) guiding principles underlying the adoption of this policy.

They are:

- a. Education – The RTC and Union believe that education and training of all employees in the effects and treatment of substance abuse will contribute to a safe and more efficient workplace for everyone.
- b. Deterrence – The RTC and Union are committed to eliminating the effects of substance abuse in the workplace. All employees are prohibited from using, possessing, buying or selling drugs or alcohol in the workplace, are prohibited from reporting to work or being subject to work (specifically on standby or on break) with prohibited drugs active in their systems or while under the influence of alcohol.
- c. Enforcement – The substance abuse policy will be strictly enforced. Violations of the policy or procedures will be cause for discipline, up to and including termination or employment.
- d. Treatment - The RTC and Union are committed to helping employees with admitted substance abuse problems overcome those problems, and encourage voluntary rehabilitation options.

2. Policy Purposes:

The purposes of the substance abuse policy are:

- a. To implement a fair and balanced approach to eliminating substance abuse and its effects on the job;
- b. To protect the public and employees; and
- c. To provide a strong incentive for voluntary rehabilitation and return to work.

3. Rules:

The RTC and Union have formulated clear rules and penalties to ensure compliance with the substance abuse policy. The primary rules are:

ALCOHOL

- a. The consumption of an alcohol beverage by an employee on duty will result in immediate termination with no Last Chance Agreement. The possession of an open alcoholic beverage by an employee on duty shall be cause for disciplinary action up to and including termination. The only exception to disciplinary action for the possession of an open alcoholic beverage while on duty is

when the handling of an open alcoholic beverage is incidental to the employee's assigned duties.

- b. An employee will also be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the consumption of alcoholic beverages is at a time proximate to his/her work time, has an adverse effect on his/her work performance, causes impairment while on duty or on standby, or creates a risk of harm to self, others, or RTC or private property.
- c. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked, temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor in writing of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- d. The felony conviction of an employee as a result of alcohol while off RTC premises and not on duty shall be cause for disciplinary action up to and including termination.

DRUGS

- a. The unlawful manufacture, distribution, dispensation, possession, or use of an illegal drug or controlled substance by an employee in the work place or during work hours is prohibited. Employees in violation of this policy will be terminated with no Last Chance Agreement.
- b. The use of any drug which negatively affects performance or the ability of an employee to work in a safe manner may be cause for discipline where the employee knew or should have known that the drug would adversely diminish his/her capabilities to perform the job. For the purpose of this policy, the term "drug" shall include but not be limited to sedatives (i.e. valium, downers), stimulants (i.e. speed, uppers), hallucinogens (i.e. LSD), cocaine, crack, cannabinoids (i.e. marijuana), opiates, phencyclidine (PCP), and volatile solvents (inhalants).
- c. Whenever an employee is prescribed a drug by a licensed health care provider or uses an over-the-counter medication which may negatively affect his/her performance or ability to perform in a safe manner, the employee shall notify his/her supervisor. An employee who fails to notify his/her supervisor may be subject to disciplinary action up to and including termination and may be placed on a Last Chance Agreement when the use of drugs by that employee contributes to an accident or incident that results in property damage

or injury to a person. Supervisors shall ensure that employees are not placed in capacities that may jeopardize the safety of others.

- d. The possession or use of illegal drugs while off RTC premises and while not on duty may be cause for discipline up to and including termination, where such conduct can be shown to have a direct and material adverse effect on the RTC's interests, including public image.
- e. If an employee who is required to drive as part of his/her assigned duties has his/her driver's license suspended, revoked temporarily or permanently, due to a substance related offense, the employee must notify his/her supervisor of these circumstances when next reporting to duty. Failure to do so shall be cause for disciplinary action up to and including termination.
- f. The felony conviction for the possession or being under the influence of illegal drugs while off RTC premises and while not on duty shall be cause for disciplinary action up to and including termination.
- g. The conviction of an employee for the sale or possession with intent to sell illegal drugs is cause for immediate termination with no Last Chance Agreement.
- h. Employees must notify their immediate supervisor in writing of any personal criminal drug statute conviction for a violation occurring in the work place no later than five (5) days after such conviction upon returning to work. Failure to notify the immediate supervisor in writing shall result in disciplinary action.

DRUG AND ALCOHOL TESTING

The RTC may require an individual to submit to a DOT or non-DOT drug and alcohol test under the following circumstances. DOT regulated employees may be subjected to different procedures, per Federal law, as indicated below.

1. Pre-Employment:

RTC Human Resources will identify specific job classifications that require an applicant selected as a new hire to take and pass a drug and alcohol screening. A positive result from the drug and/or alcohol screening may result in the applicant not being hired where the applicant's use of drugs and/or alcohol could affect requisite job standards, duties and responsibilities. If a legal drug screen is positive, the applicant must provide, within 24 hours of request, bona fide verification of a valid current prescription for the drug identified in the drug screen and it must be in the applicant's name. If the prescription is not in the applicant's name or the

applicant does not provide acceptable verification, or if the drug is one that is likely to impair the applicant's ability to perform the job duties, the applicant will not be hired.

2. Reasonable Cause:

An employee will be required to undergo immediate DOT or non-DOT drug and alcohol testing in accordance with the following procedures if there is reasonable cause that the employee is under the influence of a drug and/or alcohol. Reasonable cause that an employee is under the influence of a drug and/or alcohol will be based on specific facts and/or reasonable inferences derived from those facts. Examples of circumstances, although not inclusive, which constitute a basis for determining reasonable cause are specific on the "Observation/Incident Report" included as part of this policy.

3. Post-Accident:

An employee involved in an accident while on duty may be required to undergo a DOT or non-DOT drug and alcohol test, using the best information available at the time of the decision, when there is:

- a. Personal injury and/or
- b. No ability to completely discount the employee's actions as a contributing factor to the accident.

4. Testing Procedures for Reasonable Cause and Post-Accident:

- a. Any supervisor evaluating an employee for reasonable cause shall complete the RTC "Observation/Incident Report". The Observation/Incident Report shall be sent to the appropriate department head and the Employee Relations Division of Human Resources. Supervisors and the RTC Chief Executive Officer or designee will not be permitted to use this policy as a vehicle to harass employees. Supervisors shall be subject to the disciplinary process up to and including termination if they engage in harassing behavior towards employees.
- b. The suspected employee shall be afforded the right, if he/she so desires, to request that, in addition to the first supervisor, another on-duty supervisor provide a second opinion as to reasonable cause. If another supervisor is not able to report to observe the suspected employee within 30 minutes due to the distance a second supervisor would have to travel to observe the employee, the employee's request for a second opinion will not be granted. FTA requirements do not permit DOT testing to be delayed; safety-sensitive employees will be required to test immediately. In

the event the test is administered on a DOT -regulated employee, attempts will be made to accommodate a request for a second supervisor opinion, but only if doing so does not result in any delay whatsoever and the test can still be administered immediately, per Federal law.

- c. If the employee is an eligible member of a bargaining unit, the first supervisor advises him/her of his/her right to have a Union representative prior to testing and allow the same 30 minutes for a Union representative to appear. If mitigating circumstances warrant, the supervisor may wait up to a maximum of one (1) hour for a Union representative. FTA requirements do not permit DOT testing to be delayed; safety-sensitive employees will be required to test immediately. In the event the test is administered on a DOT -regulated employee, attempts will be made to accommodate a request to allow for a Union representative present prior to testing, but only if doing so does not result in any delay whatsoever and the test can still be administered immediately, per Federal law.
- d. If it is determined that reasonable cause exists, the employee shall be relieved of duty and transported to a drug testing specimen collection site for a drug and alcohol screening. Once the test sample is collected, arrangements will be made to have the employee transported home. The sample will be tested and confirmed and chain of custody maintained by a Substance Abuse Mental Health Services Administration (SAMHSA) certified laboratory facility. A sufficient amount of a sample will be taken so that, at an employee's request and expense, an alternative SAMHSA testing facility may be used to test the same sample. Chain of custody will be maintained between testing facilities. An employee who is incapacitated to the point that he/she cannot provide a sample at the time of the incident shall later provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol.
- e. Advise the employee that he/she will remain on paid status until the test sample is collected. After the sample is collected the employee will be placed on leave in the following order as leave benefits are exhausted (sick leave, compensatory time, vacation leave, leave without pay) until the RTC receives the test results. If the test is negative, the RTC will make the employee whole.
- f. The results will be delivered by mail or carrier to the Employee Relations Division of Human Resources, who will then immediately notify and make a copy of the report available to the employee. The employee's department head or designee will be notified whether the test results are positive or negative. A drug test will be considered

positive if the confirmation cutoff levels established by the SAMHSA are exceeded. A non-DOT alcohol test will be considered positive if the blood alcohol content is .08 percent or greater, or the limit specified in NRS 484C.110 or other applicable law if less than .08 percent. A DOT alcohol test will be considered positive if the blood alcohol content is .04 percent or greater, per FTC 49 CFR 655.31(b).

- g. Refusal to submit to a DOT or non-DOT (as applicable) drug and alcohol test or to provide the necessary authorization for releasing hospital or medical reports that would indicate whether or not the employee was under the influence of a drug and/or alcohol shall be considered a positive test result and the employee shall be placed on a Last Chance Agreement.

DISCIPLINARY PROCEDURES FOR A POSITIVE DRUG AND/OR ALCOHOL TEST

1. A positive DOT or non-DOT drug and/or alcohol test requested as a result of an accident which causes injury to a person or the actions of the employee cannot be completely discounted as having contributed to the accident will be cause for disciplinary action in accordance with Section 3 below.
2. A test resulting in a positive outcome for a legal drug will result in the following actions:
 - a. The employee may be disciplined for the performance or behavior that established reasonable cause to test the employee.
 - b. The employee will provide, within 24 hours of request, a bona fide verification of a valid, current prescription for the drug identified. The prescription must be in the employee's name. If the employee does not provide acceptable verification of a valid prescription, or if the prescription is not in the employee's name, or if the employee has not previously notified his/her supervisor in writing, the employee will be subject to disciplinary action in accordance with Section 3 below.
 - c. Before the employee may return to work, the employee must provide the department head with a certification of fitness/return-to- duty form from the prescribing physician/state certified health care provider. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions.

3. A test resulting in a positive screen for an illegal substance or the abuse and/or misuse of a legal drug or controlled substance will result in the following action:
 - a. First offences: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and shall be required to sign and successfully complete the conditions of a Last Chance Agreement which includes rehabilitation and aftercare.
 - b. Before the employee may return to work, the employee must provide the department head with a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within 60 days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within 60 days will result in disciplinary action up to and including termination.
 - c. Second offense: The employee will be suspended without pay pending termination.
4. A test resulting in a positive screening for alcohol will result in the following action:
 - a. First offense; Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to seek assistance through the Employee Assistance Program. The employee will be required to provide a certificate of fitness/return-to-duty form from the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to work. The certificate of fitness must be a signed statement indicating whether or not an employee is medically able to perform regularly assigned job duties without restriction or limitation. If the employee is restricted from performing regularly assigned duties, the certificate must also identify the employee's restrictions. This must occur within 60 days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse
 - b. Problem within 60 days will result in disciplinary action up to and including termination.

- c. Second offense: Unless previously specified as an infraction resulting in immediate termination, the employee will receive a suspension without pay for a period of time based on the severity of the infraction and will be required to sign and successfully complete the conditions of a Last Chance Agreement which includes a rehabilitation and aftercare program.
- d. Third offense: The employee will be suspended pending termination, unless the employee's department head decides not to terminate the employee based on mitigating circumstances. If the department head chooses not to terminate the employee, the department head shall follow the second offence procedure in this Section.

LAST CHANCE AGREEMENT

Refusal to sign a Last Chance Agreement shall be considered just cause for termination. The Last Chance Agreement shall be the final step before termination in the disciplinary process. The treatment and aftercare portion of the Last Chance Agreement will be monitored for compliance by the Employee Assistance Program. The Last Chance Agreement shall require at least the following:

1. The employee to contact the Employee Assistance Program within five (5) working days of employee notification of a positive drug or alcohol test.
2. Compliance with and satisfactory completion of treatment by a Bureau of Alcohol and Drug Abuse certified rehabilitation/program or provider. The Employee Assistance Program will assess, determine and recommend the appropriate level of treatment and provider options. The program/provider may be selected by the employee.
3. Enrollment and continued attendance in an aftercare program, as necessary.
4. Certificate of fitness/return-to-duty form signed by the prescribing physician/state certified rehabilitation and treatment program provider releasing the employee to return to work. This must occur within 60 days of the drug test date. Failure to provide a return-to-duty form with respect to their substance abuse problem within 60 days will result in disciplinary action up to and including termination.
5. A minimum of four (4) random tests over a period of one (1) year from the date of returning to duty. An employee's department head or immediate supervisor, as approved by the department head, may require testing at any time the employee is on duty.

At that time an employee signs a Last Chance Agreement, or otherwise voluntarily seeks assistance, they shall be advised that EAP counseling is available through the off-site RTC EAP.

CONFIDENTIALITY

With the exception of the laboratory testing facility, the Employee Relations and Employee Assistance Division of Human Resources, the tested individual, and the Risk Management Division for workers' compensation incidents, the medical record shall not be released to anyone without express written authorization of the tested individual unless ordered by means of proper legal procedure and appropriate legal authority, such as court ordered subpoena, or in connection with a disciplinary proceeding.

To ensure the confidentiality of employees' medical records, laboratory reports, test results, and Observation/Incident Reports shall not appear in an employee's personnel file. Information of this nature will be contained in a separate confidential medical record that will be securely kept under the control of Human Resources.

ARTICLE 37
Entire Agreement

It is intended that this Agreement sets forth the full and entire understanding of the parties regarding the matters set forth herein. However, all other provisions contained in and through existing rules, policies, regulations and practices which may provide benefits applicable to this bargaining unit will continue to be granted to bargaining unit employees unless specifically modified by the terms of this Agreement.

ARTICLE 38
Conflicting Agreements

1. This Agreement supersedes all personnel rules heretofore in effect by the RTC relating to those subjects addressed by the provisions of this Agreement to the extent such rules are in conflict with the terms of this Agreement. This Agreement does not preclude the RTC from formulating new or additional rules and guidelines which are consistent with the terms

of this Agreement or the provisions of the NRS, subject to the procedures of this Article 38.

2. Every employee not excluded from the bargaining unit shall be given a copy of the RTC Merit Personnel System Manual and the SEIU Agreement. Additions and amendments to the RTC Merit Personnel System Manual will be forwarded to the Union for review at least 45 calendar days prior to the effective date of adoption.
3. It is the RTC's intention that rules, policies, procedures and directives are to be interpreted and applied uniformly to all employees in this bargaining unit under similar circumstances. This in no way precludes the individual departments from promulgating their own rules and procedures providing that such rules and/or procedures are not inconsistent with the terms of this Agreement and the RTC Merit Personnel System. In the event of a conflict between the RTC Merit Personnel System and the provisions of this Agreement, the provisions of this Agreement shall prevail. Department rules and policies will be reviewed and approved by Human Resources for consistency with the RTC Merit Personnel System and this Agreement before implementation. The Union will be provided with a copy of all department rules and policies approved by Human Resources prior to implementation within the department. The department will provide each employee with a copy of department rules and policies. A copy of all approved department rules and policies will be kept on file in Human Resources.

ARTICLE 39

General Savings Clause

1. If any provision of this document or any application of the document to any person or persons covered herein be found contrary to federal law or the NRS, then this provision or application shall be deemed invalid except to the extent permitted by law, but all other provisions thereof shall continue in full force and effect. If there is any change in federal law or the NRS that would invalidate or supplement any provision of this Agreement, excluding changes in NRS Chapter 288, the parties will meet to negotiate any change in the Agreement relative to the affected provisions only.
2. In the event NRS Chapter 288 is amended, the RTC and Union, through a committee of not more than five (5) representatives each, will meet within 30 days of such passage to informally discuss the ramifications, if any, on the current negotiated Agreement.

ARTICLE 40

Methods of Employee Classification

1. Classification Audits

- a. An audit process, as described herein, will be available to an employee upon written request to their Department Director.
- b. Written requests must include an explanation of the changes that have evolved in the classification, additional job responsibilities, and the scope of those responsibilities. An employee must demonstrate that those new or expanded responsibilities are of a nature that is compensated at a higher salary level within the existing RTC salary ranges.
- c. In the event that the Director believes the responsibilities outlined in the request for a job audit do not warrant a formal audit, the Director shall forward the request within twenty-one (21) calendar days together with the pertinent information pertaining thereto to the Methods of Classification Joint Committee in Section 2 below. The employee shall be entitled to present the request along with supporting materials to the committee.
- d. If the Director supports the request, the request shall be forwarded to the RTC Chief Executive Officer or designee for final determination. A copy of the request, and any other pertinent information relating thereto shall be simultaneously forwarded to the members of the Methods of Classification Committee.

2. Methods of Classification Joint Committee

- a. The parties hereby agree to the establishment of an equally seated review committee. Within sixty (60) days from the full ratification of this agreement, the Union shall appoint two (2) members to the committee and the RTC shall appoint two (2) members. The Director Human Resources or designee and the Union President or designee shall serve as the non-voting Chair of the Committee.
- b. The committee shall meet as often as mutually agreed. Union representatives appointed to the committee shall receive their normal compensation as a result of their attendance at the committee meetings, as such attendance shall be considered time worked in all respects.
- c. The initial sessions shall include a thorough presentation from Human Resources concerning the current process by which employees are classified.
- d. The scope of the committee shall be as follows:
 - i. Recommend, but not impose nor effect, changes in the RTC's system of classification.

- ii. Review, but not impose nor effect, any changes to the methodology employed to establish newly created or existing classifications within the jurisdiction of the collective bargaining agreement. It is the intent of the parties by virtue of their agreement to this Section to satisfy their bargaining obligations in every respect and to the extent found in NRS 288 pertaining to the method of classifying employees.
- 3. Make written recommendations to the Chief Executive Officer or designee as to whether a position should be audited for reclassification purposes based on the findings of the committee. In order for a position to be considered for an audit, the findings of the committee shall be predicated upon the criteria set forth in Section 1, (b), hereof. The Director of Human Resources shall respond to the Methods of Classification Joint Committee advising them of the disposition of the General Manager's decision within thirty (30) days from the date of receipt of the recommendation from that committee. In effectuating the provisions of Section 1 C, the parties recognize and acknowledge the existence and role of the Chief Executive Officer established by Resolution of the Board of RTC Commissioners. The parties further recognize that the decisions of the Chief Executive Officer are final and not subject to the grievance process as outlined in Article 11 of this Agreement.

ARTICLE 41

Shift Assignment

- 1. The RTC and the Union agree that a shift bid procedure based on seniority will be implemented. The shift bid procedures will apply to any position classification in any department where employees occupying those positions are scheduled to day and non-day shifts, as defined in Article 19. At the discretion and approval of the department head, shift bidding for day schedules that vary in start and end times or with different regular days off may be included under the purview of this article. The procedure is as follows:
 - a. No less than once every year, all permanent employees, with the exception of the Call Center which is addressed in Section 1b, covered under this agreement who occupy a position classification in a department where employees work both day and non-day shifts shall be allowed to submit a bid for the purpose of expressing a shift preference and days off (as days off are part of a posted shift). Bids should be submitted to the employee's department head or his/her designee in accordance with the procedures as outlined within that department.
 - b. No less than bi-annually all permanent employees in the Call Center covered under this agreement who occupy a position classification in a department where employees work both day and non-day shifts

shall be allowed to submit a bid for the purpose of expressing a shift preference and days off (as days off are part of a posted shift). Bids should be submitted to the employee's department head or his/her designee in accordance with the procedures as outlined within that department.

- c. The RTC shall schedule employees to available shifts and days off (as days off are part of a posted shift) according to the bids submitted and the seniority of the employees, and shall advise the Union and affected employees of the schedules.
2. Seniority shall be determined according to an employee's length of service in a position classification within a department. If two or more eligible employees have identical seniority levels, the employee with the greater length of service with the RTC, as determined by the employee's hire date, shall be given bid preference. If a tie still remains, preference will be given based on the last four (4) digits of the employee's social security number with the smaller number being first.
3. Prior to scheduling employees to available shifts, pursuant to section 1 (b) herein, the department head shall have the exclusive right to exempt specific employees from the shift bid procedure noted herein on the basis of operational requirements. This provision will not be utilized to exempt entire classifications.
4. Employees exempted from the shift bid process, along with the Union, shall be notified in writing of their exemption from the shift bid process. Any employee exempted from the shift bid process may request that the RTC Chief Executive Officer or designee reconsider (sustain or overturn) their exemption from the process on the basis of operational requirements.
5. In the event a shift vacancy occurs between shift bids, the employee in that work area with the next greatest seniority date than the employee who vacated the position will have an opportunity for right of refusal to move into the vacant shift. This provision is allowed only for the employee noted above. If accepted, the employee will be allowed to move into the new schedule upon filling their existing shift. If declined the newly hired employee will assume the vacant shift. This provision is a one-time selection and will not result in perpetual bidding within the work area.

ARTICLE 42

Terms of Agreement

1. This Agreement shall be effective July 1, 2021, and shall remain in effect until the last day of June, 2026, with a reopener for economics (Merit or COLA only) and any housekeeping items (eg. Tables, Appendices, etc.) for years 2 through 5. Unless the RTC and the Union agree to change, amend,

modify or terminate this Agreement pursuant to the provisions of NRS Chapter 288.

2. Consistent with Article 38 herein, this Article does not preclude informal discussion between the parties of any matter which is not subject to negotiation or contract. Any such informal discussion is exempt from all requirements of notice or time schedule.
