The session will be conducted by Union Representatives designated by the Union. Each employee must sign that they attended, and failure to attend will carry the same consequence as if the employee missed any other part of new employee orientation. No disparaging comments will be made regarding management or the District, and the District shall receive prior copies, where possible, of all materials to be distributed and presented at the orientation, which shall include but not be limited to a copy of the Agreement, a Union membership card, a Union COPE card, and a list of shop stewards prepared by the Union showing their division/section and/or work areas and telephone numbers. - D. The District will not be responsible for any industrial accidents resulting from activities performed on behalf of the union on or away from District work locations during normal duty hours.

Business and activities on behalf of the Union may be conducted during regular working hours provided that employees who are designated by the Union to participate in such business or activities obtain prior approval for leave from their division director or designee. When such approval is obtained, the employee may utilize union bank time, vacation, or accrued compensatory time. The type of time taken shall be at the employee's option. Such leave shall be taken in cumulative increments of fifteen minutes with a half-hour minimum for each occasion. A leave request will be submitted and approved prior to the time leave is taken. Release time as specifically addressed in this Agreement will not be unreasonably withheld. Union bank time requests will be approved by the chief steward, the union's executive director or president. All union members shall have access to Union Bank time in the drop-down menu of the time off leave request system.

Union Stewards shall perform their functions or Union-related activities after hours or by use of union bank time or scheduled leave. However, if a meeting is mutually agreed to with the Union Steward during the Union Steward's work shift; the District will pay for that time. If the Union Steward wishes to schedule a meeting with an employee during the Union Steward's work shift, scheduled leave shall be used by the steward and the employee unless union bank time is used.
- G. Union Stewards shall not direct any employee how to perform work, shall not countermand the order of any supervisor, and shall not interfere with the normal operations of the District or any employee.

1. All eligible members shall be covered by a Workers Compensation Program of the District's choice that conforms with the provisions of the Nevada Industrial Insurance Act (NRS Chapter 616) and the Nevada Occupational Diseases Act (NRS Chapter 617) and that provides for payment of industrial accident benefits and compensation for partial and total disability arising from industrial injuries and occupational diseases.
2. Compensation During Leave of Absence: In the event an employee is absent from work due to occupational injury/illness, the employee will be compensated pursuant to NRS Chapter 612 and 617. It is the intent of the District to pay the injured worker whose claim has been recorded and accepted by the District Workers Compensation Insurer and/or claims administrator the difference between full biweekly salary and compensation awarded for the lost wage under NRS provisions. The District shall supplement the injured worker's pay, not to exceed full pay, for a period of illness/injury up to a maximum of seven weeks or 280 hours. Employees receiving full pay for the period of lost wage shall surrender additional or duplicate disability pay within seven (7) working days of receipt.
3. Communication During Leave of Absence: The employee will maintain ongoing communication with the District and the District Workers Compensation Insurer following initial treatment for an occupational injury/illness. All progress reports and related documents pertaining to employee's medical treatment must be submitted to Human Resources. Human Resources will facilitate the claim processing and give appropriate notification to the employee, employee's supervisor, and appropriate managers regarding the claim status.
4. Duration of Leave Absence: If an employee is still unable to work following the seven (7) week or 280- hour disability period, the employee may request the use of accumulated sick pay, earned compensatory time, or vacation pay to supplement lost wage awarded under NRS provisions. Upon such request, the employee's accumulated leave would be used to balance the employee's workers compensation payment so that the employee will receive income equal to the salary at the time of disability. The employee may elect not to use accrued paid time to supplement pay during the disability period.
5. The District may require the employee to be available for light duty work assignments.
6. Before returning to work following a leave of absence for a work-related disability, an employee must submit a physician's verification stating the employee's ability and fitness to return to full duty work status and/or if there are any work restrictions and the date that the restrictions will be eliminated. The employee may remain on occupational leave

until one of the following occurs: medical release to return to duty, nine (9) months temporary total disability, or until such time as a permanent disability from performing job duties is determined.
