AGREEMENT

THIS AGREEMENT, made and entered into this day of 21st day of February, 2018, by and between TRUCKEE MEADOWS WATER AUTHORITY, a Joint Powers Authority entity created under a cooperative agreement among Reno, Sparks, and Washoe County under NRS Chapter 277 its successors or assigns, hereinafter referred to as the Company, and LOCAL UNION No. 1245 of the INTERNATIONAL BROTHERHOOD OF ELECTRICAL WORKERS (affiliated with the American Federation of Labor-Congress of Industrial Organizations), hereinafter referred to as Union.

WITNESSETH that:

WHEREAS, the parties to this agreement recognize the existence of NRS Chapter 288 and NAC Chapter 288 and their legal implications. If any of the provisions of this agreement conflict with the NRS or the NAC, the provisions in the NRS or the NAC shall prevail;

WHEREAS, pursuant to NRS 288.160, IBEW Local 1245 has applied to TMWA for recognition by presenting a copy of its constitution, a copy of its bylaws, a roster of its officer and representatives, and a pledge in writing not to strike against TMWA under any circumstances and has provided TMWA with a verified membership list showing that it represents a majority of the employees in this bargaining unit. TMWA officially recognized IBEW Local 1245 by approval of its Board of Directors on May 23, 2001;

WHEREAS, the parties hereto desire to facilitate the peaceful adjustment of differences that may from time to time arise between them, to promote harmony and efficiency to the end that Company, Union and the general public may benefit therefrom, and to establish wages, hours and working conditions for certain hereinafter designated employees of Company;

WHEREAS, the parties hereby recognize that their industry is quickly transitioning into a competitive environment, and that they will be faced with competitive threats, expanding customer requirements, and related implications that must be addressed during the transition. Both parties agree that the magnitude of the possible changes are currently unknown; however, the Union and Company both agree to meet these challenges jointly as committed partners with the end result being the Company and Union that the customers choose. (Added 1/1/98)

NOW THEREFORE, the parties hereto do agree as follows:

TITLE 1 RECOGNITION

- 1.1 Company recognizes Union as the exclusive bargaining agent of the Company employees in the bargaining unit, which are those employed in the position classifications listed in Attachment II, Exhibit B. Such employees shall not include confidential employees (as defined in NRS 288.170(6). Heads of departments, administrative employees (as defined in NRS 288.025) and supervisory employees (as defined in NRS 288.075) shall not be members of the same bargaining unit as the employees under their direction. (NRS 288.170)
- 1.2 Provisions of this Agreement shall be limited in their application to employees of Company as described in 1.1 of this Title. When the words "employee" and "employees" are used in this Agreement they shall be construed to refer only to employees described in said 1.1 unless otherwise noted.
- 1.3 Any employee, except for those employees listed in 1.1 above has the right to join or not join the Union without fear of intimidation, coercion, or reprisal by any party. Company shall deduct from their wages and pay over to the proper officers of Union, the membership dues of the members of the Union who individually and voluntarily authorize such deductions in writing. The form of check-off authorization shall be approved by Company and Union. (Amended 6/11/01)
- 1.4 It is the policy of the Company and the Union to provide a work environment free of unlawful discrimination, harassment, intimidation, and coercion. Discriminatory conduct in any form based on race, religion, sex, age, color, nationality or ethnicity, marital status, citizenship, gender identity or expression, sexual orientation, pregnancy, genetic information, medical condition, veteran status, or mental or physical disability, or any other basis made unlawful by applicable Federal, State, or local

law is strictly prohibited. It is further agreed that wherever in their Agreement the masculine term is used, it shall be considered applicable to both sexes.

- 1.5 If the Company hires employees whose duties are not covered under this Agreement but whose duties are significantly the same duties covered under Attachment II, Exhibit "B" (1) of the Agreement between Sierra Pacific Power Company and Local Union 1245 of the IBEW which was effective January 1, 1998, then the Company shall notify the Union of this circumstance and, upon request by the Union:

Allow representatives of the Union reasonable access to the business of the Company for the purpose of informing such employees of their rights to form and join organizations of their own choosing for the purpose of representation with their employer with respect to wages, hours and other terms and conditions of employment: and to explain the benefits of membership in and representation for such purposes by the Union. "Reasonable access" shall include the right to meet with employees on at least three (3) occasions at the business of the Company on non-work time (e.g., lunch break) during normal business hours. (Amended 7/1/09)

- (a) Allow representatives of the Union reasonable access to the business of the Company for the purpose of informing such employees of their rights to form and join organizations of their own choosing for the purpose of representation with their employer with respect to wages, hours and other terms and conditions of employment: and to explain the benefits of membership in and representation for such purposes by the Union. "Reasonable access" shall include the right to meet with employees on at least three (3) occasions at the business of the Company on non-work time (e.g., lunch break) during normal business hours. (Amended 7/1/09)
- (b) The Company shall supply the Union with a list of such employees. Such list shall contain the names, home addresses and home phone numbers of such employees. The Union shall at all times maintain the confidentiality of any such list.
- (c) The Company shall submit to a card check election to determine the desires of such employees to be represented for the purpose of collective bargaining by the Union. If a majority of such employees have signed cards authorizing the Union to act as their collective bargaining representative, and such authorization card majority is verified by the Federal Mediation and Conciliation Service, then the Company shall recognize the Union as the exclusive bargaining representative of such employees.
- (d) If the Union is selected by a majority of such employees as their collective bargaining representative, then the Company shall, immediately upon the request by the Union, bargain in good faith with the Union for the purpose of concluding a collective bargaining agreement. NRS Chapter 288.160 and NAC Chapter 288 shall apply. (Amended 6/11/01)
- (e) At all times the Company shall remain neutral with regard to any question concerning the representation of such employees by the Union. "Neutral" shall mean that the Company or Affiliate shall take no official position, nor shall it direct or condone any of its agents or representatives, including any attorneys or consultants to take any position against the exercise by its employees of their right to select the Union as their collective bargaining representative or to oppose the selection of the Union as the employees' collective bargaining representative.

- 1.6 The Company and the Union recognize the Company's Administrative Instructions (AIs) and has negotiated and agreed to the terms of Correction Action and Progressive Discipline A-38; Drug and Alcohol Free Workplace Policy A-05; and DOT Drug and Alcohol Testing Program A-06. In addition, the Union has agreed to the terms of all other Administrative Instructions, including updated revisions, which are not in direct conflict with the Collective Bargaining Agreement (CBA), with the understanding that the CBA will prevail when in direct conflict with the Administrative Instructions. (Added 6/12/06) (Amended 7/1/09)

So long as the Company complies with the terms and conditions of this section, the Union will not defame, slander, libel or otherwise make derogatory statements concerning the Company's business practices. Nothing in this section is intended to limit the right of the Union to discuss the benefits of

joining the Union or comparing the benefits that employees of Company currently receive with the benefits that the Union will seek to obtain for such employees. (Added 6/11/01)

TITLE 2 CONTINUITY OF SERVICE

- 2.1 Company is engaged in rendering public utility services to the public and Union and Company recognize that there is an obligation on each party for the continuous rendition and availability of such services.
- 2.2 Strikes and Lockouts
- (a) No lockout of employees shall be instituted by the Company during the term of this Contract.
- (b) The Union agrees that during the term of this Contract neither it nor its officers, employees or members will engage in, encourage, sanction, support, or suggest any strikes, work stoppages, boycotts, slowdowns, mass resignations, mass absenteeism, picketing or any other similar actions which would involve suspension of, or interference with the normal work of the Company.
- (c) In the event that Union members participate in such activities in violation of this provision, the Union shall notify those members so engaged to cease and desist from such activities and shall instruct the members to return to their normal duties. (Amended 6/11/01)
- 2.3 Any employee in a Bargaining Unit classification shall perform loyal and efficient work and service, and shall use their influence and best efforts to protect the properties of Company and its service to the public, and shall cooperate in promoting and advancing the welfare of Company and in preserving the continuity of its service to the public at all times.
- 2.4 Consistent with the Provisions of this Title, the parties recognize that Union, Company, and all employees are mutually obligated to promote efficiency in Company's operations and harmony among Company's employees.
- 2.5 Consistent with the provisions of this Title which pertain to continuity of service to the public and duties essential to the operation of the utility, after May 1, 1979 all employees shall be required by Company to either report to work on a call out basis within 45 minutes or reside within a thirty-five (35) mile radius of the Company headquarters to which they regularly report. An employee, who is unable to report for work on a call-out basis within forty-five (45) minutes, will be exempt from the provisions of Section 10.3 of the Agreement. (Amended 1/1/98)

TITLE 3 DEFINITIONS

- 3.1 Employees shall be known as "Temporary," "Provisional," Probationary," "Part Time" and "Regular" (Amended 6/11/01)
- 3.2 For the purpose of the contract, a Regular employee is defined as an employee who has completed six (6) months of continuous service with the Company, excluding those hired as Provisional employees. (Amended 6/11/01)
- 3.3 A Temporary employee is defined as an employee hired by the day for occasional or seasonal work, or for a limited time. A Temporary employee shall not be eligible for sick pay, holiday pay, vacation pay, insurance coverage, pension coverage or items of similar nature, except as herein specifically provided. If a Temporary employee should in the course of continuous employment, be reclassified to Probationary or Regular, they shall be credited with all continuous service in determining eligibility for such benefits that may accrue to them in their new status. A Temporary employee shall receive not less than the minimum rate for the job except in the case of laborers. Temporary Helpers, as defined in Exhibit A, may be hired for a period of not more than three (3) months at the special Temporary labor rate. (Amended 7/1/09)

- 3.4 A Provisional employee is defined as an employee whose employment is intended to last more than six (6) months but less than two (2) calendar years. The work performed is linked to specific projects or is in anticipation of future events with a specific date at which the position will be eliminated. The use of the Provisional employee will not impede the opportunities of Regular employees or by-pass the bidding procedure as defined under Title 16 of this Agreement and are not subject to Title 23 nor Sections 19.8 or 19.9. Provisional employees will be required to remain in the position for the duration of their term with no bidding rights. They will accrue benefits equivalent to a Regular employee for sick leave, vacation, group health insurance coverage (medical, dental, vision and life), pension coverage and will be eligible to participate in the Company deferred compensation program(s). For purposes of overtime work, preference will be extended to "Regular" employees, and the Company is under no obligation to balance overtime for Provisional employees as specified under Section 10.3 of Title 10. A Provisional employee will not receive less than the minimum rate for the job and will progress through the appropriate classification wage progression in accordance with this Agreement. If employment of a Provisional employee extends beyond two (2) calendar years, the employee will be reclassified to "Regular" with a hire date and seniority date equivalent to the start date of their Provisional time. (Added 6/11/01) (Amended 7/1/09)
- 3.5 A probationary employee is defined as an employee hired for a position that has been regularly established and is of indeterminate duration. A probationary employee shall receive sick pay, vacation pay, insurance coverage, pension coverage or items of a similar nature as they shall become eligible, but in all other respects shall be equivalent to a Regular employee, subject to the provision of 3.6 of this Title. A probationary employee shall receive not less than the minimum rate for the job. A "probationary" employee shall be eligible for all benefits under Title 22 of the CBA upon commencement of employment and at such time as the specific benefit plan allows participation. (Amended 6/12/06)
- 3.6
- (a) A Part-time employee is one scheduled to work less than five (5) days per week or less than eight (8) hours per day. A limited number of part-time employees may be assigned to work covered by this Agreement, provided that such assignment shall not result in the loss of Regular employment for Regular employees, nor shall the employees so assigned affect the status of or impede the promotional opportunities of Regular employees. Part-time employees shall be paid the wage rates established in Exhibit A for the work performed. In determining allowances for vacations, sick leave, and other benefits hereunder, such allowance shall be prorated in direct ratio that the number of hours worked per week bears to forty (40). (Amended 1/1/95)
- (b) The number of Part-time employees in all "Clerical" classifications will not exceed 15% of the aggregate number of employees in all "Clerical" classifications. (Amended 6/11/01)
- Schedules will be established in full hour increments and the employee's classification, i.e., one-half (1/2) time or three-quarter (3/4) time will be based on the established schedule at the time they are hired and an annual (payroll year) review of hours actually worked (excluding non-productive time) thereafter. Status changes will apply prospectively only. (Amended 1/1/98)
- 3.7 The retention of Temporary, Provisional and Probationary employees is at the sole discretion of the Company, and termination of employment of such employees shall not be subject to review through the grievance procedure. (Amended 6/11/01)
- 3.8
- (a) Continuous service with Company shall start with the date of employment and consist of the entire period of employment. Continuous service will be broken when (a) an employee is discharged for cause; (b) an employee voluntarily terminates employment; (c) an employee has been laid off for more than twelve (12) consecutive months; (d) an employee has violated the provisions of 8.4; (e) an employee has taken a leave of absence of over thirty (30) calendar days as defined in Section 8.1. (Amended 5/1/88)
- (b) Employees who transfer from Sierra Pacific Power Company (SPPC) to the Truckee Meadows Water Authority (TMWA) on June 11, 2001 shall be credited with continuous service with Company from their SPPC hire dates. These hire dates shall not apply for purposes of PERS as explained more fully in Title 22, but shall apply towards service for post-retirement medical. (Added 6/11/01)

TITLE 4
WAGES

- 4.1 The wage to be paid employees of the Company covered by this Agreement shall be at the rates specified in the schedule hereto attached, numbered Exhibit A, and made a part hereof.
- 4.2 All employees shall be placed on an hourly rate of pay and shall be paid on alternate Fridays for all time worked during the two (2) week period ending the previous Sunday midnight; exclusive of overtime worked during the second week of the two week period. Any such deferred payment shall be included with the paycheck for the payroll period next succeeding the period in which such overtime was worked. In order to spread the payroll work the Company reserves the right to divide the payroll into two groups, paying each group on alternate Fridays. If a payday falls on a holiday, the day next proceeding such holiday shall be payday. However, if a payday falls on the Day after Thanksgiving the following Monday shall be payday. Payroll deductions for employees shall occur semi-monthly (first and second paycheck each month) including, but not limited to, Employee-only/Dependent Medical premium payments, Life Insurance premiums, Union Dues, and Credit Union deposits or payments. (Amended 6/11/01) (Amended 7/1/09)
- 4.3 (a) An employee who temporarily assumes the duties and responsibilities of a classification having a higher minimum rate shall be paid not less than the minimum rate of the higher classification for the time worked, meal and travel time, as applicable, computed to the next quarter (¼) hour. (Amended 5/1/83)
1. Any upgrade position lacking an incumbent employee and continuing for a cumulative period of 1500 straight-time hours in a 12-month period shall require posting of the position. This provision does not apply to those classifications designated as "upgrade only". Exceptions to this provision can be made by mutual agreement between the Company and Union, i.e., training positions and special projects. (Added 1/1/98)
- (b) When an employee is temporarily reassigned to work in a classification higher than their Regular classification, they shall be paid, upon such reassignment, the rate of pay they last received in such higher classification, plus any general wage increase or adjustments subsequently made therein.
- (c) When an employee is temporarily assigned or reassigned to work in a classification lower than their Regular classification, their rate of pay will not be reduced unless such assignment or reassignment is caused by the employee's failure to obtain or maintain a certification, license, or other qualification required under this Agreement for their job classification. The Company agrees to assign the employee to the highest possible job classification, below their current job classification, for which they are qualified. If the Company determines, in its sole discretion, that an employee took all necessary actions to maintain the certification, license, or other qualification, then the employee's rate of pay shall not be reduced while they are in the lower job classification so long as they re-obtain the necessary certification, license, or other qualification at the earliest possible date. If the employee fails to re-obtain the necessary certification, license, or other qualification at the earliest possible date or the Company determines that the employee is not diligently pursuing such certification, license, or other qualification, then the employee's rate of pay must be reduced to the rate of pay of the classification to which they are assigned.
- (d) Where automatic progression between classification or within the pay rate range of a classification is provided by the Agreement, it is understood that the employee's performance must be satisfactory to qualify for advancement. Where an employee's performance is unsatisfactory and an automatic progression wage step has been withheld, the Investigating Committee, provided for in Section 21.2 of the Agreement, may review the employee's performance.
- (e) Where automatic progression in any classification is provided by the Agreement, an automatic progression wage step will be withheld after an employee is off work for sixty (60) calendar days or more. (Amended 5/1/83)

- 4.4 Company and Union may agree to additional classifications inclusive of those referred to in Title 1, Section 1.5 and/or revisions of existing classifications and wages and lines of progression with respect thereto, during the term of this Agreement. Pending negotiations with respect to such classifications, wage rates and lines of progression, the Company may establish temporary classifications and wage rates. (Amended 6/11/01)

The Company will promptly notify the Union of any such temporary classifications and/or revisions and wage rates, which are established. When the Company and Union reach agreement on the wage rate for the new classification and/or revised classification, it shall be retroactive to the date when the classification was first temporarily established or revised.

TITLE 5 TRANSPORTATION

- 5.1 Company or public transportation shall be furnished all employees requiring, at the discretion of the Company, transportation in the performance of their duties. In the event an employee is asked to use their own automobile for Company business, they shall be reimbursed at the current rate sanctioned by the Internal Revenue Code, Section 274, Treasury Regulations and Administrative Interpretations. (Amended 1/1/95)

5.2 (Deleted 6/11/01)

- 5.3 (a) Any employee who may be required to operate Company vehicles and/or equipment while performing duties pertinent to their job classification must possess and maintain the appropriate licenses or permits required by applicable laws and/or Company policy. (Amended 5/1/82)

- (b) An employee who is unable to maintain a job-related driver's license, may be provided alternative work by their Immediate Supervisor while the employee re-obtains a valid license. (Amended 5/1/82)

If alternative work is not assigned or is unavailable, the employee will be required to use earned vacation or will be temporarily placed in a Helper or Customer Service Representative position, at the one-year wage step, for up to three (3) months while obtaining re-licensure.

Should the employee exhaust their vacation and still has not obtained the job-related license, the employee may utilize a personal leave of absence, for up to three (3) months, while they obtain the required license. After such time the employee is subject to termination.

During any period the employee must re-obtain their required license within ninety (90) calendar days. (Added 7/1/09)

(c) (Deleted 07/01/2017)

- (d) A successful bidder on any job requiring vehicle and/or equipment operation, will be given a thirty (30) day period beyond the date of the job award to obtain the proper licenses and/or permits. If employee is unable to obtain the license within the 30 days due to circumstances beyond the employee's control, the employee shall have until the first available appointment date after the (30) day period to obtain the license has expired. Additional training must be arranged through Department Management. Bidder must be trained and/or evaluated prior to receiving approval to operate Company vehicles and/or equipment. (Amended 1/1/98) (Amended 7/1/12)

- (e) Any employee who is considered for an upgrade to a position requiring the operation of Company vehicles or equipment must be qualified by training or experience prior to upgrade. Employee will be subject to the provisions of Section (a) and (b) above. (Added 5/1/83)

- (f) The provisions of Sections (a), (b) and (c) shall also apply to any employee operating a personal vehicle while being compensated by the Company for its use. (Added 5/1/82)

- 5.4 Employees shall be authorized to utilize Company vehicles only for the purpose of performing their assigned duties. Use of such vehicles for personal reasons is prohibited.

TITLE 6
WORKING HOURS

- 6.1 All Regular employees shall receive full-time employment for each work week employed provided they physically report for duty at their regularly assigned reporting place in accordance with the terms and conditions of this Agreement and are in condition to perform their work. This is not interpreted to mean that the Company does not have the right to lay off or release employees on account of lack of work or any other valid reason at the end of the work week.
- 6.2 (a) Each employee shall have a regular reporting place, a regularly established schedule of work hours and work days. Such schedule shall indicate the starting and quitting times, the regularly scheduled meal period and the scheduled non-work days. The arrangement of such schedule shall be in accordance with the provisions hereafter contained for the classification in which the employee is regularly employed. Schedules with work periods providing for starting times after 12:00 noon or before 6:00 a.m. shall provide eight (8) consecutive hours of work.
- (b) Employees who are assigned to work away from their regular assigned reporting place will be required to report to work at the established starting time and at the temporary-reporting place designated by Company. When board and lodging is provided by Company, the reporting place will be the lodging designated by Company. It is understood that the temporary-reporting place designated by the Company may change from time to time due to changes in Company's operational requirements. When necessary, Company shall provide water and sanitation facilities for the employee's use at the temporary reporting place. When the change of temporary reporting place occurs, the Union will be notified as far in advance as practicable. (Amended 1/1/95)
- 6.3 The workweek shall be defined to be that period of 168 hours comprising seven (7) consecutive calendar days. For all employees but those in classifications listed in Section 6.13 the work week shall be that period beginning one (1) minute after 11:59 p.m. Saturday and ending 168 hours later.
- 6.4 A change in the regularly scheduled lunch period for any reason shall be deemed to require the payment of overtime for work performed during the regular lunch period and the employees may eat their lunch on Company time. Lunch periods may be advanced or delayed one-half (1/2) hour without the payment of overtime.
- 6.5 Employees, including those on out-of-town assignment, who are required to report for work on their non-work days, or on holidays which they are entitled to have off, or outside their regular work hours on work days, shall be paid overtime compensation for the actual work time, commencing at the time they physically report at their regularly assigned reporting place, and travel time in the amount of fifteen (15) minutes each way in connection therewith. An employee who is called out for such work shall be paid overtime compensation for travel time in the amount of thirty (30) minutes from their home and fifteen (15) minutes to return home. If an employee who is called out for such work outside of their regular work hours on a work day continues to work into or beyond their regular work hours, they shall be paid overtime compensation for actual travel time in the amount of thirty (30) minutes only from their home. (Amended 1/1/95)

An employee who is required to call out the remainder of a crew to respond to a call out and are themselves responding to the call will be deemed on the clock immediately. This time is to include the time it takes to prepare for the work assignment and actual commute time. The travel time of 30 minutes would not apply, as the employee is compensated for all time spent getting ready and commuting. (Added 6/12/06)

The portion of this Title relating to travel time shall not apply to the following situation:

- (a) Prearranged extended work schedules on regular workdays. (Amended 5/1/81)

- 6.6 (a) If an employee is instructed by their Supervisor to report for prearranged overtime on a non-work day, or on a holiday which they are entitled to take off with pay, and the employee reports for work as instructed, the employee shall be paid overtime compensation for a minimum of four (4) hours provided, however, this will not apply to cases in which the employee is prevented from completing the assignment or earning the minimum through no fault of the Company, for reasons such as inclement weather, accidents, illness, or other reasons beyond the control of the Company. In such cases the employee shall be paid overtime compensation for the actual time worked, but in no event less than the two (2) hour minimum. (Amended 5/1/81)
- (b) In the event an employee is instructed to report for prearranged overtime as provided in 6.6(a) above, and such work is canceled, the employee shall be paid overtime compensation for a minimum of four (4) hours, if they have not had notice of such cancellation at least eight (8) hours prior to the designated reporting time. (Amended 5/1/81)
- (c) If an employee is instructed by their Supervisor to report for prearranged overtime prior to their regular starting time on a scheduled work day, the employee reports for work as instructed and for any reason the work is canceled, the employee shall be paid overtime compensation for actual time worked, but in no event less than a two (2) hour minimum time. (Added 5/1/91)

6.7 For the purposes of application of the provisions of this Title, all employees not specifically denoted by Sections 6.13, 6.14 and 6.15 shall be considered to be day employees. Sections 6.13, 6.14 and 6.15 shall determine the designation of all others.

- 6.8 (a) Day employees' hours of work shall be regularly scheduled as either 7:00 a.m. to 11:00 a.m. and 11:30 a.m. to 3:30 p.m. or 7:30 a.m. to 11:30 a.m. and 12:00 noon to 4:00 p.m. or 8:00 a.m. to 12:00 noon and 12:30 to 4:30 p.m. or 8:00 a.m. to 12:00 noon and 1:00 p.m. to 5:00 p.m. and the regular work days shall be Monday through Friday.

Working hours will be the same for all employees within an occupational group at their specific reporting place. If Company desires to split starting times for employees within the same occupational group it shall be established by mutual agreement between Company and Union.

TITLE 10
OVERTIME

10.1 (a) Overtime is defined as (1) time worked in excess of forty (40) hours in a work week, (2) time worked in excess of an employee's normal work hours (or eight hours for part-time employees) on a scheduled work day, (3) time worked on a non-work day, (4) time worked on a holiday, and (5) time worked outside of regular work hours on a work day. Overtime shall be computed to the nearest quarter hour.

(b) Prearranged overtime shall be defined as overtime for which notice has been given prior to the employee's release at the end of the last regularly scheduled work period or an extension thereof, of no more than two (2) hours on that work day.

1. Company may extend prearranged overtime as necessary. (Amended 5/1/81)

(c) Callout overtime shall be defined as overtime for which prior notice has not been given the employee as per 10.1(b). (Added 5/1/81)

(d) Overtime work should be assigned in accordance with the following principles, which are intended to guide the actions of both Supervisors and employees:

1. The nature of the utility business requires the working of overtime and is reflected in the language of this Agreement.

2. The right to determine the importance and necessity of any work assignment rests within the rights of Management.

3. Refusal shall be supported by a valid reason.

4. A reasonable and sympathetic approach shall be taken by Supervision, with employees receiving as much advance notice as possible in order to allow them to alter their plans.
5. Extenuating circumstances and health of the employees shall be considered.
6. The time necessary to complete the work assignment and the availability and practicability of the use of other employees shall be considered.
7. Above all, the rule of reason shall be used by employees and Supervisors.

10.2 If an employee is called out by a responsible authority of the Company outside the employee's regularly scheduled hours and works less than two (2) hours, the employee shall receive not less than two (2) hours to be compensated at the applicable overtime rate, for each such call out, provided the employee has finished their first call out and has returned to their home. If the employee is sent on another job or jobs prior to returning home from the initial call without a break in work time it shall be considered a single call out. It shall be the policy of the Company to avoid a second assignment except those of such urgency as would ordinarily warrant a call out, but the determination of such urgency shall be determined solely by the Company Representative dispatching the call. When an employee can resolve an issue from home, and does not have to leave their house, or the call is cancelled prior to the employee leaving their home, the employee will receive a minimum call out of ½ hour. (Amended 7/1/12)

Such minimum call out pay provision shall not apply and the overtime payment shall be made only for actual work time outside regular hours where:

- (a) The call-out is less than two (2) hours prior to their regular starting time and the work extends into the regular workday.
- (b) The call-out is an extension of the regular workday or the employee has not left the plant premises when called. Any employee required to keep a radio-equipped Company vehicle at home when off duty shall, upon completion of a tour of duty, proceed directly to their home. Any call-out while in transit shall be considered an extension of the regular day without interruption in time. A call-out received after reaching home and signing off the radio shall be considered a separate call-out. (Amended 5/1/81)

10.3 (a) Overtime, time and one-half (1½) and double time (2), shall be treated separately and shall be divided as equally as is practicable over the course of the payroll year, among those employees qualified and available within a classification and headquarters. All overtime, time and one half (1½x) and double time (2x), for individuals in each headquarters shall be posted separately every 30 days. Employees new to a classification or district or department shall be averaged into that district or department's year to date, time and one-half (1½) and double time (2) overtime lists. (Amended 4/5/05)

- (b) Deviation from the distribution of overtime as stated in Section 10.3 (a) must be established in writing and agreed to by both Company and Union. (Added 1/1/98)
- (c) Deviation from the distribution of overtime as stated in Section 10.3 (a) will be allowed in select cases where employees within classification possess special skills (certifications, licenses, or training) unique to that job requirement. (Added 1/1/98)

10.4 Nothing contained herein shall be construed to require the payment of overtime compensation under more than one (1) of the foregoing definitions for a single period of operation.

10.5 (a) Overtime compensation at the rate of one and one-half (1 1/2) times the straight rate of pay shall be paid to employees for overtime as defined in Section 10.1 (a) (1), (2), (3), (4), and (5) and Section 10.1 (b). (Amended 5/1/81)

- (b) The time worked in excess of sixteen (16) consecutive hours (which includes unpaid meal period) and continuing until the employee is dismissed from such work shall be paid at the rate of two (2) times the employee's straight rate of pay. (Amended 5/1/82)

- (c) Prearranged overtime worked in excess of twelve (12) consecutive hours and continuing until the employee is dismissed from such work shall be paid at the rate of two (2) times the employee's straight rate of pay. (Added 5/1/81)

 - (e) (Deleted 5/1/91)
- 10.6 (a) Any regular or probationary employee who, as the result of a call out or a prearranged work assignment, has worked at overtime rates between their regular quitting time and their next regular starting time on regular work days, shall be entitled to a rest period under the following conditions:
1. If an employee has worked eight (8) hours or more at overtime rates, they shall be entitled to a rest period of nine (9) consecutive hours upon completion of such overtime work.
 2. If they have worked a minimum of two (2) hours at overtime rates and such work extends beyond nine and one-half (9 1/2) hours after their regular quitting time, they shall be entitled to a rest period of nine (9) consecutive hours upon completion of such overtime work. If they work less than two (2) hours at overtime rates and such work extends beyond nine and one-half (9 1/2) hours after their regular quitting time, the employee shall only be entitled to a rest period of seven (7) consecutive hours upon completion of such overtime work. (Amended 7/1/12).
 3. If they have worked a minimum of two (2) hours at overtime rates and such work commences later than nine and one-half (9 1/2) hours after their regular quitting time, they shall be entitled to a rest period of nine (9) consecutive hours upon completion of such overtime work. If they work less than two (2) hours and such work commences later than nine and one half (9 1/2) hours after their regular quitting time, the employee shall only be entitled to a rest period of seven (7) consecutive hours upon completion of such overtime work.  4. Rest periods, as provided above, shall commence upon completion of the employee's overtime work or the start of their regular work hours, whichever occurs first.
 5. Overtime work that qualifies for a rest period will include 45 minutes consumption time for each missed meal. Travel time will not be included as time worked to qualify for a rest period. (Amended 7/1/12)
- (b) The provisions of Section 10.6(a) shall apply to an employee who works at overtime rates on their regularly scheduled day off or on a holiday observed by the Company as follows:
1. The overtime must have been worked immediately preceding their regular starting time on the next regularly scheduled work day, and
 2. During the corresponding time period normally observed by them as off-duty hours on consecutive workdays.
- (c) If the employee becomes eligible for a rest period in accordance with any of the conditions above, and the Company requires the employee to continue work into their regular work period, the employee shall be paid at two (2) times the standard rate of pay for all hours worked until they are given a rest period. If, however, the employee is not entitled to a rest period, the employee shall revert to the straight-time rate at the beginning of their regular work period irrespective of whether they continue to work at said overtime work or changes to regular duties.

- (d) If the employee becomes eligible for a rest period and is called back to work during their nine (9) hour rest period, the employee shall be paid overtime compensation at the rate of pay equivalent to two (2) times the standard rate of pay for all work performed until they have been relieved from duty for at least nine (9) consecutive hours, and a new rest period will commence at the conclusion of such work.
- (e) Should a rest period provided for above extend into their regular work hours, the employee may be required to report for work at the end of said rest period for the remainder of that regular work period. The employee shall be paid at straight time for any portion of their regular work period, which they are allowed to take as a rest period. TITLE 13
SAFETY

Working SAFELY prevents suffering, loss of wages to ourselves and families, and damage to property and injury to others.

An important part of everyone's acceptance of employment is to accept responsibility to do their work in accordance with the latest safety practices and to cooperate with other employees with whom they work to carry out safety rules and practices. Therefore, every employee of this Company is automatically pledged to study the safety rules and put them into effect for every applicable circumstance.

Every employee must be familiar with the special safety rules and regulations pertaining to their particular classification, in addition to the general overall safety rules.

- 13.1 Company shall make reasonable provisions for the safety of employees in the performance of their work. Union shall cooperate in promoting the realization of the responsibility of the individual employee with regard to the prevention of accidents.
- 13.2 The Company will draft reasonable safety rules for employees and it will be the responsibility of all employees to observe these rules. A copy of the rules will be furnished the Union.
- 13.3 The Company shall hold not less than eight (8) safety meetings each year at practical points throughout the system. When practicable, such meetings shall be scheduled to permit as many employees as possible to attend. Employees shall be required to attend safety meetings except for good cause. The programs of the safety meetings shall be arranged by the Company and in general will cover material appropriate to each group.
- 13.4 The Company will promptly notify the Union Business Representative of any accident resulting in death or serious injury to an employee. The Union Business Representative of Local 1245 shall be a member of the Company Accident Prevention Board. (Amended 1/1/98)
- 13.5 The Company and Union recognize the importance of timely, well documented investigative reports for any serious accident/incident determined to be worth investigating. To this end, the Company and Union agree that a Committee comprised of not more than twelve (12) members of the Bargaining Unit and twelve (12) members of Management will be selected by their respective parties to receive special training from the Safety Department in the appropriate methods of conducting accident investigations -- such training to be provided on Company time at Company expense.

Thus, when an accident/incident occurs, there will be a trained group of personnel from whom to select the Joint Accident Investigating Committee members as described in the remainder of this section. Selection to serve as a member of the Joint Accident Investigating Committee shall be based on the knowledge and experience of the individual committee members so that, to the extent practicable, the Committee will be comprised of members experienced in the field of work in which the accident/incident occurred. In no case shall the members of the Joint Accident Investigating

Committee be selected from the occupational group in which the accident/incident has occurred, unless mutually agreed on by the Company and Union. (Amended 6/11/01)

At the request of either the Company or the Union, any accident/incident of a serious nature shall be investigated by a Joint Accident Investigating Committee. The Joint Accident Investigating Committee shall consist of not more than four (4) employees, two (2) of whom shall be appointed by the Company and two (2) by the Union.

If such investigation is requested by the Company, the Company will pay wages at the appropriate hourly wage rate, for approved hours so worked by the Union committee members. Normal out of pocket expenses required for the proper conduct of the investigation will also be paid by the Company.

If such investigation is requested by the Union, the Company will not be liable for any lost wages or expenses incurred resulting from the Union member's participation in the investigation.

After investigating a serious accident/incident, the Joint Committee may, at its discretion, file a joint or separate report or reports with the Company covering its recommendations for prevention of the recurrence of accidents of similar nature. It is understood and agreed that the Company is not obligated or required to accept the committee's recommendations. If the Company accepts or rejects any or all such recommendations, Company will give written explanation to the Joint Accident Investigating Committee. (Amended 1/1/98)

- 13.6 A Company Safety Committee shall be established consisting of four represented employees, one non-represented employee and the Safety Officer. The officers of the Committee shall consist of a "chairman," "vice-chairman" and "secretary" who shall be selected by vote of the Committee. The four represented members will serve staggered four (4) year terms.

A representative of the following departments will be assigned to the Safety Committee:

- Distribution Maintenance (one member)
- Operations (one member)
- Hydro Generation and Customer Service (one member)
- MPAT employee (one member)
- Rotating Seat to be from one of the areas listed in 1, 2 or 3

In establishing said Safety Committee, it is specifically recognized and acknowledged that the employer is obligated to provide to the employees a safe and healthy place of employment and that the operation and/or establishment of the aforementioned committee shall in no way relieve the employer of that obligation. The Company Safety Committee shall develop a Charter listing the committee activities, members responsibilities, meeting times and agendas and the measures of its success. The Safety Committee will make recommendations concerning unsafe working conditions and recommending measures to be taken for correction thereof. Such recommendations shall be in the form of written reports, copies of which will be sent to the appropriate Supervisor or Manager, Safety Officer, Human Resources, and each member of the Safety Committee. Within ten (10) working days from receipt of such recommendations, a written reply from the Safety Officer will be returned to the Chairman of the Committee. Replacement of committee members shall be done through solicitation and recommendation from the Company, Union and the Committee. Election of new members shall be done by majority vote of the current membership. In the Fall and Spring the members of the Safety Committee will agree on a date and time to conduct inspections of Company's properties, vehicles, equipment, and activities. Members of the committees will have time off with pay for the purpose of making said inspections and shall be reimbursed by Company for expenses incurred therefore. (Amended 6/11/01) (Amended 7/1/09)

- 13.7 (Deleted 7/1/09)

- 13.8 If the Company requires any employee to wear steel-toed safety shoes (as defined in ANSI Standard Z.41), the Company will provide the shoes. The employee is then required to wear in the performance of their duties, steel-toed safety shoes recognized as such by ANSI Standard Z.41. (Added 5/1/91)

- 14.3 The Union's use of bulletin boards shall be limited to the posting thereon of official notices of meetings and similar matters relating to official Union business, and Union shall not post thereon any matter relating to the solicitation of employees to join Union or the collection of dues, or any matter derogatory to Company.

If it is found that the employee is using sick leave for reasons other than a bona fide personal sickness or disability, said employee shall forfeit all sick leave accumulated up to that date. When an employee determines that they will be unable to report for work, they must notify their Immediate Supervisor's cell phone, or if directed, the cell phone of the Supervisors' designee. These calls must be made a minimum of 30 minutes before the employee's scheduled start time. In the event an employee is unable to determine when they will be able to return to work, they must, on each day of their illness or disability, notify their Supervisor that they will be unable to report for work. When the employee does become aware of the date when they will be capable of returning to work, they must give as much advance notice of this fact as possible to the Supervisor. Lack of notification will result in denial of sick pay benefits. (Amended 7/1/09)
- 15.3 If a holiday is observed by the Company on a work day within the sick leave period of an employee who is entitled to holidays off with pay, the holiday shall not be charged to the employee's sick leave (see 11.5).

TITLE 16 SENIORITY

- 16.1 There shall be two (2) types of seniority, namely, Occupational Group Seniority and Company Seniority. Company Seniority shall be defined as total length of continuous service with the Company as determined in accordance with 3.7. Company Seniority shall be used as the basis for determining such benefits as sick leave, retirement, vacations and protection against demotion and lay-off. Occupational Group Seniority shall be defined as the total length of service in one (1) of the occupational groups shown in Exhibit C attached hereto. Occupational Group Seniority shall be used in determining the preferred bidder within an occupational group and line of progression in the sequence outlined in 16.5. Attached hereto and made a part hereof is Exhibit C, an appendix outlining the "Occupational Groups" and "Lines of Progression" to be used for promotion and demotion. It is understood that the Occupational Groups have no relationship to "departments" as used in prior contracts between the parties nor shall Exhibit C be construed to limit in any way the right of the Company to choose any form of organizational arrangement it prefers.

- 16.2 Company shall make up and post on bulletin boards, a Company seniority list and an occupational seniority list every six (6) months. If no opposition shall be made in writing within thirty (30) days after posting, the respective seniorities shall be considered as correct as listed. A copy shall be furnished the Union.
- 16.3 (a) The seniority status of employees as of July 1, 1959, shall be that shown on the personnel records of the Company, and seniority shall accumulate in the occupational group where then employed.
- (b) An employee who bids or is transferred from one occupational group to another or is transferred out of the Bargaining Unit shall, for a period of 90 days following the date they are awarded their new job in the new occupational group, or out of the Bargaining Unit, will be assumed to be continuing in the occupational group from which they transferred and shall have no seniority in the group to which they transferred. At the end of the 90 day period specified, they shall be credited with 90 days of seniority in the new group, and shall retain in the group from which they bid or was transferred, the seniority they have earned in that group as of the beginning of the 90 day period specified. (Amended 7/1/12)
- (c) An employee who is transferred out of the Bargaining Unit on a temporary assignment shall be considered to be continuing in the occupational group and classification from which they has been transferred. Assignments of a temporary nature which are expected to continue beyond twelve (12) months shall first be discussed with the Union.
- (d) Such employee may not use the previous group seniority for bidding on posted jobs in the previous group, but if they are re-transferred to the previous group they may use the seniority to re-establish themselves in that group.
- (e) All non-Bargaining Unit employees, who are used on the job for training purposes, shall be exempt from the provisions of this Agreement.
- They shall be assigned to fully manned and supervised crews and for periods not to exceed ninety (90) calendar days.
- 16.4 When an employee is temporarily transferred from the occupational group in which they are regularly employed to another occupational group, their seniority will continue to accumulate in their regular occupational group while they are temporarily working elsewhere.
- 16.5 When new jobs are created as provided in 4.4, additional jobs and vacant jobs will be posted on the bulletin boards by the Company for a period of ten (10) calendar days. It shall be the duty of the Company to set forth in said bulletin the date of postings, the nature of the job, its duties, qualifications required and the rate of pay. The Company shall furnish the Union with a list of bidders on all jobs and it shall be the duty of the Company within ten (10) working days of the close of the bidding period to post on bulletin boards the name of the applicant, if any, awarded the job, and email a copy of such notice to the Union. If no bids are received for the job classification during the bidding period, the Company may fill the job from any source whatsoever. After a period of six (6) months, if Company has not hired an applicant to fill the posted vacancy, Company shall re-post the job vacancy if such vacancy still exists. If a job is filled and the job again becomes vacant within forty-five (45) days from the date the job was last filled; it shall not be necessary to again post the job. If the job was awarded to a qualified bidder and becomes vacant within forty-five (45) days from the date the job was last filled it shall be awarded to the next highest bidder. If the next highest bidder has been awarded another job, they shall have the option to accept either job. The vacant position shall be filled by the next highest bidder. (Amended 1/1/98)

Attached hereto and made a part hereof and numbered Exhibit B are the "Job Descriptions and Qualifications" of those jobs coming within the scope of the bidding procedure. Bids to job vacancies will be given preferential consideration in the following manner. Subject to 16.7 and 16.10, the employee with the greatest occupational group seniority shall be awarded the job, except under (c) and (e) below, the Company seniority shall be used:

- (a) Bids from employees within the same occupational group in the same classification or classifications higher than the existing vacancy.
 - (b) If there are no bidders under (a), all bids from employees in the next lower classification within that occupational group.
 - (c) Where no bids are received under (a) and (b), all bids from employees in another occupational group with the same classification.
 - (d) If there are no bids received under (a), (b) or (c), all bids from employees within the occupational group in which the vacancies exist.
 - (e) Should there be no bids from any employee under (a), (b), (c) or (d), all other bids from any employee in any occupational group, regardless of classification and subject to 16.7 and 16.10, the bidder with the greatest Company seniority shall be awarded the job. Bids from employees who have less than six (6) months of continuous service in the Bargaining Unit classification at the close of the bid shall not be considered as having company seniority. (Amended 6/12/06)
 - 1. Incumbents are defined as those employees hired prior to January 1, 1995 and listed in classifications in Exhibit C in double-lined boxes. Incumbents shall retain their group seniority for bidding purposes subject to provisions listed below. (See updated incumbency list 6/11/01.)
 - 2. All bids to Apprentice classifications shall be considered "E" bids (except those incumbents hired before January 1, 1995 subject to Section 16.5(4)).
 - 3. An incumbent will have one (1) opportunity to accept a bid using group seniority per 16.5(1) for a double-lined classification, and will then continue to progress in their line of progression in accordance with Section 16.5.
 - 4. If incumbent in double-lined boxes bids a position within their line of progression at any location but elects to turn down such position or fails to place a bid, he/she will lose the opportunity to use group seniority for that particular position and location. Future bids to that position and location, if posted again, shall be based on Company seniority only. (Added 1/1/95, Amended 6/11/01)
- (a) When the occupational group seniority is identical for two (2) or more employees whose bids are entitled to equal consideration under paragraph (a), (b), or (d) of Section 16.5, preferential consideration shall be given to the employee with the greatest Company seniority, subject to the provisions of Sections 16.7 and 16.10.
 - (b) When a bid cannot be awarded as stated in Section 16.6(a) because there is a tie between two (2) bidders for the same job and it is decided that to award the job the tie must be broken, a representative of the Company and a representative of the Union will meet and have a coin toss to determine which of the bidders will be offered the position. Because in this case there are only two (2) bidders tied, the Union representative will decide which of the coin (head or tails) will represent which employee. The Company representative will then toss the coin and whichever side (heads or tails) comes up, that bidder will be offered the position. (Added 6/11/01)
 - (c) When a bid cannot be awarded as stated in Section 16.6(a) because there is a tie between more than two (2) bidders for the same job and it is decided that to award the job the tie must be broken, the same process will be used as in 16.6(b) only that after the first person is eliminated, the process will be repeated until there is only enough bidders left to award the position. (Amended 6/11/01)
- 16.7 (a) Nothing in this Agreement shall be construed as limiting the right of the Company to determine the number of employees required in each classification nor shall it be construed as limiting the right of the Company to determine whether a vacancy shall be filled. Except as provided in Section 16.7(b), awards to jobs posted for bid shall be made in accordance with

Section 16.5. However, whenever a vacancy occurs in any job classification, Company may, in its discretion, temporarily fill such vacancy. Any such temporary appointment shall, if practicable, be given to an employee who would be eligible to bid therefore under the seniority and job bidding provisions of this Agreement, subject to the provisions of Sections 16.7(b) and 16.10(a), and the lines of upgrade (Attachment IV Exhibit C (2)).(Amended 7/1/12)

(b) In filling vacancies in jobs hereinafter collectively referred to in Subsection 16.7(c) as "Working Foreman/woman jobs," Company shall consider the appointment of employees to any such vacancy as herein provided, and where the Company determines that the following qualifications are relatively equal, seniority shall govern:

1. The quality of the employee's performance on their current job.
2. Their background of education and experience in similar or related work.
3. The amount of special preparation for the new job, if any is necessary or pertinent, which the employee has completed at the time the bid is made.
4. Their previous demonstrations of leadership and progress. When filling a permanent position, upgrade hours need not be considered (Amended 7/1/12)

It is the intent of the parties that the Union shall not have the right to arbitrate the "judgment" of the Company, but that the Union shall have the right of appeal if it believes there was not a fair submission of facts upon which that judgment was made.

After selecting an applicant on the above basis, the Company shall notify the Union by letter. During a period of fifteen (15) calendar days following the receipt of such notification, the Union may investigate the facts used by the Company in making its selection. If, after such investigation, the Union feels that it would serve a useful purpose to further review the matter, the Union may request a meeting with an officer of the Company or their representative. The Union Representative at such meeting shall not have participated actively in the original investigation. The Union and Company Representatives would review the facts used by the Company in making the selection. Company's initial decision will stand unless, after such review of the facts, Union and Company representatives agree that the decision was arbitrary. In any event, the Union and Company representatives shall, within thirty (30) days, dispose of the case and their decision shall be final and binding upon the Company, the Union, and the employees involved.

(c) The term "Working Foreman/woman" as used in this Section 16.7 shall be construed to include any of the following: (Amended 6/11/01) (Amended 7/1/12)

Foreman/woman, Working (All Classifications)
Inspector
Representative, Customer Services, Senior
Senior Facilities and Grounds Maintenance Man

16.8 (a) An employee changing any classification shall be given a qualifying period. Within the first thirty (30) days of the qualifying period, the employee must determine whether they can meet the requirements of the new classification or elect to return to their former job classification and rate of pay. If the employee elects to exercise the option of returning to their former classification and rate of pay within the thirty (30) day period they will then be ineligible to bid on any position openings for a period of ninety (90) days from the date they return to their former position. The employee may only exercise returning to their former position during the thirty (30) day qualifying period once every three (3) years. After expiration of the above-described 30-day period and up to 180 days after the employee begins work in the new job classification, only the Company and the Joint Apprenticeship Training Committee may determine if the employee is meeting the requirements of the new classification. If within the above-described time period the Company and Committee determine that the employee is not meeting the requirements of the new job classification, then the employee must be returned to their former job classification and rate of pay.

If an employee bids into a position for which they have no experience and is the senior bidder, then they will be given an option to job shadow for up to five (5) working days prior to making a decision to accept the new position.

In the event it is necessary for the Company to demote a "Working Foreman/woman," as defined in Subsection 16.7(c) for failure to discharge the duties of their position, the identical procedures of notice to Union, investigation and review procedure for appointment as outlined in Subsection 16.7(b), shall be used prior to completion of demotion.

- 16.9 All bids shall be submitted through the electronic application tracking system used by the Company. If a prospective bidder is unable to access the internet during the bidding period, then they may request via email that Human Resources submit a bid on their behalf. The Company will not consider any bid submitted later than the closing date on the posted bid/job announcement form.
- 16.10 (a) Notwithstanding anything contained herein, Company need not consider the bid of any employee who does not possess the knowledge, skill, efficiency, adaptability and physical ability required for the job on which the bid is made.
- (b) Company need not consider the bid of any employee for a posted job vacancy in another occupational group, if the employee has not worked for a minimum of 90 days in their present classification within the occupational group in which they are currently employed. The provisions of Section 16.10(c) are not to be construed as placing any time limitation upon the subsequent advancement of any employee within the line of progression in the occupational group to which they are qualified to bid. (Amended 7/1/12)
- (c) Company will not consider the bid of any employee in an Apprentice classification for a posted job vacancy in another Apprentice classification. (Amended 1/1/95)
- (d) Company will not consider the bid of any employee for an apprenticeship who has not met the requirements of the Joint Apprenticeship Training Committee. (Added 5/1/83)
- (e) The Company will not consider the bid of an employee for any position if the employee has an overall unsatisfactory appraisal in their current classification. (Added 1/1/95)
- 16.11 (Deleted 5/1/82)
- 16.12 The seniority rights of employees who are members of the Armed Forces shall accrue while they are absent on military duty.
- 16.13 Both the Company and Union recognize that there will arise situations with respect to partially incapacitated employees, employees displaced by new technologies or revisions of operational procedures, employees who are temperamentally unsuited to their jobs, employees returning from military service (other than annual field training) or employees who are displaced either directly or indirectly by other employees returning from military service with the Armed Forces of the United States (other than annual field training) who have been granted leaves of absence by the Company under Section 8.2 of the Agreement, and that in such cases the bidding procedure may be waived by mutual agreement in order to properly protect the seniority of employees who have given long and faithful service. The Company will discuss such cases with the Union as far in advance as possible with the object of avoiding any inequitable situations, which might result. Both parties will endeavor to provide for retention of employees in the Company, in jobs suitable to their capabilities, first in the areas where they are employed at the time, or secondly in other areas of the Company's operations. If after full discussion of such cases and survey of all possibilities available to the solution of the problem, the Union and the Company are unable to agree on a satisfactory solution, the Company shall have the right to make changes or layoffs as it may deem necessary, consistent with the provisions of the Agreement. Should a partially incapacitated employee, an employee displaced by new technologies or revisions of operational procedures, or an employee who is temperamentally unsuited to their job, or employees returning from military service (other than annual field training) or employees who are displaced either directly or indirectly by another employee returning from military service with the Armed Forces of the United States (other than annual field training) who have been granted leaves of absence by the Company under Section 8.2 of the Agreement, agree to be transferred to work falling outside of the Bargaining Unit, and should the employee not prove to be

satisfactory in this assignment, Company and Union may mutually agree to waive the bidding procedure and return the employee to a Bargaining Unit job suitable to his/her capabilities, under the provisions of this Section.

- 16.14 After attainment of journeyman status through the Apprenticeship Program, the Company need not consider the journeyman's bid back into another Apprentice Program for a period of one year. (Added 1/1/98)

TITLE 17 EXPENSES

- 17.1 (a) Upon mutual agreement between the Company and the employee, the employee may provide their own regular meals on an out-of-town work assignment as outlined in Section 17.8(a) and be reimbursed by the Company the meals for which the employee qualified during each day of the assignment. The reimbursed price will be the base cost of the appropriate meal as outlined in 17.1, excluding tax and tip. (Added 5/1/86)(Amended 7/1/12)
- (b) The provisions of this Title shall be applied in a reasonable manner by the Company and the Union to conform to the intent of the parties, namely, that the Company will provide adequate meals when employees are prevented from observing their normal meal practices, and such other meals as provided for in this Title. Time necessary to consume the meals shall be considered as time worked. Union will cooperate with the Company to insure that the time necessary to consume meals will not be excessive. Company shall have right to consider excessive time taken to consume meals as time not worked.

"Time Necessary to Consume":

Parties recognize that certain meals may take more or less than thirty (30) minutes to consume. Any excessive time may be subject to justification.

17.2 If Company requires an employee to perform work for one and one-half (1 1/2) hours or more beyond regular work hours, it shall provide them with a meal approximately one and one-half (1 1/2) hours after regular quitting time and with meals thereafter of approximately four (4) but not more than five (5) hours for as long as they continue to work, insofar as it is possible for the Company to do so.

Normal meal practice shall prevail for work performed during those hours described in Section 17.1. (Amended 5/1/81)

17.4 (a) On prearranged overtime assignments, Company will provide breakfast if such work begins prior to two (2) hours before the time corresponding to the employee's regular starting time on workdays and non-work days. If such work begins two (2) hours or less before the time corresponding to the employee's regular starting time on a work day or a non-work day the normal meal practice relating to work days shall prevail. If such work continues, Company will furnish meals in accordance with Section 17.2 for the duration of the assignment. (Amended 5/1/81)

(b) If such prearranged overtime is wholly outside of regularly scheduled work hours on either work days or non-work days, employee shall be eligible for one (1) meal on the job and shall be allowed thirty (30) minutes for consumption of such meal, approximately four (4) but not more than five (5) hours after beginning work, to be considered as time worked. Such employee will not be eligible for 45 minutes to consume said meal. (Amended 7/1/12)

17.7 Nothing in the proceeding Sections of this Title shall be construed as altering in any way the lunchtime provisions set forth in Title 6.

- 17.8 (a) Regular employees who are assigned to temporary work at such distance from their headquarters that it is impractical for them to return thereto or to their regular place of abode, shall be allowed actual personal expense for board and lodging for the duration of such assignment, provided they board and lodge at places to be designated by Company. Under such circumstances, the Company designated lodging will be the reporting place. (Amended 1/1/95)
- (b) The subsistence allowance will not be applicable if board and/or lodging are provided by the Company. Upon the approval of the Company, any employee electing to provide their own living accommodations and meals in lieu of those provided by the Company will be:

Each night's stay of the work assignment: \$85.00 Effective 1/1/03

The last day of the whole aforementioned assignment: \$42.50 Effective 1/1/03

Employees working a five (5) day work week and electing to remain within the project area on their two (2) non-work days will not be entitled to the subsistence allowance for the non-work days. If assigned to work six (6) days during the workweek, the subsistence allowance will be granted for each of the seven (7) days in the workweek.

An employee shall not be entitled to the subsistence allowance for any day they are absent from duty for personal reasons.

In the event of the illness of an employee, subsistence allowance shall be granted only for the first regularly scheduled workday. If such illness exceeds one (1) regularly scheduled workday, employees shall be encouraged to seek proper medical attention at facilities properly equipped to render same.

Transportation and allowances shall be provided to employees by the Company in accordance with the terms of Sections 17.8(a) and 17.9 of the Agreement, except that time spent by employees traveling in their personal vehicles to the project at the beginning of the employee's assignment and from the project at the end of the employee's assignment shall not be considered as time worked.

A travel allowance equal to that provided for under Title 5, Section 5.1, for one (1) round trip, will be allowed each employee providing their own living accommodations and meals under the following conditions: (Amended 1/1/95)

1. Travel to the project at the beginning of the employee's assignment and from the project at the end of the employee's assignment.
2. Travel from one (1) temporary reporting place designated by Company to another such Company designated temporary reporting place within the project for the purpose of relocating an employee's personal living accommodations.

Employees will be required to report for work at the established starting time and at the temporary-reporting place designated by Company. It is understood that the temporary reporting place designated by Company may change from time to time due to changes in Company's operational requirements. Such changes shall occur at Company's option.

Employees receiving the subsistence allowance in accordance with the foregoing provisions shall report for work on the first scheduled work day of the work week, at the established starting time, at the temporary reporting place designated by Company.

Employees providing their own living accommodations and meals shall accept full responsibility for the health, welfare and safety of any family members or personal property

taken with them while on this job assignment. Employees shall hold the Company harmless of any and all liability involving family members, friends, personal property or equipment. (Amended 5/1/82)

Such premium shall be paid for the duration of the assignment, excluding days not worked, even though such assignment may be interrupted by weekends or authorized days off during which the employee returns to their regular place of abode. (Amended 1/1/95)

No out-of-town premium shall be applicable for one (1) night out-of-town assignments. When out-of-town premium is applicable to time worked at the overtime rate of pay, the overtime rate shall be applied to the out-of-town work premium.

Out-of-town premium shall be applicable only for hours considered time worked and shall not be paid for non-work time such as sick leave, time of own accord, etc. (Added 5/1/83; Effective 5/1/84)

- 17.9 If on their non-work days any such employees remain at such designated places, their expenses for board and lodging on such days shall be paid by Company, but if they go elsewhere for their personal convenience Company shall not reimburse them for any expense they incur thereby. If any such employees return to their homes on their non-work days, Company at its option shall (1) allow them the equivalent of any saving it realizes in their board and lodging costs, or (2) reimburse them for the expenses of round-trip transportation by public carrier, or (3) provide round-trip transportation by Company vehicle, if such travel is at Company's request. In the event that any such employees board and lodge at a Company boarding house, the allowance which may be made by reason of the saving in board and lodging cost will be based on the established charge to employees who regularly board and lodge at such boarding houses.
- 17.10 An employee who is required to change their residence from one (1) locality to another for the Company's convenience, shall be eligible for authorized relocation expenses (Company reserves the right to select approved expenses) consistent with the current Company policy/procedure if the employee's place of residence is at least 50 miles from their/her new headquarters. This benefit does not apply if the move results from an employee exercising their/her rights under Title 16, except when there is only one qualified bidder for a journeyman or above job, qualified moving expenses, not to exceed \$2,000 with a limit on availability to said bidder once every five years, will be available. (Amended 1/1/98)
- 17.11 (Deleted 5/1/91)
- 17.12 Insofar as possible, the Company will give at least one (1) day's notice to an employee who is to be sent out of town for work in order that the employee may have time to prepare for the trip. The cost of Company provided meals for which the employee qualifies during each day of such assignments shall not exceed the aggregate of the meal allowances specified in Section 17.1 for such meals.
- 17.13 On optional or voluntary training related travel out of the Company's service territory, the following shall apply:
- Company to reimburse for actual expenses.
 - Out-of-town premium will not be in effect.

(Amended 5/1/82)
- 18.3 The Company shall not be liable for lost time or expenses of the Union appointed members of the JATC.
- 18.4 Any programs or plans which may be agreed upon by the JATC with reference to items listed in 18.2 shall be reduced to writing and upon approval and acceptance by the General Manager of the Company or designee and the Business Manager of the Union, such supplemental agreements shall constitute an amendment to this Agreement as of the date specified in such supplementary agreement. (Amended 6/11/01)
- 18.5 (Deleted 6/11/01)
- 18.6 When an apprentice in any formalized Apprenticeship Training Program has completed six (6) months at the top step of their apprentice wage progression and has successfully met all requirements for advancement to Journeyman status, they shall automatically be reclassified to the classification and wage rate of a Journeyman within the Department in which their apprenticeship has been served, and the Company shall not be required to post a Journeyman vacancy. When an apprentice has reached the top step of their wage progression and has successfully met all requirements for advancement to Journeyman status, they may be, at Company's discretion, reclassified to the classification and wage rate of Journeyman within the Department in which their apprenticeship has been served, and the Company shall not be required to post a Journeyman vacancy. (Amended 5/1/81)
- 18.7 All apprenticeship job vacancies will be filled in accordance with the provisions of Section 16.10 of this Agreement. (Added 5/1/83)
- 18.8 From the date an apprentice voluntarily drops out of an apprenticeship, they shall not be eligible to bid another apprenticeship for a two (2) year period. (Added 7/1/09)

TITLE 19

- 19.4 Company shall not, by reason of the execution of this Agreement, abrogate or reduce the scope of any present plan or rule beneficial to employees, which is not specifically covered by this Agreement.
- 19.5 Job descriptions are not intended to be so restrictive as to prohibit performance of work not specifically mentioned in the job descriptions themselves. Such work assignments shall be in accordance with Section 4.3 of the Agreement.
- 19.6 Nothing herein contained shall be construed as to limit the right of the Company to determine the character, extent and methods of its operations, the amount of production, the number of employees required in total and in the specific classifications of work.
- 19.7 The Company will furnish for use by employees all special tools it deems necessary that may be required by any classification in the performance of the job therein. The Company will replace all personal hand tools, as normally purchased by the Company, which are worn out in the service of the Company and are turned in to the Company for replacement.
- 19.8 If any part or portion of this contract is determined to be invalid or be superseded by either state or Federal law, by a court of competent jurisdiction, the remaining portions of the contract shall, remain in full force and effect. If the invalid or superseded part is a mandatory subject of collective bargaining under NRS 288.150 (in effect as of the date of this Agreement), the Company and the Union agree to meet within 60 days following such determination to negotiate the invalid or superseded provision.
- 19.9 To facilitate and promote effective communication, cooperation, and early resolution of disputes and issues, the Company and Union agree to form a Labor Management Committee (LMC). The LMC is intended to facilitate communication between the Company and the bargaining unit employees by providing a forum for discussion and collaborative problem-solving relating to:

Employees shall not be compensated for off-duty attendance at LMC meetings.

The LMC shall meet monthly unless otherwise agreed to by the Company and Union. LMC meetings may, if agreed to by the Company and the Union, be attended by non-committee member employees. The company will determine classifications that are authorized to receive this special "Smart Phone" allowance. (Added 7/1/12)

The amount of Supplemental benefit payable for each day of absence shall be 85% of the employee's basic daily wage less the sum of any payments to which they may be entitled under the aforementioned acts or any other acts applying to the case. The Company will investigate any employee off work on industrial injury. If there is reason to believe that the intent and/or benefits of this section are being abused, the supplemental benefit will be terminated. Reference is hereby made to Section 16.13, relative to employees permanently injured in the Company's services. (Amended 6/11/01)

TITLE 21
GRIEVANCE PROCEDURE

- 21.1 Any grievance which may arise between Union or any employee in a Bargaining Unit classification and Company with respect to the interpretation or application of any of the terms of this Agreement and with respect to such matters as the alleged discriminatory or arbitrary discharge, discipline, or demotion of an individual employee shall be processed through the procedure set forth in the following paragraphs of this Title.
- 21.2 An Investigating Committee shall be established and shall consist of at least two (2) members, one (1) appointed by Union and one (1) by Company. (Amended 1/1/95)
- 21.3 A Joint Grievance Committee shall be established consisting of four (4) members appointed by Union, one (1) of which will be the Union Business Representative, and four (4) members appointed by Company. The Grievance Committee shall meet at a time and place to be designated by mutual consent of the members thereof. The meetings shall be limited to one (1) per month but need not be held each month if there is a lack of business for the Committee to conduct.
- 21.4 (a) STEP 1 - As the initial step in the adjustment of an alleged grievance of an employee, the Union Shop Steward shall discuss same with the Supervisor in charge and the Union Shop Steward shall inform the Supervisor that this is the first step of the grievance procedure. The Supervisor shall have five (5) working days from date of notification to give their verbal response.
- (b) STEP 2 - If they are unable to resolve the alleged grievance as provided in Subsection 21.4(a), the Union Shop Steward shall present a written statement of the alleged grievance to the Supervisor in charge within five (5) working days after completion of the first step. Such grievance report form shall have been approved by Company and Union. The Supervisor shall present their answer in writing on grievance form to the Union Shop Steward as soon as possible, but in no event more than ten (10) working days from the date Union Shop Steward presents the written statement of the alleged grievance to the Supervisor in charge.
- (c) Discussions between Union Shop Steward and the Supervisor may be on Company time but shall be at such time and place as not to interfere with the work in progress.
- (d) Grievances shall be introduced at the initial step of the grievance procedure within the time limits specified in subsection (1) and (2) hereof:
1. A grievance involving the alleged discriminatory or arbitrary discharge of an employee shall be introduced at the initial step of the grievance procedure not later than ten (10) working days after an employee discharge becomes effective. Company shall answer, in writing, within five (5) working days after receipt of Union's written grievance.
 2. Grievances as described in Section 21.1 other than specified in (1) above shall be introduced at the initial step of the grievance procedure not later than thirty (30) calendar days after the date of the incident or action complained of which is the basis

of the grievance, or in a situation beyond the control of the employee, thirty (30) calendar days after the date the employee became aware of said incident or action.

- 21.5 STEP 3 - If the Union Shop Steward and Supervisor involved are not able to reach an agreement on the disposition of a grievance, or if the Company fails to answer within the time limit above, it may be referred by the Shop Steward to the Union's Business Representative. If the alleged grievance is not presented to the third step of the grievance procedure within ten (10) working days after receiving the Supervisor's answer in Step 2; the grievance shall be considered closed. The Union's Business Representative may present such grievance in duplicate on the proper form to the Labor Relations Manager, or alternate. The form shall be completed by the Company and returned to the Union's Committee Chairman within ten (10) working days from receipt thereof.
- 21.6 (a) STEP 4 - If no settlement is reached at Step 3, or the Company fails to submit a written answer within the specified time limit, the Union may refer such alleged grievance to the next step of the grievance procedure, which is the Joint Grievance Committee.
- (b) If the grievance is not settled as provided in Sections 21.4 and 21.5, it shall be discussed by the Joint Grievance Committee at its next regular meeting. The Committee shall consider grievances referred to it as provided in Section 21.5 and shall conscientiously endeavor to effect their settlement. The decision of this Committee shall be final and binding upon both parties. Minutes shall be kept of the Committee's proceedings and the disposition of all grievances shall be recorded.
- (c) All grievances will be processed in the manner prescribed in Sections 21.4 and 21.5 and 21.6(a) except those involving alleged discriminatory or arbitrary discharge, discipline, or demotion of an individual employee, which, if not settled in the manner prescribed in Sections 21.4 and 21.5 shall be referred directly to the Investigating Committee. The Investigating Committee shall make a complete investigation of all the facts pertinent to the grievance and shall strive to reach agreement on disposition of the grievance. Their agreement shall be recorded and shall be final and binding on Company, Union and the aggrieved employee. If the Committee is unable to reach agreement, it shall refer the grievance to the next regular meeting of the Joint Grievance Committee with a full and complete report of its investigation and the separate recommendations of the Investigating Committee members. Company and Union agree that they will attempt to settle grievances involving alleged discriminatory or arbitrary discharge of an individual employee as expeditiously as possible.
- 21.7 STEP 5 - If a satisfactory settlement cannot be reached by the Joint Grievance Committee in two (2) consecutive meetings (unless mutually otherwise agreed), it shall be referred to the Review Committee, such committee to be composed of a Union Representative and a representative of the Company who were not involved in any of the preceding grievance steps. The Company representative shall not directly supervise any party involved in the grievance. This Committee shall meet within thirty (30) working days after the date the case is referred to the Committee, and shall endeavor to make a decision based on the record referred to it. It may, in its discretion, return the grievance to the Joint Committee with a request for further investigation and consideration by that Committee. It may, at its discretion, conduct a hearing on any grievance submitted to it. This Committee shall be authorized to make a decision, which shall be final and binding on Company and Union. If the members agree on the disposition of a grievance a statement to that effect shall be signed by the members. (Amended 6/12/06)
- 21.8 STEP 6 - If a satisfactory settlement cannot be reached under the foregoing procedure, either party may refer the case to arbitration by notifying the other in writing to that effect. Within twenty-one (21) days of such notice, Union and Company shall each notify the other of the persons appointed to act as their representative on the Arbitration Board. An Arbitration Board shall be appointed on each occasion that a grievance is submitted to arbitration. The Board shall be composed of three (3) members, one (1) to be appointed by Union; one (1) to be appointed by the Company. At the earliest convenience of the representatives after their appointment, they shall meet for the purpose of selecting the third member who will serve as Chairman of the Board. In the event the parties are unable to agree on a person to act as a third member, within forty-eight (48) hours they shall jointly request the Director of Federal Mediation and Conciliation Service to submit a list of five (5) persons qualified to act as a third member. After receipt of such list, the Union and Company shall alternately challenge two (2) names, the party to have first choice to be determined by lot. The remaining name shall be

accepted as Chairman of the Board. The Arbitration Board shall hear all evidence and arguments on the points in dispute and the written decision of a majority of the members of such Board shall be final and binding upon the parties hereto. The Board shall have jurisdiction and authority to interpret and apply the provisions of this Agreement, insofar as shall be necessary to the determination of the grievance of complaint, but it shall not have jurisdiction or authority to alter in any way the provisions of this Agreement.

The Board may make such retroactive award, or settlement, of any grievance or complaint as the equities of the case may demand, but in no event shall any award be retroactive beyond the date of the occurrence of the latest incident which gave rise to the grievance, nor shall any award be retroactive for more than one (1) year prior to date of submission of grievance at Step 3. The Company and the Union shall each bear the expense of its own representatives. The expense of the third party shall be borne equally by the Company and the Union. Either party may call any employee as a witness in any proceeding before the Arbitration Board, and if the employee is on duty, the Company agrees to release such employee from duty so they may appear as a witness. If an employee is called to appear before the Board, the party calling the witness will reimburse them for all expenses including time lost.

- 21.9 The disqualification of a preferred bidder as provided in Section 16.5 to a job classification listed in Exhibit C by reason of Company application of Section 16.10 shall be referred to Union's member of the Investigating Committee. The Union's member shall within fourteen (14) calendar days notify Company member that an investigation is desired. If no notification is made the award shall be made permanent. Where notification is given the Committee shall make a complete investigation of all the facts pertinent to the grievance and this investigation shall substitute as the initial step in the adjustment of a grievance provided in Section 21.4. Such investigation shall commence as soon as reasonably possible after referral and the Committee shall diligently carry on its investigation and shall strive to reach agreement on disposition of the grievance. Their agreement shall be recorded and shall be final and binding on Company, Union and the aggrieved employee. If the Committee is unable to reach agreement it shall refer the grievance to the next regular meeting of the Joint Grievance Committee with a full and complete report of its investigation and the separate recommendations of the Committee members.

TITLE 22 EMPLOYEE BENEFIT PROGRAMS

The Company maintains the right to make administrative changes to any benefit plan that will not adversely affect the employee's benefit or cost of such benefit, but may reduce the Company's obligation. These changes will be reviewed and discussed with the Joint Wages and Benefits Committee.

Except in the event of the election of a different funding medium by the Company, if any Benefit Plan is terminated or modified in such a manner that the benefits are reduced, the Union or Company shall have the right to open negotiations for the purpose of negotiating a replacement plan or program but for no other purpose. (Amended 7/1/09)

22.1 Retirement

- (a) The retirement system for all Regular employees shall be the Public Employee Retirement System of Nevada (PERS) in accordance with applicable provisions of NRS.
- (b) The Retirement rate of compensation will be in accordance with NRS Ch. 286.
- (c) Effective July 1, 2017, Nevada PERS rate increases or decreases shall be split equally between the Company and the employee. The Wage Schedule and the wage of each employee shall be automatically decreased by one-half of any PERS increase and increased by one-half of any PERS rate decrease.

22.2 Post Retirement Medical

The Company has established two separate trusts to assist retirees of TMWA with the payment of premiums for post-retirement medical and group life insurance. The first trust is referred to as "The Truckee Meadows Water Authority Post-Retirement Medical Plan & Trust," and was established as a

Voluntary Employees' Benefit Association under Section 501(c)(9) of the Internal Revenue Code of 1986, as amended (Code), and is referred to herein as the VEBA Trust. The second trust is referred to as the "Truckee Meadows Water Authority OPEB Trust Fund," and was established under Code Section 115, and is referred to herein as the 115 Trust.

The following is provided for informational purposes only and should not be interpreted as amending or modifying the terms of the VEBA Trust or the 115 Trust, the post-retirement benefits stated therein, or the Company's obligations under the Trusts. If information provided in their Title 22.2 contradicts or conflicts with the terms of the Trusts, or any amendments thereto, then the terms of the Trust are to control.

1. VEBA Trust Benefit: The VEBA Trust has been established to provide retirees and their dependents with benefits to assist with the payment of premiums for post-retirement medical coverage and post-retirement group life insurance coverage. The benefits payable to participants under the VEBA Trust will vary depending on whether the participant is classified as an "IBEW Transfer Employee," "IBEW Transfer Employee Receiving Sierra Plan Benefits," or "Other IBEW Employees." Bargaining Unit employees entitled to receive benefits under the 115 Trust described in Section Two below are not eligible to receive benefits under the VEBA Trust.
 - (a) Employees who "retire" under the qualified Retirement Plan (minimum age 55 with at least 10 years of service), are eligible for Post Retirement Medical benefits. For Post Retirement Medical Plan provisions, refer to the Truckee Meadows Water Authority Post-Retirement Medical Plan & Trust. (Amended 6/12/06)
 - (b) Employees retiring on or after July 1, 1998, who are under age 65, will pay 20% of the applicable Medical Plan premium (including Dental and Vision); plus an additional 4% of the applicable Medical Plan premium (including Dental and Vision) for each year less than 20 full years of Credited Service.
 - (c) Employees retiring on or after January 1, 1998, who are age 65 or over, or who subsequently become age 65, will be offered the same HMO group policies or plans offered by the Company that provide medical, dental, or vision coverage to as active Bargaining Unit employees, a Medicare Supplement Plan (plan design to be determined and mutually agreed upon in the Joint Wages and Benefits Committee), and a Medicare Risk Contract.
 - (d) Employees retiring on or after July 1, 1998, who are age 65 or over, will pay 15% of the applicable Medical Plan premium (including Dental and Vision); plus an additional 4% of the applicable Medical Plan premium (including Dental and Vision) for each year less than 20 full years of Credited Service. If a retiree elects to participate in a Medicare Risk Contract, the 15% premium will be waived; any additional premium for years of Credited Service less than 20 shall apply. In addition, retirees age 65 or over are required to enroll in and pay the cost of Medicare Part "B" or Medicare Part "C".
 - (e) Grandfathering: Employees who are age 60 or greater with at least 10 years of service as of July 1, 1998, will not be required to pay 20% (or 15% if over age 65) of the applicable premium at the time they retire, but will be required to pay 4% for each year less than 20 full years of Credited Service. For example, an employee who turns 60 on May 1, 1998, but chooses to retire May 1, 2001, when they have 20 years of service, will not be required to pay 20% of their applicable Medical Plan premium.
 - (f) Retirees may choose to waive their medical coverage at the time of retirement or any time thereafter. Waiver is permanent.
 - (g) Retirees may change plans once each year during an annual open enrollment period without pre-existing exclusions. Retirees can change their coverage level (retiree only; retiree plus spouse; etc.) if they incur a family status change within the plan year.

- (h) Medical Plan premiums will be actuarially determined each plan year. Retirees will be rated separately from active employees for self-funded plans.
 - (i) Unless the parties design a more mutually acceptable plan, all new employees hired on or after January 1, 1998, will receive an individual account balance for post retirement medical equivalent to \$1,250 per year of Credited Service at the time they retire. Details of plan design and administration will be deferred to Joint Wages and Benefits Committee prior to any employee first becoming eligible. The Company agrees to review current plan and determine if improvements can be made to plan. (Amended 7/1/12)
2. Former Washoe County Employees Benefit: Their Section applies only to former Washoe County employees who became Company employees through the January 1, 2015 merger of Washoe County Community Services Department Water Utility with and into the Company.
- (a) The 115 Trust has been established to provide the means to fund all or a portion of premiums for post-retirement medical coverage to the above-referenced former Washoe County employees. The benefits payable to participants under the 115 Trust will vary depending on whether the participant is classified as a "Tier 1 Retiree" (hired by Washoe County on or before September 16, 1997) or a "Tier II Retiree" (hired by Washoe County after September 16, 1997 and before July 1, 2012).
 - (b) Benefits for Tier I Retirees: The maximum benefits to be paid by the 115 Trust to Tier I Retirees shall be as follows:
 - (1) For Tier I Retirees with at least ten (10), but less than fifteen (15), years of combined full-time employment with Washoe County and the Company, the maximum benefits payable by the 115 Trust will be 50% of the premium attributable for coverage of such retirees under the medical plans offered to Tier I Retirees under the 115 Trust.
 - (2) For Tier I Retirees with at least fifteen (15), but less than twenty (20), years of combined full-time employment with Washoe County and the Company, the maximum benefits payable by the 115 Trust will be 75% of the premium attributable to medical coverage of such retirees under the medical plans offered to Tier I Retirees under the 115 Trust.
 - (3) For Tier I Retirees with twenty (20) or more years of combined full-time employment with Washoe County and the Company, the maximum benefits payable by the 115 Trust will be 100% of the premium attributable to medical care coverage of such retirees under the medical plans offered to Tier I Retirees under the 115 Trust.
 - (c) Benefits for Tier II Retirees: The maximum benefits to be paid by the 115 Trust to Tier II Retirees less than 65 years of age is to be the same amount of the premium paid for group health coverage by an employer for coverage of non-state employees under the Nevada State Public Employee Benefit Plan ("PEBP") Retiree Health Insurance plan.
 - (1) By way of background, the 2003 Nevada Legislature passed legislation (AB286) that afforded public employees of Nevada political subdivisions the opportunity to enroll, upon their retirement, in the PEBP Retiree Health Insurance Plan. The 2003 legislation also obligated public employers of said retirees who enrolled in the Plan to pay a portion of the medical premium on the retiree's behalf (the "Subsidy"). Tier II Retirees are entitled to receive their Subsidy from the 115 Trust for use towards their coverage under the medical plans offered under the 115 Trust rather than the PEBP Retiree Health Insurance Plan.
 - (2) Tier II Retirees who have attained the Medicare Eligibility Age (currently age 65) or older will receive the equivalent of the state of Nevada's Medicare

Exchange Retiree HRA contribution subsidy based upon the combined number of years of service with Washoe County and the Company and must elect Medicare coverage. At that time, Medicare then becomes the primary carrier, and the medical plans offered under the 115 Trust are to become secondary. If the Medicare Eligibility Age is revised, the revised age is to be substituted for the current Medicare Eligibility Age of 65. To receive the benefits described in their paragraph, Tier II Retirees must be employees of the Company immediately prior to drawing their retirement benefits.

NOTE: The PEBP non-state retiree subsidy and Medicare Exchange Retiree HRA Contribution subsidy amounts are revised annually by the state of Nevada. If these benefits are discontinued by the state of Nevada, then Tier II Retirees shall continue to receive the same premium amount that they were entitled to receive during the last year that these benefits remained in effect.

3. Board Resolution Regarding Post-Retirement Healthcare Benefits

Should the TMWA Board adopt a resolution that decreases or eliminates post-retirement healthcare benefits for TMWA employees not covered under their Agreement, IBEW agrees that the Board's resolution will apply to all employees covered under this Agreement. The application of the Board's resolution to all employees covered under this Agreement shall comply with the terms set out within the Board's resolution in the same manner that said terms apply to employees not represented by this Agreement. Any such resolutions shall apply to employees covered under this Agreement without the need for further negotiations. Title 22.2(3) applies only to employees hired on or after the date of the Board's resolution regarding post-retirement healthcare benefits.

22.3 Deferred Compensation (457 and 401(a) Plans)

- (a) The Section 457 and 401(a) Deferred Compensation Program for Bargaining Unit Employees of Truckee Meadows Water Authority is provided by the ICMA Retirement Corporation and are the Plans in effect during the term of this Contract. 22.5 Group Life Insurance

- (a) All regular, full-time, Bargaining Unit employees shall have Group Life Insurance coverage with a basic benefit level of one (1) times base salary. Employees who "retire" under the Nevada PERS retirement system will continue with the amount in force at retirement until age 70 at which time it reduces to one-half of the amount. Upon being discharged from jury duty or appearing as a witness, the employee is expected to report to work for the remainder of their regular work schedule.

TITLE 23
DEMOTION AND LAYOFF PROCEDURE

23.1

I. General Rules

- (a) Employees shall be given as much notice as practicable of Company's proposed action. Following such notice, and prior to the date of the actual layoff, employees to be affected by the procedure shall be considered as though they have already been demoted, and notwithstanding the provisions of Title 16, have their bids to fill vacancies in the normal line of progression considered under the provisions of VI below.
- (b) An employee's Company seniority, as defined in Sections 3.7 and 8.1 shall be determining factors in the application of this procedure.
- (c) Where a vacancy in an appropriate classification exists, the filling of such vacancy shall be in accordance with the appropriate provisions of this procedure. If such vacancies exist at more than one (1) headquarters, Company shall provide an employee with a list of such vacancies and the location thereof. Employee may then elect to fill any of such vacancies for which they have sufficient Company seniority [(b)].
- (d) An employee may not elect to demote another employee whose Company seniority is equal to or greater than their own. An employee may not demote an employee in a classification having a wage rate higher than that of their own classification.
- (e) Employees scheduled for demotions under this procedure shall exercise one (1) of two (2) options:
 - 1. Employee may demote a junior employee in the employee's present job classification at another headquarters, or

2. Employee may demote within their occupational group at their present headquarters. In either of these options, the demoted employee shall be considered to have displaced the most junior employee in the classification.

If the exercise of Options (e) 1) and/or (e) 2) would result in a senior employee being laid off, then, and only then, the employee may exercise Option 3).

If exercise of this Option would still result in a senior employee being laid off, the employee may then exercise Option 4).

3. Employee may demote a junior employee in any occupational group at their present headquarters.
4. Employee may demote a junior employee in any occupational group at any headquarters.

Options 3) and 4) above are intended to protect employees whose job classifications fall "below the entry level line", but who have more seniority than other employees in occupational groups and/or headquarters. In either of these options, the demoted employee shall be considered to have displaced the most junior employee in the job classification at that headquarters location.

- (f) In the application of this procedure, an employee shall not be placed in a job unless qualified to perform the duties.

II. Notices

The following notices shall be given in connection with the demotion and layoff provisions of this procedure.

- (a) Company will give an employee who is to be demoted as much notice thereof as possible, but not less than three (3) days, advising them of the classification to which they are to be demoted and whether there are any jobs with respect to which they may exercise an election by filling a vacancy or by demoting another employee.
- (b) Not more than three (3) days after receiving the notice provided for in Subsection (a), the employee shall advise the Company of their decision with respect to exercising the election.

If they desire to exercise the election, Company shall, within two (2) days thereafter, provide them with a list of the jobs and the locations thereof to which the election may be applied.

- (c) Within three (3) days after receipt of the list described in Subsection (b), the employee shall notify Company of their election to transfer and indicate the job locations in the order of their preference. Preferential consideration shall be given to employees in the order of their Company seniority. While Company shall endeavor to give effect to an employee's preference in the order they have indicated, Company seniority shall be the determining factor where two (2) or more employees express a preference for a single job classification or headquarters location. Company shall notify an employee as to the specific location to which they will be transferred and the effective date of the transfer.
- (d) An employee's failure to give the notices prescribed in Subsections (b) and (c) will operate to forfeit their right of election.
- (e) Any transfer resulting from the application of this Section shall be effective not later than fifteen (15) days from the giving of the notice provided for in Subsection (a).

III. When a demotion is to be made in a job classification(s) at a Company headquarters [see I (e)], the employee(s) with least Company seniority in such classification(s) shall have the option to:

- (a) Elect to displace that employee in their same classification and occupational group within the Company who has less Company seniority than he.
- (b) Elect to demote to the next lower classification in the reverse order of the normal line of progression in their occupational group.

An employee shall be demoted on a step by step basis; that is, they shall first be demoted in the reverse order of the normal line of progression for their classification to the next lower classification. If successive demotions must be made, the same procedure shall apply at each step until the employee is either placed in another job or is laid off. If more than one (1) demotion is to be made, the described procedure shall first be applied to the highest classification to be affected, and then to successively lower classifications.

- (c) If an employee cannot for any reason effect an election in accordance with (a) or (b) above, he shall demote into the general demotional pool.
- (d) All jobs below entry line, in Exhibit C, shall be considered as a general demotional pool for demotion purposes. All demotions to be by Company seniority. (Amended 6/11/01)

Note: See Attachment IV, Lines of Progression Diagram, for details.

- (e) In all demotions and/or layoffs, the employees demoting into a job must be able and willing to perform the duties of the job with a minimum of further training. Company shall make the determination of minimum training needed in all such cases.
- (f) Journeymen who can demote apprentices shall retain Journeyman status and the junior apprentice(s) shall be demoted.

IV. Layoff

If there is no job to which the employee can demote under III above, he or she will be laid off.

V. Notice of Layoff

When it is necessary for Company to lay off employees because of lack of work, Company shall give employees involved as much notice thereof as practicable, but in no event shall an employee be given less than thirty (30) calendar days' notice of layoff, provided, however that notice of layoff need not be given to employees who are employed on a temporary or probationary basis.

VI. Accelerated Promotion

For the purpose of enabling employees who have been demoted or transferred under the provisions of this procedure, Company will give preferential consideration in the following sequence to the bids made by such employees on any job vacancy:

- (a) Bids made by employees who formerly worked in such job classification and headquarters; demoted from such classification from such headquarters. An employee's bid shall not be considered under this subsection if following their demotion or transfer they have not exercised each opportunity available to them to bid on a job in their former classification and headquarters;
- (b) Bids made by employees listed in Subsection (a) above who formerly worked in such job classification.

In considering, under Subsection (a) or (b), bids received from two (2) or more employees on the same job, Company shall give preferential consideration to the bid made by the employee who has the greatest Company seniority.

An employee who has been demoted or transferred under the provisions of this procedure who thereafter voluntarily removes themselves from the Line of Progression and occupational group to which they were previously transferred or demoted shall not be given consideration under this section.

VII. Enabler

By written agreement between Company and Union, special provisions may be substituted for the provisions of this procedure. (Added 5/1/82)

ATTACHMENT VI
OUT-OF-TOWN WORK ASSIGNMENT GUIDELINES
(Added January 1, 1995)

A. PURPOSE

Due to growth and operational changes, which have occurred in our service area over the last few years, it has become more common to send employees away from their permanent work location to work in other areas. In most cases these temporary assignments are beneficial to both the Company and its employees. As the number of out-of-town assignments increases, however, so does the potential for disruption of family life and personal inconvenience of our employees.

B. NOTIFICATION OF WORK ASSIGNMENT

As soon as a Supervisor learns that some of their employees will be needed on an out-of-town project or job they should make their employees aware of the following factors:

1. Number of employees required in each classification from their work location for the job or project.
2. Scope of work of the job or project (build new line, general maintenance, plant overhaul, etc.).
3. Starting date and expected duration.
4. Job location and reporting place.
5. Expected working hours (overtime, if expected).
6. Any other information available and of interest to employees, e.g., is there a special project agreement with the Union for the job?

Keep in mind that employees appreciate being kept informed and effective, timely communications improve morale. THE SUPERVISOR SHOULD GIVE EMPLOYEES ASSIGNED OUT-OT-TOWN WORK AS MUCH ADVANCE NOTICE AS POSSIBLE.

C. MANNING OUT-OF-TOWN WORK ASSIGNMENTS

1. VOLUNTARY:

If possible, the Supervisor should attempt to use volunteers in each job classification, with the skill level required.

If there are more volunteers than are required for the job assignment then employees should be selected on the basis of 1) qualifications, 2) accumulated overtime, 3) accumulated number of nights out-of-town, 4) Occupational Group Seniority from top to bottom, 5) operational needs.

Unless otherwise agreed to, volunteers will be expected to work through the entire project from start to finish. Supervisors should discuss this issue with employees at the earliest possible date.

2. NON-VOLUNTARY:

If volunteers are not available to fill the manpower requirements of a project, assignments will be made on a non-voluntary basis. Employees will be selected on the basis of 1) qualifications, 2) accumulated overtime, 3) accumulated number of nights out-of-town, 4) Occupational Group Seniority from bottom to top, 5) operational needs.

On the next mandatory job assignment, the next employees on the Out-Of-Town Assignment List should be selected. By assigning employees in this order, all employees will share equally in performance of out-of-town assignments.

If an employee volunteers for an out-of-town assignment, they should be considered as doing so on their own accord, and will still be required to take their turn at non-voluntary assignments based on Section C (2)(a).

If an employee is unable to work their out-of-town assignment when selected due to illness, personal hardship, or any other reason of a temporary nature, they shall be replaced on the list as the first to go when their problems are resolved.

Any new employee reporting to a work location will be placed on the Headquarters' Out-Of-Town Assignment List and will be assigned out-of-town work when their turn arrives based on Section C (2)(a).

Employees should be kept informed where they stand on the Out-Of-Town Assignment List, as this will give them additional time to plan in advance for out-of-town assignments.

D. PERSONAL HARDSHIP

1. When an employee feels that an out-of-town assignment will create a personal hardship they should explain all the facts to their Supervisor. The Supervisor should listen to the employee, evaluate the situation and make a decision whether to send the employee on a non-voluntary basis or not. These decisions will have to be made on a case-by-case basis, relying on the information supplied by the employee as well as other facts, which may be known to the Supervisor.
2. If a non-voluntary job assignment lasts more than eight (8) weeks the Supervisor should consider rotating personnel to complete that job assignment. (If for example, the Supervisor knows that an out-of-town work assignment will last for ten (10) weeks, they might consider sending two (2) different groups for five (5) weeks each.)

E. OTHER CONSIDERATIONS

1. Continuity - Is it better to have the same group of employee's do the full job rather than changing in the middle of the project?
2. Project Length - Eight (8) weeks is not necessarily the ideal maximum assignment for some projects. Some might be shorter, depending on the travel required, working conditions, equalization of overtime, etc.
3. Job Location - If the assigned job locations are so far away that employees cannot return home on weekends, consideration should be given to making shorter assignments and rotating employees.
4. Productivity - Employees away from home on an involuntary basis for long periods of time may become less productive. Harmony and efficiency in the operation should be considered by Supervisors.
5. Skills Required - Certain employees with special skills may be required at certain projects for the duration of the project, or they may be required to remain at their home location regardless, of the provisions of these guidelines. This will depend on job requirements.
6. Reporting Place - When board and lodging are provided by the Company, the reporting place will be the Company designated lodging of the local headquarters.
